GUIDELINES UNDER SECTION 194Q OF THE INCOME-TAX ACT, 1961

(1) Applicability on transactions carried through various Exchanges:

In order to remove practical difficulties in implementing the provisions of this section as in case of certain exchanges and clearing corporations, sometime in these transactions, there is no one to one contract between the buyers and the sellers, it is provided that this section shall not be applicable in relation to,—

- (i) transactions in securities and commodities which are traded through recognized stock exchanges or cleared and settled by the recognized clearing corporation, including recognized stock exchanges or recognized clearing corporation located in International Financial Service Centre;
- (ii) transactions in electricity, renewable energy certificates and energy saving certificates traded through power exchanges registered in accordance with Regulation 21 of the CERC.

[Same Guideline is also applicable in case of TCS u/s 206C(1H)]

(2) Adjustment for GST, purchase returns:

Although no adjustment on account of GST is required to be made for collection of tax u/s 206C(1H) since the collection is made with reference to receipt of amount of sale consideration. However, the situation is different so far as TDS is concerned. With respect to TDS u/s 194Q, clarified as follows:

	Condition	Amount on which tax is to be deducted u/s 194Q
(i)	Where tax is deducted at the time of credit of amount in the account of the seller and in terms of the agreement or contract between the buyer and seller, component of GST is indicated separately in the invoice	<i>Tax has to be deducted on the amount credited (without including such GST)</i>
(ii)	<u>Where tax is deducted on payment basis</u> (if payment is earlier than the credit) <i>like</i> in case of advance payment	<i>Tax has to be deducted on the whole amount (since it is not possible to identify the payment with the tax component to be invoiced in the future)</i>
(iii)	In case of purchase returns, <u>where the money is refunded by the seller</u>	<i>Tax deducted earlier u/s 194Q on such purchase (which is now returned) may be adjusted against the next purchase from the same seller</i>
(iv)	In case of purchase returns, <u>where goods are replaced by the seller</u>	<i>No adjustment is required.</i>

✓ Same treatment as mentioned in aforesaid table will apply in case of purchase of goods which are not covered within the purview of GST, but which are subject to VAT/Sales tax/Excise duty/CST.

(3) Whether non-resident can be buyer under section 194Q of the Act?

It is clarified that the provisions of section 194Q shall not apply to a non-resident whose purchase of goods from seller resident in India is not effectively connected with the permanent establishment of such non-resident in India.

(4) Whether tax is to be deducted when the seller is a person whose income is exempt?

To remove difficulty, it is clarified that the provisions of section 194Q shall not apply on purchase of goods from a person, being a seller, who as a person is exempt from income tax under the Act (like person exempt under section 10) or under any other Act passed by the Parliament (Like RBI Act, ADB Act etc.). Similarly, with respect to section 206C(1H), it is clarified that the provisions of this section shall not apply to sale of goods to a person, being a buyer, who as a person is exempt from income tax under the Act (like person exempt u/s 10) or under any other Act passed by the Parliament (Like RBI Act, ADB Act etc.). The above clarifications would not apply if only part of the income of the person (being a seller or being a buyer, as the case may be) is exempt.

(5) Whether provisions of section 194Q of the Act shall apply to buyer in the year of incorporation?

	It is clarified that u/s 194Q a buyer is required to have total sales or gross receipts or turnover from the business carried on by him exceeding ten crore rupees during the financial year immediately preceding the financial year in which the purchase of good is carried out. Since this condition would not be satisfied in the year of incorporation, the provisions of section 194Q shall not apply in the year of incorporation.
(6)	<p>Whether provisions of section 194Q of the Act shall apply to buyer if the turnover from business is 10 crore or less?</p> <p>In case of a buyer whose turnover or gross receipt exceeding Rs. 10 crore but total sales or gross receipts or turnover from business is Rs. 10 crore or less, it is clarified that for section 194Q, a buyer is required to have total sales or gross receipts or turnover from the business carried on by him exceeding Rs. 10 crore during the financial year immediately preceding the financial year in which the purchase of good is carried out. Hence, the sales or gross receipts or turnover from business carried on by him must exceed Rs. 10 crore. His turnover or receipts from non-business activity is not to be counted for this purpose.</p>
GUIDELINES UNDER SECTION 194-O, 194Q and 206C(1H) OF THE INCOME-TAX ACT, 1961	
(1)	<p>Cross application of section 194-O, section 206C(1H) and section 194Q of the Act.</p> <p>It is requested to clarify how section 194-O, section 206C(1H) and section 194Q of the Act, apply on the same transaction.</p> <p>Under sub-section (3) of section 194-O, a transaction in respect of which tax has been deducted by the e-commerce operator under sub-section (1), or which is <u>not liable to deduction under sub-section (2), shall not be liable to tax deduction at source under any other provision of chapter of TDS.</u></p> <p>Under second proviso to sub-section (1H) of section 206C, provisions of this sub-section shall not apply, <i>if the buyer is liable to deduct tax at source under any other provisions of this Act on the goods purchased by him from the seller and has deducted such tax.</i></p> <p>Under sub-section (5) of section 194Q, the provision of this section shall not apply to a transaction on which-</p> <ol style="list-style-type: none"> <i>tax is deductible under any of the provisions of this Act; and</i> <i>tax is collectible under the provisions of section 206C, other than a transactions on which section 206C(1H) applies.</i> <p>After conjoint reading of all these provisions the following is clarified:</p> <ol style="list-style-type: none"> If tax has been deducted by the e-commerce operator on a transaction under section 194-O of the Act [including transactions on which tax is not deducted on account of sub-section (2) of section 194-O], that transaction shall not be subjected to tax deduction under section 194Q. Though section 206C(1H) provides exemption from TCS if the buyer has deducted tax at source on goods purchased by him, to remove difficulties it is clarified that this exemption would also cover a situation where instead of the buyer the e-commerce operator has deducted tax at source on that transaction of sale of goods by seller to buyer through e-commerce operator.

	<p>(iii) <u>If a transaction is both within the purview of section 194-O as well as section 194Qt, tax is required to be deducted u/s 194-O and not u/s 194Q.</u></p> <p>(iv) Similarly, if a transaction is both within the purview of section 194-O of the Act as well as section 206C(1H) of the Act <u>tax is required to be deducted under section 194-O of the Act.</u> The transaction shall come out of the purview of section 206C(1H) of the Act after tax has been deducted by the e-commerce operator on that transaction. Once the e-commerce operator has deducted the tax on a transaction, the seller is not required to collect the tax under section 206C(1H) of the Act on the same transaction. <i>It is clarified that here primary responsibility is on e-commerce operator to deduct the tax under section 194-O of the Act and that responsibility cannot be condoned if the seller has collected the tax under section 206C(1H) of the Act.</i> This is for the reason that the rate of TDS under section 194-O is higher than rate of TCS under section 206C(1H)</p> <p>(v) <u>If a transaction is both within the purview of section 194-Q of the Act as well as section 206C(1H) of the Act, the tax is required to be deducted under section 194-Q of the Act.</u> The transaction shall come out of the purview of section 206C(1H) of the Act after tax has been deducted by the buyer on that transaction. Once the buyer has deducted the tax on a transaction, the seller is not required to collect the tax under section 206C(1H) of the Act on the same transaction. However, <u>if, for any reason, tax has been collected by the seller under section 206C(1H) of the Act, before the buyer could deduct tax u/s 194-Q of the Act on the same transaction, such transaction would not be subjected to tax deduction again by the buyer.</u> <i>This concession is provided to remove difficulty, since tax rate of deduction and collection are same in section 194Q and section 206C(1H).</i></p>
(2)	<p>E-auction services carried out through electronic portal:</p> <p>Section 194-O would not apply in relation to e-auction activities carried out by e-auctioneers, if all the facts listed in (a) to (f) below are satisfied:</p> <ol style="list-style-type: none"> The e-auctioneer conducts e-auction services for its clients in its electronic portal and is responsible for the price discovery only which is reported to the client. The price so discovered through e-auction process is not necessarily the price at which the transaction takes place and it is up to the discretion of the client to accept the price or to directly negotiate with the counter-party. The transaction of purchase/sale takes place directly between the buyer and the seller party outside the electronic portal maintained by the e-auctioneer and price discovery only acts as the starting point for negotiation and conclusion of purchase/sale. The e-auctioneer is not responsible for facilitating the purchase and sale of goods for which e-auction was conducted on its electronic portal except to the extent of price discovery. Payments for the transactions are carried out directly between the buyer and the seller outside the electronic portal and the e-auctioneer does not have any information about the quantum and the schedule of payment which is decided mutually by the client and the counterparty. For payment made to e-auctioneer for providing e-auction services, the client deducts tax under the relevant provisions of the Act other u/s 194 -O.

	If any of these facts are not satisfied, then, the clarification given above will not apply. Further, the buyer and seller would still be liable to deduct/collect tax as per the provisions of section 194Q and 206C(1H), as the case may be.									
(3)	<p>Applicability of section 194Q in cases where exemption has been provided under section 206C(1A):</p> <p>Section 194Q does not apply in respect of transactions where tax is collectible u/s 206C [except sale of goods under section 206C(1H)]. Section 206C(1H) requires collection of tax at source in respect of sale of goods other than goods which have been covered u/s 206C(1)/(1F)/(1G).</p> <p>In accordance with section 206C(1A), tax is not required to be collected in the case of a resident buyer who furnishes declaration to the effect that the goods u/s 206C(1) are to be utilised for the purposes of manufacturing, processing or producing articles or things or for the purposes of generation of power and not for trading purposes.</p> <p>In case of goods which are covered u/s 206C(1) but exempted u/s 206C(1A), tax would not be collectible u/s 206C(1)/(1H).</p> <p><u>It is clarified that the provisions of section 194Q will apply in such cases covered under section 206C(1A) and the buyer is to be liable to deduct tax u/s 194Q, if the conditions specified therein are fulfilled.</u></p>

Circular No. 12/2022 Dated 16-6-2022 Read with Circular No. 18/2022 Dated 13-9-2022: **GUIDELINES u/s 194R:**

Q-1 Is it necessary that the person providing benefit or perquisite needs to check if the amount is taxable u/s 28(iv), before deducting tax u/s 194R?

Ans. No. The deductor is not required to check whether the amount of benefit or perquisite that he is providing would be taxable in the hands of the recipient u/s 28(iv). The amount could be taxable under any other section like section 41(1) etc. Section 194R casts an obligation on the person responsible for providing any benefit or perquisite to a resident, to deduct tax at source @10%. **There is no further requirement to check whether the amount is taxable in the hands of the recipient or under which section it is taxable.**

Q-2 Is it necessary that the benefit or perquisite must be in kind for section 194R to operate?

Ans. The Proviso to section 194-R clearly indicates the intent of legislature that there could also be situations where benefit or perquisite is in cash or the benefit or perquisite is in kind or partly in cash and partly in kind. *Thus, section 194R clearly brings in its scope the situation where the benefit or perquisite is in cash or in kind or partly in cash or partly in kind.*

Q-3 Is there any requirement to deduct tax under section 194R, when the benefit or perquisite is in the form of capital asset?

Ans.	It can be seen that the <i>asset given as benefit or perkquisite may be like car, plot, etc. but in the hands of the recipient it is benefit or perkquisite and various Courts have accordingly been held to be taxable. In any case, as stated earlier in question no. 1, the deductor is not required to check if the benefit or perkquisite is taxable in the hands of recipient. Thus, the deductor is required to deduct tax u/s 194R in all cases where benefit or perkquisite (of whatever nature) is provided.</i>
Q-3A	If loan settlement/waiver by a bank is to be treated as benefit/perquisite, it would lead to hardship as the bank would need to incur the additional cost of tax deduction in addition to the haircut that he has taken. Will section 194R apply in such a situation?
Ans.	It is true that waiver or settlement of loan by the bank may be an income to the person who had taken the loan. It is also true that subjecting such a transaction to tax deduction u/s 194R would put extra cost on such bank, as this would require payment of tax by the deductor in addition to him taking a haircut already. Hence, to remove difficulty, <u>it is clarified that one-time loan settlement/waiver of loan granted by the Public Financial Institution or Scheduled Bank or Cooperative bank or State Financial Corporation or State Industrial Investment Corporation or Non-Banking Financial Company or Housing Finance Company or Asset Reconstruction Companies would not be subjected to tax deduction at source u/s 194R</u>
Q-4	Whether sales discount, cash discount and rebates are benefit or perkquisite?
Ans.	<p>Sales discounts, cash discount or rebates allowed to customers are also benefits though related to sales/purchase. Since TDS u/s 194R is applicable on all forms of benefit/perquisite, tax is required to be deducted. However, it is seen that subjecting these to tax deduction would put seller to difficulty. <u>To remove such difficulty it is clarified that no tax is required to be deducted u/s 194R on sales discount, cash discount and rebates allowed to customers.</u></p> <p>There could be another situation, where a seller is selling its items from its stock in trade to a buyer. The seller offers two items free with purchase of 10 items. In substance, the seller is actually selling 12 items at a price of 10 items. In such a situation, again there could be difficulty in applying section 194R provision. Hence, to remove difficulty it is clarified that on the above facts no tax is required to be deducted under section 194R. <u>It is clarified that situation is different when free samples are given and the above relaxation would not apply to a situation of free samples.</u></p> <p>Similarly, this relaxation should not be extended to other benefits provided by the seller in connection with its sale. To illustrate, the following are some of the examples of benefits/perquisites on which tax is required to be deducted under section 194R (the list is not exhaustive):</p> <ul style="list-style-type: none"> ✓ When a person gives incentives (other than discount, rebate) in the form of cash or kind such as car, TV, computers, gold coin, mobile phone etc. ✓ When a person sponsors a trip for the recipient and his/her relatives upon achieving certain targets ✓ When a person provides free ticket for an event ✓ When a person gives medicine samples free to medical practitioners.

	<p>➤ It is of no consequence that <i>these benefits/perquisites may be actually used by owner/director/employee of the recipient entity or their relatives who in their individual capacity may not be carrying on business or exercising a profession.</i></p> <p>➤ To illustrate, the free medicine sample may be provided by a company to a doctor who is an employee of a hospital. The <u>TDS u/s 194R</u> is required to be deducted by the company in the hands of hospital <i>as the benefit/perquisite is provided to the doctor on account of him being the employee of the hospital.</i> Thus, in substance, the benefit/perquisite is provided to the hospital. The hospital may subsequently treat this benefit/perquisite as the perquisite given to its employees (if the person who used it is his employee) u/s 17 and deduct tax u/s 192.</p> <p>➤ Similarly, the tax is required to be deducted u/s 194R if the benefit or perquisite is provided to a doctor who is working as a consultant in the hospital. In this case the benefit or perquisite provider may deduct tax u/s 194R with hospital as recipient and then hospital may again deduct tax u/s 194R for providing the same benefit or perquisite to the consultant. To remove difficulty, as an alternative, the original benefit or perquisite provider may directly deduct tax u/s 194R in the case of the consultant as a recipient.</p> <p>➤ The provision of section 194R <i>shall not apply</i> if the benefit or perquisite is being provided to a Government entity, like Government hospital, not carrying on business or profession.</p>
Q-5	How is the valuation of benefit/perquisite required to be carried out?
Ans.	<p>The valuation would be based on fair market value of the benefit or perquisite <u>except in following cases:</u></p> <p>(i) The benefit/perquisite provider has <i>purchased</i> such benefit/perquisite, in that case the purchase price shall be the value for such benefit/perquisite</p> <p>(ii) The benefit/perquisite provider <i>manufactures</i> such benefit/perquisite, then, price that it charges to its customers for such items shall be considered.</p> <p>It is further clarified that GST will not be included for the purposes of valuation of benefit/perquisite for TDS under section 194R.</p>
Q-6	Many a times, a social media influencer is given a product of a manufacturing company so that he can use that product and make audio/video to speak about that product in social media. Is this product given to such influencer a benefit or perquisite?
Ans.	If such product is returned to the manufacturing company after using for the purpose of rendering service, then, it will not be treated as a benefit / perquisite . However, if the product is <u>retained</u> , then, it will be in the nature of benefit/perquisite and tax is required to be deducted u/s 194R.
Q-7	Whether reimbursement of out of pocket expense incurred by service provider in the course of rendering service is benefit/perquisite?
Ans.	Let us understand this with a situation assume that a service provider is rendering service to his client "X". In the course of rendering that service, he pays for boarding and lodging expense incurred exclusively for the purposes of rendering the service to his client "X". Now, we need to check that invoice in whose

name is obtained which will decide that who is liable to pay this (or from whom hotel can recover this).

- If such invoice is in the name of client "X" and directly paid by client "X" to hotel or if paid by the service provider, is reimbursed by his client "X", in this case, in substance, this expense is the liability of client "X" and not of service provider. It is client "X" who gets input credit of GST included in the expenses incurred. Therefore, direct payment by client "X" to hotel or reimbursement of such an expense by client "X" to the service provider will not be considered as benefit/perquisite provided by client "X" to the service provider for the purposes of section 194R.
- If such invoice is in the name of service provider (and the payment is made by client "X" directly to hotel or reimbursed to service provider), then, in substance (irrespective of the terms of the agreement under which the expense incurred by the service provider is the cost of service recipient and such cost is reimbursed by the service recipient to service provider), this expense is the liability of the service provider and not of client "X". It is service provider who gets input credit of GST included in the expenses incurred by him. If it was the liability of the client "X", then, GST input credit would have been allowed to him (client "X") and not to service provider. Therefore, such direct payment by client "X" to hotel or reimbursement of such an expense by client "X" to the service provider will be considered as benefit/perquisite provided by client "X" to the service provider for which deduction is required to be made under section 194R.

Exceptions:

- (1) Since in GST, if service provider incurs an expense as "pure agent", then, GST input credit is allowed to service recipient and not to service provider, therefore, it is clarified that amount incurred by "pure agent" for which he is reimbursed by the recipient would not be treated as benefit/perquisite for the purpose of section 194R.
- (2) If out of pocket expenses (reimbursement) are already part of the consideration in the bill on which tax is deducted under the relevant provisions (like, u/s 194-C or 194-J which refer to *any sum* paid) of the Act, other than section 194R, it is clarified that **there will not be further liability for tax deduction under section 194R.**

Q-8 If there is a dealer conference to educate the dealers about the products of the company - Is it benefit/perquisite?

Ans. The expenditure pertaining to dealer/business conference *would not be considered as benefit/perquisite* for the purposes of section 194R in a case where dealer/business conference is held with the prime object to educate dealers/customers about any of the following or similar aspects:

- (i) *new product being launched*
- (ii) *discussion as to how the product is better than others*
- (iii) *obtaining orders from dealers/customers*
- (iv) *teaching sales techniques to dealers/customers*

	<p>(v) addressing queries of the dealers/customers</p> <p>(vi) reconciliation of accounts with dealers/customers</p> <p>➤ It is not necessary that all dealers are required to be invited in a dealer/business conference for the expenses to be not considered as benefit/perquisite for the purposes of tax deduction under section 194R.</p> <p>➤ Further, in the following cases the expenditure would be considered as benefit or perquisite for the purposes of section 194R:</p> <p>(i) Expense attributable to leisure trip or leisure component, <i>even if it is incidental to the dealer/business conference.</i></p> <p>(ii) Expenditure incurred for family members accompanying the person attending dealer/business conference</p> <p>(iii) Expenditure on participants of dealer/business conference for days which are on account of prior stay or overstay beyond the dates of such conference. It has been further clarified that a day immediately prior to actual start date of conference and a day immediately following the actual end date of conference would not be considered as over stay.</p> <p>☞ If benefit/perquisite is provided in a group activity during such dealer/business conference, there may be practical difficulties in identifying such benefit/perquisite to each participant due to the fact that it is a group activity and reasonable allocation is not possible. Non-compliance of the provision of section 194R, in such a case, would not only result in disallowance u/s 40(a)(ia) but may also result in treating the benefit/perquisite provider as assessee in default u/s 201 with all other consequences.</p> <p>✓ In order to remove these practical difficulties, <u>it is clarified that if benefit/perquisite is provided in a group activity in a manner that it is difficult to match such benefit/perquisite to each participant using a reasonable allocation key, the benefit/perquisite provider may at his option NOT CLAIM THE EXPENSE, representing such benefit/perquisite, as deductible expenditure for calculating his total income. If he decides to opt so, he will not be required to deduct tax u/s 194R on such benefit/perquisite and therefore he will not be treated as assessee in default u/s 201.</u></p>
Q-9	<p>Section 194R provides that if the benefit/perquisite is in kind or partly in kind (and cash is not sufficient to meet TDS) then the person responsible for providing such benefit or perquisite is required to ensure that tax required to be deducted has been paid in respect of the benefit or perquisite, before releasing the benefit or perquisite. How can such person be satisfied that tax has been deposited?</p> <p>And if Company "A" gifts a car to its dealer "B" which has been considered as benefit under section 194R. Dealer "B" uses this car in his business. Will he get deduction for depreciation in calculating his income under the head "profits and gains of business or profession"?</p>
Ans.	<p>The requirement of law is that if a person is providing benefit in kind to a recipient and tax is required to be deducted under section 194R, the person is required to ensure that tax required to be deducted has been paid by the recipient. Such recipient would pay tax in the form of advance tax. The tax</p>

	deductor may rely on a declaration along with a copy of the advance tax payment challan provided by the recipient confirming that the tax required to be deducted on the benefit/perquisite has been deposited.
	Once gifting of car by Company "A" has been considered as benefit under section 194R and dealer "B" has included this benefit as income in his income tax return, it would be deemed that the "actual cost" of the car for the purposes of section 32 of the Act shall be the amount of benefit included by dealer "B" as income in his income-tax return. Hence, dealer "B" can get depreciation on fulfillment of other conditions for claiming depreciation.
Q-10	Section 194R would come into effect from the 1st July, 2022. Second proviso to sub-section (1) of section 194R provides that the provision of this section does not apply where the value or aggregate of value of the benefit or perquisite provided or likely to be provided to a resident during the financial year does not exceed ₹ 20,000/-. It is not clear how this limit of twenty thousand is to be computed for the Financial Year 2022-23?
Ans.	It is hereby clarified that, — (i) Since the threshold of twenty thousand rupees is with respect to the financial year, calculation of value or aggregate of value of the benefit or perquisite triggering deduction under section 194R shall be counted from 1st April, 2022. Hence, if the value or aggregate value of the benefit or perquisite provided or likely to be provided to a resident exceeds ₹ 20,000/- during the financial year 2022-23 (including the period up to 30th June, 2022), the provision of section 194R shall apply on any benefit or perquisite provided on or after 1st July 2022. (ii) The benefit or perquisite which has been provided on or before 30th June 2022, would not be subjected to tax deduction under section 194R.
Q-11	Whether Embassy, High Commissions, Legation, Commission, Consulate and the Trade representation of a foreign state are required to deduct tax u/s 194R?
Ans.	No.
Q-12	Whether issuance of bonus share/right share is a benefit or perquisite if issued by a company in which the public are substantially interested as defined in clause (18) of section 2 of the Act and whether tax is required to be deducted under section 194R?
Ans.	In case of bonus shares which are issued to all shareholders by a company, it has been represented that this does not result in any benefit to shareholders as the overall value and ownership of their holding does not change. <i>Further cost of acquisition of bonus share is taken as nil for capital gains computation when this share is sold. Similar representations have been received seeking clarity on issuance of right shares.</i> <u>It is clarified that the tax u/s 194R is not required to be deducted on issuance of bonus / right shares by a company in which the public are substantially interested, where bonus shares are issued to all shareholders by such a company or right shares are offered to all shareholders by such a company.</u>

Circular No. 13/2022 Dated 22-6-2022 Read with Circular No. 14/2022 Dated 28-6-2022: GUIDELINES u/s 194S:-

Guidelines where transfer of VDA is taking place on or through an Exchange:

Q-1	Who is required to deduct tax when the transfer of VDA is taking place on or through an Exchange and payment is made by the purchaser to the Exchange (directly or through broker) and then from the Exchange it goes to seller directly or through the broker?	
Ans.	(i)	<p><u>In a case where the transfer of VDA takes place on or through an Exchange and VDA being transferred is owned by a person other than Exchange:</u></p> <p>(1) Tax may be deducted u/s 194S only by the Exchange which is crediting or making payment to the seller (owner of the VDA being transferred). In a case where broker owns the VDA, it is the broker who is the seller.</p> <p>(2) In a case where the credit/payment between Exchange and the seller is through a broker (and the broker is not seller), the responsibility to deduct tax u/s 194S shall be on both the Exchange and the broker. However, if there is a written agreement between the Exchange and the broker that broker shall be deducting tax on such credit/payment, then broker alone may deduct the tax u/s 194S.</p>
	(ii)	<p><u>In a case where the transfer of VDA takes place on or through an Exchange and the VDA being transferred is owned by such Exchange:</u></p> <p>In this case there are no multiple players. The buyer is required to deduct tax u/s 194S.</p>
	For the purpose of this circular, —	
	(i)	The term "Exchange" means any person that operates an application or platform for transferring of VDAs, which matches buy and sell trades and executes the same on its application or platform.
	(ii)	The term "Broker" means any person that operates an application or platform for transferring of VDAs and holds brokerage account/accounts with an Exchange for execution of such trades.
Q-2	Question no. 1 was with respect to transactions where the consideration for transfer of VDA is not in kind. How will this operate in a situation where it is in kind or in exchange of another VDA?	
Ans.	<p>According to proviso to sub-section (1) of section 194S, there could be situations where the consideration is in kind or in exchange of another VDA or partly in kind and cash is not sufficient to meet the TDS liability. In these situations, the person responsible for paying such consideration is required to ensure that tax required to be deducted has been paid in respect of such consideration, before releasing the consideration.</p> <p>In the above situation, the buyer will release the consideration in kind after seller provides proof of payment of such tax (e.g. Challan details etc.). In a situation where VDA "A" is being exchanged with another VDA "B", both the persons are buyer as well as seller. One is buyer for "A" and seller for "B" and another is buyer for "B" and seller for "A". Thus both need to pay tax with respect to transfer of VDA and show the evidence to other so that VDAs can then be exchanged.</p> <p>[This guideline is also applicable where transfer of VDA is taking place other than through an Exchange]</p>	

Q-3	Whether the provision of section 194Q of the Act is also applicable on transfer of VDA?
Ans.	Without going into the merit whether VDA is goods or not, it is clarified that once tax is deducted u/s 194S, <i>tax would not be required to be deducted under section 194Q of the Act.</i> [This guideline is also applicable where transfer of VDA is taking place other than through an Exchange]
Q-4	Whether the consideration for transfer of VDA shall be on Gross basis after including GST/commission or it shall be on "net basis" after exclusion of these items?
Ans.	In order to remove difficulty, it is clarified that the tax required to be withheld u/s 194S shall be on the "net" consideration after excluding GST/charges levied by the deductor for rendering service. [This guideline is also applicable where transfer of VDA is taking place other than through an Exchange]
Q-5	In transactions where payment is being carried out through payment gateways, there may be tax deduction twice. To illustrate that a person 'XYZ' is required to make payment to the seller for transfer of VDA. He makes payment of one lakh rupees through digital platform of "ABC". On these facts liability to deduct tax u/s 194S may fall on both "XYZ" and "ABC. Is tax required to be deducted by both?
Ans.	In order to remove this difficulty, it is provided that in the above example, the payment gateway ("ABC") will not be required to deduct tax u/s 194S on a transaction, if the tax has been deducted by the person ('XYZ') required to make deduction u/s 194S. To facilitate proper implementation, "ABC" may take an undertaking from "XYZ" regarding deduction of tax.
Guidelines where transfer of VDA is taking place other than through an Exchange and all other transactions:	
Q.	Section 194S shall come into effect from the 1st July, 2022. The liability to deduct tax u/s 194S applies only when the value or aggregate value of the consideration for transfer of VDA exceeds fifty thousand rupees during the financial year in case of consideration being paid by specified person and ten thousand rupees in other cases. It is not clear how this limit of fifty thousand (or ten thousand) is to be computed?
Ans.	It is clarified that, — (i) Since the threshold of fifty thousand rupees (or ten thousand rupees) is with respect to the financial year, calculation of consideration for transfer of VDA triggering deduction u/s 194S shall be counted from 1st April, 2022. Hence, if the value or aggregate value of the consideration for transfer of VDA payable by a person exceeds fifty thousand rupees (or ten thousand rupees) during the financial year 2022-23 (including the period up to 30th June, 2022), the provision of section 194S shall apply on any sum, representing consideration for transfer of VDA, credited or paid on or after 1st July, 2022. (ii) Since the provision of section 194S of the Act applies at the time of credit or payment (whichever is earlier) of any sum, representing consideration for transfer of VDA, such sum which has been credited or paid before 1st July, 2022 would not be liable for TDS u/s 194S.

Insertion made by Finance Act, 2021 as further amended by Finance Act, 2022:

Section 206AB: Special provision for TDS for non-filers of income-tax return:-

- (1) - Notwithstanding anything contained in any other provisions of this Act,
 - where tax is required to be deducted at source under the provisions of Chapter of TDS, other than section 192, 192A, 194B, 194BB, **194-IA, 194-IB**, 194LBC, **194M** or 194N
 - on any sum or income or amount paid, or payable or credited, by a person
 - **to a specified person**, the tax shall be deducted at the higher of the following rates, namely:
 - (i) **at twice the normal rate of TDS (As otherwise applicable); or**
 - (ii) **at the rate of 5 per cent.**
- (2) - If the provisions of section 206AA is applicable to a specified person (i.e. no PAN is furnished to payer),
 - the tax *shall be deducted* at **higher of the two rates provided in this section and in section 206AA.**
- (3) For the purposes of this section "**specified person**" means
 - a person **who has not furnished the return** of income

- ~~for both of the two~~ assessment year relevant to the ~~two~~ previous year immediately preceding the financial year in which tax is required to be deducted,
- **for which the time limit of furnishing the return of income u/s 139(1) has expired; and**
- the aggregate of tax deducted at source and tax collected at source in his case is rupees fifty thousand or more in ~~each of these two~~ said previous year:

Provided that the specified person shall not include a non-resident who does not have a permanent establishment in India.

Explanation: "permanent establishment" includes a fixed place of business through which the business of the enterprise is wholly or partly carried on.

Amendments highlighted:

- The requirement of two assessment years as provided under the section to treat a person as a specified person **has been reduced to one assessment year.**
- Individuals or HUFs covered under the simplified TDS scheme of Sections 194-IA, 194-IB, and 194M are required to deduct and deposit TDS *without obtaining a Tax Deduction/Collection Account Number (TAN).*
To reduce the burden of such individuals and HUF, this section has been amended to provide that *the provisions will not apply to transactions on which tax is to be deducted u/s 194-IA, 194-IB and 194M.*

Section 206CCA of TCS: Special provision for TCS for non-filers of ROI:-

- (1) - Notwithstanding anything contained in any other provisions of this Act,
 - where tax is required to be collected at source under the provisions of Chapter of TCS,
 - on any sum or amount received by a person
 - **from a specified person,**
 - the tax shall be collected at the higher of the following rates, namely:
 - (i) **at twice the normal rate of TCS (As otherwise applicable); or**
 - (ii) **at the rate of 5 per cent.**
- (2) - If the provisions of section 206CC is applicable to a specified person (i.e. no PAN is furnished to the seller),
 - the tax *shall be collected* at **higher of the two rates provided in this section and in section 206CC.**
- (3) For the purposes of this section "specified person" means
 - a person **who has not furnished the returns** of income
 - ~~for both of the two~~ assessment year relevant to the ~~two~~ previous year immediately preceding the financial year in which tax is required to be collected,
 - **for which the time limit of furnishing return of income under section 139(1) has expired; and**
 - the aggregate of tax deducted at source and tax collected at source in his case is rupees fifty thousand or more in ~~each of these two~~ said previous year:

Provided that the specified person shall not include a non-resident who does not have a permanent establishment in India.

Explanation: "permanent establishment" includes a fixed place of business through which the business of the enterprise is wholly or partly carried on.

"TAX COLLECTION AT SOURCE (TCS)"

SECTION 206C:

TCS on	Rate of TCS	TCS by whom...	TCS of whom...	Timing of collection
(1) Sale of –		<u>Seller</u>	<u>Buyer</u>	Receipt of consideration or debit to the account of buyer, lessee or licensee, (whichever is earlier)
(i) Liquor	1%	Government; Local authority; Statutory corporation; Company; Firm; Co-operative society; Individual or HUF, whose turnover from the business exceed ₹1 Cr, during last year	Any Buyer <u>except</u>	
(ii) Tendu leaves	5%		➤ Public sector Co.	
(iii) Timber & other forest produce	2.5%		➤ Government.	
(iv) Scrap	1%		➤ Club.	
(v) Minerals (being coal, lignite, Iron-ore)	1%		➤ Office of foreign Govt. / State (e.g. embassy, High Commission, etc.)	
			➤ Retail Buyer.	
(2) Lease / License of – ➤ Parking lot, ➤ Toll plaza, ➤ Mine, ➤ Quarry.	2%	Lessor or Licensor	Lessee or Licensee (Except Public Sector Co.)	
(3) Sale of motor vehicle of the value exceeding ₹ 10 lacs. Note*: If consideration (i.e. sale price) is received in parts, then, TCS will be collected @ 1% on each collection (instead 1% of sale price at beginning).	1%	Seller (as above)	Buyer in Retail transaction only <u>Except</u> ➤ Government. ➤ Office of foreign Govt. ➤ Local authority. ➤ Public sector company which is engaged in the business of carrying passengers. CIT v/s Priya blue Industries (P.) Ltd.[2016](Gujarat-HC):

The assessee was engaged in ship breaking activity, sold certain items (old and used plates, wood, etc.) obtained by carrying such activity. Since those items were finished products **and usable as such**, hence, no TCS on sale of such items was collected and deposited to the credit of the Central Government.

On these facts, the **High court** observed that *though such products may be commercially known as 'scrap', they were definitely not 'waste and scrap' because, scrap liable for TCS mean waste and scrap from manufacture or mechanical working of materials which is definitely not usable as such because of breakage, cutting up, wear and other reasons as envisaged under section 206C.*

Accordingly, the Court has held that *it is evident that any material which is usable as such would not fall within the ambit of the expression 'scrap', therefore, no question of TCS arise in the given case.*

Section 206C(1G):

(a) TCS on foreign remittance through Liberalised Remittance Scheme (LRS):

- An **authorised dealer** receiving an amount or an aggregate of amounts of **seven lakh** rupees or more *in a financial year*
- for remittance out of India under the LRS of RBI,
- shall be liable to collect TCS,
- *on sum in excess of said amount from a buyer being a person remitting such amount out of India,*
- *at the rate of 5%.*

Provided that the authorised dealer shall collect a sum equal to 0.5% of the amount or aggregate of the amounts in excess of seven lakh rupees remitted by the buyer in a financial year, if the amount being remitted out is a loan* obtained from any financial institution as defined in section 80E, for the purpose of pursuing any education.

- In **non-PAN/Aadhaar** cases the rate shall be **10% (5% in case of remittance out of education loan*)**.

This section will not be applicable in the following cases:

- ✓ If the buyer is liable to deduct TDS under any other provisions and has deducted.
- ✓ If a buyer is CG, SG, an embassy, a high commission, a legation, a commission, a consulate, the trade representation of a foreign state, a local authority or any other person as notified by CG.
- The Central Government vide Notification No. 99/2022, Dated 17-8-2022 hereby notifies that the provisions of sub-section (1G) of section 206C of the Act **shall not apply to a person (being a buyer) who is a non-resident and who does not have a permanent establishment in India.**

“**Authorised dealer**” is proposed to be defined to mean a person authorised by the Reserve Bank of India u/s 10(1) of Foreign Exchange Management Act, 1999 **to deal in foreign exchange or foreign security.**

(b) TCS on selling of overseas tour package:

- A **seller of an overseas tour program package** who receives any amount from any buyer, being a person who purchases such package, shall be liable to collect TCS at the **rate of 5%.**
- In **non-PAN/ Aadhaar** cases the rate shall be **10%.**
- ❖ There is **no monetary limit** for this transaction, irrespective of any amount TCS must be collected by seller of that package.

“**Overseas tour program package**” is proposed to be defined to mean any tour package which offers visit to a country or countries or territory or territories outside India and includes expenses for travel or hotel stay or boarding or lodging or any other expense of similar nature or in relation thereto.

- ☞ Student may kindly note that ****exceptions of buyer (along with notification of CG), as discussed in part (a) of section 206C(1G) are also applicable in this part (b) of sub-section (1G) of section 206C.**

Section 206C(1H): TCS on sale of any goods (except goods on which TCS applicable under other provisions of this section):-

- A seller of goods is liable to collect TCS at the **rate of 0.1 %** on consideration received from a buyer in a previous year **in excess of fifty lakh rupees**.
- In **non-PAN/ Aadhaar** cases the **rate** shall be **1%**.
- ✓ *Only those **sellers** whose total sales, gross receipts or turnover from the business carried on by it **exceed ten crore rupees** during the financial year immediately preceding the financial year, shall be liable to collect such TCS.*
- ✓ **Central Government may notify person, subject to conditions contained in such notification, who shall not be liable to collect such TCS.**
- ✓ No TCS is to be collected from the Central Government, a State Government and an embassy, a High Commission, legation, commission, consulate, the trade representation of a foreign State, a local authority or any other person as the Central Government may, by notification in the Official Gazette, specify for this purpose, subject to conditions as prescribed in such notification.
- ✓ *No such TCS is to be collected,*
 - *if the seller is liable to collect TCS under other provision of section 206C such as Section 206C(1), 206C(1F) and 206C(1G) or*
 - *the buyer is liable to deduct TDS under any provision of the Act and has deducted such amount.*

CIRCULAR NO. 17 OF 2020, DATED 29-9-2020: **GUIDELINES u/s 194-O and section 206C:-**

Applicability on payment gateway:

In e-commerce transactions, the payments are generally facilitated by payment gateways. It is represented that in these transactions, there may be applicability of section 194-O twice *i.e.* once on e-main commerce operator who is facilitating sell of goods or provision of services or both and once on payment gateway who also happen to qualify as e-commerce operator for facilitating service. To illustrate a buyer buys goods worth one lakh rupees on e-commerce website "XYZ". He makes payment of one lakh rupees through digital platform of "ABC". On these facts liability to deduct tax u/s 194-O may fall on both "XYZ" and "ABC".

In order to remove this difficulty, it is provided that the payment gateway will not be required to deduct tax u/s 194-O of the Act on a transaction, if the tax has been deducted by the e-commerce operator u/s 194-O of the Act, on the same transaction. Hence, in the above example, if "XYZ" has deducted tax u/s 194-O on one lakh rupees, "ABC" will not be required to deduct tax u/s 194-O on the same transaction. To facilitate proper implementation, "ABC" may take an undertaking from "XYZ" regarding deduction of tax.

Applicability of on insurance agent or insurance aggregator:

It has been represented that insurance agents or insurance aggregators in many cases have no involvement in transactions between insurance company and the buyer for subsequent years. It has been represented that in subsequent years, the liability to deduct tax may arise on the insurance agents or insurance aggregators even if the transactions have been completed directly with the insurance company. This may result into hardship for the insurance agents/aggregators.

In order to remove difficulty it is provided that in years subsequent to the first year, if the insurance agent or insurance aggregator has no involvement in transactions between insurance company and the buyer of insurance policy, he would not be liable to deduct tax u/s 194-O of the Act for those subsequent years. However, the insurance company shall be required to deduct tax on commission payment, if any, made to the insurance agent or insurance aggregator for those subsequent years under the relevant provision of the Act.

Applicability to sale of motor vehicle:

The provisions of section 206C(1F) apply to sale of motor vehicle of the value exceeding ten lakh rupees. Section 206C(1H) exclude from its applicability goods covered u/s 206C(1F). It has been requested to clarify that whether all motor vehicles are excluded from the applicability of section 206C(1H).

In this regard it may be noted that the scope of sub-sections (1H) and (1F) are different. While sub-section (1F) is based on single sale of motor vehicle, sub-section (1H) is for receipt above 50 lakh rupee during the previous year against aggregate sale of goods. While sub-section (1F) is for sale to consumer only and not to dealers, sub-section (1H) is for all sale above the threshold. Hence, it is clarified that,—

- (i) Receipt of sale consideration from a dealer would be subjected to TCS under sub-section (1H) of the Act, if such sales are not subjected to TCS under sub-section (1F) of section 206C of the Act.
- (ii) In case of sale to consumer, receipt of sale consideration for sale of motor vehicle of the value often ten lakh rupees or less to a buyer would be subjected to TCS u/s 206C(1H), if the receipt of sale consideration for such vehicles during the previous year exceeds fifty lakh rupees during the previous year.
- (iii) In case of sale to consumer, receipt of sale consideration for sale of motor vehicle of the value exceeding ten lakh rupees would not be subjected to TCS u/s 206C(1H) *if such sales are liable for TCS u/s 206C(1F)*

Section 10(4D): Exemption of certain income received by a specified fund:-

Exemption is available to a **SPECIFIED FUND** in respect of the following:

- Any income accrued or arisen or received
 - as a result of transfer of **capital asset referred to in section 47(viiab)**, on a recognised stock exchange located in any International Financial Services Centre and where the consideration for such transaction is paid or payable in convertible foreign exchange or
 - as a result of **transfer of securities (other than shares in a company resident in India)** or
- Any income from **securities issued by a non-resident** (not being a permanent establishment of a non-resident in India) and where such income otherwise does not accrue or arise in India or

- any **income from a securitisation trust** which is chargeable under the head "Profits and gains of business or profession",
 - to the extent such income accrued or arisen to, or is received, is attributable to **units held by non-resident (not being the permanent establishment of a non-resident in India)** or
 - **is attributable to the investment division of offshore banking unit**, as the case may be, computed in the prescribed manner (which is given at last of this section).

Explanation: For the purposes of this clause, the expression-

(1) **“Specified fund” means**

AS AMENDED BY F. A., 2022

(i) *a fund which satisfies the following conditions-*

- It is a fund **established or incorporated in India** in the form of a trust or a company or a limited liability partnership or a body corporate.
- It has a certificate of registration as a **Category III Alternatives Investment Fund** and is regulated under SEBI (Alternative Investment Fund) Regulations, 2012 or **under International Financial Services Centre Authority Act, 2019.**
- It is **located in any International Financial Services Centre.**
- **All units of the fund** (other than held by a sponsor/manager) **are held by non-residents:**

Provided that this condition shall not apply where any unit holder or holders, being non-resident during the previous year when such unit or units were issued, becomes resident u/s 6(1)/(1A) in any previous year subsequent to that year, if the aggregate value and number of the units held by such resident unit holder or unit holders do not exceed 5% of the total units issued and fulfil such other conditions as may be prescribed, which is as follows.

the unit holder of the specified fund, other than the sponsor or manager of such fund, who becomes a resident u/s 6(1) or (1A) during any previous year subsequent to the previous year in which such unit or units were issued, shall cease to be a unit holder of such specified fund within 3 months from the end of the previous year in which he becomes a resident.

(ii) *an investment division of an offshore banking unit, which satisfies the following conditions-*

- It has a certificate of registration as a **Category-I foreign portfolio investor** under the Securities and Exchange Board of India (Foreign Portfolio Investors) Regulations, 2019;
- **located in an International Financial Services Centre**, as referred to section 80LA(1A);
- It has **commenced its operations on or before the 31st March, 2024;** and
- *It fulfils such conditions including maintenance of separate accounts for its investment division, as may be prescribed.*

Accordingly, an investment division of an offshore banking unit has to fulfill the following prescribed conditions to claim exemption:

- a) **it has to maintain separate accounts for the registered investment division reflecting the true and fair accounts of all transactions relating to the investment division and which would ensure**

that direct and indirect expenses relating to the incomes are properly recorded, accounted for, and apportioned to these activities;

- b) it has to get the accounts audited by a Chartered accountant before the specified date i.e., one month prior to the due date u/s 139(1). Such accountant has to furnish by that date the report of such audit in the prescribed form (viz. Form 10-IL) electronically under digital signature;
- c) it has to maintain proper documentation in respect of, —
 - 1. inbound remittance for buying and selling the investments; and
 - 2. the use of inward remittance made to India;
- d) it has to maintain bank statement of all accounts of the registered investment division;
- e) it has to maintain contract notes relating to purchase and sale of securities by the registered investment division; and
- f) it has to maintain a statement of securities issued by the custodian.

Manner of computation of exempt income of specified fund, attributable to units held by non-resident (not being the permanent establishment of a non-resident in India) in a specified fund:

As per Rule 21AI, the income attributable to units held by non-resident (not being the permanent establishment of a non-resident in India) in a specified fund shall be computed as follows –

Capital Gain on transfer of capital asset* referred to in section 47(viib)

OR

Capital Gain on transfer of security** (other than shares in a company resident in India)

×

Aggregate of daily “AUM” i.e. closing balance of the value of assets or investments of the specified fund held by NR unit holders (not being PE of a non-resident in India), *from the date of acquisition of such capital asset* or security**, as the case may be, to the date of transfer of such capital asset or security, as the case may be.*

Income from securities[#] issued by a non-resident (not being PE of a non-resident in India)

OR

Business Income from a securitisation trust

×

“AUM” i.e. closing balance of the value of assets or investments of the specified fund held by NR unit holders (not being PE of a non-resident in India), *as on the date of receipt of such income from securities[#], or Business Income from a securitisation trust, as the case may be.*

Total “AUM” i.e. total closing balance of the value of assets or investments of the specified fund, *as on the date of receipt of such income from securities[#], or Business Income from a securitisation trust, as the case may be.*

- The specified fund has to furnish an annual statement of exempt income in the prescribed form (viz. Form No. 10-IG) electronically under digital signature on or before the due date u/s 139(1).

➤ As per Rule 21AJA, income of specified fund attributable to the investment division of an offshore banking unit shall be:

- ✓ Capital gain accrued or arisen to, or received by the eligible investment division
 - on transfer of capital asset referred to in section 47(viiab) *held by it*, or
 - on transfer of security (other than shares in a company resident in India) *held by it*.
- ✓ Any income accrued or arisen to, or received by the eligible investment division
 - from securities *held by it* and issued by a non-resident (not being PE of a non-resident in India), or
 - from a securitisation trust which is chargeable under the head "PGBP".

➤ The eligible investment division has to furnish an annual statement of exempt income in the prescribed form (viz. Form No. 10-IK) electronically under digital signature on or before the due date u/s 139(1).

❖ Students may kindly note that, for the purpose of section 115AD, same manner has been prescribed in Rule 21AJ and 21AJAA, as given above in Rule 21AI and 21AJA.

Rule 21AK: Conditions for the purpose of clause (4E) of section 10:-

(a)	Such offshore banking unit of an IFSC <u>must holds a valid certificate of registration</u> granted under IFSC Authority (Banking) Regulations, 2020 by the IFSC Authority; and
(b)	such contract, instrument or derivative is not entered into by the non-resident through or on behalf of its permanent establishment in India.
(i)	"non-deliverable forward contract" shall mean a contract for the difference between an exchange rate agreed before and the actual spot rate at maturity , with the spot rate being taken as the domestic rate or a market determined rate and such contract being settled with a single payment in a foreign currency;
(ii)	"offshore derivative instrument" shall have the same meaning as assigned to it in clause (o) of sub-regulation (1) of regulation 2 of the SEBI Foreign Portfolio Investor Regulations, 2019;
(iii)	"over-the-counter derivatives" shall mean a derivative contract that is not traded on an exchange but instead is privately negotiated between a purchaser and a seller.

Section 10(4F): Exemption to NR on leasing of aircraft or a ship to an IFSC unit:-

This section has been inserted to exempt the income of a **non-resident** which fulfils the following conditions:

- (i) The income is **by way of royalty or interest**.
- (ii) Royalty or interest should be **on account of lease of an aircraft** or a ship in the previous year.
- (iii) The royalty or interest is **paid by a unit of an IFSC** referred to section 80LA(1A).
- (iv) The **unit has commenced its operations on or before 31st March, 2024**.

For the above purposes:

- "aircraft" means an aircraft / helicopter, or an engine or any part of an aircraft / helicopter;
- "ship" means a ship or an ocean vessel, engine of a ship or ocean vessel, or any part thereof.

Section 10(4G): Exemption to a non-resident in respect of income arising from portfolio managed through IFSC-

Income earned by a non-resident from its portfolio shall be exempt subject to the following conditions:

- (i) The income is received by a **non-resident**
- (ii) The income is received **from the portfolio of securities or financial products or funds;**
- (iii) The **portfolio is managed or administered by any portfolio manager** on behalf of such non-resident;
- (iv) The **income is received in an account maintained with an Offshore Banking Unit in any IFSC;** and
- (v) The **income accrues or arises outside India and is not deemed to accrue or arise in India.**

Section 10(23FF): Exemption to capital gains arising to a non-resident or a specified fund on account of relocation of offshore funds to IFSC:-

In order to encourage offshore funds to shift to IFSC, this section has been inserted **to exempt income of specified fund** being Resultant Fund *which satisfies the following conditions:*

- (i) The income is **on account of transfer of share;**
 - (ii) *The share is in a company resident in India;*
 - (iii) The **transfer is made by the specified fund** being resultant fund *to the extent attributable to units held by non-resident* (not being PE of a non-resident in India) in such manner as may be prescribed;
 - (iv) **Such shares were transferred from the original fund to the resultant fund in relocation** or such shares were transferred from wholly owned SPV of the original fund to the resultant fund in relocation; or
 - (v) **Capital gain on such shares was not chargeable to tax if that relocation had not taken place.**
- For the above purposes, the expressions "original fund", "relocation", "resultant fund" and 'specified fund' have the meanings respectively assigned to them in the section 47(viiac), section 47(viiad) and section 10(4D).

Rule 2DD: Income of the nature of capital gains, attributable to units held by non-resident (not being PE of a non-resident in India) in a specified fund shall be computed as follows:

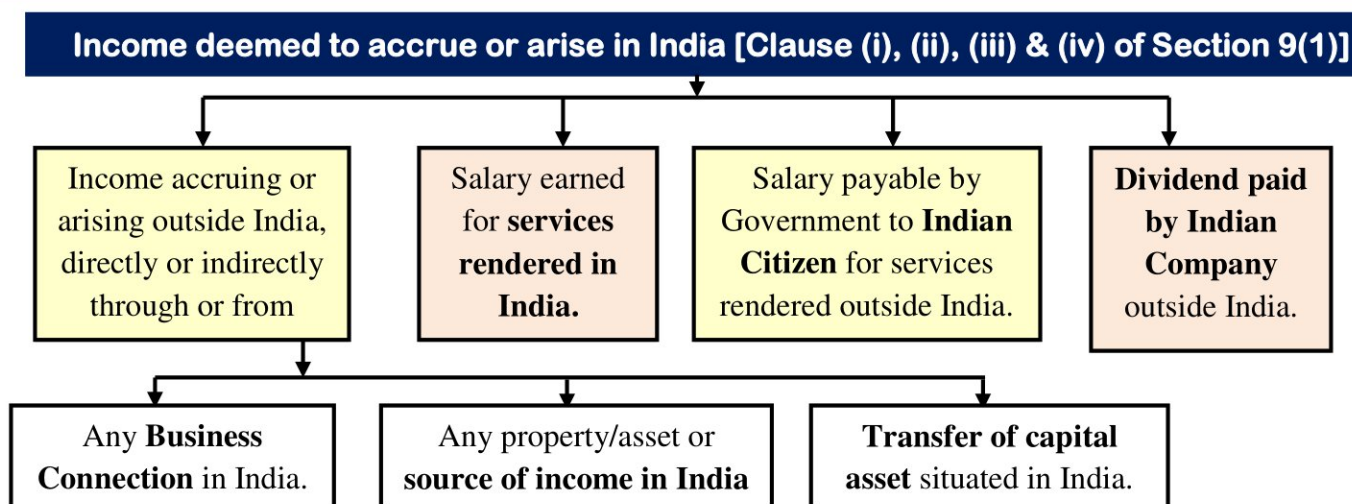

Capital Gain on transfer of shares of a company resident in India, by the specified fund and where such shares were received by the specified fund, being resultant fund, in relocation from the original fund, or from its wholly owned SPV

×

Aggregate of daily "AUM" i.e. closing balance of the value of assets or investments of the specified fund held by NR unit holders (not being PE of a non-resident in India), *from the date of acquisition of such shares of a company resident in India, by the specified fund, to the date of transfer of such shares.*

Aggregate of daily total "AUM" i.e. total closing balance of the value of assets or investments of the specified fund, *from the date of acquisition of such shares of a company resident in India, by the specified fund, to the date of transfer of such shares.*

- The specified fund has to furnish an annual statement of exempt income in the prescribed form (viz. Form No. 10-IJ) electronically under digital signature on or before the due date u/s 139(1).

SECTION 9: INCOME DEEMED TO ACCRUE OR ARISE IN INDIA:-**Business connection:**

Where any business or profession is carried on abroad by a non-resident and in connection with such business or profession a certain activity is carried on in India, then, it establishes business connection.

Explanation 2 to section 9(1)(i):**“Business connection” shall also include**

Any business activities carried through a person who, acting on behalf of the non-resident,

- (a) - **habitually concludes contracts or**
 - **habitually plays the principal role leading to conclusion of contracts by the non-resident.**

This rule is applicable if the contracts is-

- (i) in the name of the non-resident; or
 (ii) for the transfer of the ownership of property owned by that non-resident or that the non-resident has the right to use; or
 (iii) for the provision of services by that non-resident.
- (b) has no such authority, **but habitually maintains in India a stock of goods or merchandise from which he regularly delivers goods or merchandise on behalf of the non-resident;** or
- (c) **habitually secures orders in India,** mainly or wholly for the non-resident or for that non-resident and other non-residents controlling, controlled by, or subject to the same common control, as that non-resident.

Explanation 1 to section 9(1)(i):

In the case of a Non-resident, following shall not be treated as business connection in India:

- (1) In case of a business, in respect of which all the operations are not carried out in India such part of income which cannot be reasonably attributed to the operations in India, is not deemed to accrue or arise in India.
- (2) Purchase of goods in India for export.
- (3) Collection of news and views in India for transmission out of India.
- (4) Shooting of cinematograph films in India.

Explanation 2A: Significant Economic Presence:-

Significant economic presence of a non-resident in India shall also constitute "business connection" in India and "significant economic presence" for this purpose, shall mean-

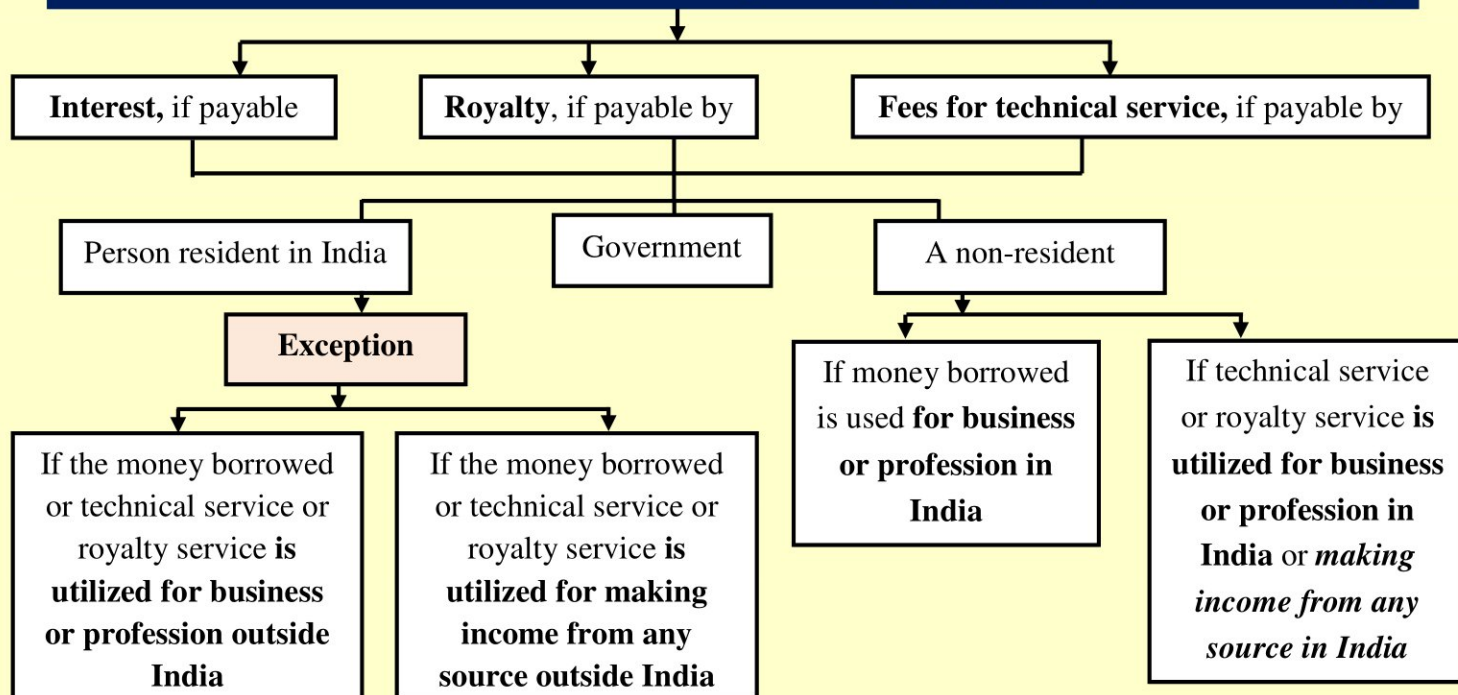

- (a) transaction in respect of any goods, services or property carried out by a non-resident with any person in India including provision of download of data or software in India, if the aggregate of payments arising from such transaction or transactions during the previous year exceeds such amount as may be prescribed (which is ₹ 2 crore); or
- (b) systematic and continuous soliciting of business activities or engaging in interaction with such number of users in India, as may be prescribed (which is 3 Lakhs).

Provided that *only so much of income* as is attributable to the transactions or activities referred to in clause (a) or clause (b) shall be deemed to accrue or arise in India.

Explanation 3A to section 9(1)(i):

For the removal of doubts, it is hereby declared that the income attributable to the operations carried out in India, as referred to in Explanation 1, shall include income from-

- (i) such advertisement which targets a customer who resides in India or a customer who accesses the advertisement through internet protocol address located in India;
- (ii) sale of data collected from a person who resides in India or from a person who uses internet protocol address located in India; and
- (iii) sale of goods or services using data collected from a person who resides in India or from a person who uses internet protocol address located in India.

Income deemed to accrue or arise in India [Clause (v), (vi), (vii) & (iv) of Section 9(1)]

Interest paid by India PE to its foreign head office bank:-

[Explanation to section 9(1)(v)]

If -

- (1) The assessee is a **non-resident** and **engaged in the business of banking.**
- (2) Interest is payable by the **permanent establishment in India of such non-resident to the head office of any permanent establishment or any other part of such non-resident outside India.**

then, the permanent establishment in India shall be deemed to be a person separate and independent of the non-resident person of which it is a permanent establishment and the provisions of the Act relating to computation of total income, determination of tax and collection and recovery would apply.

- ☞ Section 9 provides that such interest payable by the permanent establishment in India of such non-resident to the head office or any permanent establishment or any other part of such non-resident outside India **shall be deemed to accrue or arise in India and shall be chargeable to tax in addition to any income attributable to the permanent establishment in India.**
- ☞ Accordingly, the PE in India shall be obligated to deduct tax at source on any interest payable to either the head office or any other part or PE, etc., of the non-resident outside India.
Further, **non-deduction would result in disallowance of interest claimed as expenditure by the PE and may also attract levy of interest and penalty in accordance with relevant provisions of the Act.**

“Meaning of Royalty:

[Explanation 2 to section 9(1)(vi)]

Any consideration except chargeable as income under the head "Capital gains" for—

- (i) **the transfer of all or any rights (including the granting of a license)** *any patent, invention, model, design, secret formula or process or trade mark or similar property;*
- (ii) **the imparting of any information concerning the working of, or the use of** *any patent, invention, model, design, secret formula or process or trade mark or similar property;*
- (iii) **the use of** *any patent, invention, model, design, secret formula or process or trade mark or similar property;*
- (iv) the imparting of any information concerning technical, industrial, commercial or scientific knowledge, experience or skill;
- (iva) the use or right to use any industrial, commercial or scientific equipment;
- (v) **the transfer of all or any rights** (including the granting of a license)
 - **in respect of any copyright**, literary, artistic or scientific work
 - *including films or video tapes for use in connection with television or tapes for use in connection with radio broadcasting.*

As per Explanation 4 to section 9(1)(vi):

- the transfer of all or any rights in respect of any right, property or information (i.e. royalty) includes
- transfer of all or any rights
- for use or right to use a **computer software** (including granting of a license)
- irrespective of the medium through which such right is transferred.

Engineering Analysis Centre of Excellence P. Ltd v. CIT and Another (2021)(Supreme Court):

Issue:

Would the amounts paid by resident Indian end-users / distributors to non-resident computer software manufacturers/suppliers, as consideration for the use/resale of the computer software through End-User Licence Agreement (EULAs)/distribution agreements, be considered as payment of royalty for the use of copyright in the computer software? If yes, is it liable for deduction of tax at source u/s 195?

Analysis and Decision:

- The Apex Court observed that **as per the definition given in Explanation 2(v) to section 9(1)(vi) of the Income-tax Act, 1961, “royalty” means consideration for, inter alia, the transfer of all or any rights (including the granting of a licence), in respect of any copyright, literary, artistic or scientific work.**
- **As per Explanation 4 thereto, such transfer of all or any rights includes transfer of all or any right for use or right to use a computer software (including the granting of a licence).**
- **As per the meaning assigned in the DTAA with Singapore, for example, “royalty” means payment of any kind received as consideration for “the use of, or the right to use, any copyright” of a literary, artistic or scientific work. The meaning of royalty in India’s DTAA with other countries like Australia, Canada, France, Italy, USA, Netherlands, Sweden, Taiwan, Japan, China etc. is similar if not identical.**
- **The Apex Court observed the following four categories of cases, in which the distribution agreements and end-user licence agreements did not create any interest or right to such distributors or end-users, which would amount to the use of or right to use any copyright:**
 - (i) *where computer software is purchased directly by an end-user, resident in India, from a foreign, non-resident supplier or manufacturer.*
 - (ii) *where resident Indian companies acting as distributors or resellers, purchase computer software from foreign, non-resident suppliers or manufacturers and then, resell the same to resident Indian end-users.*
 - (iii) *where the distributor happens to be a foreign, non-resident vendor, who, after purchasing software from a foreign, non-resident seller, resells the same to resident Indian distributors or end-users.*
 - (iv) *where computer software is affixed onto hardware and is sold as an integrated unit/equipment by foreign, non-resident suppliers to resident Indian distributors or end-users.*

In all the above cases, the Apex Court held that **the amount paid by resident Indian end-users or distributors to non-resident computer software manufacturers or suppliers, as consideration for the resale or use of the computer software through end-user licence agreements or distribution agreements, is not royalty for the use of copyright in the computer software.**

The provisions contained in the Income-tax Act, 1961 [namely, section 9(1)(vi) read along with Explanations 2 and 4 thereof], which deal with royalty, not being more beneficial to the assessee, have no application in the facts of these cases. Consequently, the consideration paid to the non-resident computer software manufacturers or suppliers would not be chargeable to tax India. Hence, no tax is required to be deducted at source u/s 195.

Note: *As per section 90(2), the provisions of the Income-tax Act, 1961 will apply only to the extent they are more beneficial to the assessee, in a case where India has entered into a DTAA with the other country. In this case, since the provisions under the DTAA are more beneficial, the taxability of the payment would be determined as per the meaning of royalty assigned under the DTAAs.*

For the purposes of section 9(1)(v)/(vi)/(vii)), income of a non-resident shall be deemed to accrue or arise in India and shall be included in the total income of the non-resident, **whether or not,—**

- (i) *the non-resident has a residence or place of business or business connection in India; or*
- (ii) *the non-resident has rendered services in India.*

In the case of a **foreign company** engaged in the business of **mining of diamonds**, *no income shall be deemed to accrue or arise in India to it through or from the activities which are confined to the display of uncut and unassorted diamond in any special zone notified* by the Central Govt. in the Official Gazette in this behalf.

- (1) **Payer is resident** in India (i.e. money is received from a person resident in India).
- (2) **Recipient is non-resident** / foreign company (i.e. money is received by non-resident / foreign company).
- (3) **Income arises outside India *and transaction is not covered under any exception as given u/s 56(2)(x).***

If these conditions are satisfied, *money received by such NR / F.Co., shall be deemed to accrue or arise in India*

- An asset or a capital asset being any **share in a company registered or incorporated outside India**
- **shall be deemed to be and shall always be deemed to have been situated in India**
- ***if the share derives, directly or indirectly, its value substantially from the assets located in India.***

“SECTION 6: DETERMINATION OF RESIDENTIAL STATUS”

Determination of Residential Status of Individual:-

☞ **Normally, An individual will be resident in any previous year if:**

- (a) He is a citizen of India *who leaves India during the previous year for the purposes of employment outside India or as a member of crew of an Indian ship* and is in India in that previous year for a period/s of 182 days or more; or
- (b) He is a citizen of India or a person of Indian origin *who being outside India, comes on a visit to India in any previous year and is in India for a period/s of 182 days or more* in that previous year; or
- (c) In any other case:
 - (i) Is in India for a period/s of 182 days or more in that previous year; or
 - (ii) Having within the 4 years immediately preceding that previous year been in India for a period/s amounting to 365 days or more in aggregate and is in India for a period/s of 60 days or more in that previous year.

☞ **Resident and ordinarily resident / resident but not ordinarily resident:**

An individual is said to be a **resident and ordinarily resident** if he satisfies both the following conditions:

- (a) He is a resident in **any 2 years (or more) out of the last 10 previous years** preceding the relevant previous year, and
- (b) His total stay in India in last 7 years preceding the relevant previous year is **730 days or more**.

❖ **If an individual satisfies only one of the aforesaid conditions or none of the conditions are satisfied, then such individual will be treated resident but not ordinarily resident.**

Amendments made by Finance Act, 2020:

Amendment No. 1 [Effect of amendment in Explanation 1(b) to section 6(1) read with section 6(6)(c)]:

- An individual shall be deemed to be a resident but not-ordinarily resident in the following case:
- (a) The individual is an **Indian citizen or person of Indian origin**;
 - (b) His **total income** (except income from foreign sources) **exceeds ₹ 15 lakhs** during the previous year; and
 - (c) He *comes on a visit to India* during the relevant previous year **for 120 days or more but less than 182 days** and has been in India **365 days or more within 4 years** immediately preceding the relevant previous year.

Amendment No. 2 [Effect of newly inserted section 6(1A) read with section 6(6)(d)]:

- An individual shall be deemed to be resident but not-ordinarily resident in India if the following conditions are fulfilled:
- (a) The individual is an **Indian citizen**;
 - (b) His **total income** (except income from foreign sources) **exceeds ₹ 15 lakhs** during the previous year; and
 - (c) **He is not liable to tax in any other country or territory by reason of his domicile or residence or any other criteria of similar nature.**

Section 2(29A): "liable to tax", in relation to a person and with reference to a country, means that

- there is an *income-tax liability on such person under the law of that country for the time being in force and*
- *shall include a person who has subsequently been exempted from such liability under the law of that country (like, any income which is taxable in a particular country but full exemption is provided in that country by a notification issued by the Government in that country).*

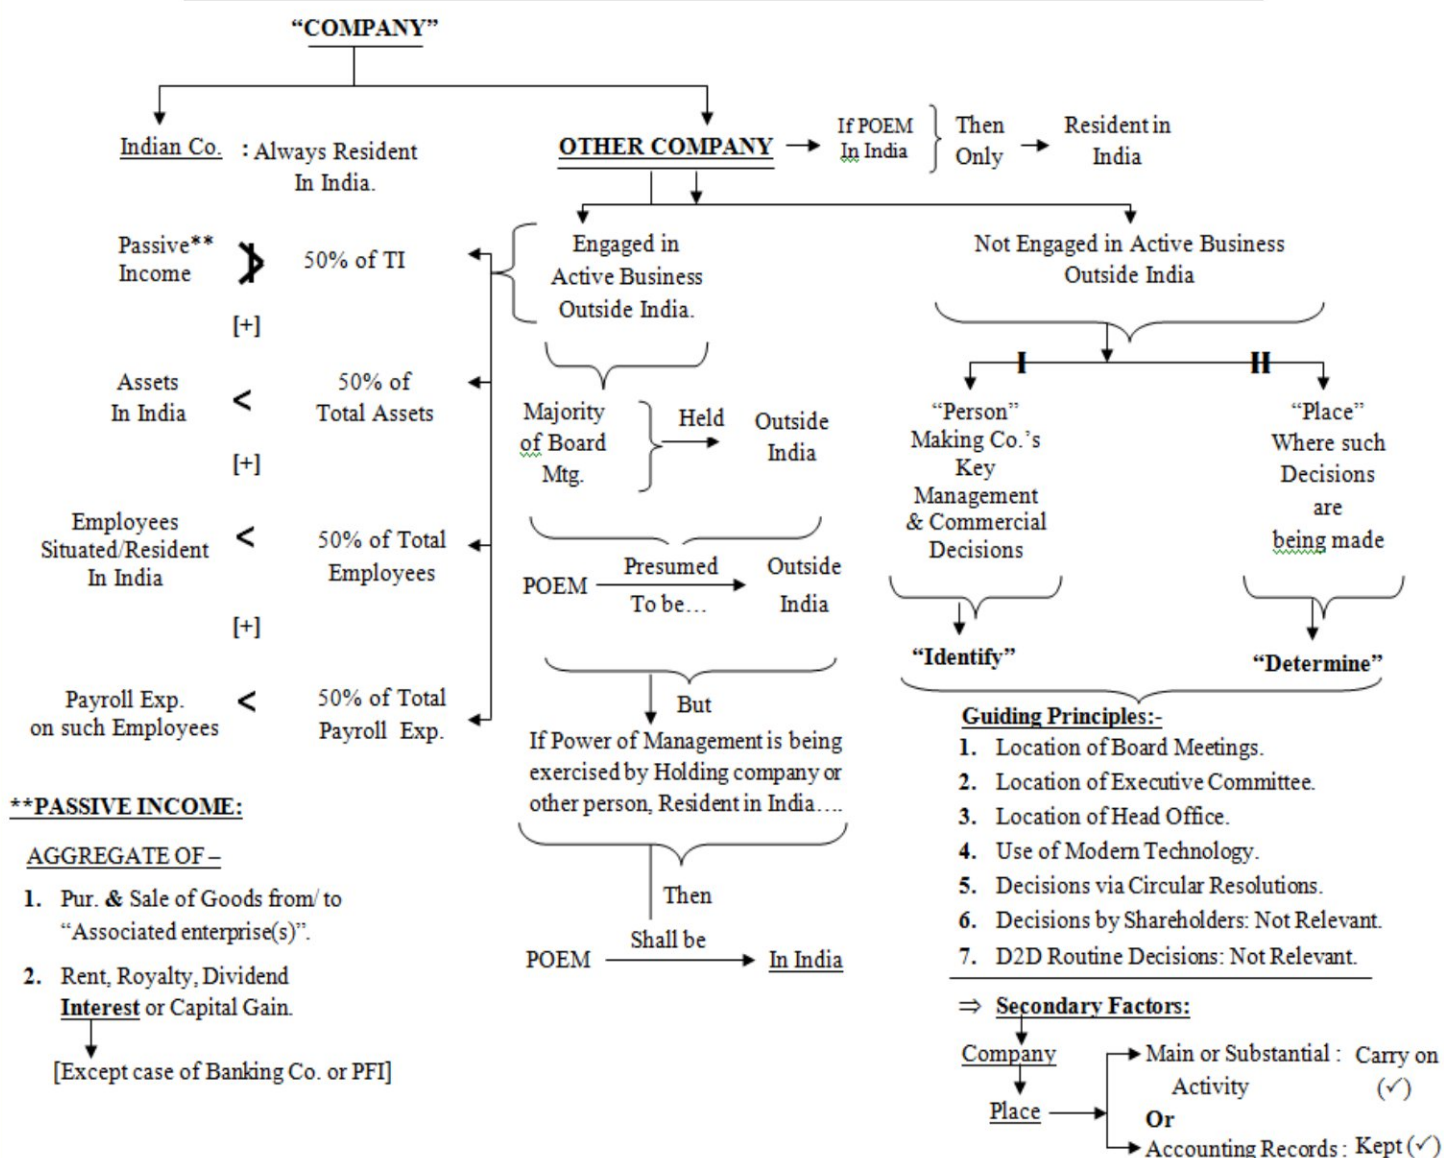

For the aforesaid both amendments, "income from foreign sources" means *income which accrues or arises outside India (except income derived from a business controlled in or a profession set up in India).*

Determination of Residential Status of Company:-

A company is said to be resident in India in any previous year, if,—

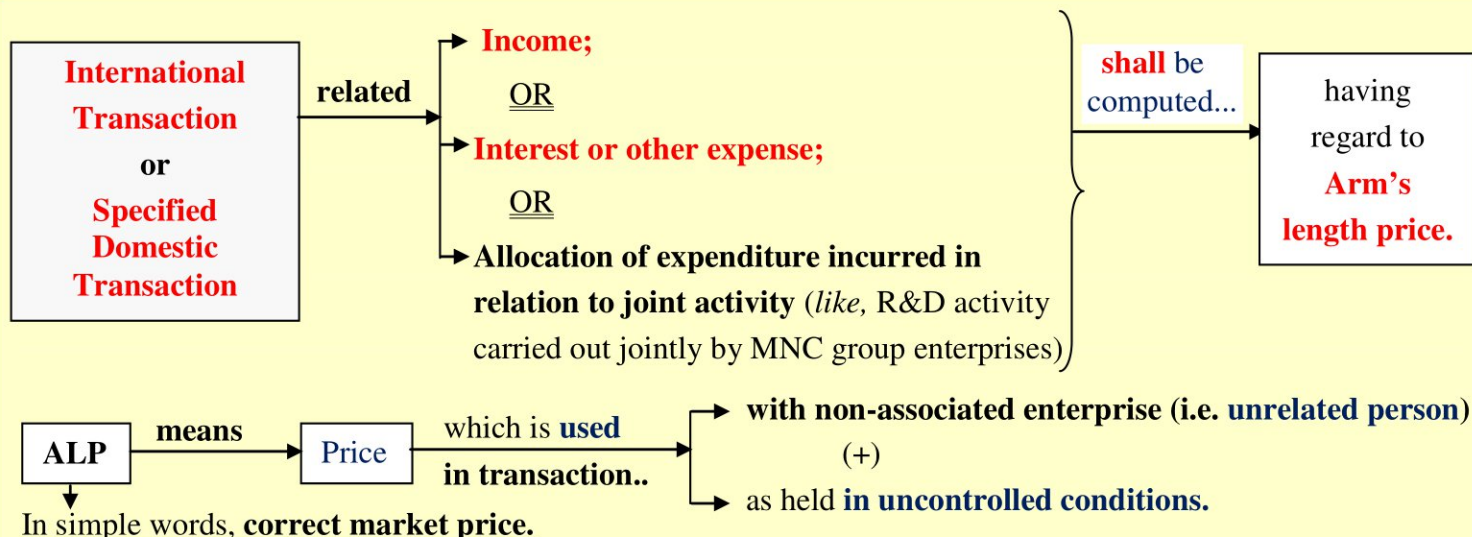

- It is an **Indian company**; or
- Its **place of effective management**, in that year, is in India.

CONCEPT OF PLACE OF EFFECTIVE MANAGEMENT (POEM)

“TRANSFER PRICING”

Section 92: Computation of income from international transaction having regard to ALP:-

Exception of section 92 (i.e. mandatory adoption of income, etc. at ALP):

If adoption of aforesaid income / interest or other expense/ allocated cost at arms length price

has the effect of.....

Reduction of income

Or

Increment of loss

In such a case, **Transfer pricing provisions shall NOT apply.**

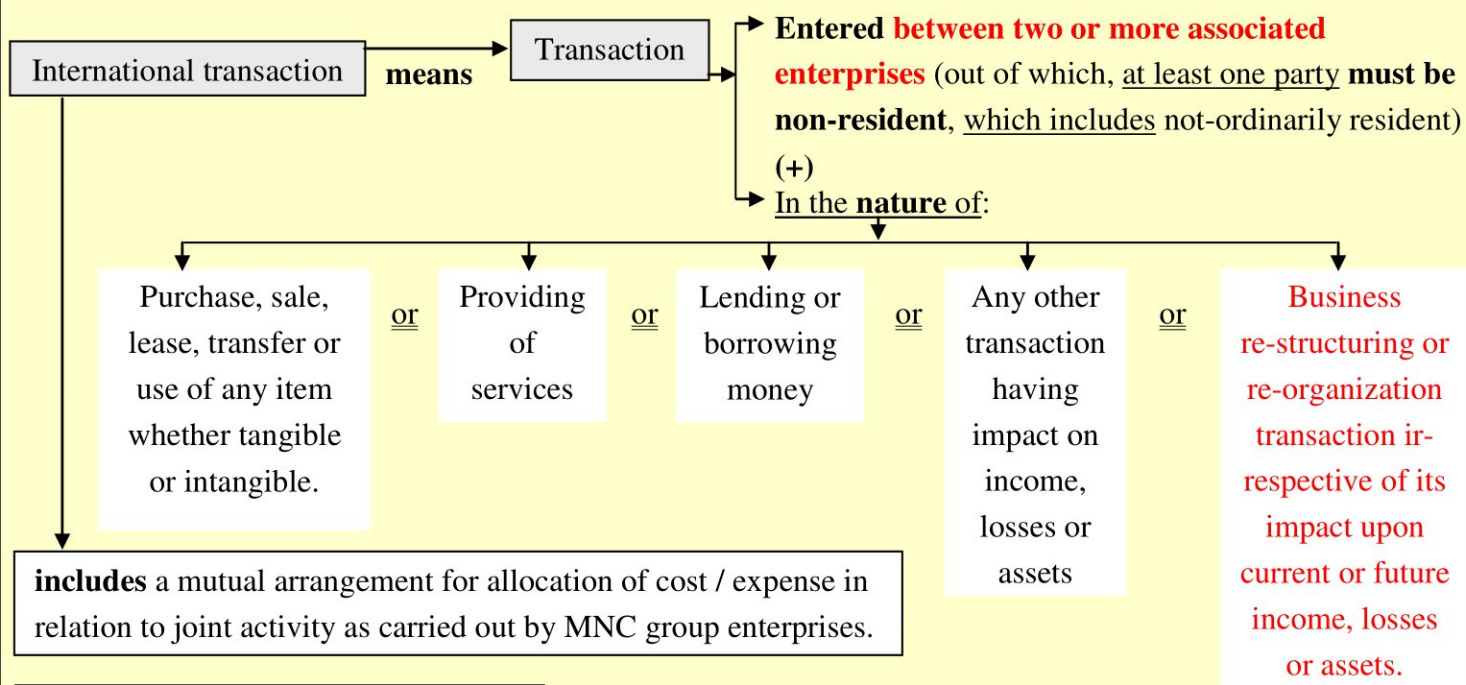

Section 92A: Meaning of associated enterprise :-

Two enterprises shall be deemed to be associated enterprises if, at any time during the previous year, -

(a)	One enterprise holds , directly or indirectly, shares carrying at least 26% of the voting power in other enterprise ; or
(b)	Any person holds , directly or indirectly, shares carrying at least 26% of the voting power in each of such enterprises ; or
(c)	A loan advanced by one enterprise to the other enterprise constitutes at least 51% of the book value of the total assets of the other enterprise; or
(d)	One enterprise guarantees at least 10% of the total borrowings of the other enterprise; or
(e)	More than half directors or members of the governing board or at least one executive director or executive member of the governing board of one enterprise is appointed by the other enterprise ; or
(f)	More than half of the directors or members, or at least one executive director or executive member of the governing board of each of the two enterprises are appointed by the same person ; or
(g)	The manufacturing or otherwise business of one enterprise is wholly dependent on any intangible (like,

	know-how, patents, copyrights, licenses, franchises, etc.) of the other enterprise ; or
(h)	At least 90% of the required raw materials and consumables of one enterprise, are supplied by the other enterprise and the prices and other condition relating thereto are influenced by such other enterprise ; or
(i)	The goods manufactured by one enterprise, are sold to the other enterprise and the prices and other condition relating thereto are influenced by such other enterprise ; or
(j)	Where one enterprise is controlled by an individual, the other enterprise is also controlled by such individual or his relative or jointly by such individual and his relative; or
(k)	Where one enterprise is controlled by a HUF , the other enterprise is controlled by a member of such HUF, or by a relative of such member, or jointly by such member and his relative; or
(l)	Where one enterprise is a firm, association of persons or body of individuals , the other enterprise holds at least 10% interest in such firm, association of persons or body of individuals.

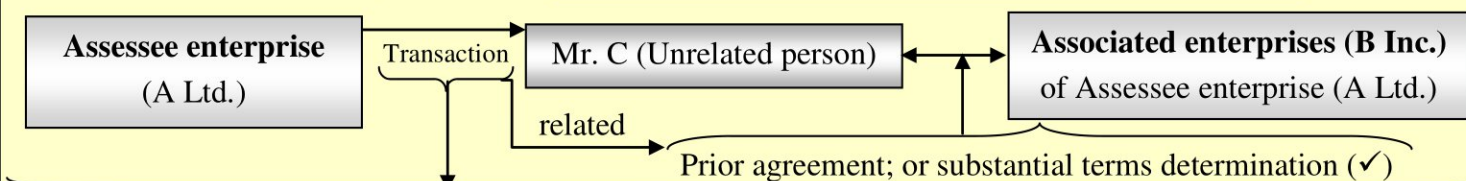

Section 92 B : Meaning of international transaction:-

Deemed international transaction:

A transaction of an assessee enterprise **with unrelated person** (whether resident or non-resident) **will be deemed with associated enterprise** (i.e. Deemed international transaction) **if in relation to relevant transaction:**

- There is **prior agreement between such unrelated person and associated enterprise**; or
- Terms are substantially determined **between such unrelated person and associated enterprise**.

Then, it will be deemed **with associated enterprise** (i.e. Deemed International transaction).

Section 92BA: Meaning of specified domestic transaction:-**Specified domestic transaction means:-**

(1)	Any inter-unit transfer of goods or services [means, transfer of goods / services by the assessee from his eligible business (i.e. eligible for deduction u/s 80IA to 80RRB or section 10AA), to a normal business or vice-versa <u>and</u> consideration for such transfer does not match with fair market value of such goods / services].
(2)	Any transaction between assessee (who is carrying on eligible business i.e. eligible for deduction u/s 80IA to 80RRB or section 10AA) and other person (carrying normal business), which produces profit more than ordinary profit to the assessee.
(3)	Any transaction between assessee (who exercised option u/s 115BAB) and other person carrying normal business, which produces profit more than ordinary profit to the assessee.

Provided that aggregate of aforesaid transactions during the previous year must exceed ₹ 20 crores.

Section 92C: Computation of arm's length price :-

(1) ALP shall be determined by the **most appropriate method**, out of the following methods, which will be applied in **prescribed manner** (as given in **Rule 10B**) which is as follows:

(1)	COMPARABLE UNCONTROLLED PRICE METHOD:	
	When will it be regarded as most appropriate method?	If details of comparable transaction, prices, etc. are given.
	MANNER / STEPS FOR APPLICATION OF THIS METHOD (TO ARRIVE AT ALP):	
	(i) Identify the price Charged / Paid in comparable uncontrolled transaction	✓
	(ii) Adjust such price to account for the difference between international transaction (or specified domestic transaction) and the comparable uncontrolled transaction	(+)/(-)
		ALP
(2)	RE-SALE PRICE METHOD:	
	When will it be regarded as most appropriate method?	If purchased goods / services from associated enterprise are resold to unrelated person.
	MANNER / STEPS FOR APPLICATION OF THIS METHOD (TO ARRIVE AT ALP):	
	(i) Identify the price charged against resale of such goods or service to unrelated persons	✓
	(ii) Reduce the normal gross profit margin	(-)
	(iii) Reduce expense incurred by assessee in relation to purchase of such goods/services	(-)
	(iv) Adjust such price to account for any other difference (if needed)	(+)/(-)
		ALP
(3)	COST PLUS METHOD:	

	When will it be regarded as most appropriate method?	<i>If details about <u>cost & profit mark up</u> are given.</i>
	MANNER / STEPS FOR APPLICATION OF THIS METHOD (TO ARRIVE AT ALP):	
(i)	Determine direct & indirect cost of the transaction and comparable uncontrolled transaction for which ALP is being computed	✓
(ii)	Determine the normal gross profit mark up, and adjust it to account for the difference between above said transaction	✓
(iii)	Increase the cost by such adjusted Markup	(+)
		ALP
(4)	PROFIT SPLIT METHOD:	
	<u>When will it be regarded as most appropriate method?</u>	
	If there is a case of multiple international transactions (or SDT) and can't be evaluated separately.	
	MANNER / STEPS FOR APPLICATION OF THIS METHOD (TO ARRIVE AT ALP):	
(i)	Determine the combined net profit (i.e. Total consideration received (-) Total cost incurred upon such project by the group)	
(ii)	Allocate such profit amongst all involved associated enterprises on the basis of their performed functions, assets employed or risk assumed (i.e. in Relative contribution ratio).	
(iii)	ALP for assessee associated enterprise: Cost incurred by it : ✓ (+) Allocated net margin : ✓	
(5)	TRANSACTIONAL NET MARGIN METHOD:	
	When will it be regarded as most appropriate method?	When details of net margin of comparable uncontrolled transaction are given.
	MANNER / STEPS FOR APPLICATION OF THIS METHOD (TO ARRIVE AT ALP):	
(i)	Identify the net margin realized in comparable uncontrolled transaction.	
(ii)	Adjust such net margin to account for the differences between international transaction and comparable uncontrolled transaction.	
(iii)	Such adjusted net margin will be treated ALP (in terms of net margin).	
(6)	OTHER METHOD (AS PRESCRIBED BY THE BOARD) [Rule 10AB]:-	
	<ul style="list-style-type: none"> – Consider the price which has been charged or paid, or would have been charged or paid, – for the same or similar uncontrolled transaction, – with or between non-associated enterprises, – under similar circumstances, considering all the relevant facts. 	

(2) In a case where more than one price is determined by the most appropriate method, the Arm's length price in relation to such transaction shall be computed in prescribed manner which is as follows:

Rule 10CA : This Rule is Applicable where Most Appropriate Method Results → More than one price (✓) → in this case → Final ALP ?

- ↓
- **Range Concept** → Apply in a case where six or more entries (i.e. comparable transactions) are given.
 - **Arithmetical mean approach** → Apply in other cases (i.e. where less than 6 entries are given means where range concept is not applicable)

ARITHMETICAL MEAN APPROACH:

If range concept is not applicable (i.e. in a case where data set consists of less than six entries), the arm's length price shall be the arithmetical mean (i.e. average) of all the values given.

Provided that if the variation between the arithmetical mean and actual transaction price (as shown by the assessee) does not exceed 3% (in case of wholesale trading: 1%) of the actual transaction price, in such a case, actual transaction price shall be deemed to be the arm's length price. (Means, no adjustment will be required).

Section 92C (3): Circumstances in which ALP can be computed by the AO:

If on the basis of material available to him, he is of the opinion that –

- (a) The price has not been determined as per prescribed method (or in prescribed manner); or

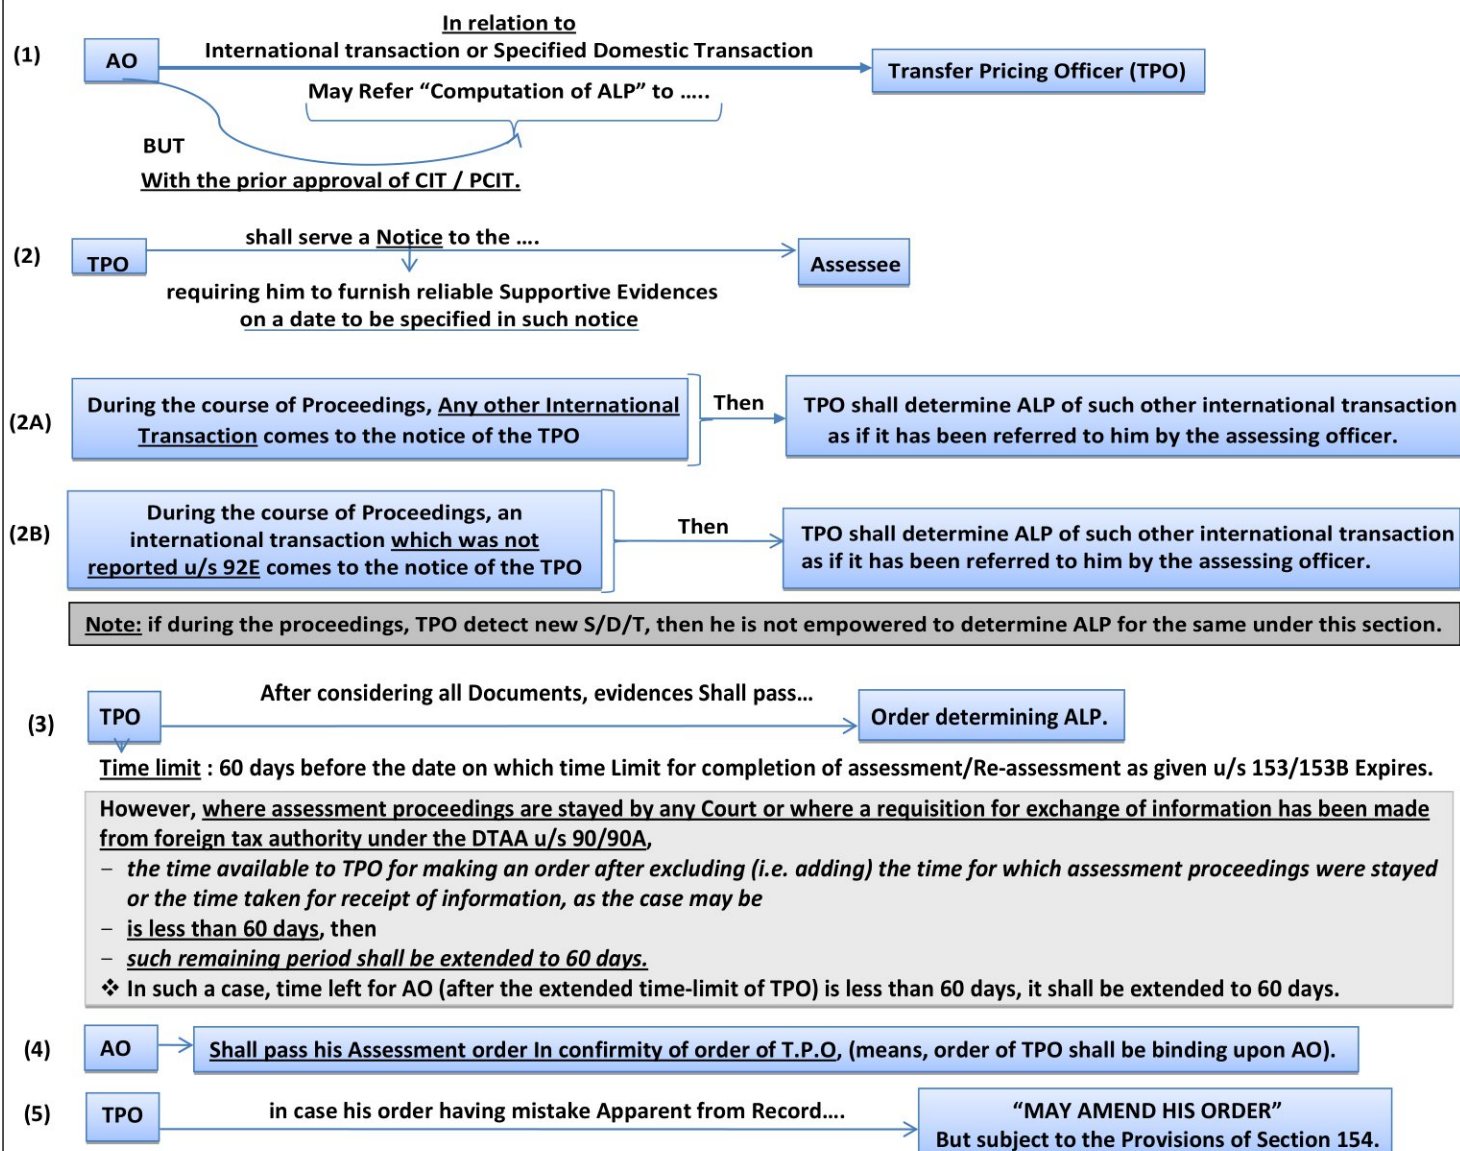

- (b) Any **information and document have not been kept and maintained** as per section 92D; or
- (c) The **information or data used in computation of ALP is not reliable or correct**; or
- (d) The **assessee has failed to furnish required information or document** within the specified time under a **notice** issued under section 92D,
- the Assessing Officer may determine the arm's length price **subject to an opportunity** which will be given by the Assessing Officer to the assessee through a show cause notice.

Section 92C (4): *Where an arm's length price is determined by the Assessing Officer*, the Assessing Officer may compute the total income of the assessee having regard to such arm's length price.

☞ **No deduction under section 10AA or under Chapter VI-A shall be allowed** in respect of the enhanced amount of income which is in effect of such ALP.

☞ Considering the ALP (as determined for payer), **payee can not claim refund of excess TDS**.

Section 92CA: Reference to Transfer Pricing Officer:-

Section 92CB: Power of Board to make safe harbour rules:-

- The determination of ALP by AO or TPO shall be subject to safe harbour rules as framed by the Board.
- “Safe harbour” means circumstances in which the income-tax authorities shall accept the transfer price declared by the assessee.

Amendments in Section 92CB & Section 92CC as made by the Finance Act, 2020:-**Section 92CC:**

- Under the existing provisions, the CBDT may enter into an APA with any person, determining the ALP or specifying the manner in which ALP is to be determined, in relation to an international transaction to be entered into by that person.
- The scope of this section 92CC has been widened to provide that **the CBDT may also enter into an APA with any person determining income referred to in section 9(1)(i), or specifying the manner in which said income is to be determined, as is reasonably attributable to the operations carried out in India by or on behalf of that person, being a non-resident.**
- The amendment in section 92CC provides that APA can be entered into to determine "the income referred to in section 9(1)(i) as is reasonably attributable to the operations carried out in India by or on behalf of the non-resident."

Section 92CB:

- Section 92CB, which relates to power of CBDT to make safe harbour rules, provides that the determination of arm's length price (ALP) under section 92C or section 92CA shall be subject to safe harbour rules.

To be discussed with section 92CD (for Basic provisional understanding):

- For this purpose, safe harbour means the circumstances in which the income-tax authorities shall accept the transfer price declared by the assessee.
- This Section has been substituted to provide that apart from the determination of ALP, **the determination of the income referred to in section 9(1)(i) shall also be subject to safe harbour rules.**
- Explanation to section 92CB defining safe harbour is, amended to provide that safe harbour would now also include circumstances in which income tax authorities shall accept the income under section 9(1)(i) declared by the assessee.

In case of failure to repatriate the excess money with in the above time-limit, interest would be computed as follows:

	Case	Rate
(i)	Where the international transaction is denominated in Indian rupee	At the one year marginal cost of fund lending rate of SBI as on 1st April of the relevant previous year + 3.25% .
(ii)	Where the international transaction is denominated in foreign currency	At six month London Interbank Offered Rate (LIBOR) as on 30th September of the relevant previous year + 3.0% .

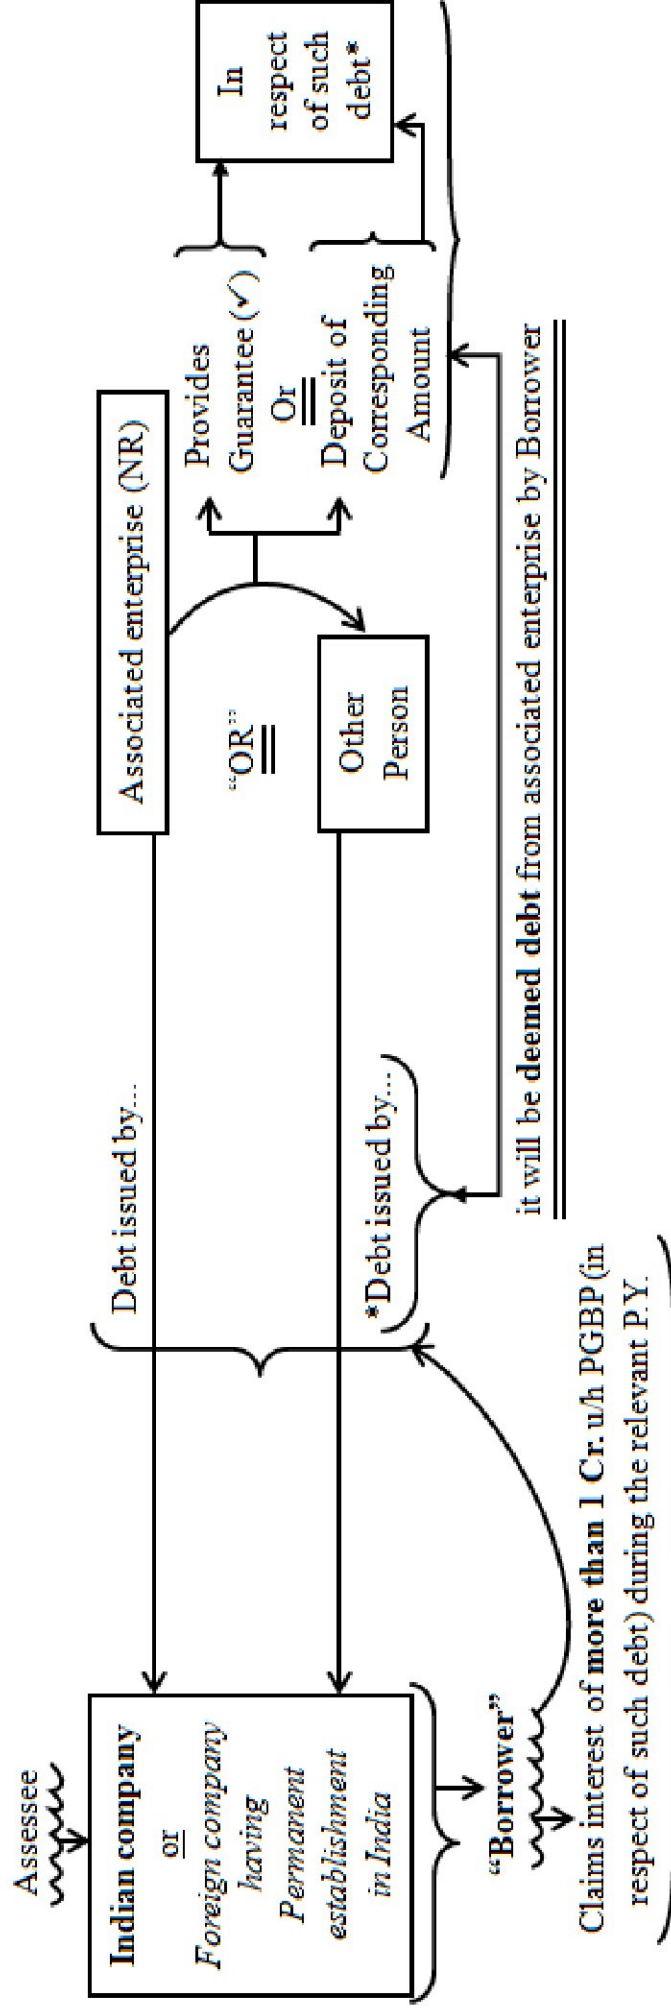

Scheme relating to one-time payment named as additional income-tax on excess money [sub-sections (2A) to (2D)]:

- Where the excess money or part thereof has not been repatriated in prescribed time, the assessee **may at his option** pay *additional income-tax at the rate of 18% (+12% surcharge + 4% HEC)* on such excess money.
- If the assessee pays the additional income-tax, **he will not be required to make secondary adjustment or compute interest from the date of payment of such tax.** It is needless to say here that he is required to make secondary adjustment pertaining to interest till the date of payment of additional tax.
- The tax so paid shall be the final payment of tax and **no credit** shall be allowed in respect of such tax.

Not apply
on ...

- An Indian company or a permanent establishment of a foreign company which is engaged in the business of banking or insurance.
- Interest paid in respect of a debt issued by a lender which is a PE of a non-resident, engaged in the business of banking in India. [as inserted by Finance Act, 2020]

Rationale for the amendment: Representations have been received to carve out interest paid or payable in respect of debt issued by a PE of a non-resident in India, being a person engaged in the business of banking for the reason that as per the existing provisions a branch of the foreign company in India is a non-resident in India. Further, the definition of the AE in section 92A, inter alia, deems two enterprises to be AE, if during the previous year a loan advanced by one enterprise to the other enterprise is at 50 per cent or more of the book value of the total assets of the other enterprise. Thus, the interest paid or payable in respect of loan from the branch of a foreign bank may attract provisions of interest limitation provided for under this section.

“DOUBLE TAXATION RELIEF”

Section 90: Relief in case where DTAA exists (i.e. Bilateral Relief):-

This section empowers the CG to enter into an agreement (i.e. DTAA) with the Govt. of any country outside India or specified territory outside India (i.e. Notified by the CG, like, Hong Kong, Macau, Netherlands, etc.).

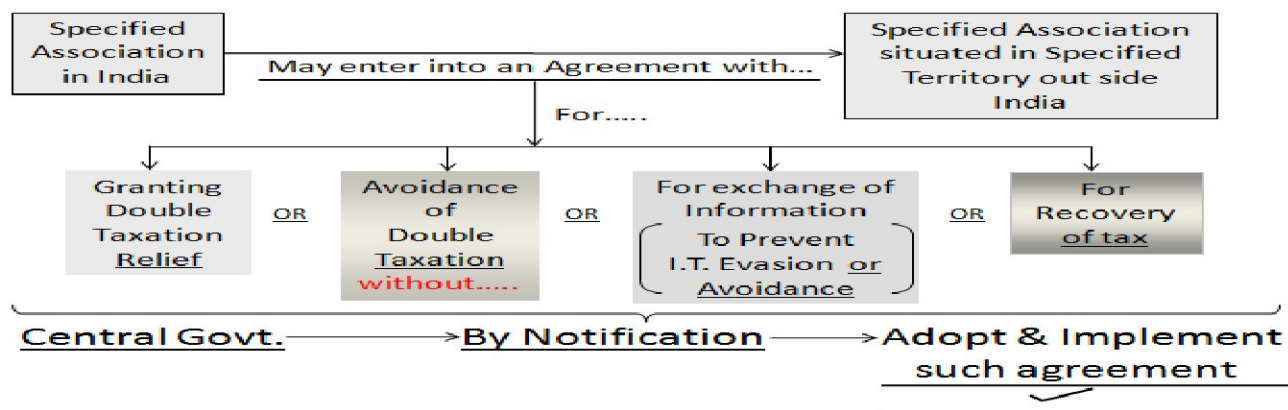

Purposes of DTAA or Underlying idea behind DTAA	<ul style="list-style-type: none"> ➤ For grating relief* in respect of Income chargeable under the Indian Income Tax Act and the income tax law of that foreign country / territory <u>to promote Mutual economic relations, trade and investment etc.</u> ➤ For the avoidance of double taxation of income <i>without creating opportunities for non-taxation or reduced taxation through tax evasion or avoidance (including through treaty-shopping arrangements aimed at obtaining reliefs provided in the said agreement for the indirect benefit to residents of any other country/territory).</i> ➤ For exchange of information for the prevention of evasion or avoidance of income tax. ➤ For recovery of income tax.
*Methods of granting relief under DTAA	<p>(i) <u>Exemption Method:</u> A particular income is taxed in one of the two countries and exempted in the other.</p> <p>(ii) <u>Tax Credit Method:</u> The income is taxed in both the countries in accordance with the respective tax laws read with DTAA, but country of residence shall allow credit for the tax charged thereon in the country of source.</p>
Effect of such agreement	<p style="color: red;"><u>If there is a difference between the tax treatment as per the provisions given under the Act and the tax treatment as per the agreement, then, provisional treatment or treatment as per agreement whichever is more beneficial to the assessee shall apply.</u></p> <p><u>Exception:</u></p> <p><u>If DTAA provides that “the taxation levied on any foreign concern in India shall not be less favorably than the taxation levied on Indian concern carrying on the same activities in the same circumstances.”</u></p> <p><u>In such a case, taxation of foreign company (like, in respect of its branch in India) at the rate applicable to foreign company (i.e. 40%) which is higher than the rate applicable to domestic company, shall not be regarded as less favourable charge / levy of tax in respect of such foreign company.</u></p> <p style="text-align: right;">[Explanation 1 to section 90]</p>
Condition for claiming relief under DTAA	<ul style="list-style-type: none"> – Non-resident to whom double taxation avoidance agreement applies, – shall not be entitled to claim any relief under such agreement – <i>unless a certificate of his being a resident in any foreign country / territory (i.e. Tax Residency Certificate)</i> – <i>is obtained by him from the Government of that foreign country / territory.</i>

- The aforesaid assessee shall also provide such other documents and information, as may be prescribed.

Section 91: Relief in case where no DTAA exist (i.e. Unilateral Relief):-

Essential conditions for claiming relief	<p>(1) The assessee must have been resident in India.</p> <p>(2) The income must be earned outside India.</p> <p>(3) The assessee must have paid the tax on such income in the foreign country.</p>
Quantum of relief	<p><u>Lower of the following:</u></p> <p><u>Tax attributable from such double taxed income in India which shall be computed as under:</u></p> $\frac{\text{Tax on total income in India}}{\text{Total Income in India}} \times \text{Such double taxed income}$ <p><u>Tax attributable from such double taxed income in foreign country which shall be computed as under:</u></p> $\frac{\text{Tax paid in foreign country}}{\text{Total Income assessed in foreign country}} \times \text{Such double taxed income}$ <p><u>Double taxed income means:</u> Net income i.e. income after all expenses and deductions as available under the Income-tax Act.</p>

Section 90A:-

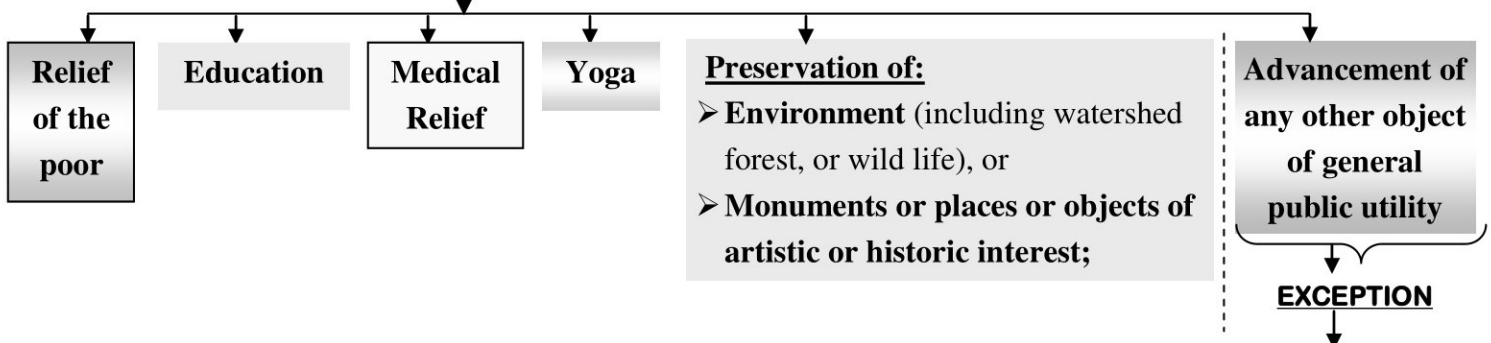

Section 155(14A): Enabling claim of credit for foreign tax paid in case of dispute:-

- If due to dispute upon foreign tax payment, credit for such tax u/s 90/90A/91 has not been given and
- if subsequently such dispute is settled; and
- the assessee, **within six months from the end of the month in which the dispute is settled**,
- furnishes to the Assessing Officer
- *evidence of settlement of dispute, and evidence of payment of such tax along with an undertaking that credit has not been claimed or will not be claimed in future,*
- Then Assessing Officer **shall allow credit for the same** by amending assessment order / intimation u/s 154.

“ASSESSMENT OF CHARITABLE/ RELIGIOUS TRUST AND INSTITUTION”

As per section 2(15): Charitable purpose includes-

- If it involves any trade, commercial or business activity,
- which is carried on for any consideration (ir-respective of use of such income / retention of such income)

But

If such activity i.e. commercial activity is undertaken in the course of actual carrying out of its main object i.e. Advancement of any other object of general.....

AND

Aggregate receipts from such commercial activity / activities during the P.Y. ➤ **20% of total receipts in that P.Y.**

In this case, Exemption will be available.

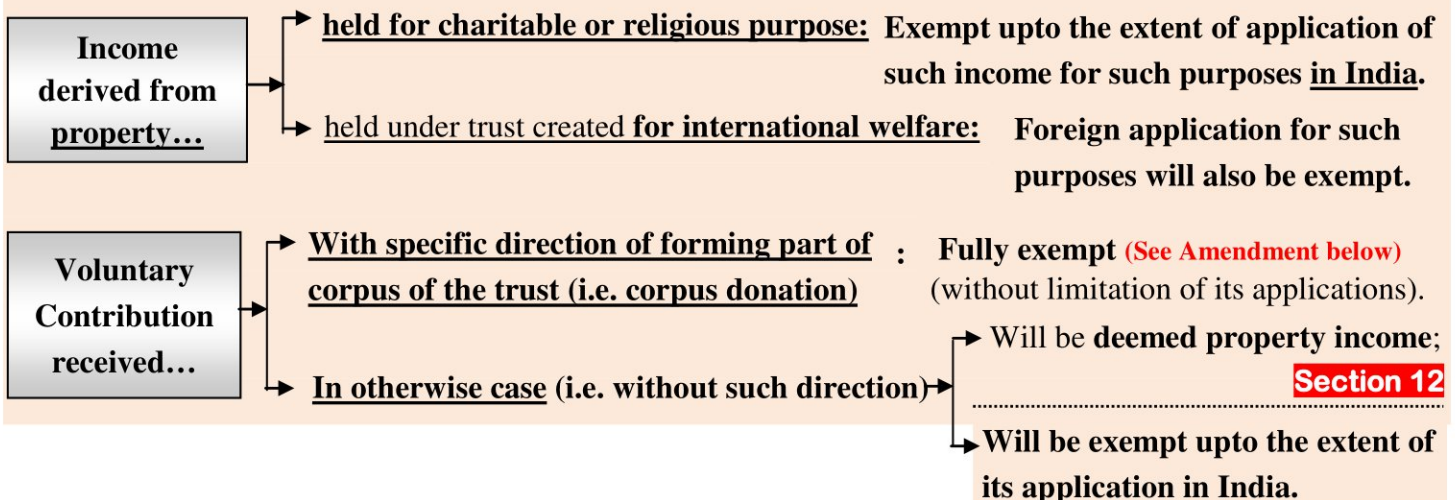

It may be noted here that **if in a particular year commercial receipts exceeds 20% of total receipts, then**

For such year:

Exemption u/s 11&12 **will not be allowed.**
[Section 13(8)]

Registration will not be cancelled by the CIT only because of the reason that commercial receipts exceed 20% of total receipt. [BOARD CIRCULAR]

Incomes eligible for exemption u/s 11:-

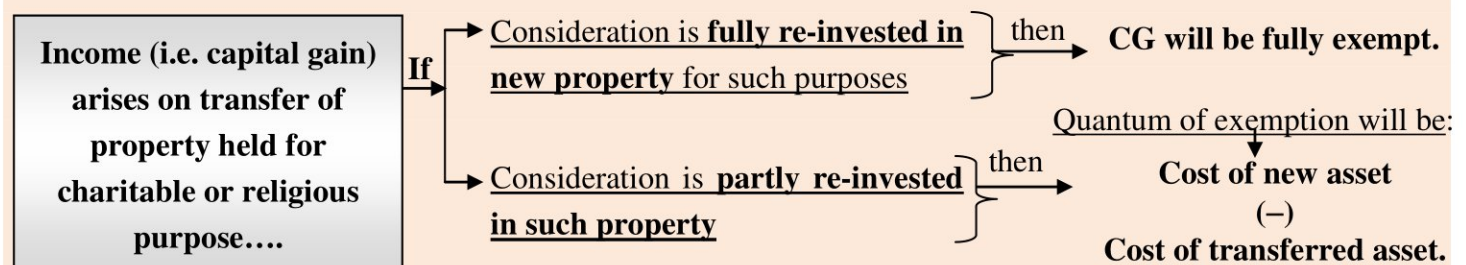

Amendments made by the F. A. 2021

Income in the form of *voluntary contributions made with a specific direction, that they shall form part of the corpus of the trust or institution*, shall be fully exempt **subject to the condition that such voluntary contributions are invested or deposited in one or more of the forms or modes specified in section 11(5) maintained specifically for such corpus.**

Additional Corresponding Amendments (as made by the Finance Act, 2021):**Explanation 4 to section 11(1):**

For the purposes of determining the amount of application (for exemption u/s 11),

- (i) *Application for charitable or religious purposes from the corpus shall not be treated as application of income for charitable or religious purposes.*
- **Provided** that the amount not so treated as application, or part thereof,
 - shall be treated as application for charitable or religious purposes
 - in the previous year in which the amount, or part thereof, is invested or deposited back, into one or more of the forms or modes specified in section 11(5) maintained specifically for such corpus,
 - from the income of that year and to the extent of such investment or deposit.

**OTHER RELEVANT POINTS:**

Exemption depends upon application of income for charitable or religious purpose which includes –

(i)	Revenue expense.
(ii)	Capital expense (Purchase of capital asset). ➤ It may be noted here that <u>if acquisition has been claimed as application</u> <i>then no depreciation will be allowed on it neither in same nor in any other year.</i>

Section 11(6)

INSERTION MADE BY FINANCE ACT, 2022:

- For the purposes of this section,
- *any sum payable by any trust or institution shall be considered as application of income*
- **in the previous year in which such sum is actually paid by it**
- *(irrespective of the previous year in which the liability to pay such sum was incurred by the trust or institution according to the method of accounting regularly employed by it)*

Provided that where during any previous year, any sum has been claimed to have been applied by the trust or institution, such sum shall not be allowed as application in any subsequent previous year.

(iii) **Application out of loan/borrowing:**

Explanation 4 to section 11(1):

AS INSERTED BY F. A. 2021

for the purposes of determining the amount of application (for exemption u/s 11),

(ii) *Application for charitable or religious purposes, from any loan or borrowing, shall not be treated as application of income for charitable or religious purposes*

- **Provided** that the amount not so treated as application, or part thereof,
- shall be treated as application for charitable or religious purposes
- in the previous year in which the loan or borrowing, or part thereof, is repaid from the income of that year and to the extent of such repayment.

(iv) **Set off of excess application of any preceding year:**

For the purposes of section 11(1), it is hereby clarified that

- for the computation of income required to be applied or accumulated during the previous year
- **no set off or deduction or allowance of any excess application of any of the year preceding the previous year, shall be made.**

(v) **Donation to other trust / institution registered u/s 12AA/12AB or approved u/s 10(23C).**

Exception: If donation has been given with specific direction that they shall form part of the corpus of the recipient trust as covered u/s 12AA/12AB or approved u/s 10(23C) i.e. corpus donation, shall not be treated as application of income.

(vi) Payment in contravention of **provisions of section 40A(3)/(3A)** or 30% of sum (as paid/credited) in contravention of **section 40(a)(ia)**, will not be eligible for exemption.

(vii) **INSERTION MADE BY FINANCE ACT, 2022:**

Explanation 3A to section 11(1)

- For the purposes of this sub-section,
- where the property held under a trust or institution includes any temple, mosque, gurdwara, church or other place notified u/s 80G(2)(b),
- any sum received by such trust or institution *as voluntary contribution*
- *for the purpose of renovation or repair of such temple, mosque, gurdwara, church or other place,*
- **may**, at its option, be treated by such trust or institution
- **as forming part of the corpus of the trust or the institution,**
- subject to the condition that the trust or the institution:
 - (a) **applies such corpus only for the purpose for which the voluntary contribution was made;**
 - (b) **does not apply such corpus for making contribution or donation to any person;**
 - (c) **maintains such corpus as separately identifiable; and**
 - (d) **invests or deposits such corpus in the forms and modes specified u/s 11(5).**

Explanation 3B:

- For the purposes of Explanation 3A,
- *where any trust or institution has treated any sum received by it as forming part of the corpus, and*
- *subsequently any of the conditions specified in clause (a) to (d) of the said Explanation is violated,*
- such sum shall be deemed to be the income of such trust or institution
- **of the previous year during which the violation takes place.**

❖ **Identical provisions to Explanation 3A & 3B have been inserted in section 10(23C) by F.A. 2022.**

ACCUMULATION FACILITIES TO TRUST:-

- (1) Trust can accumulate upto **15% of income*** to be utilized for charitable / religious purpose in future.
 ↳ Since there is no requirement to specify the purpose and period about it, hence, it is treated as adhoc deduction.

- (2) For claiming full exemption, **trust is required to apply 85% income** for charitable or religious purpose, **subject to the following exceptions:**

Exception – I:**Clause 2 of Explanation to section 11(1)**

<u>Cases of DEEMED APPLICATION OF INCOME</u>	(a) If due to non-receipt of income, <u>OR</u>	(b) For any other reason (like, income received at year end, etc.)
	Trust couldn't met out the standard of 85%, still, <u>such income (i.e. shortfall) shall be deemed to have been applied*</u> during the year of deriving of such income.	
<u>OBLIGATION ATTACHED TO TRUST</u>	<u>Such income (i.e. shortfall) must be applied in the year of receipt or in next year thereof.</u>	<u>Such income (i.e. shortfall) must be applied in the immediately following year of the current year.</u>
	<u>In both the cases, a declaration must be filed upto the due date of filing of ROI.</u>	
<u>If violation, then CONSEQUENCE</u>	*Such deemed applied amount will be taxable as income of next year to the year of receipt.	*Such deemed applied amount will be taxable as income for such immediately following year of the current year.

It may also be noted here that- **If such income (i.e. shortfall) is applied for making a donation to any trust or institution registered u/s 12AA/12AB or to any fund u/s 10 (23C), then *that shall not be treated as application of income for charitable or religious purposes.***

Exception – II:**Section 11(2)**

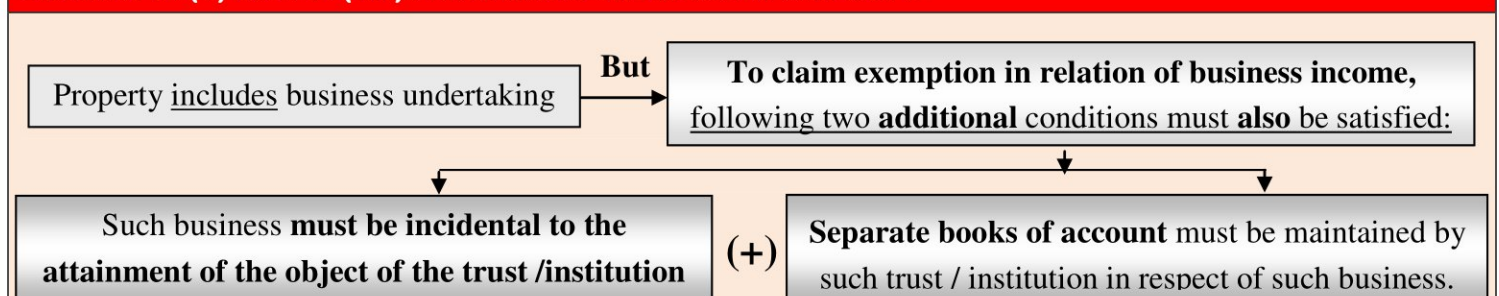

Assessee trust can claim exemption in respect of accumulated income in excess of 15% **but subject to fulfillment of the following conditions:**

(a)	<p>Purpose* of such accumulation Period for such accumulation > 5 Years</p> <p><i>*It is not necessary to particularize each and every object for which accumulation is sought. It is enough if the assessee seeks permission for accumulation for the object (like, medical relief).</i></p>
(b)	Such money should be invested / deposited in any mode as specified u/s 11(5)] [like, investment in Govt. securities, shares of public sector company, deposit in bank, post office, etc.].

Section 11(3): Exemption withdrawn if specific conditions not satisfied :-

If such excess accumulated income.....	Consequence: Such excess accumulated income shall be taxable as <u>income...</u>

- The process for registration for new and existing trusts will be completely electronic under which a unique registration number (URN) will be issued to all new and existing trusts.
- New trusts which are yet to start their activities will get provisional registration for 3 years.

Power to PCIT/CIT to cancel registration granted u/s 12AB:**AMENDMENTS MADE BY FINANCE ACT, 2022**

To ensure that non-genuine trusts / institutions do not get exemption under automated approval system, following amendments have been made:

- (4)** Where registration or provisional registration of a trust or an institution has been granted u/s 12AA/12AB, as the case may be, and subsequently, —
- (a) the Principal Commissioner or Commissioner has **noticed occurrence of one or more specified violations during any previous year**; or
 - (b) the Principal Commissioner or Commissioner has **received a reference from the Assessing Officer under the second proviso to sub-section (3) of section 143** for any previous year; or
 - (c) such case has been **selected in accordance with the risk management strategy, formulated by the Board** from time to time, for any previous year, the Principal Commissioner or Commissioner shall—
 - (i) **call for such documents or information from the trust or institution, or make such inquiry as he thinks necessary in order to satisfy himself about the occurrence or otherwise of any specified violation;**
 - (ii) **pass an order in writing, cancelling the registration of such trust or institution**, after affording a reasonable opportunity of being heard, for such previous year and all subsequent previous years, *if he is satisfied that one or more specified violations have taken place;*
 - (iii) **pass an order in writing, refusing to cancel the registration** of such trust or institution, *if he is not satisfied about the occurrence of one or more specified violations;*
 - (iv) **forward a copy of the order** under clause (ii) or clause (iii), as the case may be, **to the Assessing Officer** and such trust or institution.

Explanation:

For the purposes of this sub-section, the following shall mean "**specified violation**", —

- (a) where **any income** derived from property held under trust, wholly or in part for charitable or religious purposes, **has been applied, other than for the objects of the trust or institution**; or
- (b) the trust or institution **has income from profits and gains of business which is not incidental to the attainment of its objectives or separate books of account are not maintained** by such trust or institution in respect of the business which is incidental to the attainment of its objectives; or
- (c) the trust or institution has **applied any part of its income** from the property held under a trust **for private religious purposes**, which does not enure for the benefit of the public; or
- (d) the trust or institution **has applied any part of its income for the benefit of any particular religious community or caste**; or
- (e) **any activity being carried out by the trust or institution—**

(i) is not genuine; or

(ii) is not being carried out in accordance with all or any of the conditions subject to which it was registered; or

(f) **If the trust or institution has not complied with the requirement of any other law which was material for the purpose of achieving its objects, and the order holding such non-compliance has occurred, has not been disputed (or has attained finality).**

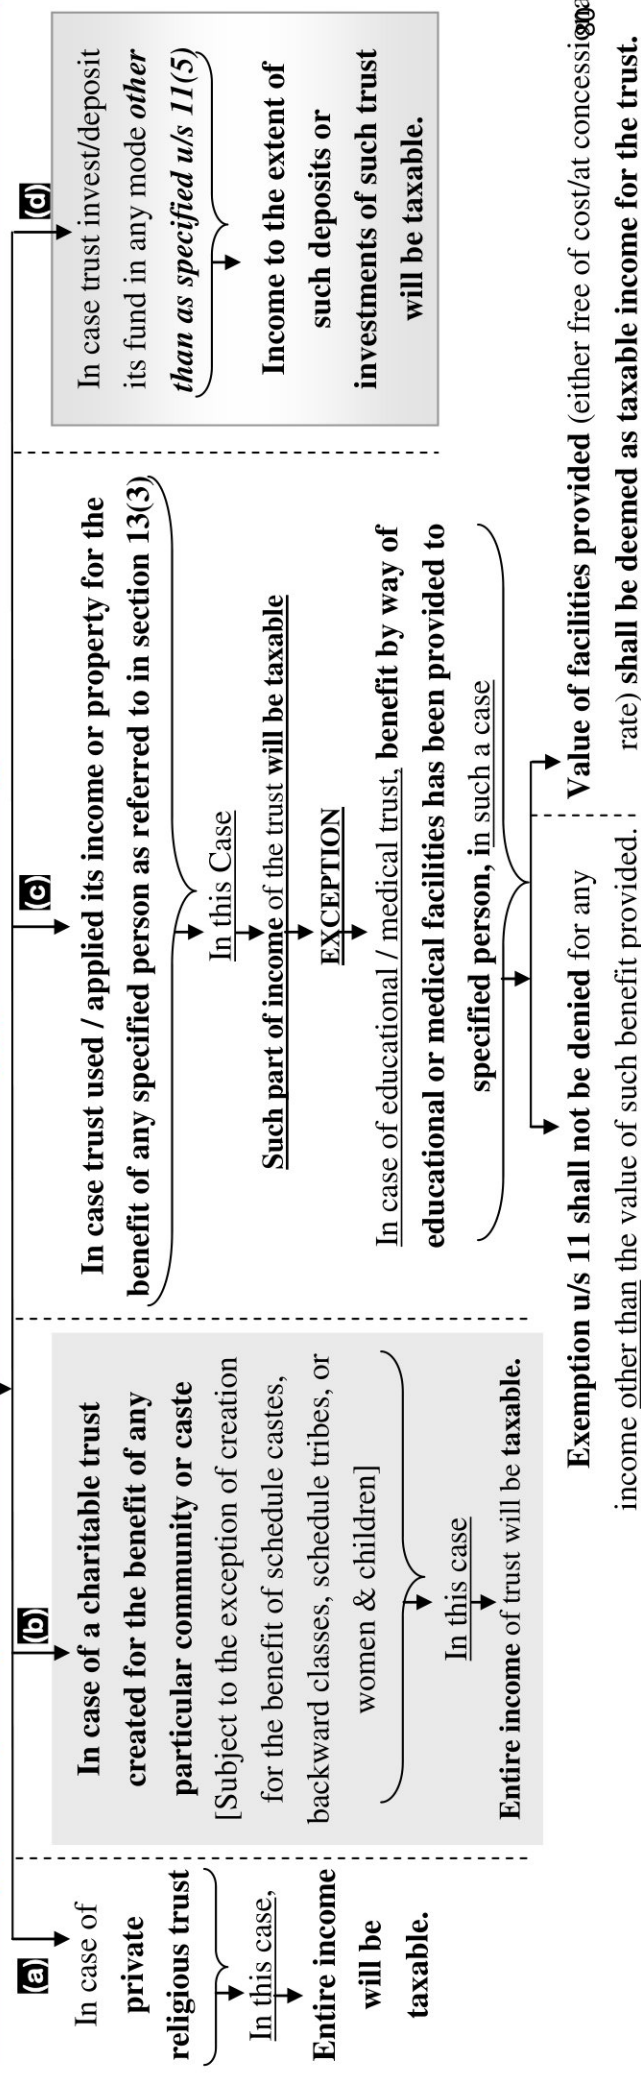

(5) The order under sub-section (4) shall be passed before the expiry of a period of six months, calculated from the end of the quarter in which the first notice is issued by the *Principal Commissioner or Commissioner, calling for any document or information, or for making any inquiry, under sub-section (4).*

❖ Identical provisions to section 12AB(4) [except clause (c) & (d) as given under Explanation] and (5) have been inserted in section 10(23C) by F.A., 22.

Consequential amendment in section 143(3):

➤ The *second proviso* to section 143(3) has been substituted to provide that the AO shall send a reference to the PCIT/CIT to withdraw the approval u/s 10(23C) or registration u/s 12AB. He may do so only if he is satisfied that any trust/institution referred to in section 11 or any institution referred to in section 10(23C)(iv)/(v)/(vi)/(via) has committed any aforesaid specified violation. Once the AO sends a reference, he cannot make an assessment order without giving effect to the order passed by the PCIT or CIT under section 10(23C) or section 12AB(4), as the case may be.

Section 13(1): Exemption provisions of section 11&12 shall not apply in the following cases:-

Meaning of specified person [Section 13(3)]:-

- (i) The *author* of the trust or *founder* of the institution;
- (ii) Any *person* whose has made a total contribution (up to the end of the relevant previous year) of an *amount exceeding ₹ 50,000/-* (i.e. *Substantial Contributor*);
- (iii) Where such author, founder or person (i.e. substantial contributor) is a HUF, a *member of HUF*;
- (iv) Any *trustee* of the trust or *manager* of the institution;
- (v) Any *relative* of such author, founder, substantial contributor, member, trustee or manager;
- (vi) Any *concern* in which any of the persons referred to above has a substantial interest.

Section 271AAE: Benefits to related persons:-

AS INSERTED BY F. A., 2022

- If during any proceedings under this Act, it is found that
- a person as referred to in **section 10(23C)(iv)/(v)/(vi)/(via)** or any trust/institution referred to in **section 11**
- *has violated the provisions of the twenty-first proviso to section 10(23C), or section 13(1)(c), as the case may be, [i.e. Mis-utilisation of funds for the benefit of specified persons]*
- the Assessing Officer may direct that such person shall pay by way of penalty-
 - (a) **a sum equal to the aggregate amount of income applied, directly or indirectly, by such person, for the benefit of any person referred to in section 13(3), where the violation is noticed for the first time during any previous year;** and
 - (b) **a sum equal to two hundred per cent of the aggregate amount of income of such person applied, directly or indirectly, by that person, for the benefit of any person referred to in section 13(3), where violation is noticed again in any subsequent previous year.**

Amendment as made by the Finance Act, 2022 to the proviso of section 56(2)(x):

- Proviso to section 56(2)(x) provides that the section does not apply to any sum of money or any property received from any charitable institution referred to in section 10(23C); or from any trust or institution registered u/s 12AB.
- The aforesaid proviso has been amended to provide that the above referred exemption in proviso shall not apply where any sum of money or any property has been received by any person referred to in section 13(3) [i.e. a specified person/an interested party for a charitable institution].

INSERTION MADE BY FINANCE ACT, 2022:

Background: Different provisions mandate denial of exemption to the trusts/institutions, some of the provisions under which exemption is not available for its violation are as follows:

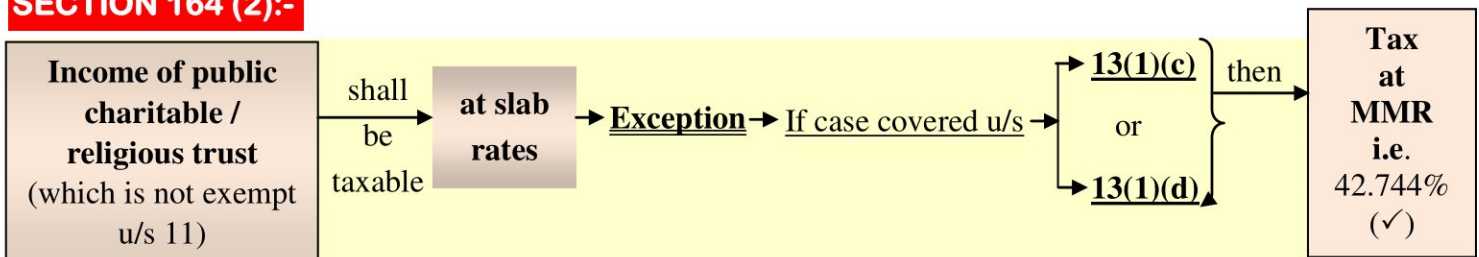

- (i) **First proviso to section 2(15):** Case of **commercial receipts in excess of 20% of the total receipts.**
 - (ii) **Violation of Section 12A(b):** Not keeping and maintaining prescribed books and other documents or not getting accounts audited/furnish audit report within the due date of ROI u/s 139(1).
 - (iii) **Violation of Section 12A(ba):** Not filing the return of income within due date as given u/s 139(1).
- ✓ *In case of non-availability of exemption in these cases, there is presently no clarity on computation of taxable income (whether any deduction will be given or whether entire income will be taxable).*

✓ To pin point consequences where exemption is denied to a trust/institution in any of the three cases given above, a new sub-section (10) has been inserted in section 13, which provides as follows:

- In any of the **three non-compliance cases** given above,
 - *income chargeable to tax of the trust or institution shall be computed*
 - **after allowing deduction for the expenditure (other than capital expenditure) incurred in India,**
 - **for the objects of the trust or institution, subject to fulfilment of the following conditions, namely:—**
 - (a) such expenditure is **not from the corpus standing** to the credit of the trust or institution **as on the end of the financial year immediately preceding the previous year** relevant to the assessment year for which income is being computed;
 - (b) such expenditure is **not from any loan or borrowing**;
 - (c) **claim of depreciation is not in respect of an asset, acquisition of which has been claimed as application** of income, in the same or any other previous year; and
 - (d) such expenditure is **not in the form of any contribution or donation to any person.**
- For the purposes of determining the amount of expenditure under sub-section (10), the provisions of **section 40(a)(ia) and section 40A(3) and (3A), shall, mutatis mutandis, apply as they apply in computing the income chargeable under the head "Profits and gains of business or profession.**
- For the purposes of computing income chargeable to tax under sub-section (10), **no deduction in respect of any expenditure or allowance or set-off of any loss shall be allowed** to the assessee under any other provision of this Act.
- **Similar provisions have been inserted in section 10(23C).**

"TAXATION OF TRUST INCOME"

SECTION 164 (2):-

New Insertion: Section 115BBI: Special rate for taxation of certain income of trusts:-

- (1) – Where the total income of
- **any fund or institution referred to in section 10(23C)(iv)/(v)/(vi)/(via) or any trust or institution referred to in section 11, includes**
 - any "*specified income*", then
 - notwithstanding anything contained in any other provision of the Act,

	– the income-tax payable shall be the <i>aggregate</i> of: <ol style="list-style-type: none"> the amount of income-tax calculated at the rate of 30% (+ surcharge + HEC, as applicable) on the <i>aggregate specified income</i>; and the amount of income tax with which the assessee would be chargeable if the total income of the assessee is reduced by the aggregate specified income referred to in clause (a).
(2)	No deduction in respect of any expenditure or allowance or set-off of any loss shall be allowed to the assessee under any provision of the Act in computing the specified income.

"Specified income" means:

- Income accumulated or set apart in excess of 15% of the income where such accumulation is not allowed under any specific provisions of the Act; or***
- Deemed income referred to in section 11(1B)/(3) or Explanation 4 to the third proviso to section 10(23C) [i.e. **violation of provision relating to for accumulation of income**]; or
- Any income which is not exempt under section 10(23C) on account of violation of clause (b) of the *third proviso* to section 10(23C) or any income which is not exempt by virtue of section 13(1)(d), [i.e. **Investment of fund in non-specified modes**].
- Any income which is deemed to be income under the *twenty-first* proviso to section 10(23C) or any income which is not exempt by virtue of section 13(1)(c), [i.e. **Mis-utilisation of funds for the benefit of specified persons**].
- Any income which is not excluded from total income under section 11(1)(c) [that is, **application towards charitable or religious purposes outside India**].

ADDITIONAL EXPLANATORY REMARKS (w.r.t. calculation of book profit):-

- (1) If incomes chargeable under other heads of income (like CG, I/O/S, etc.) are credited in Statement of profit and loss, then these will not be excluded from Profit.
- (2) It may additionally be noted here that no exemption u/s 54 to 54GB or Deductions under Chapter VI-A (i.e. 80C to 80U) will be allowed in computing Book Profit. [N. J. JOSE & Co. (P) Ltd. (Ker.)]

Contrary Ruling:

In the case of CIT v/s Metal and Chromium Plater (P) Ltd., the Madras High Court has held that sub-section (5) of section 115JB allows for application of all other provisions contained in the Income-tax Act except specifically barred by that section itself. Thus, the “book profit” would be further eligible to the benefits set out in the other provisions of the Act, accordingly, held that *capital gain which form parts part of the net profit in the statement of profit and loss, in respect of which exemption u/s 54EC is available, should not be taken into account for calculation of minimum alternative tax on book profits u/s 115JB.*

Rationalisation of MAT provisions in line with Indian Accounting Standard (Ind-AS):

Step 1	Find out net profit [<u>before other comprehensive income (OCI)</u>] as per statement of profit and loss.	
Step 2	Make adjustment which are given under the existing provisions u/s 115JB(2) [i.e. Normal adjustments].	
Step 3	Make further adjustment pertaining to OCI items <u>that will be permanently recorded in reserves</u> (i.e. never to be reclassified to the statement of profit and loss).	
	These items <u>shall be included in book profit</u> for MAT purpose at the point of time as follows:	
	<u>Different Items</u>	<u>Point of time</u>
	➤ Changes in revaluation surplus of PPE (Property, Plant or Equipment) and intangible assets (Ind AS 16 and Ind AS 38)	<ul style="list-style-type: none"> – Revaluation reserve credited / debited to other comprehensive income shall not be adjusted in the book profit in which it is debited or credited. – It shall be included in book profit of the year <i>in which the asset / investment is retired, disposed, realised or otherwise transferred.</i>
		<u>Reason</u>
		Profit is not actually realised, or loss does not arise; Taxability arises in the year of realization.

➤ Gains and losses from investments in equity instruments designated at fair value through OCI (Ind AS 109)	<ul style="list-style-type: none"> – Gain / loss from such investments credited / debited to other comprehensive income shall not be adjusted in the book profit in which it is debited or credited. – It shall be included in book profit of the year in which the investment is retired, disposed or realised. 	<p>Profit is not actually realised, or loss does not arise;</p> <p>Taxability arises in the year of realization.</p>
➤ Remeasurements of defined benefit plans (Ind AS 19) ➤ Any other item	<p>To be included in book profits every year as the remeasurements gains and losses arise.</p> <p><u>In other words,</u></p> <p>Gain – Add in Book Profit Loss – Deduct from Book Profit.</p>	<p>In As, it is recognised to P&L.</p> <p>However, as per Ind AS, this is non-reclassification adjustment (i.e. such gain / (loss) is not recognised in P&L).</p>

Transitional adjustment:

In computing book profit of the year of convergence (i.e. year of transition) and each of the following four years, **1/5 of transition amount** (excluding capital reserve and securities premium reserve) **will be added each year** (if credit balance of transition amount has been given). Conversely, **1/5 of transition amount** (excluding capital reserve and securities premium reserve) **will be deducted each year** (if debit balance of transition amount has given).

Effect on Book Profit in case of applicability of Section 92CC (APA) / 92CE (Secondary Adjustment):

➤ A new **sub-section (2D)** has been inserted by this **Finance Act, 2021**, which provides as follows:

- In the case of an assessee being a company,
- where there is an increase in book profit of the previous year
- *due to income of past year or years included in the book profit on account of an advance pricing agreement entered into by the assessee under section 92CC or on account of secondary adjustment required to be made under section 92CE,*
- the Assessing Officer shall, on an application made to him in this behalf by the assessee,
- recompute the book profit of the past year or years and tax payable, if any, by the assessee during the previous year u/s 115JB(1), in such manner as may be prescribed and
- the provisions of section 154 shall apply and the period of four years specified in section 154 shall be reckoned from the end of the financial year in which the said application is received by the Assessing Officer.

Provided that the provisions of this sub-section (2D) shall apply only if the assessee has not utilised the credit of tax paid under this section in any subsequent assessment year under section 115JAA.

Provided further that the provisions of this sub-section (2D) shall also apply to assessment year 2020-21 or earlier year but no interest shall be payable to such assessee on the refund arising on account of these provisions.

Circular No. C1 of 2020, dated April 13, 2020: Clarification in respect of option u/s 115BAC:-

- ☞ The Board has clarified that an **employee** (not having income under the head "profit and gains of business or profession" and intending to opt for the concessional rate under section 115BAC), **may intimate the deductor**, being his employer, of such intention for each previous year and upon such intimation, the deductor *shall compute the amount of TDS u/s 192 in accordance with the provisions of section 115BAC.*
- ☞ If such intimation is not made by the employee, the employer shall make TDS without considering the provision of section 115BAC.
- ☞ It is also clarified that the intimation so made to the deductor shall be only for the purposes of TDS during the previous year and cannot be modified during that year. However, the intimation would not amount to exercising option in terms of section 115BAC and the **person shall be required to do so alongwith the return to be furnished u/s 139(1) of section 139 for that previous year.** Thus, *option at the time of filing of return of income u/s 139(1) could be different from the intimation made by such employee to the employer for that previous year.*

Tax implication of member's share in the hands of member:-

Keep remember the following sequence to allow rebate u/s 86 (as adopted by ICAI in its study material):

“Tax Implication on Dissolution / Reconstitution of FIRMS/AOP/BOI”

Insertion of Section 9B: *Income on receipt of capital asset or stock in trade by specified person from specified entity:-*

Applicable w.e.f. A.Y. 21-22

- (1) – Where a *specified person* (hereinafter referred to as **Partner/Member of Firm/AOP/BOI**)
- receives during the previous year
- any capital asset or stock in trade or both
- from a *specified entity* (hereinafter referred to as **Firm/AOP/BOI**)
- in connection with the dissolution or reconstitution of such Firm/AOP/BOI, then
- the Firm/AOP/BOI shall be deemed to have transferred such capital asset or stock in trade or both, as the case may be, to the Partner/Member of Firm/AOP/BOI
- in the year in which such capital asset or stock in trade or both are received by the Partner/Member of Firm/AOP/BOI.

Explanation:

"reconstitution of the Firm/AOP/BOI" means, where—

- | | |
|-----|--|
| (a) | one or more of its partners or members, as the case may be, of such Firm/AOP/BOI ceases to be partners or members; or |
| (b) | one or more new partners or members, as the case may be, are admitted in such Firm/AOP/BOI in such circumstances that one or more of the persons who were partners or members, as the case may be, of the Firm/AOP/BOI, before the change, continue as partner or partners or member or members after the change; or |
| (c) | all the partners or members, as the case may be, of such Firm/AOP/BOI continue with a change in their respective share or in the shares of some of them. |

- (2) Any profits and gains arising from such deemed transfer of capital asset or stock in trade or both, as the case may be, by the Firm/AOP/BOI shall be—
- (i) deemed to be the income of such Firm/AOP/BOI of the previous year in which such capital asset or stock in trade or both were received by the Partner/Member of Firm/AOP/BOI; and
- (ii) chargeable to income-tax as income of such Firm/AOP/BOI under the head "Profits and gains of business or profession" or under the head "Capital gains", as per the provisions of this Act.
- (3) For this purpose, FMV of the capital asset/stock in trade/both on the date of its receipt by the Partner/Member of Firm/AOP/BOI shall be deemed to be the full value of the consideration received or accruing as a result of such deemed transfer of the capital asset or SIT or both by the Firm/AOP/BOI.
- (4) If any difficulty arises in giving effect to the provisions of this section and section 45(4), the Board may, with the approval of the Central Government, issue guidelines for the purposes of removing the difficulty.

Substitution of Section 45(4): Capital gain on transfer of a capital asset by Firm/AOP/BOI to partner/member:- **Applicable w.e.f. A.Y. 21-22**

- Notwithstanding anything contained in section 45(1),
- **where a specified person** (hereinafter referred to as **Partner/Member of Firm/AOP/BOI**)
- **receives** during the previous year **any money or capital asset** or both
- **from a specified entity** (hereinafter referred to as **Firm/AOP/BOI**)
- **in connection with the reconstitution of such Firm/AOP/BOI**, then
- **any profits or gains arising from such receipt by the Partner/Member of Firm/AOP/BOI**
- shall be chargeable to income-tax **as income of such Firm/AOP/BOI**
- **under the head "Capital gains"** and
- *shall be deemed to be the income of such Firm/AOP/BOI of the previous year in which such money or capital asset or both were received by the Partner/Member of Firm/AOP/BOI.*

Such profits or gains i.e. Capital gain shall be computed as follows: $A = B + C - D$

Value of any money received by the Partner/Member of Firm/AOP/BOI from the Firm/AOP/BOI on the date of such receipt	B
(+) the amount of fair market value of the capital asset received by the Partner/Member of Firm/AOP/BOI from the Firm/AOP/BOI on the date of such receipt	C
(-) the amount of balance in the capital account (represented in any manner) of the Partner/Member of Firm/AOP/BOI in the books of account of the Firm/AOP/BOI at the time of its reconstitution	D
Income chargeable to income-tax u/s 45(4) of the Firm/AOP/BOI under the head "Capital gains"	A

- **If the value of "A" in the above formula is negative, its value shall be deemed to be zero.**
- The balance in the capital account of the Partner/Member of Firm/AOP/BOI in the books of account of the Firm/AOP/BOI is to be calculated without taking into account the increase in the capital account of the Partner/Member of Firm/AOP/BOI due to revaluation of any asset or due to self-generated goodwill or any other self-generated asset.
- When a capital asset is received by a Partner/Member of Firm/AOP/BOI from a Firm/AOP/BOI in connection with the reconstitution of such Firm/AOP/BOI, the provisions of this section shall operate in addition to the provisions of section 9B and the taxation under the said provisions shall be worked out independently.'

Explanatory Remarks:

- (1) In case of **reconstitution** of Firm/AOP/BOI, due to the simultaneous applicability of section 9B and 45(4), there will be double taxation on Firm/AOP/BOI at the time of such reconstitution.
- (2) In case of **dissolution** of Firm/AOP/BOI, section 45(4) shall not apply, and taxability will be governed by section 9B only.

Insertion in Section 48: Attribution of capital gain on transfer of a capital asset by Firm / AOP / BOI, to remaining capital assets:- **Applicable w.e.f. A.Y. 21-22**

- (iii) – If any money or capital asset is received by a Partner/Member of Firm/AOP/BOI from a Firm/AOP/BOI,
- then the **amount chargeable** to income-tax as income of such Firm/AOP/BOI under section 45(4),
 - **which is attributable to the capital asset being transferred by the Firm/AOP/BOI,**
 - shall be calculated in the prescribed manner and
 - **shall be allowed as a deduction** in computing capital gains on REMAINING CAPITAL ASSETS held by Firm/AOP/BOI.

Rule 8AB: Manner of attribution of capital gain, arising on transfer of a capital asset by Firm/AOP/BOI u/s 45(4), to remaining capital assets of Firm/AOP/BOI:

For the purposes of clause (iii) of section 48, where the amount is chargeable to income-tax as income of Firm/AOP/BOI u/s 45(4), the Firm/AOP/BOI shall attribute such amount to CAPITAL ASSET REMAINING with the Firm/AOP/BOI in a manner provided in this rule.

Where capital gain charged u/s 45(4) relates ↓		Manner of attribution of capital gain to remaining capital assets of the firm/AOP/BOI:	
(1)	to revaluation of any capital asset of the Firm/AOP/BOI (except cases covered under points given below)	Capital gain charged u/s 45(4) X	$\frac{\text{Increase in value of such remaining asset because of revaluation}}{\text{Aggregate of increase in value of all assets because of revaluation, or recognition of value of self-generated asset or self-generated goodwill because of valuation}}$
(2)	to valuation of self-generated asset or self-generated goodwill, of the Firm / AOP / BOI,	Capital gain charged u/s 45(4) X	$\frac{\text{Recognition of value of such self-generated asset or self-generated goodwill because of valuation}}{\text{Aggregate of increase in value of all assets because of revaluation, or recognition of value of self-generated asset or self-generated goodwill because of valuation}}$
(3)	only to the capital asset received by the Partner/Member of Firm/AOP/BOI from the Firm/AOP/BOI, or In any other case.	the amount charged to tax u/s 45(4) shall not be attributed to any capital asset for the purposes of clause (iii) of section 48.	

Rule 8AA: Determination of nature of Capital gain chargeable as income of Firm/AOP/BOI u/s 45(4):

- (i) it shall be deemed to be from transfer of short term capital asset (i.e. STCG), if it is attributed to,-

	(a)	<i>capital asset which is short term capital asset at the time of taxation of amount u/s 45(4); or</i>
	(b)	<i>capital asset forming part of block of asset; or</i>
	(c)	<i>capital asset being self-generated asset and self-generated goodwill; and</i>
(ii)	In otherwise case, it shall be deemed to be from transfer of long term capital asset (i.e. LTCG).	

Circular No. 14 of 2021, Dated 2-7-2021: Guidelines under section 9B and section 45(4):

- It is noticed that the amount taxed under section 45 (4) is required to be attributed to the remaining capital assets of the Firm/AOP/BOI, so that when such capital assets get transferred in the future, the amount attributed to such capital assets gets reduced from the full value of the consideration and to that extent the Firm/AOP/BOI does not pay tax again on the same amount.
- It is further clarified that in case the capital asset remaining with the Firm/AOP/BOI is forming part of a block of asset, the amount attributed to such capital asset shall be reduced from the full value of the consideration received or accruing as a result of subsequent transfer of such asset by the Firm/AOP/BOI, and the net value of such consideration shall be considered for reduction from the written down value of such block u/s 43(6) or for calculation of capital gains, as the case may be, u/s 50 of the Act.

Example 1:

- There are three partners "A", "B" and "C" in a firm "FR", having one third share each.
- Each partner has a capital balance of ₹ 10 lakh in the firm.
- There are three pieces of lands "S", "T" and "U" in that firm and there is no other capital asset in that firm.
- Book value of each of the land is ₹ 10 lakh. All three lands were acquired by firm more than 2 years ago.
- Partner "A" wishes to exit.
- The firm revalues its lands based on valuation report from a registered valuer, as defined in rule 11U of the Rules, and as per that valuation report fair market value of lands "S" and "T" is ₹ 70 lakh each, while fair market value of land "U" is ₹ 50 lakh.
- On the exit of partner "A", the firm decides to give him ₹ 11 lakh of money and land "U" to settle his capital balance.
- Indexed cost of acquisition of land "U" is ₹ 15 lakh.

Tax treatment In accordance with the provisions of section 9B of the Act:

- On receipt of land "U" by partner "A" from a firm "FR" in connection with the reconstitution of such firm "FR" (i.e. on his retirement), then it would be deemed that the firm "FR" has transferred land "U" to the partner "A" at its fair market value of ₹ 50 lakh. Thus, an amount of ₹ 50 lakh less ₹ 15 lakh would be charged to tax in the hands of firm "FR" under the head "Capital gains".
- For partner "A", the cost of acquisition of this land would be ₹ 50 lakh.
- Hence, the amount of ₹ 35 lakh is charged to long term capital gains and let us assume that the tax is ₹ 7 lakh (assume no surcharge or cess just for ease of calculation and illustration purposes).

Accounting treatment in the books of Firm "FR" on distribution of Land "U" to partner "A":

Net book profit after tax of ₹ 33 lakh [viz. Profit of ₹ 40 lakh (i.e. FMV ₹ 50 lakh – Book Value ₹10 lakh) less tax of ₹ 7 lakh] is to be credited in the capital account of each of the three partners, i.e. ₹ 11 lakh each. *Thus partner "A" capital account would increase to ₹ 21 lakh.* This exercise is required to be carried out since section 9B mandates that it is to be deemed that the firm "FR" has transferred the land "U" to partner "A" and the long term capital gains of ₹ 35 lakh is chargeable to tax in the hands of the firm "FR".

Tax treatment In accordance with the provisions of section 45(4) of the Act:

As per section 45(4), on receipt of money and land "U" by partner "A" from a firm "FR" in connection with the reconstitution of such firm "FR" (i.e. on his retirement), "capital gains" shall be chargeable to tax as income of such firm "FR", which shall be computed as follows: $A = B + C - D$

B	Value of any money received by partner "A" from firm "FR" on the date of such receipt	11L
C	(+) the amount of fair market value of the capital asset received by partner "A" from firm "FR" on the date of such receipt	50L
D	(-) the amount of balance in the capital account (represented in any manner) of partner "A" in the books of account of firm "FR" at the time of its reconstitution	21L
A	Capital gains chargeable to tax u/s 45(4) in the hands of firm "FR"	40L

➤ This shall be in addition to an amount of ₹ 35 lakh charged to tax under section 9B of the Act.

Attribution of capital gain taxable u/s 45(4) to remaining capital assets of firm "FR":

On account of section 48(iii) read with Rule 8AB, aforesaid amount of capital gain of ₹ 40 lakh chargeable to tax u/s 45(4) for firm "FR", is to be attributed to the remaining assets of the firm "FR" on the basis of increase in their value due to revaluation based on the valuation report of registered valuer.

As per Rule 8AB, capital gain of ₹ 40 lakh will be attributed on remaining assets of the firm "FR" as follows:

Remaining assets	Book value	FMV as per valuation report	Increase in their value due to revaluation	Attribution of capital gain taxable u/s 45(4) to Land "S" and Land "T"
Land "S"	₹ 10 lakh	₹ 70 lakh	₹ 60 lakh	₹ 40 lakh X ₹ 60 lakh ÷ ₹ 120 lakh = ₹ 20 lakh
Land "T"	₹ 10 lakh	₹ 70 lakh	₹ 60 lakh	₹ 40 lakh X ₹ 60 lakh ÷ ₹ 120 lakh = ₹ 20 lakh
Aggregate of increase in value of All assets:			₹ 120 lakh	Total attributed capital gain: ₹ 40 lakh

When either of these lands "S" and "T" gets sold subsequently, this amount of ₹ 20 lakh attributed to each of them would be reduced from sales consideration in computing capital gain on sale of such land "S" and "T".

Determination of nature of Capital gain of ₹ 40 lakh which is taxable for firm "FR" u/s 45(4):

As per Rule 8AA, the amount of ₹ 40 lakh which is charged to tax under section 45(4) shall be charged as long term capital gains, since the amount of ₹ 40 lakh is attributed to land "S" and land "T" which are both long term capital assets at the time of taxation of ₹ 40 lakh under section 45(4).

Example 2:

- There are three partners "A", "B" and "C" in a firm "FR", having one third share each.
- Each partner has a capital balance of ₹ 100 lakh in the firm.
- There is a piece of land "S" of book value of ₹ 30 lakh. The land was acquired by the firm more than two years ago.
- There is patent "T" of written down value of ₹ 45 lakh. The patent was acquired/developed/registered one year back. And there is cash of ₹ 225 lakh.
- Partner "A" wishes to exit.
- The firm revalues its land and patent based on valuation report from a registered valuer, as defined in rule 11U of the Rules, and as per that valuation report fair market value of land "S" is ₹ 45 lakh and fair market value of patent "T" is ₹ 60 lakh.
- As per the valuation report there is also self-generated goodwill of ₹ 30 lakh.
- On the exit of partner "A", the firm decides to give him ₹ 75 lakh in money and land "S" to settle his capital balance.
- Indexed cost of acquisition of land "S" is ₹ 45 lakh.

Tax treatment In accordance with the provisions of section 9B of the Act:

- On receipt of land "S" by partner "A" from a firm "FR" in connection with the reconstitution of such firm "FR" (i.e. on his retirement), then it would be deemed that the firm "FR" has transferred land "S" to the partner "A" at its fair market value of ₹ 45 lakh. However, since the sale consideration is equal to indexed cost of acquisition, there will not be any capital gains tax.
- For partner "A", the cost of acquisition of this land would be ₹ 45 lakh.

Accounting treatment in the books of Firm "FR" on distribution of Land "S" to partner "A":

Net book profit after tax of ₹ 15 lakh [viz. Profit of ₹ 15 lakh (i.e. FMV ₹ 45 lakh – Book Value ₹ 30 lakh) less tax: Nil] is to be credited in the capital account of each of the three partners, i.e. ₹ 5 lakh each. Thus partner "A" capital account would increase to ₹ 105 lakh. This exercise is required to be carried out since section 9B of the Act mandates that it is to be deemed that the firm "FR" has transferred the land "S" to partner "A". Thus, any gain in the books is to be apportioned to partners' capital accounts.

Tax treatment In accordance with the provisions of section 45(4) of the Act:

As per section 45(4), on receipt of money and land "S" by partner "A" from a firm "FR" in connection with the reconstitution of such firm "FR" (i.e. on his retirement), "capital gains" shall be chargeable to tax as income of such firm "FR", which shall be computed as follows: $A = B + C - D$

B	Value of any money received by partner "A" from firm "FR" on the date of such receipt	75L
---	---	-----

C	(+) the amount of fair market value of the capital asset received by partner "A" from firm "FR" on the date of such receipt	45L
D	(-) the amount of balance in the capital account (represented in any manner) of partner "A" in the books of account of firm "FR" at the time of its reconstitution	105L
A	Capital gains chargeable to tax u/s 45(4) in the hands of firm "FR"	15L

Attribution of capital gain taxable u/s 45(4) to remaining capital assets of firm "FR":

On account of section 48(iii) read with Rule 8AB, aforesaid amount of capital gain of ₹ 15 lakh chargeable to tax u/s 45(4) for firm "FR", is to be attributed to the remaining assets of the firm "FR" on the basis of increase in their value due to revaluation based on the valuation report of registered valuer or due to recognition of the value of self-generated goodwill, based on the valuation report of registered valuer.

As per Rule 8AB, capital gain of ₹ 15 lakh will be attributed on remaining assets of the firm "FR" as follows:

Remaining assets	Book value	FMV as per valuation report or Recognition of value of self-generated goodwill	Increase in their value due to revaluation or Recognition of self-generated goodwill	Attribution of capital gain taxable u/s 45(4) to Patent "T" and Self-generated goodwill
Patent "T"	₹ 45 lakh	₹ 60 lakh	₹ 15 lakh	₹ 15 lakh X ₹ 15 lakh ÷ ₹ 45 lakh = ₹ 5 lakh
Self-generated goodwill	-	₹ 30 lakh	₹ 30 lakh	₹ 15 lakh X ₹ 30 lakh ÷ ₹ 45 lakh = ₹ 10 lakh
Aggregate of increase in value of All assets:			₹ 45 lakh	Total attributed capital gain: ₹ 15 lakh

- ₹ 5 lakh attributed to patent "T" shall not be added to the block of the assets and *no depreciation shall be available on the same.*
- When patent "T" gets transferred subsequently, this ₹ 5 Lakh attributed *shall be reduced* from the sales consideration of patent "T", and the net value shall be considered for reduction from the written down value of the intangible block u/s 43(6) or for calculation of capital gains, as the case may be, u/s 50.
- Let us say that Patent T is sold for ₹ 25 lakh. ₹ 5 lakh shall be reduced from ₹ 25 lakh and only net amount of ₹ 20 lakh shall be considered for reduction from WDV or for calculation of capital gains u/s 50.
- Similarly when goodwill gets sold subsequently, ₹ 10 lakh would be reduced from its sales consideration under section 48(iii) in computing capital gain on sale of such goodwill.

Determination of nature of Capital gain of ₹ 15 lakh which is taxable for firm "FR" u/s 45(4):

As per Rule 8AA, the amount of ₹ 15 lakh which is charged to tax under section 45(4) shall be charged as short term capital gains, as ₹ 5 lakh is attributed to the Patent "T" which is part of block of assets and ₹ 10 lakh is attributed to self-generated goodwill.

EXPLANATORY REMARK: *Treatment of such fee in the hands of Payer:-*

IMPORTANT RULING: Ferromatic Milacron India Pvt. Ltd(2018)(Guj.-HC):-

Rights acquired under a non-compete agreement gives enduring benefit and protects the assessee's business against competition. **The expression "or any other business or commercial rights of similar nature" used in section 32(1)(ii) is wide enough to include non-compete rights.**

In simple words, **right acquired by the assessee by payment of non-compete fee is in the nature of an intangible asset and eligible for depreciation u/s 32.**

CONTRARY RULING: M/s. Asianet Communications Ltd.(2018)(Mad.-HC):

On account of the payment of non-compete fee, the company does not acquire any business, the profit-making apparatus remains the same and there is no new business or new source of income and therefore, the expenditure has to be treated as revenue in nature.

Section 32 (1)(ii): *DEPRECIATION ALLOWANCE (WDV Method):-*

- | | |
|-----|--|
| (1) | <p><u>Depreciation is allowed in respect of-</u></p> <p>(a) Building, machinery, plant or furniture, being tangible assets;</p> <p>(b) Know-how, patents, copyrights, trademarks, licenses, franchises or any other business or commercial rights of similar nature, being intangible assets, not being goodwill of a business/profession.</p> <p style="text-align: right; background-color: #000080; color: white; padding: 2px;">As amended by F. A., 2021</p> |
| (2) | <p>Such asset should be <u>owned and</u> used for the purpose of the business or profession by the assessee.</p> |
| (3) | <p>Depreciation shall be allowed <u>on written down value</u> of the block of assets <u>at the prescribed percentage.</u></p> |

(A) RELEVANT NOTE WITH REFERENCE TO POINT NO. 1 OF SECTION 32 (1) (ii):-

- Depreciation will be allowed on payment for goodwill (like, goodwill paid by amalgamated company to amalgamating company, or in any other case). [CIT v/s Smifs Securities Ltd. (SC)]
- **w.e.f. A.Y. 2021-22, No depreciation is allowable on payment for goodwill of a business/profession.**

(B) RELEVANT NOTES WITH REFERENCE TO POINT NO. 2 OF SECTION 32 (1) (ii):-

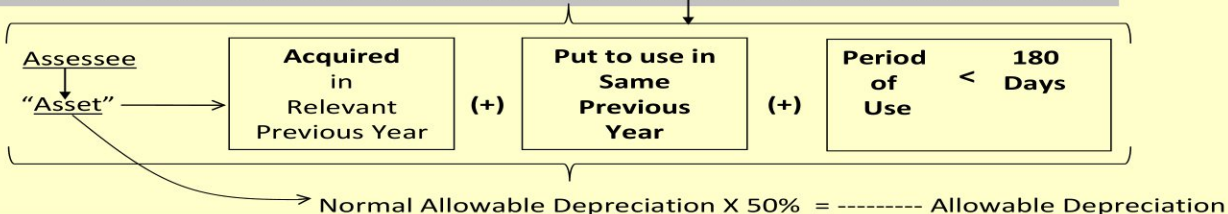

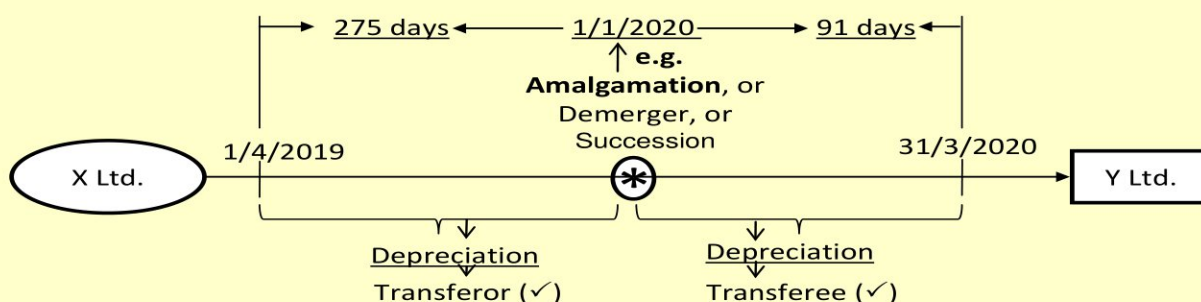

- ☞ In case of "Lease" ir-respective of type of lease, lessor will be entitled for depreciation provided he is engaged in leasing business. [K.M. Sugar Mills Ltd. (All.-HC)]
- ☞ In case of hire purchase system, depreciation shall be allowed to hire purchaser, in view of the CBDT Circular No. 9 dated 23.03.1943, on cash price. [Kaveri Engg. Industries (Mad.-HC)]
- ☞ Beneficial ownership has to be seen. After taking possession of a building in pursuance of an agreement to sell, he shall be considered as deemed owner, and depreciation shall be allowed *even if building is not registered in his name.* [Mysore Minerals Limited (SC)]
- ☞ **General Rule:** Assets which are ready for use **but not actually put into use** during the relevant previous year, are not entitled for depreciation. [Dinesh Kumar Gulab Chand Aggarwal (Bom.-HC)]

EXCEPTIONS:

- If asset is of such a nature which requires its special use (i.e. on demand) like gen-set, fire extinguisher, emergency spares, standby machine, etc. then depreciation shall be allowed on the basis of its ready to use.
- If assessee couldn't put to use an asset because of extraneous reason (like, paucity of funds / raw material, lack of labour, etc.), assessee will be entitled to claim depreciation.

(C) RELEVANT NOTES WITH REFERENCE TO POINT NO. 3 OF SECTION 32 (1) (ii):-

- ❖ It is *mandatory* for the assessee to claim depreciation.

Section 43(6): Written Down Value:-

WDV of the block of assets at the beginning of the previous year [i.e. Actual cost <i>less</i> depreciation actually allowed to him in earlier year(s)]	**
Add: <i>Actual cost</i> of the assets acquired during the previous year	**
Less: <i>Moneys payable</i> in respect of an asset of same block which is sold, discarded, demolished or destroyed during the previous year and the amount of scrap value.	**
Less: <i>Notional WDV</i> (i.e. WDV computed as if the asset was only asset in the block) of asset transferred by way of slump sale	###
W.D.V. of the Block of Assets for the relevant assessment year:	***

KEY POINTS:**(1) IMPORTANT RULING: CIT v/s Kasturi & Sons Ltd. (SC):-**

It was held that moneys payable has to be interpreted only as actual moneys payable in cash or by cheque/ draft and not any other thing or benefit which can be converted into money.

(2) With effect from the previous year 2020-21, goodwill of a business/profession is not eligible for depreciation. If the value of a block of assets on 1st April, 2020 includes goodwill of a business/profession (on which depreciation was obtained by the assessee in any preceding year), then, depreciated value of goodwill shall be deducted from the value of the block of assets on 1st April, 2020.

For this purpose, depreciated value of goodwill shall be calculated as if goodwill was only asset in the relevant block of asset.

AS INSERTED BY F. A., 2021**Section 43(1): Actual Cost:-**

If assessee acquires an asset in respect of which.....

Payment or aggregate of payments	(+)	In a day	(+)	To a Person	(+)	Other than through A/C Payee cheque/draft or by use of ECS through a bank A/C <u>or through such other electronic mode as may be prescribed</u>	(+)	Exceed ₹10,000/-
---	-----	----------	-----	-------------	-----	--	-----	------------------

Such expenditure shall be ignored for the purposes of determination of actual cost.

Section 43A: Special provisions consequential to changes in rate of exchange:-**Conditions for applicability of this section:**

- (1) Assessee has acquired an asset from a country outside India* on credit or through a foreign currency loan.
- (2) After the acquisition of such asset, at the time of making actual payment**—
 - (a) To foreign supplier of such asset; or
 - (b) Repayment of such foreign currency loan, due to change in rate of exchange, **there is an increase or reduction in liability** of the assessee as expressed in Indian currency.

THEN such increment or reduction in liability shall be added/ deducted from the actual cost of asset.

Section 43AA: Taxation of foreign exchange fluctuation:-

- Any gain or loss
- *due to change in foreign exchange rates*
- **in respect of all foreign currency transactions**
- shall be treated as income or loss,
- which shall be computed in the manner provided in ICDS.

Exception:

☞ This section is not applicable in respect of cases covered by section 43A.

“DETERMINATION OF ACTUAL COST IN SPECIAL CASES”

Explanation 2C to Section 43(6)	Block of assets transferred by company to LLP <u>under conversion of such company into LLP</u> [as covered u/s 47(xiiib)]	WDV of such block of assets as on the date of conversion will be treated as actual cost for LLP.
Explanation 7 to Section 43(6)	In the case of ‘composite income’ (i.e. where partly income is exempt and remaining part is taxable by virtue of Rule 8, Rule 7A, and Rule 7B)	To calculate depreciation for current year, opening WDV will be computed on the assumption that total depreciation would have been allowed in earlier years.

Section 2 (11): Block of assets means -

- *A group of assets*
- *falling within a class of assets comprising tangible/intangible assets except goodwill of a business/profession.*
- *in respect of which same rate of depreciation is prescribed.*

Rule 5: Prescribed Percentage for depreciation-

- (1) **Building** →
- Residential = 5%
 - Non-residential = 10%
 - Purely temporary erection = 40%

(2) **Furniture & Fitting = 10%**

(3) **Plant & Machinery:**

- General = 15%
- Motor cars [Except (iii)] = 15% (But, if acquired between 23rd August, 2019 to 31st March, 2020 and put to use on or before 31st March, 2020, then, Depreciation @ 30% shall be allowed).
- Motor cars, Motor buses, Motor lorries, Motor taxis, Motor vans used in the business of running them on hire = 30% (But, if acquired between 23rd August, 2019 to 31st March, 2020 and put to use on or before 31st March, 2020, then, Depreciation @ 45% shall be allowed).
- Books owned by assessee carrying on a profession, or owned by a library = 40%
- Computers = 40%
- Aeroplane = 40%

- (vii) Windmills and any specifically designed device which run on windmills = 40%
- (viii) Air pollution control equipment, water pollution control equipments = 40%
- (ix) Ship = 20 %
- (x) Oil Well = 15%

(4) **Intangible assets = 25%**

Section 32 (1) (iia): Additional Depreciation:-

Assessee (i.e. **any person**) should be engaged in the **manufacturing business** of any article or thing, *or in the business of generation, transmission or distribution of power*

(+)

He has acquired and installed **new plant & machinery**

Then, Additional depreciation @ 20% of the actual cost shall be allowed as deduction u/s 32 (1)(ii).

ADDITIONAL CONSIDERABLE POINTS FOR ADDITIONAL DEPRECIATION:

(1) **If PERIOD OF USE IN FIRST YEAR of its acquisition is LESS THAN 180 DAYS:**

50% additional depreciation will be allowed in this first year itself.

Balance 50% additional depreciation will be allowed in the immediately succeeding previous year.

(2) **Additional depreciation shall not be allowed in respect of:**

- (i) **Second hand** plant and machinery (whether was used in India or outside India); or
- (ii) Any machinery or plant **installed in any office premises or any residential accommodation**; or
- (iii) Any **vehicle** i.e. road transport vehicles; or
- (iv) **Ships or aircraft**; or
- (v) **Any plant or machinery, of which 100% cost is allowed as a deduction in any one previous year under the head P/G/B/P.**

Section 33AB: Deduction in respect of Tea Development Account, etc.:-

CONDITIONS FOR ALLOWANCE OF DEDUCTION UNDER THIS SECTION:

(1)	Assessee should engage in the business of growing and manufacturing tea, coffee or rubber in India.
(2)	He has deposited any amount: <ul style="list-style-type: none"> ➤ with National Bank for Agriculture and Rural Development (NABARD): Under a scheme approved by Tea Board or Coffee Board or Rubber Board or ➤ In Deposit Account: Opened as per the scheme framed by Tea Board or Coffee Board or Rubber Board with previous approval of the Central Government.
(3)	Time-limit for deposit: 30th September of the relevant assessment year.
(4)	Accounts must be audited by the Chartered Accountant and audit report must be furnished <i>one month prior to the due date of submission of ROI.</i>

QUANTUM OF DEDUCTION:- Least of the following -

“Amount deposited” OR “40 % of Profit of such business before deduction under section 33AB”

WITHDRAWAL OF DEPOSIT:-

Any amount can be withdrawn from NABARD/ Deposit Account for the purposes specified in the scheme of Tea Board / Coffee Board / Rubber Board, But where amount in the NABARD / Deposit Account is utilised as per the scheme for the purposes of any expenditure, such expenditure shall not be allowed as a deduction in computing P/G/B/P.

PROHIBITION OF UTILIZATION:-

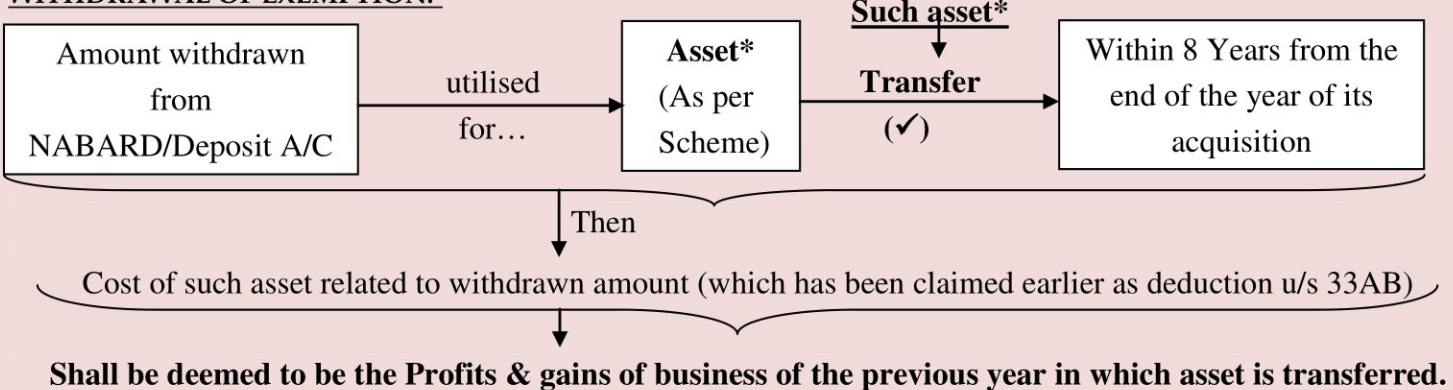

Where any deposited amount with NABARD/ Deposit Account is utilized for the purchase of:

- (i) A machinery or plant to be installed in any office premises or residential accommodation;
- (ii) Any office appliances (not being computers);
- (iii) Any machinery or plant, of which 100% cost is allowed as a deduction in any one previous year;

Then, such mis-utilised amount shall be deemed to be the profits and gains of business of that previous year.

❖ **Amount withdrawn from NABARD / Deposit Account must be utilized in same previous year in which it is withdrawn, in otherwise case, unutilized amount shall be deemed to be the profit / gain of business of the previous year in which it is withdrawn.**

WITHDRAWAL OF EXEMPTION:-

Activity	Tea (Rule 8)		Coffee (Rule 7B)		Rubber (Rule 7A)	
	PGBP	Agriculture Income	PGBP	Agriculture Income	PGBP	Agriculture Income
(i) Growing and manufacturing	40%	60%	25%	75%	35%	65%
(ii) Roasting and grounding (also)	-	-	40%	60%	-	-

STEPS TO REMEMBER (AS SUPPORTED BY AFORESAID RULES):

- (1) First of all, allow deduction u/s 33AB along with other deductions as allowable under the head PGBP to obtain **Net result*** from such business (i.e. Tea / Coffee / Rubber Activity).
- (2) After that, percentage as prescribed in Rule 8 / Rule 7A / Rule 7B shall be applied on such **Net result***.
- (3) If assessee has any brought forward loss, then, that can be set off from taxable proportion as arrived at by applying the aforesaid % as given in Rule 8 / Rule 7A / Rule 7B as the case may be.

Note: If, due to any reason, deduction u/s 33AB is withdrawn (like, case of utilization of withdrawn amount in prohibited capital purpose, etc.), then deemed income under section 33AB will be computed by applying the percentage as given in Rule 8 / Rule 7A / Rule 7B, as the case may be, (for the purpose of taxation of income under the head PGBP).

Section 35: Expenditure on Scientific Research:-

Timing of Incurrence	Section 35(1)(iv)	Section 35(1)(i)
	Capital expenditure on scientific research (100% deduction)	Revenue expenditure on scientific research (100% deduction)

Section 37: General Deductions:-

**Explanations to section 37:**

- For the removal of doubts, it is hereby declared that *any expenditure incurred by an assessee for any purpose which is an offence or which is prohibited by law shall not be deemed to have been incurred for the purpose of business or profession and no deduction or allowance shall be made in respect of such expenditure.*

For example:

(1) **Payment to Mafia Don (like hafta), bribe, etc. - NOT allowable.**

(2) **Penalty for infraction of Law - NOT allowable.**

- ❖ If Penalty is in the nature of damage which is paid in normal course of business for breach of contract (like, payment for delay in completion of construction contract) is allowable.

INSERTION MADE BY FINANCE ACT, 2022:

- For the removal of doubts, it is hereby clarified that the expression "**expenditure incurred by an assessee for any purpose which is an offence or which is prohibited by law**" under the aforesaid Explanation, shall include and shall be deemed to have always included **the expenditure incurred by an assessee,—**
- (i) **for any purpose which is an offence under, or which is prohibited by, any law for the time being in force, in India or outside India; or**
 - (ii) **to provide any benefit or perquisite, in whatever form, to a person, whether or not carrying on a business or exercising a profession, and acceptance of such benefit or perquisite by such person is in violation of any law or rule or regulation or guideline, as the case may be, for the time being in force, governing the conduct of such person; or**
 - (iii) **to compound an offence under any law for the time being in force, in India or outside India.**

For example:

- **Providing of freebies like gifts, or other benefits by pharmaceutical companies to medical practitioner (which is in violation of the Regulations of Medical Counsel of India) - NOT allowable.**
- It may additionally be noted here that value of freebies enjoyed by the medical practitioner will be taxable as income for him.

– **CSR Expenditure shall not be treated as expense for business / profession, hence, not allowable u/s 37.**

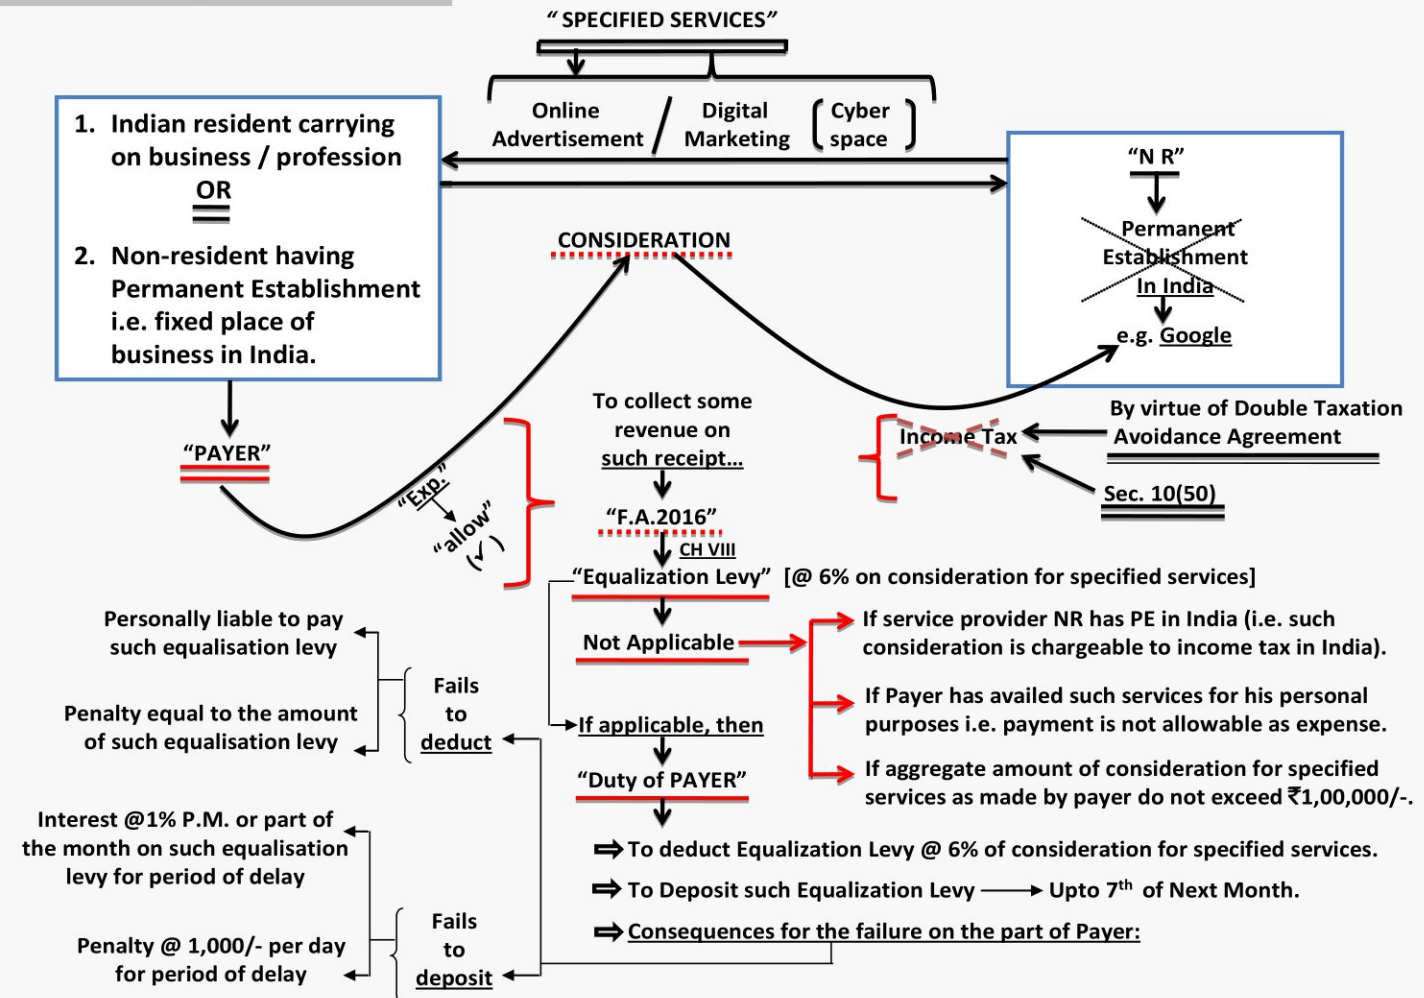

Section 37(2B):

Any expenditure by the assessee on advertisement in any publication (like magazine, etc.) of a political party is disallowable. But, it may be noted here that **in case of company, such expenditure is deemed as contribution to political party u/s 80GGB, hence, company can claim deduction u/s 80GGB in respect of that expenditure.**

Section 40(a): Notwithstanding anything contained in section 30 to 38, <u>no deduction shall be allowed in respect of the following:</u>				
Section 40(a)(i)	Section 40(a)(ia)	Section 40(a)(ib)	Section 40(a)(iii)

“CONCEPT OF EQUALISATION LEVY”

CONCEPT OF EQUALISATION LEVY:

Equalisation levy on E-commerce supply or services: Chapter VIII of Finance Act, 2016:

Equalisation levy has newly been imposed on E-COMMERCE SUPPLY OR SERVICES in the following manner:

Section 165A: Charge of equalisation levy on e-commerce supply or services:-

Equalisation levy shall be charged at the rate of **2%** of the amount of consideration received or receivable by an e-commerce operator from e-commerce supply or services made or provided or facilitated by it, on or after the 1st day of April, 2020,-

- to a person resident in India; or
- to a non-resident in the specified circumstances (as given below); or
- to a person who buys such goods or services or both using internet protocol address located in India.

“e-commerce operator” means a non-resident who owns, operates or manages digital or electronic facility or platform for online sale of goods or online provision of services or both.

“e-commerce supply or services” means-

- (i) online sale of goods **owned by the e-commerce operator; or**
- (ii) online provision of services **provided by the e-commerce operator; or**
- (iii) online sale of goods or provision of services or both, **facilitated by the e-commerce operator; or**
- (iv) any combination of activities listed in clause (i), (ii) or clause (iii).

"Specified circumstances" mean-

- **sale of advertisement, which targets a customer, who is resident in India or a customer who accesses the advertisement through internet protocol address located in India; and**
- **sale of data, collected from a person who is resident in India or from a person who uses internet protocol address located in India.**

Non-applicability: Equalisation levy under these new provisions **shall not be charged** in the following cases:

- (i) where the e-commerce operator making or providing or facilitating e-commerce supply or services **has a permanent establishment in India and such e-commerce supply or services is effectively connected with such permanent establishment;**
- (ii) **where the equalisation levy is leviable under section 165 (i.e. under the existing provisions);**
- (iii) **sales, turnover or gross receipts, as the case may be, of the e-commerce operator from the e-commerce supply or services made/provided/facilitated is less than two crore rupees during the previous year.**

INSERTIONS MADE BY FINANCE ACT, 2021:-

(1) "online sale of goods" and "online provision of services" shall include one or more of the following online activities, namely:

- acceptance of offer for sale; or
- placing of purchase order; or
- acceptance of the purchase order; or
- payment of consideration; or
- supply of goods or provision of services, partly or wholly.

(2) "consideration received or receivable from e-commerce supply or services" shall include:

- (i) consideration for sale of goods irrespective of whether the e-commerce operator owns the goods, so, however, that it shall not include consideration for sale of such goods which are owned by a person resident in India or by a permanent establishment in India of a person non-resident in India, if sale of such goods is effectively connected with such permanent establishment.
- (ii) consideration for provision of services irrespective of whether service is provided or facilitated by the e-commerce operator, so, however, that it shall not include consideration for provision of services which are provided by a person resident in India or by permanent establishment in India of a person non-resident in India, if provision of such services is effectively connected with such permanent establishment.

(3) Consideration received or receivable for specified services and for e-commerce supply or services shall not include the consideration, which are taxable as royalty or fees for technical services in India under the Income-tax Act, read with the agreement notified by the Central Government u/s 90 or 90A of the said Act.

Section 166A: Collection and recovery of eq. levy on e-commerce supply or services:-

The equalisation levy as referred to in section 165A (i.e. under these new provisions), **shall be paid by every e-commerce operator to the credit of the Central Government** as follows:

For the quarter ending....	Due date of the financial year for payment of such levy.....
30 th June of the financial year	7th July
30th September of the financial year	7th October
31st December of the financial year	7th January
31st March of the financial year	31st March

Section 10(50) of I. T. Act:

Any income arising from any specified service **or from any e-commerce supply or services**, and chargeable to Equalisation levy SHALL BE EXEMPT FROM INCOME TAX.

Explanation: Income referred to in this clause **shall not include** and shall be deemed never to have been included **any income which is chargeable to tax as royalty or fees for technical services in India** under this Act read with the agreement notified by the Central Government u/s 90 or 90A. **AS INSERTED BY F. A., 2021**

(ii) Income tax (including tax paid outside India in respect of which relief u/s 90, 90A or 91 is available).

EXPLANATORY REMARK:

- Interest on money borrowed for payment of income tax is **NOT allowable**.
- Interest on delay in payment of income tax / TDS / TCS, or other interest leviable under Income-tax Act (like, interest for delay in filing of ROI) is **NOT allowable**.
- Interest for delay in payment of GST, Custom/Excise duty, etc. i.e. under any other Act is **allowable**.
- Penalty for violation of any Law whether Income-tax Act or any other Law is **NOT allowable**.
- **ROC filing fees, fees for delay in filing of ROI / TDS return, etc. are allowable.**

Observation & Corresponding Insertion of New Explanation By Finance Act, 2022 w.r.e.f. 01/04/2005:

- ❖ A controversy had been revolving around the treatment of *cess on income tax*. The main issue of contention was whether *cess* is considered a tax and, accordingly, similar to taxes paid, whether *cess* would also attract disallowance.
- ❖ The **Rajasthan High Court** in Chambal Fertilizers & Chemicals Ltd v/s Jt. CIT [2019] and **Bombay High Court** in the case of Sesa Goa Limited v/s JCIT [2020] while dealing with the above controversy expressly held that '*education cess*' **can be claimed as an allowable expenditure and provisions of section 40(a)(ii) are not attracted in case of 'education cess'**.
- ❖ The **Kolkata tribunal** in Kanoria Chemicals & Industries Ltd v/s ACIT, relying on the **Apex Court** ruling in CIT v/s. K. Srinivasan [1972](SC), stated that **taxes includes surcharge and 'cess' is an additional surcharge and accordingly, 'cess' is to be considered as included under the expression tax. Thus, the deduction should not be allowable.**
- ❖ *In order to make the intention of legislation clear and to supersede the aforesaid rulings, a new Explanation has been inserted which provides as follows-*

- ❖ For the removal of doubts, it is hereby clarified that for the purposes of this sub-clause (ii), the term "tax" shall include and shall be deemed to have always included **any surcharge or cess, by whatever name called, on such tax.**

Section 155(18): Recomputation of income due to disallowance of surcharge/cess:-

In addition to the retrospective amendment u/s 40(a)(ii), the Finance Act, 2022 has also inserted a new sub-section (18) in section 155, which is as follows:

- Where any deduction in respect of any surcharge / cess (which is not allowable as deduction u/s 40),
- **has been claimed and allowed** in the case of an assessee in any previous year,
- **such claim shall be deemed to be under-reported income of the assessee for such previous year** for the purposes of section 270A, and
- the Assessing Officer shall recompute the total income of the assessee for such previous year and make necessary amendment; and
- the provisions of section 154 shall, so far as may be, apply thereto, but the **time limit of four years** as specified in section 154(7) **shall be reckoned from the end of the previous year 2021-22:**

Relief from penalty:

Proviso to Section 155(18) provides relief from considering the addition so made as under-reported income, if the following conditions are satisfied:

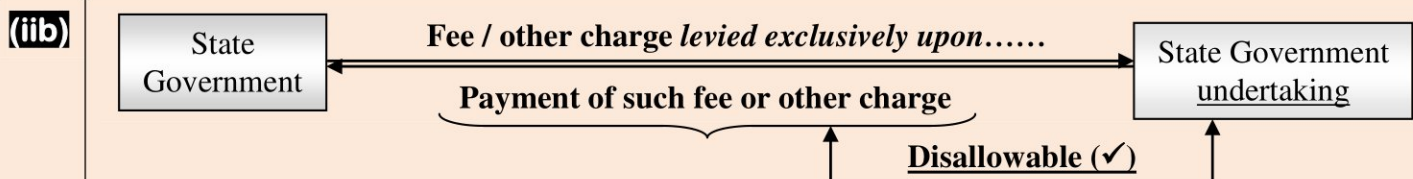

- (a) The assessee makes an application in the prescribed form and time to the Assessing Officer;
- (b) The application is filed to request the Assessing officer for recomputation of the total income of the previous year *without allowing the deduction of surcharge or cess; and*
- (c) The assessee pays "the amount due thereon" within the specified time.

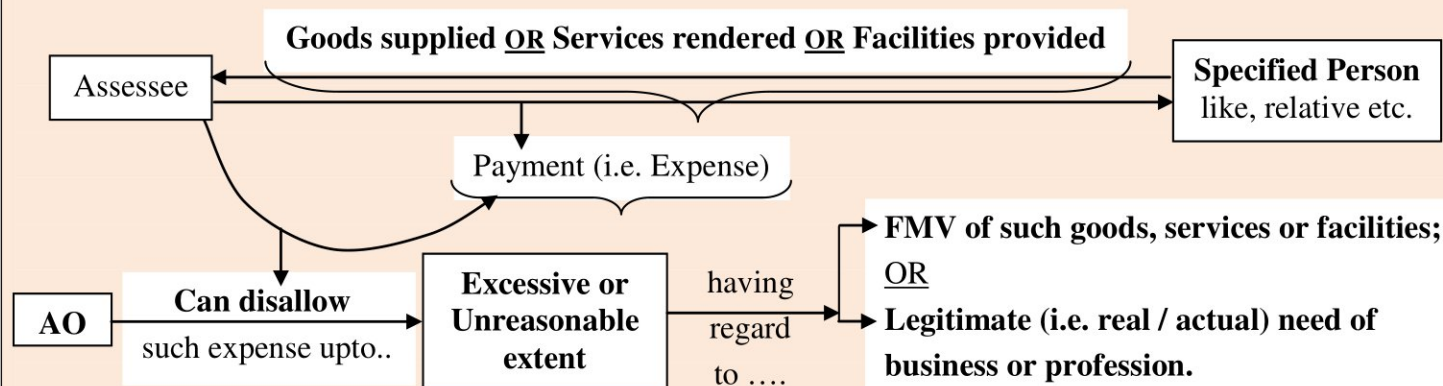

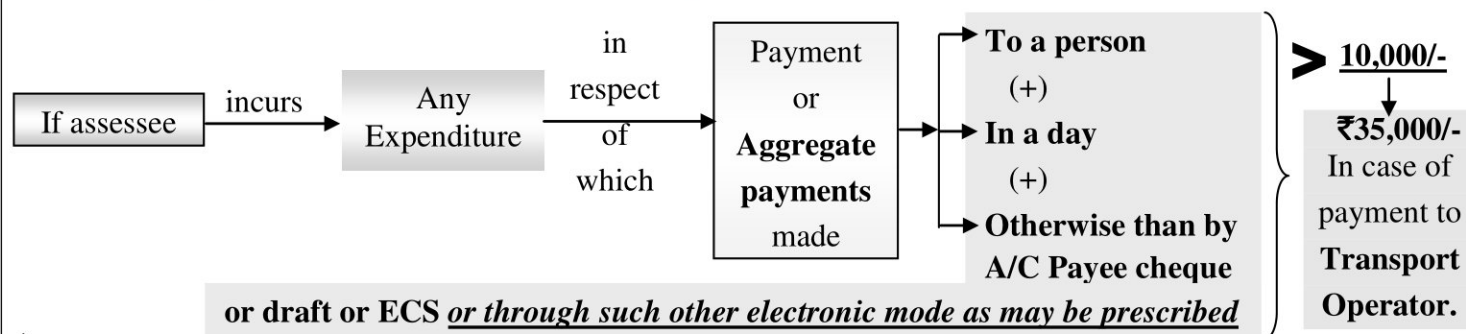

If all the above conditions are satisfied, then, in such case the **claim of 'surcharge' or 'cess' in previous year shall not be deemed as under-reported income** for the purposes of section 270A.

Explanatory Note:

It is pertinent to observe that the requirement is to pay "the amount due thereon". *Whether for the purpose of quantification, would any interest also be considered along with the tax arising due to disallowance of surcharge/cess?*

It is submitted that the Courts in various cases as well as the CBDT by an order [F.No. 400/234/95-IT(B), dated 30-1-1997] also recognized that **interest should not be levied in cases of retrospective amendments**. Accordingly, no interest under section 234A, 234B or 234C would be levied on income recomputed by AO in accordance with section 155(18).

Section 40A(2): Payment made to relatives etc.:-**Section 40A(3): Disallowance out of cash expenditure:-**

In such a case, NO DEDUCTION WILL BE ALLOWED IN RESPECT OF SUCH AMOUNT OF EXPENDITURE.

EXCEPTIONAL CASES (RULE 6DD): In the following cases, no part of the payment shall be disallowed:

WHERE PAYMENTS IS MADE:

(i)	To Government or banks and financial institutions.
(ii)	Through book entry (i.e. Bookish Adjustment).
(iii)	For the purchase of- <ul style="list-style-type: none"> » Agricultural or forest produce; or » The produce of animal husbandry (including hides and skins) or dairy or poultry farming; or » Fish or fish products (including crab, lobster and other marine product); or » The products of horticulture or apiculture; or » Products manufactured or processed without the aid of power in a cottage industry, to the cultivator, grower or producer of such articles, produce or products.
	EXPLANATORY REMARKS: <ul style="list-style-type: none"> ❖ Payment to any headman of fishermen would not be liable for disallowance. ❖ Payment to trader or any other middleman (like, hawker) will be liable for disallowance.
(iv)	At a place (like village) where on the date of such payment banking facility is not available.

(v)	Against retirement benefit (like, gratuity) and aggregate of such benefits does not exceed ₹ 50,000/- .
(vi)	To his employee on a temporarily posted place / ship, where he has not bank account .
(vii)	By an authorized dealer/money changer against purchase of foreign currency in normal course of business.

Section 40A(3A):

If deduction in respect of any expenditure has been claimed in any year on the basis of its incurrence and in any subsequent year assessee did the aforesaid violation in respect of such expenditure, then, **such violated amount shall be taxable as income under the head PGBP for the year of such violation.**

Section 40A(7) No deduction shall be allowed in respect of **Provision For Gratuity** in any case **(even if it is made as per actuarial valuation).**

Section 40A(9) **No deduction** shall be allowed in respect of contribution made by the assessee to unrecognized or non-statutory welfare fund / trust **(like, employees welfare trust).**

Section 43B: Certain deduction to be only on actual payment:-

If any sum payable by way of –

- ↓
- Any **tax, duty, cess, fee** under any law in force;
 - Any **bonus or commission** to employees;
 - Any **interest** on loan or borrowing or advance from any public financial institution or state financial corporation or state industrial investment corporation or schedule bank / co-operative bank or NBFC; or
 - Leave Salary;**
 - Employer's Contribution** to any provident fund or superannuation fund or gratuity fund or any other fund for the welfare of the employees (like NPS); or
 - Any sum payable to the **Indian Railways** for the use of railway assets

↓

Is actually paid either during the relevant previous year
or on or before the due date for furnishing of ROI

Deduction shall be allowed for the year from
which such expense relates (i.e. incurred).

↓

If the payment is made after the due date for ROI

Deduction can be claimed **only in the year of
actual payment not for the year from which
such expense relates (i.e. incurred).**

Explanation to section 43B:**AS AMENDED BY F. A., 2022**

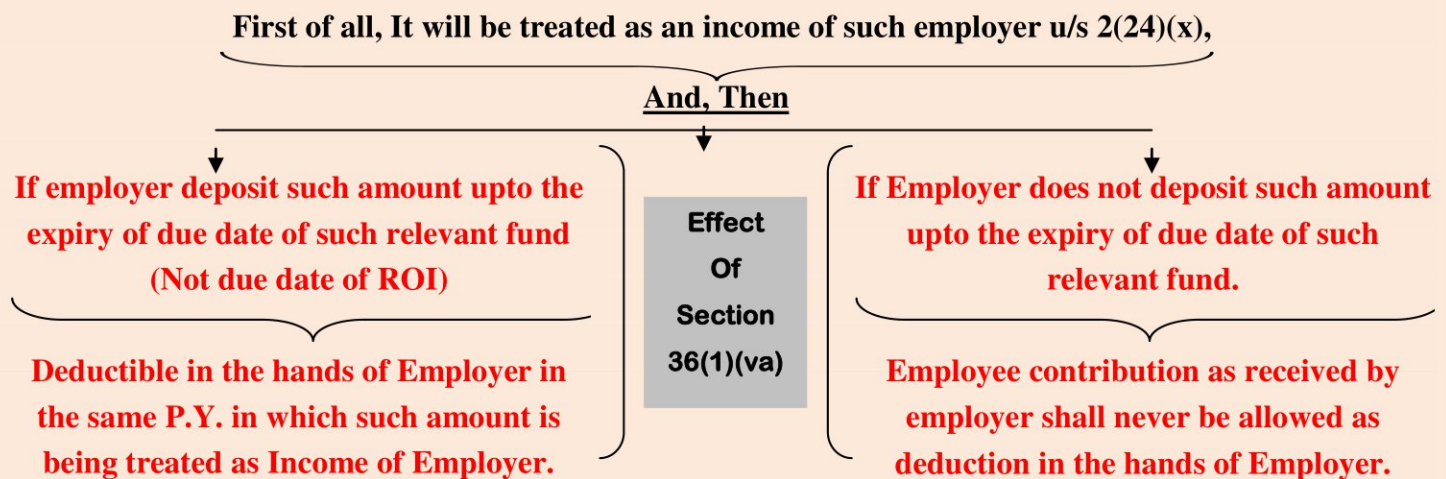

- For the removal of doubts, it is hereby declared that
- a deduction of any sum, being **interest payable** as referred to in this section,
- shall be allowed if such interest has been actually paid** and
- any interest referred to in this section which has been converted into a loan or borrowing or debenture or any other instrument by which the liability to pay is deferred to a future date
- shall not be deemed to have been actually paid.**

Purpose of Amendment (Relevant extract from the Explanatory Memorandum):

- "Certain taxpayers are claiming deduction u/s 43B on account of conversion of interest payable on an existing loan into a debenture on the ground that such conversion is a constructive discharge of interest liability and, therefore, amounted to actual payment which has been upheld by several Courts.
- **Such interpretation is against the intent of legislation.** The section was introduced *to curb the mischief of claiming deduction by the assessee, without paying interest to financial institutions/NBFC/scheduled bank or a co-operative bank.* Section 43B makes a departure from other sections in the Act, as indicated by its non obstante clause. ***Under this section, conversion of the outstanding interest liability into debentures is not an actual payment and cannot be claimed as deduction. In other words, a mercantile system of accounting can not be looked at when a deduction is claimed under this section, as actual payment would have to be made.***
- In view of the above, it is proposed to amend Explanation to section 43B to provide that **conversion of interest payable as referred to in this section, into debenture or any other instrument by which liability to pay is deferred to a future date, shall also not be deemed to have been actually paid.**

Explanation to section 43B:

The provisions of this section shall not apply and shall be deemed never to have been applied to a sum received by the assessee from any of his employees to which the provisions of section 2(24)(x) applies (i.e. employee's contribution towards RPF, etc.)

In case of receipt of employee's contribution towards RPF, ESI or any other welfare fund:**EXPLANATORY REMARKS (in relation to section 43B):-**

- (1) The Board has clarified that if interest payable is converted into loan or debenture or any other instrument by which the liability to pay is deferred to a future date, then, **that shall not be allowable in the year of such conversion**, but, ***that can be claimed as deduction in the year of actual payment of such amount.***
- (2) Furnishing of bank guarantee will not be treated as actual payment for the purpose of section 43B.

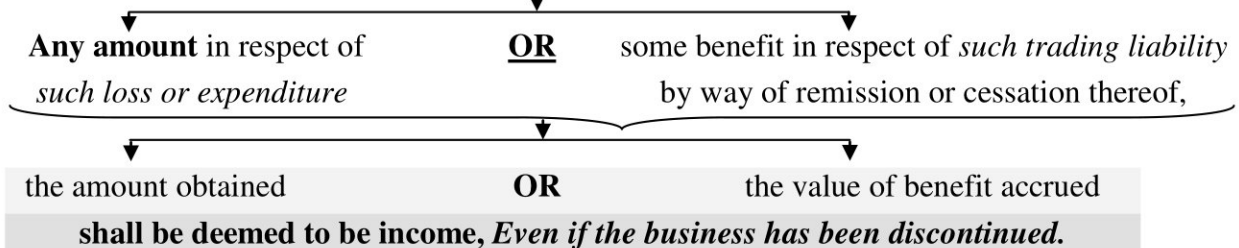

Section 41(1): Deemed Income:-

Where deduction has been made in respect of loss / expenditure / trading liability for any year,

AND

Subsequently *the assessee or successor of the business*

has obtained

- Remission or cessation of a trading liability, which was earlier allowed as deduction, may be effected by a unilateral act (i.e. one sided act) also. [Explanation to section 41(1)]
- Section 41(1) shall apply on waiver of the working capital loan which was utilised for day to day operations, because it amount to remission of trading liability. [Rollatainers Ltd. (Delhi-HC)]
- Section 41(1) shall not apply on waiver of loan as given to assessee to meet the capital cost of the asset, because it can't be treated as remission of trading liability but that shall be reduced from actual cost of the asset. [Steel Authority of India (Delhi-HC)]

IN CASE OF DISPUTE:

- ☞ Remission or cessation of trading liability will take place only when *the dispute is finally settled in the favour of the assessee* and accordingly section 41(1) shall apply. [J. K. Synthetic Ltd. (SC)]
- ☞ But, if assessee has already paid the demand (like of excise duty) and subsequently if assessee has obtained any amount in respect of such expenditure, then, such amount will be taxable in the year of its receipt ir-respective of the fact that still dispute is going on such matter. [Polyflex India Pvt. Ltd. (SC)]

Section 44AB: Compulsory audit of Accounts:-

<u>Category of person</u>		<u>Condition for requirement to get his accounts audited</u>
(i)	In case [other than (i) & (ii) above]	
	✓ Carrying on profession → ✓ Carrying on business →	Gross receipts exceed ₹ 50 Lakhs. Total sales, turnover / gross receipts exceeds ₹ 100 Lakhs.** **For person declaring income as per section 44AD, this limit of 100 lacs shall be construed as ₹ 200 lacs.
Provided that in the case of a person whose —		
(a) aggregate of all amounts received including amount received for sales, turnover or gross receipts during the previous year, in cash, does not exceed 5% of the said amount; and		
(b) aggregate of all payments made including amount incurred for expenditure, in cash, during the previous year does not exceed 5% of the said payment,		

this clause shall have effect as if for the words "one crore rupees", the words "ten crore rupees" had been substituted.

Provided further that for this purposes, the payment or receipt, as the case may be, by a cheque drawn on a bank or by a bank draft, which is not account payee, shall be deemed to be the payment or receipt, as the case may be, in cash.

Proviso inserted By Finance Act, 2021

☞ In the aforesaid cases, assessee shall get his accounts audited and furnish report of such audit duly signed and verified by a Chartered Accountant, one month prior to the due date of filing the return of income u/s 139(1).

Amendment (by F.A. 2022) in Section 2(12A): Enlargement of the scope of "Books of account":-

Section 2(12A) define the term "books or books of account" which includes ledgers, day-books, cash books, account-books and other books, ~~whether kept in the written form or as print-outs of data stored in~~ in the written form or in electronic form or in digital form or as print-outs of data stored in such electronic form or in digital form or in a floppy, disc, tape or any other form of electro-magnetic data storage device.

Explanatory Note:

The pre-amendment definition covered only books of account kept in written form or as print-outs of computerised books of account. But, after the amendment, **it also covers books or books of account or data kept in electronic form or in digital form.** Moreover, *having books of account in hard copies were necessary for an assessee.* Now, it does not matter whether print-outs of such data/books/records have been taken or not.

- Deduction in respect of any head office expenditure shall be allowed as follows:

The actual amount of Head Office expenditure attributable to the business/profession in India

OR

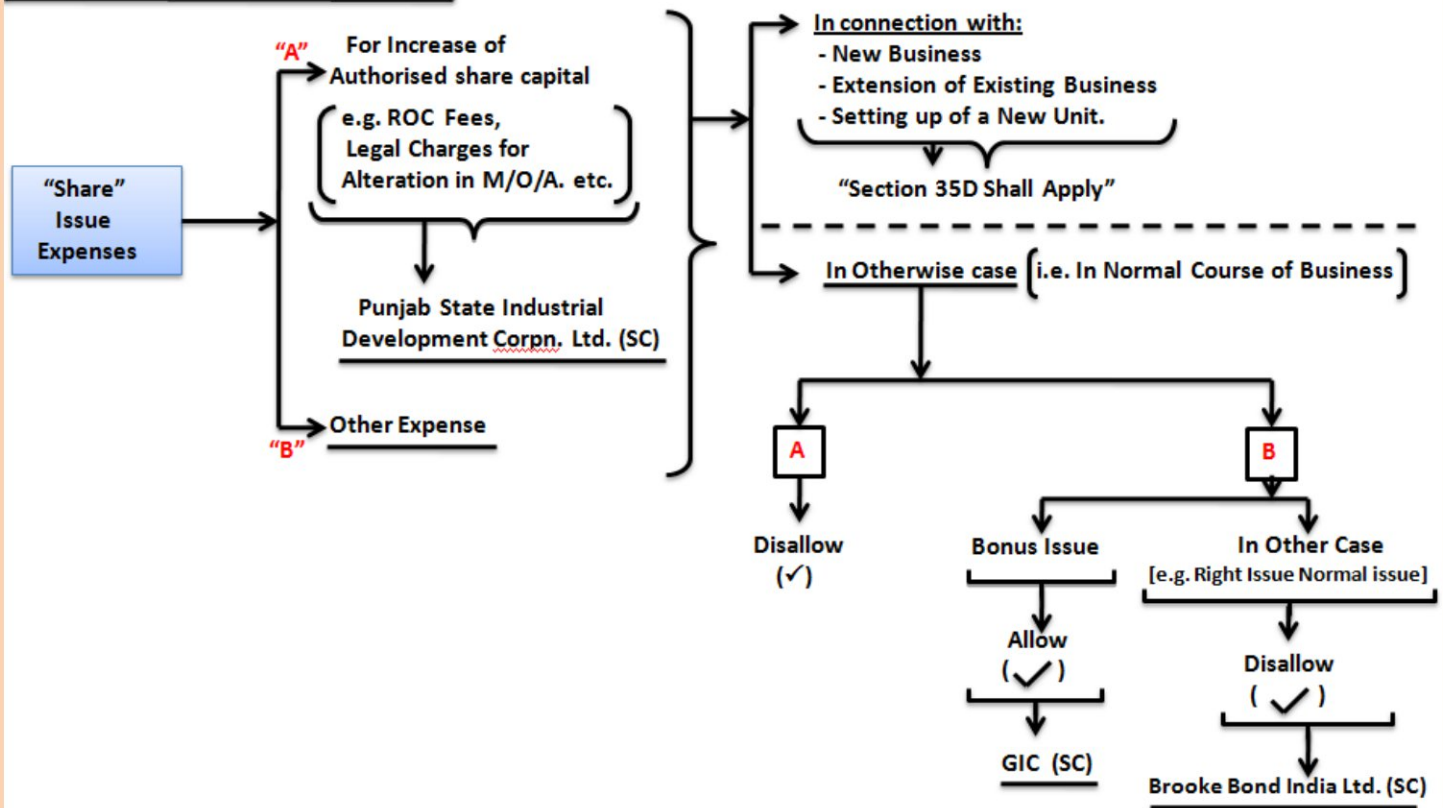

An amount equal to 5% of the adjusted total income of the assessee for the relevant year

Whichever is lower.

♦ The term 'adjusted total income' means: total income without giving effect to:

- unabsorbed depreciation, or
- 1/5 of capital expenditure on promoting family planning amongst employees as allowable u/s 36(1)(ix).
- any brought forward loss, or
- any deduction under section 80C to 80U.

Tax Treatment of Share Issue Expenses:-

Supportive amendments to Income computation and disclosure standards (ICDS)

Insertion of section 36(1)(xviii) and section 40A(13): Allowance of marked to market loss:-

- ☞ Marked to market loss or other expected loss as computed in accordance with the ICDS shall be allowed as deduction.
- ☞ No deduction or allowance shall be allowed in respect of any marked to market loss or other expected loss, except as allowable u/s 36(1)(xviii).

Insertion of new section 43CB: *Computation of income from construction / service contracts:*

- (i) Profits and gains arising from construction contracts / service contracts shall be determined on the basis of *percentage of completion method* in accordance with the ICDS.
- (ii) Income from service contracts with duration of not more than 90 days shall be determined on the basis of *project completion method*.
Moreover, service contracts involving indeterminate number of acts over a specified period of time shall be determined on the basis of *straight line method*.
- (iii) For making above computations, **contract revenue shall include retention money.**
- (iv) **Contract costs shall not be reduced by any incidental income in the nature of interest, dividends or capital gains.**

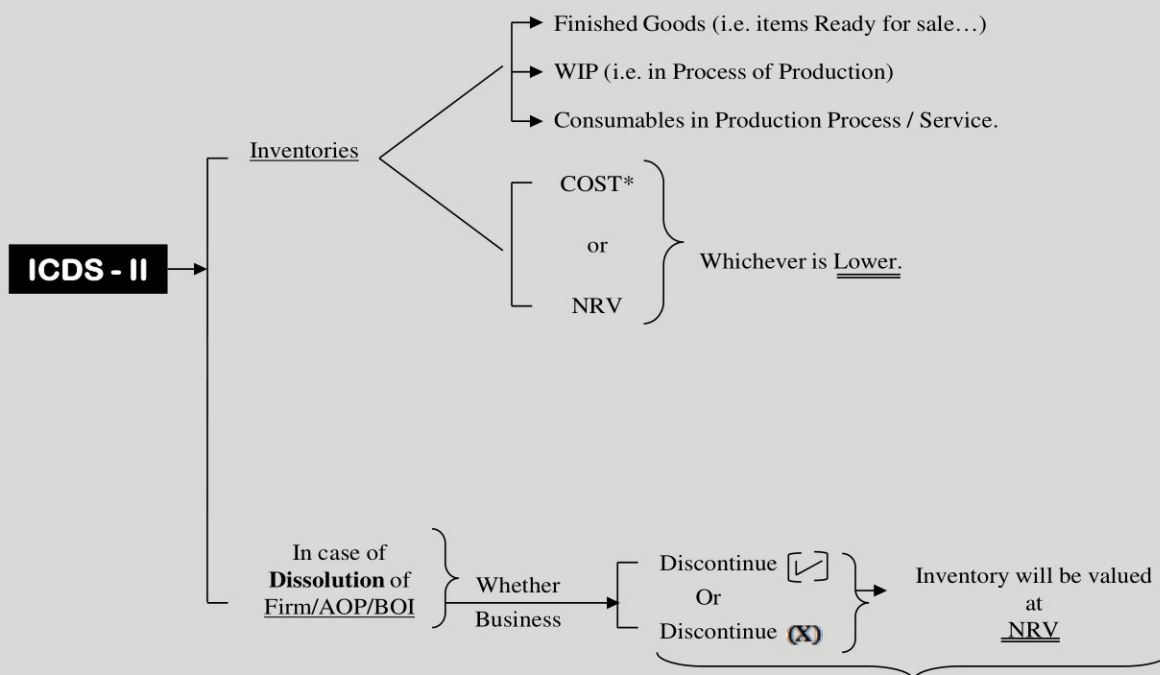

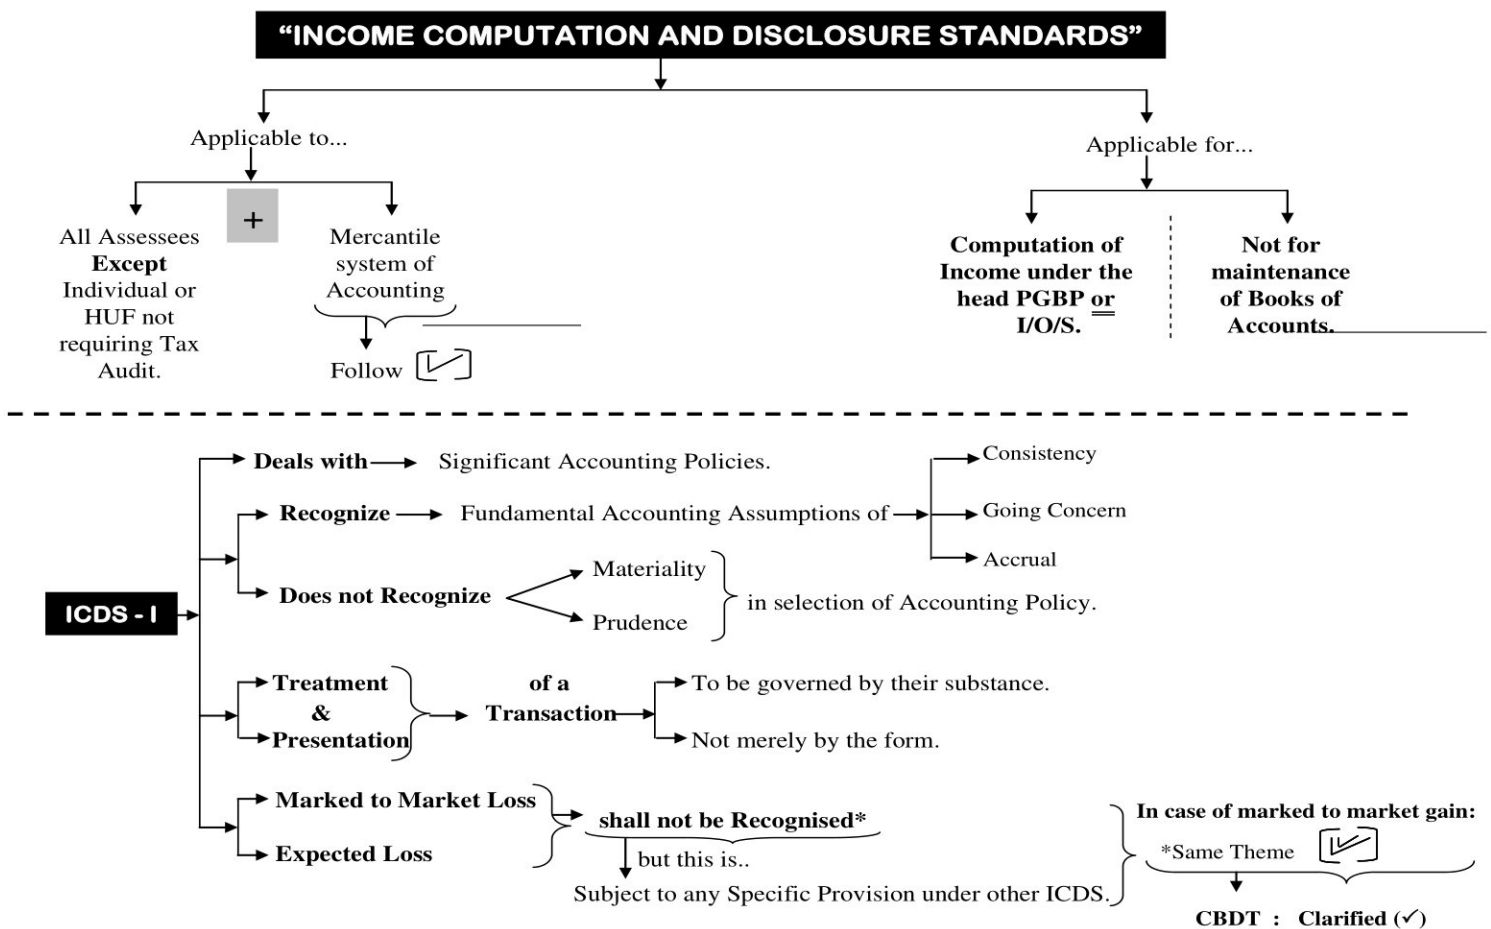

Substitution of section 145A: *Method of accounting in certain cases:-*

For the purpose of computing income chargeable under the head PGBP, the following valuation rules will apply:

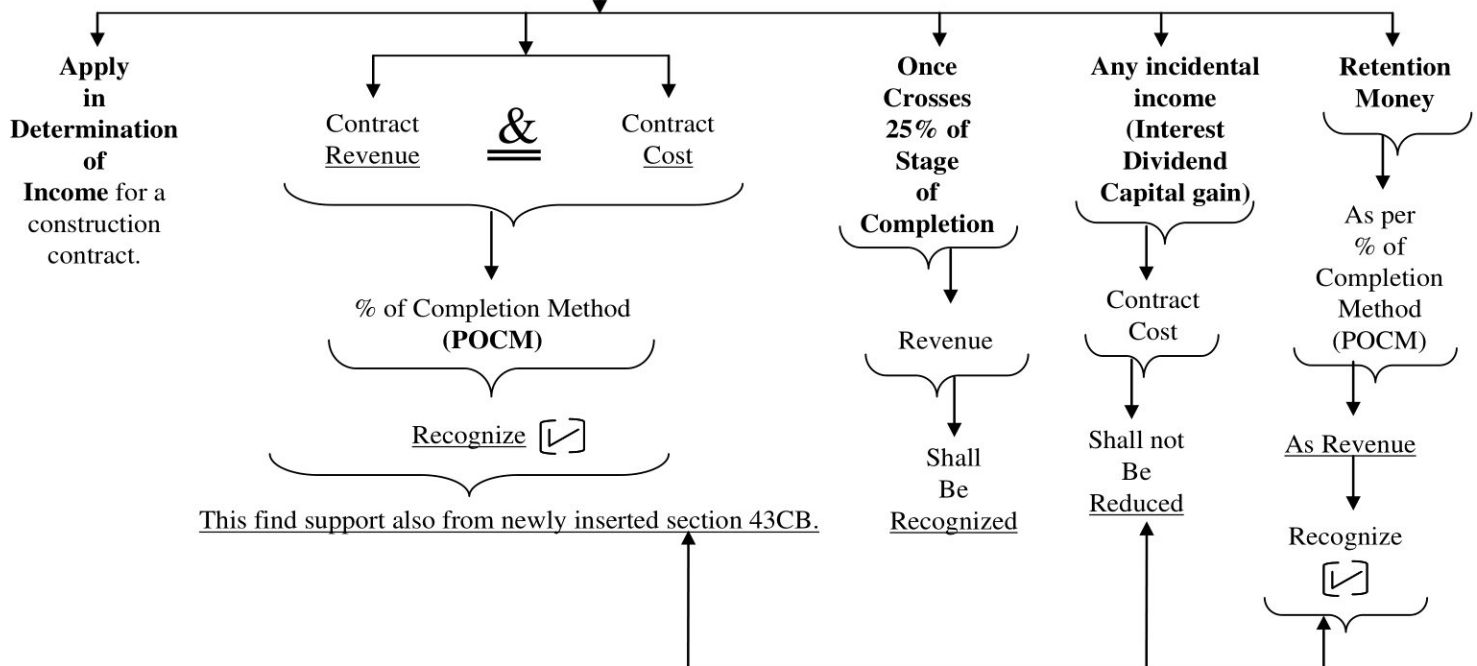

- | | |
|-------|--|
| (i) | The <u>valuation of inventory</u> shall be made <i>at lower of actual cost or net realizable value computed in the manner provided in ICDS.</i> |
| (ii) | The <u>valuation of purchase and sale of goods or services and of inventory</u> shall include the tax, duty, cess or fee, by whatever name called, actually paid or incurred by the assessee for bringing such goods or services for the present location and condition, <i>whether any right (like, cenvat credit) may arise as a consequence of such payment or not.</i> |
| (iii) | <u>Inventory (being securities not listed, or listed but not quoted with regularity, on a recognized stock exchange)</u> shall be valued <i>at actual cost initially recognized in the manner provided in ICDS.</i> |
| (iv) | <u>Inventory (being listed securities)</u> shall be valued <i>at lower of actual cost or net realisable value in the manner provided in ICDS</i> and for this purpose, the <u>comparison of actual cost and net realizable value shall be done category-wise.</u> |
| (v) | <u>Inventory (being securities held by a scheduled bank or financial institution)</u> shall be valued <i>in accordance with ICDS after taking into account extant guidelines issued by the RBI.</i> |

Insertion of section 145B: *Taxation on certain incomes:-*

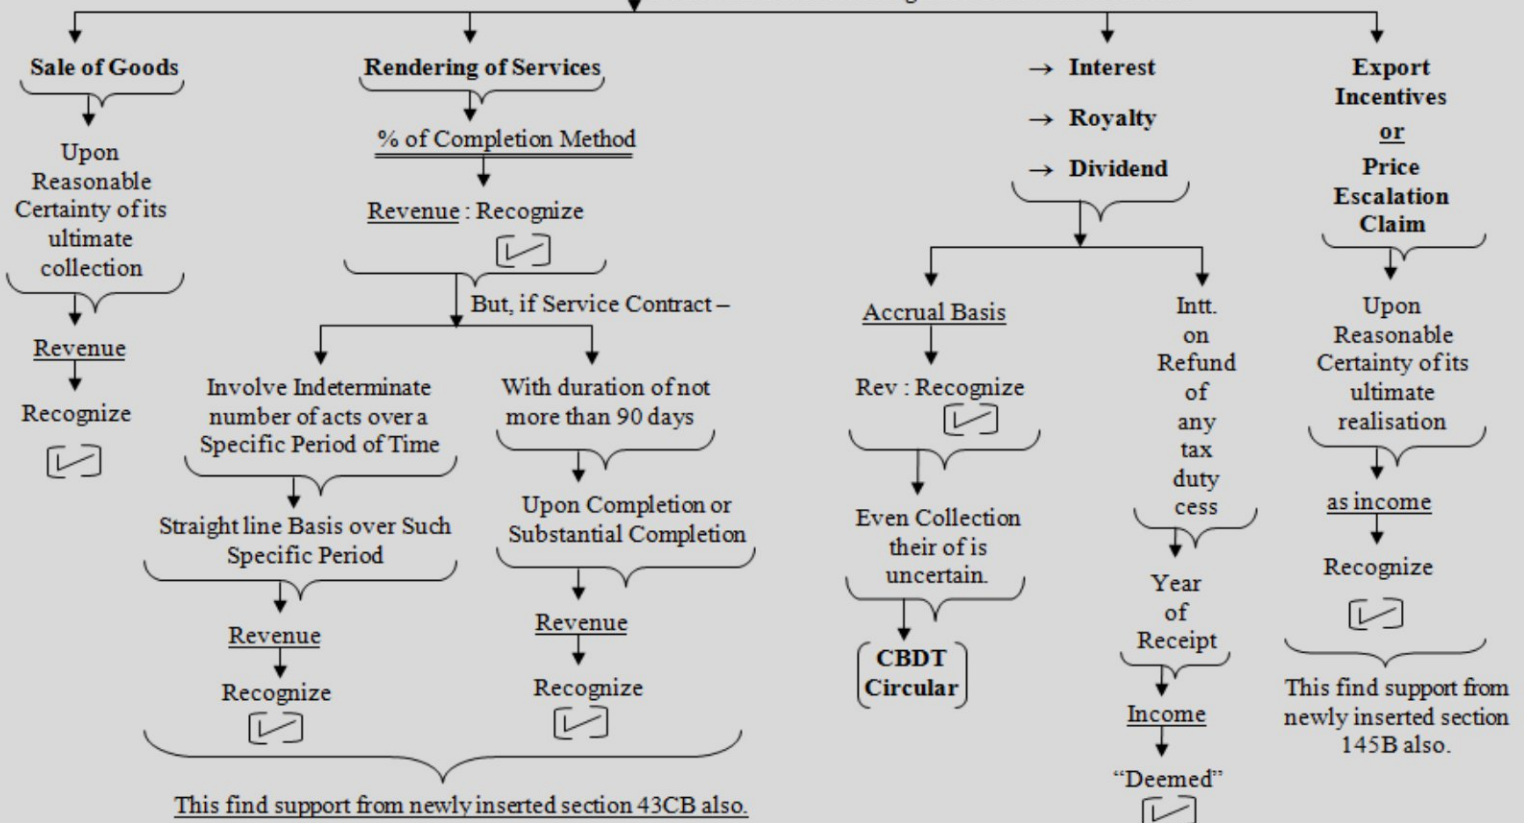

- | | |
|-------|---|
| (i) | <u>Interest received by an assessee on compensation or on enhanced compensation</u> shall be deemed to be the income of the year in which it is received. (Refer to chapter of Capital Gains) |
| (ii) | The <u>claim for escalation of price in a contract or export incentives</u> shall be deemed to be the income of the previous year <i>in which reasonable certainty of its realisation is achieved.</i> |
| (iii) | <u>Income referred to in section 2(24)(xviii) [i.e. subsidy, grant, etc.]</u> shall be deemed to be the income of the previous years in which its received, if not charged to income tax for any earlier previous year. |

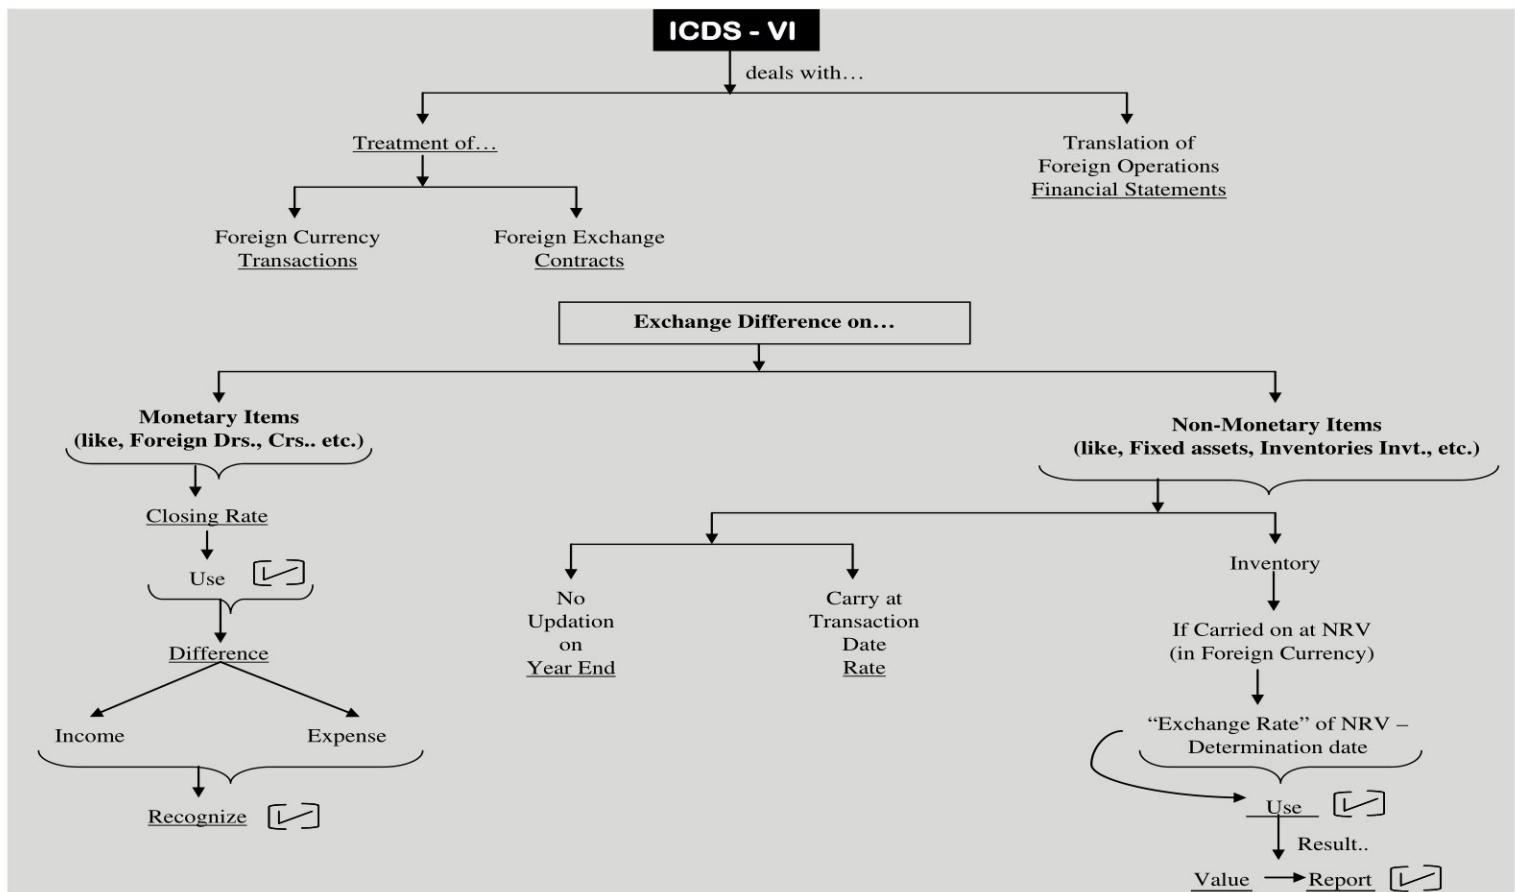

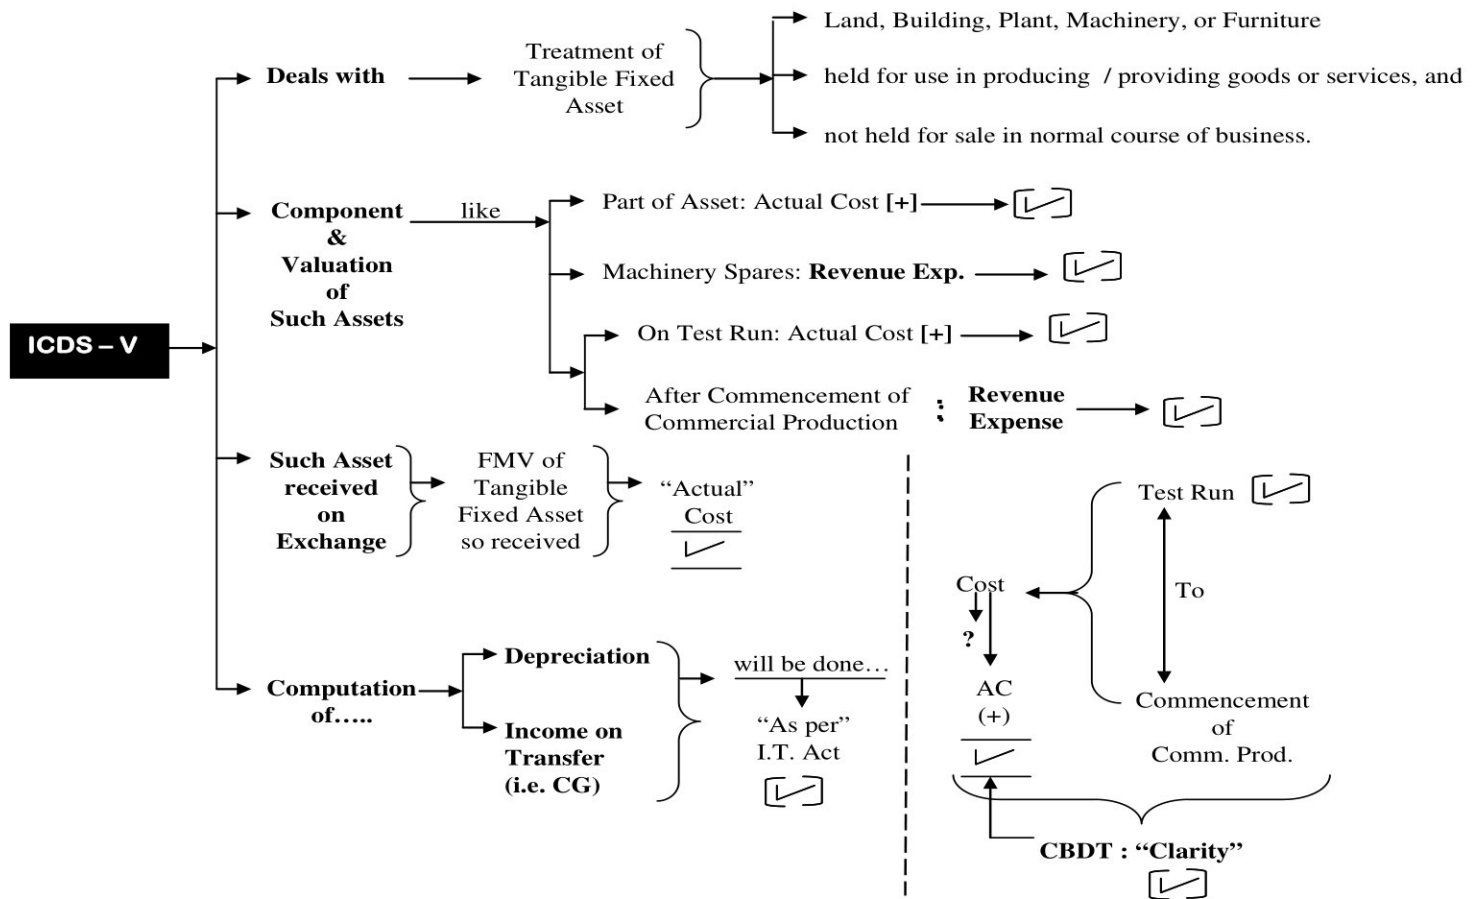

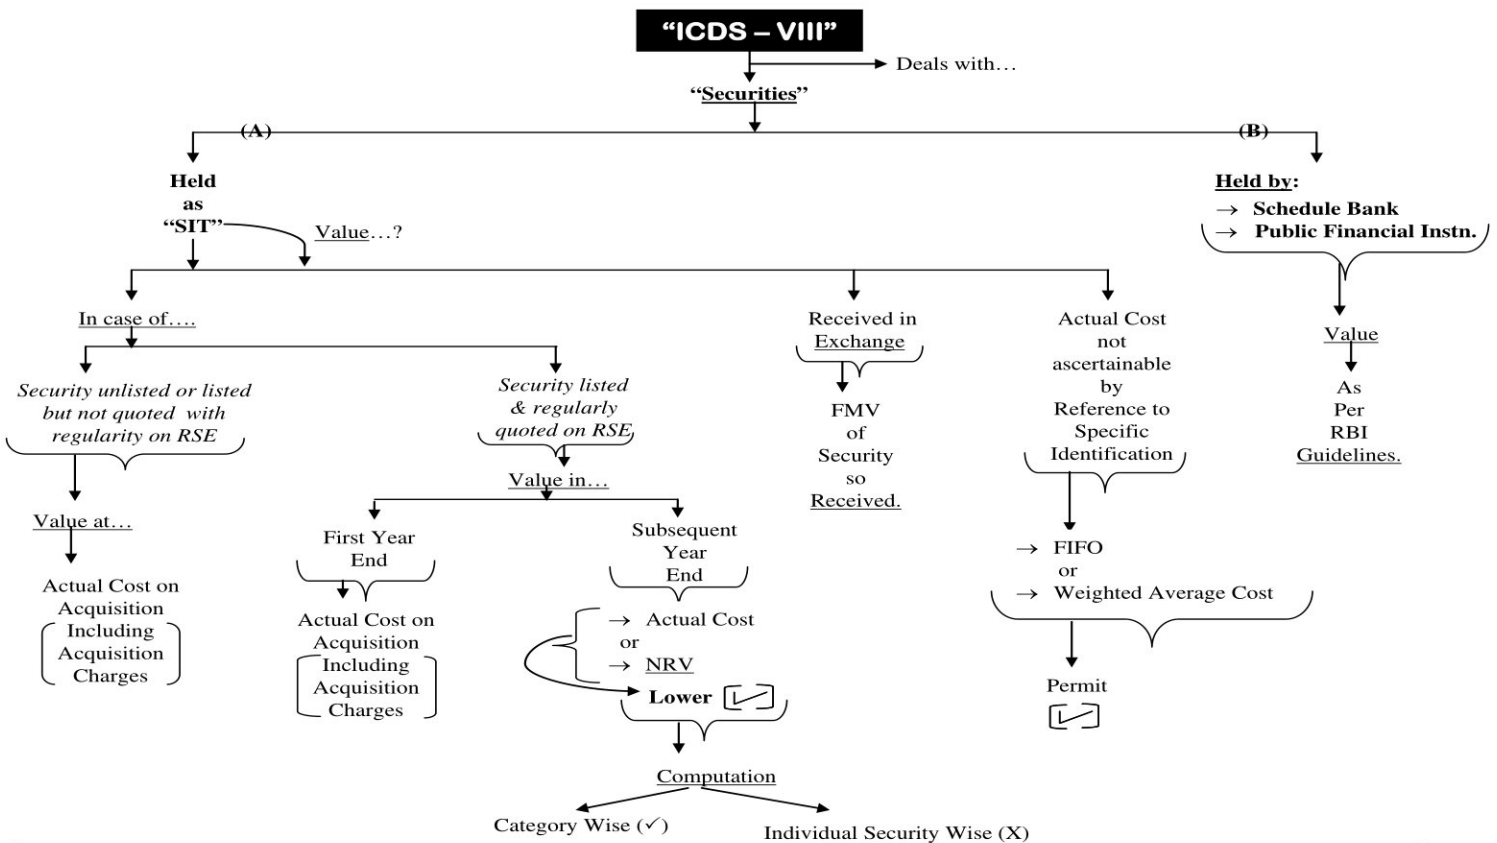

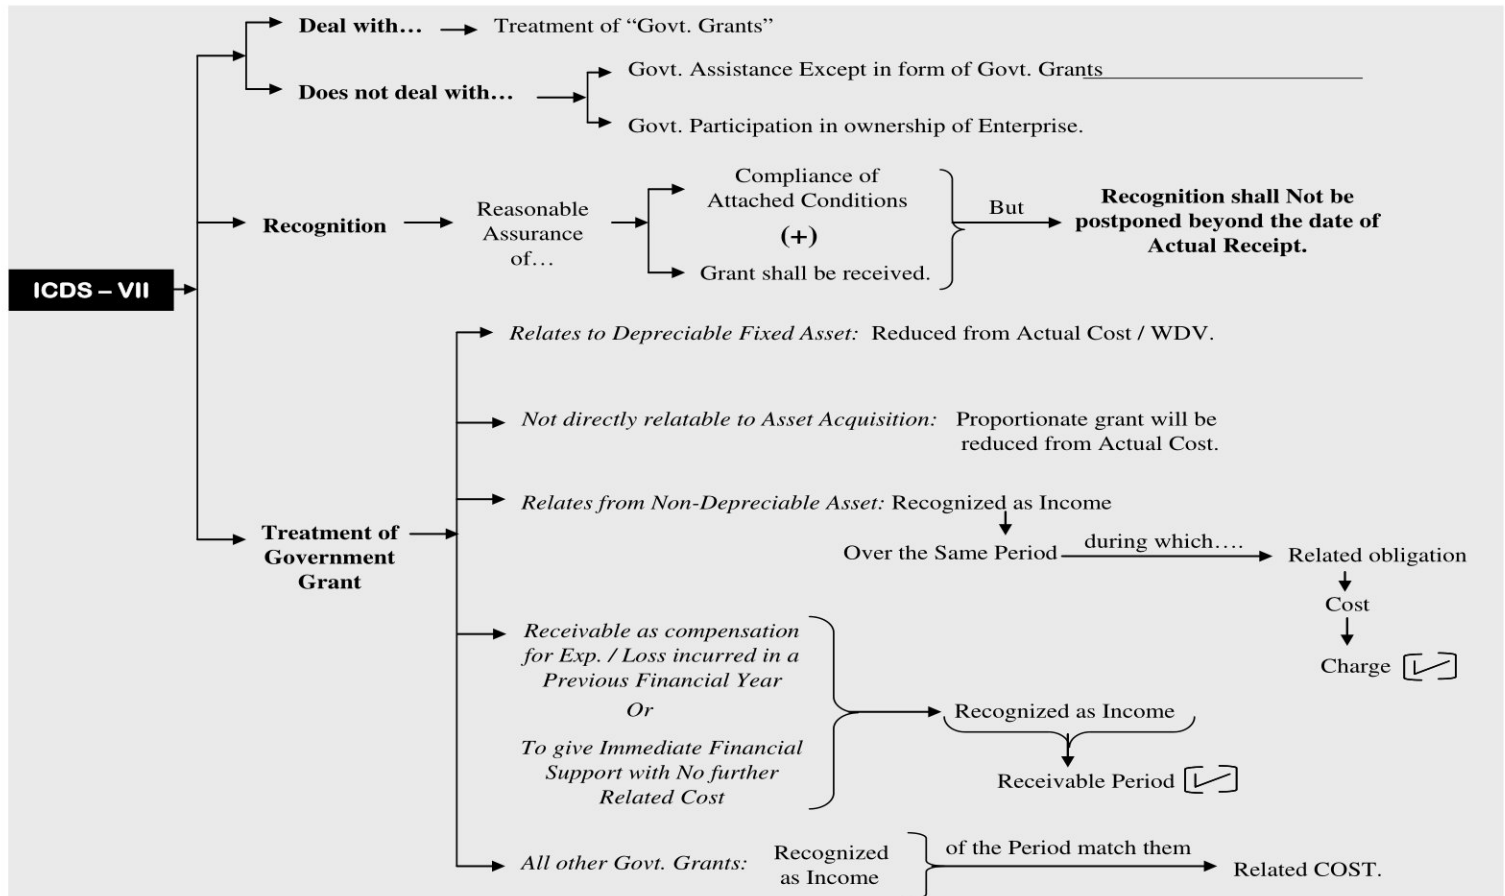

But **Supreme Court** in case of **Shakti Trading Co.**, has held that- in case of dissolution where business has not been discontinued, inventory will be valued at cost or NRV, whichever is lower, and, **this will prevail over the effect of ICDS** because ICDS can't override the Judgement, as supported by **Delhi High Court** in case of **Chamber of tax consultants v/s UOI**.

ICDS – III**Construction Contract****ICDS - IV**

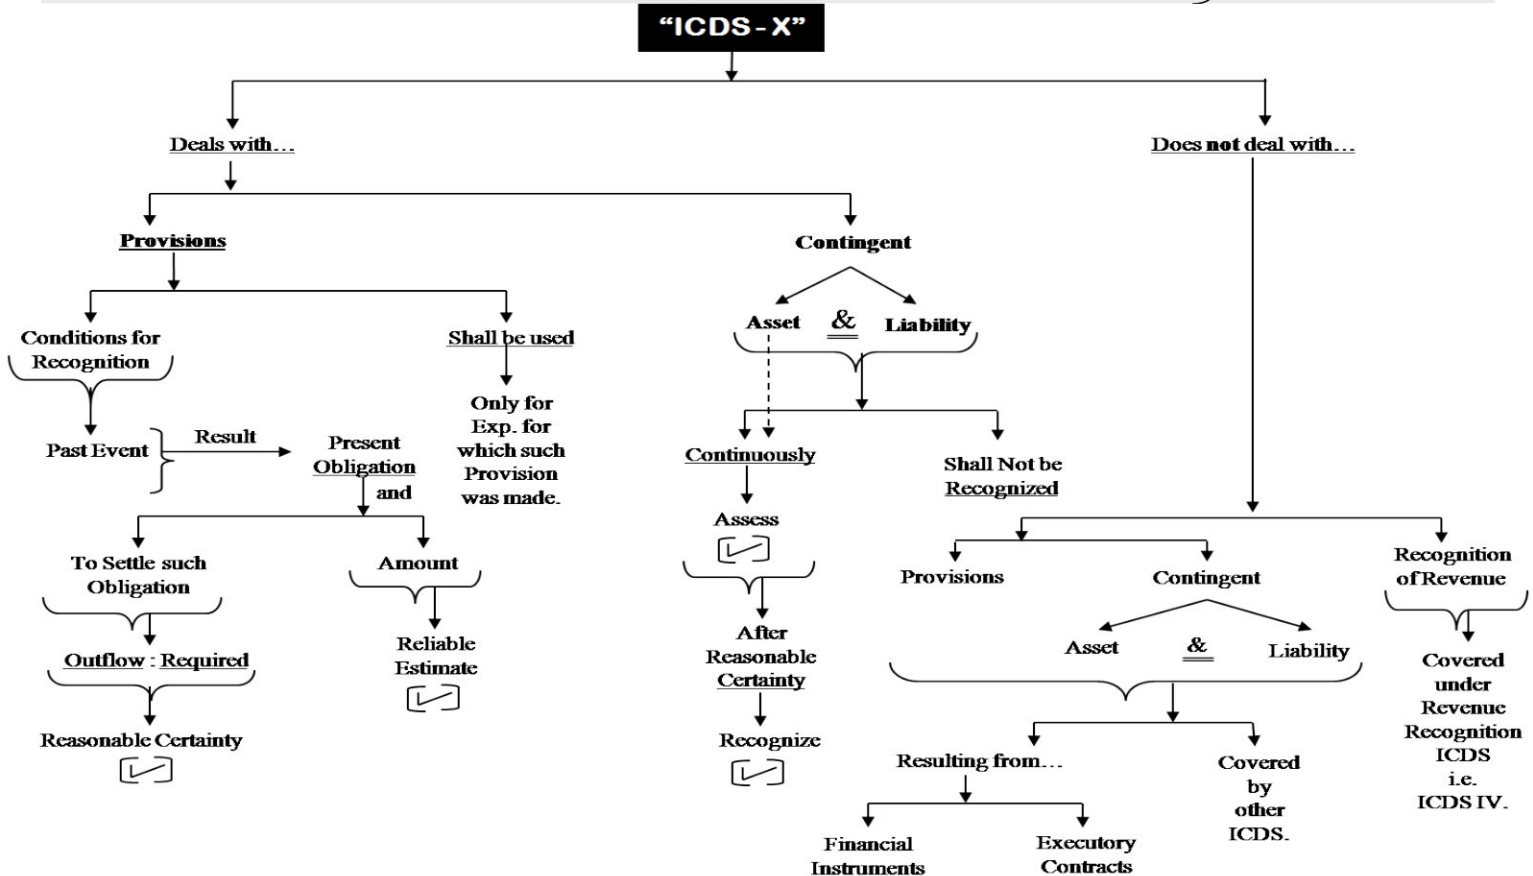

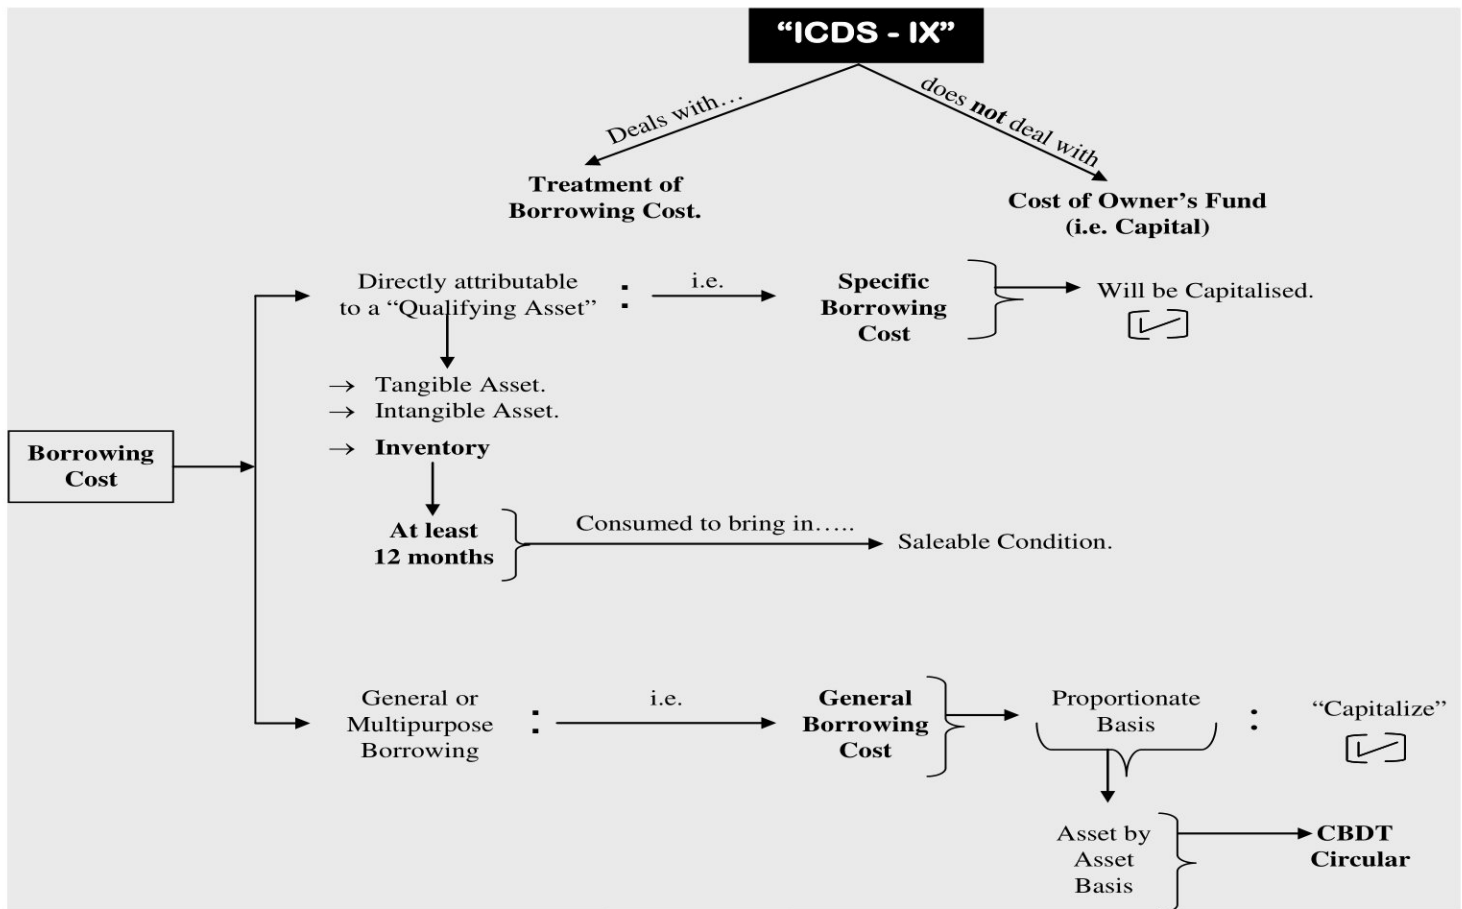

Deals with bases for recognition of revenue from.....

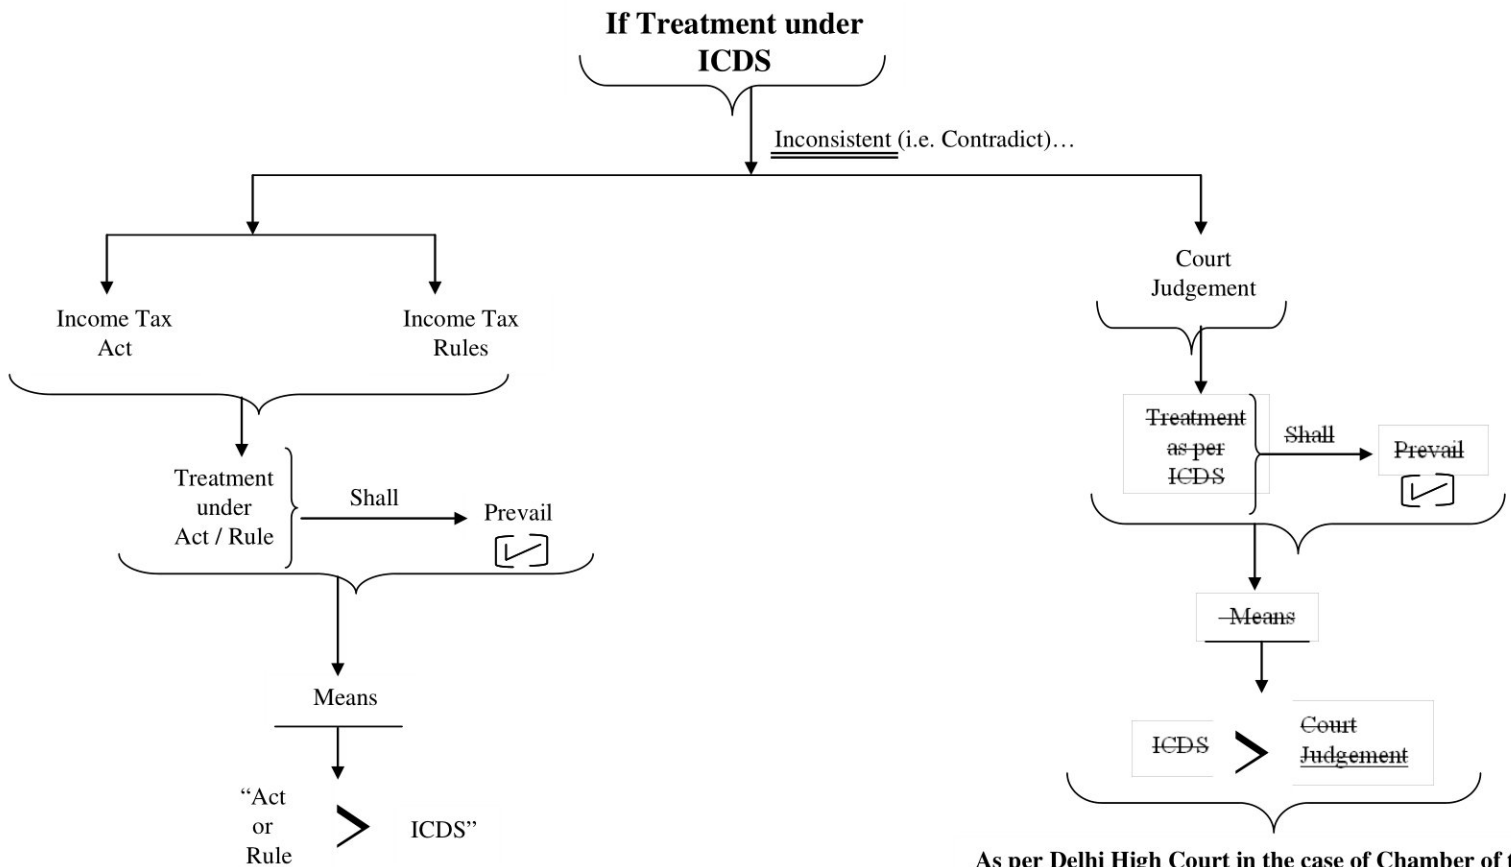

This find support also from newly substituted section 145A.

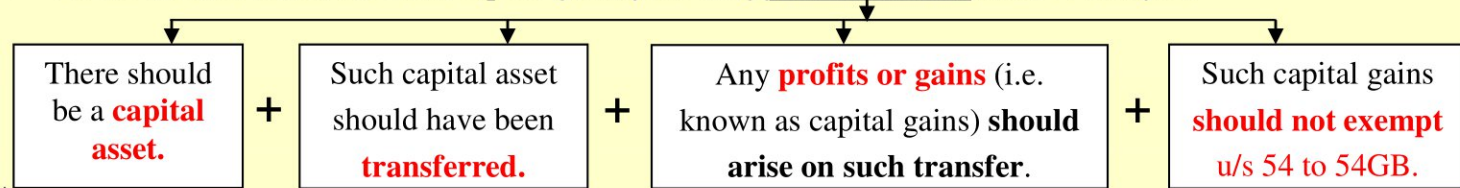

As per Delhi High Court in the case of Chamber of tax consultants v/s UOI, Central Govt. can not override the judicial precedents applicable thereto as they stand.

In case of conflict, judicial precedents shall prevail.

“CAPITAL GAINS”

(whether by assessee or previous owner)

But, in case of capital asset (being land or building or both), the fair market value of such asset on 1st April, 2001 **shall not exceed** the stamp duty value of such asset as on 1st April, 2001, if available

- (2) In relation to a capital asset being:

- goodwill of a business or profession, or trade mark or brand name associated with a business, or
- tenancy right, or stage carriage permits (i.e. Route Permit) or loom hours (i.e. Loom license), or
- a right to manufacture, produce or process any article or thing (i.e. Patent),
- Right to carry on any Business or PROFESSION,

Cost of acquisition means-

(i)	in case such asset is purchased by the assessee	Amount of purchase price
(ii)	in case such asset is acquired by any mode as specified u/s 49(1)	Cost to the previous owner
(iii)	in any other case	Nil

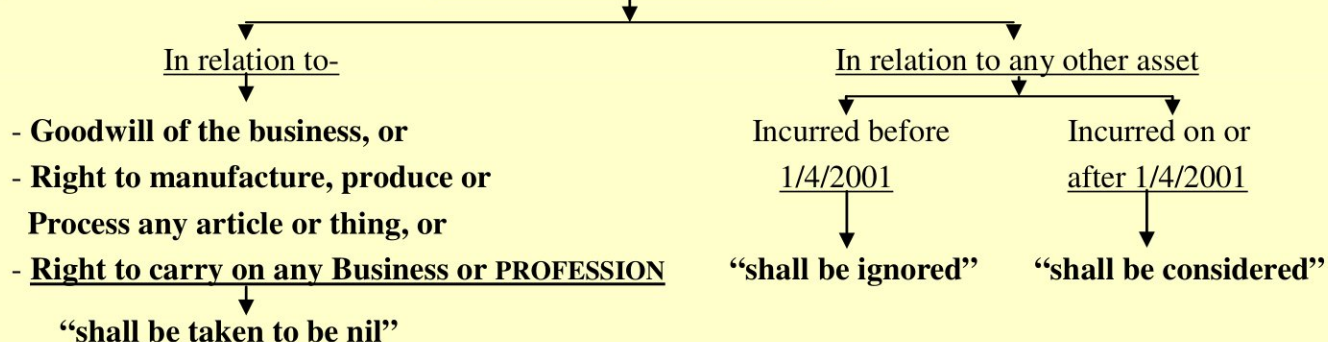

It must be carefully noted that in this case **option to take COA as FMV as on 1/4/2001 is not available.**

Insertion made by the Finance Act, 2021 (Applicable from A.Y. 2021-22):

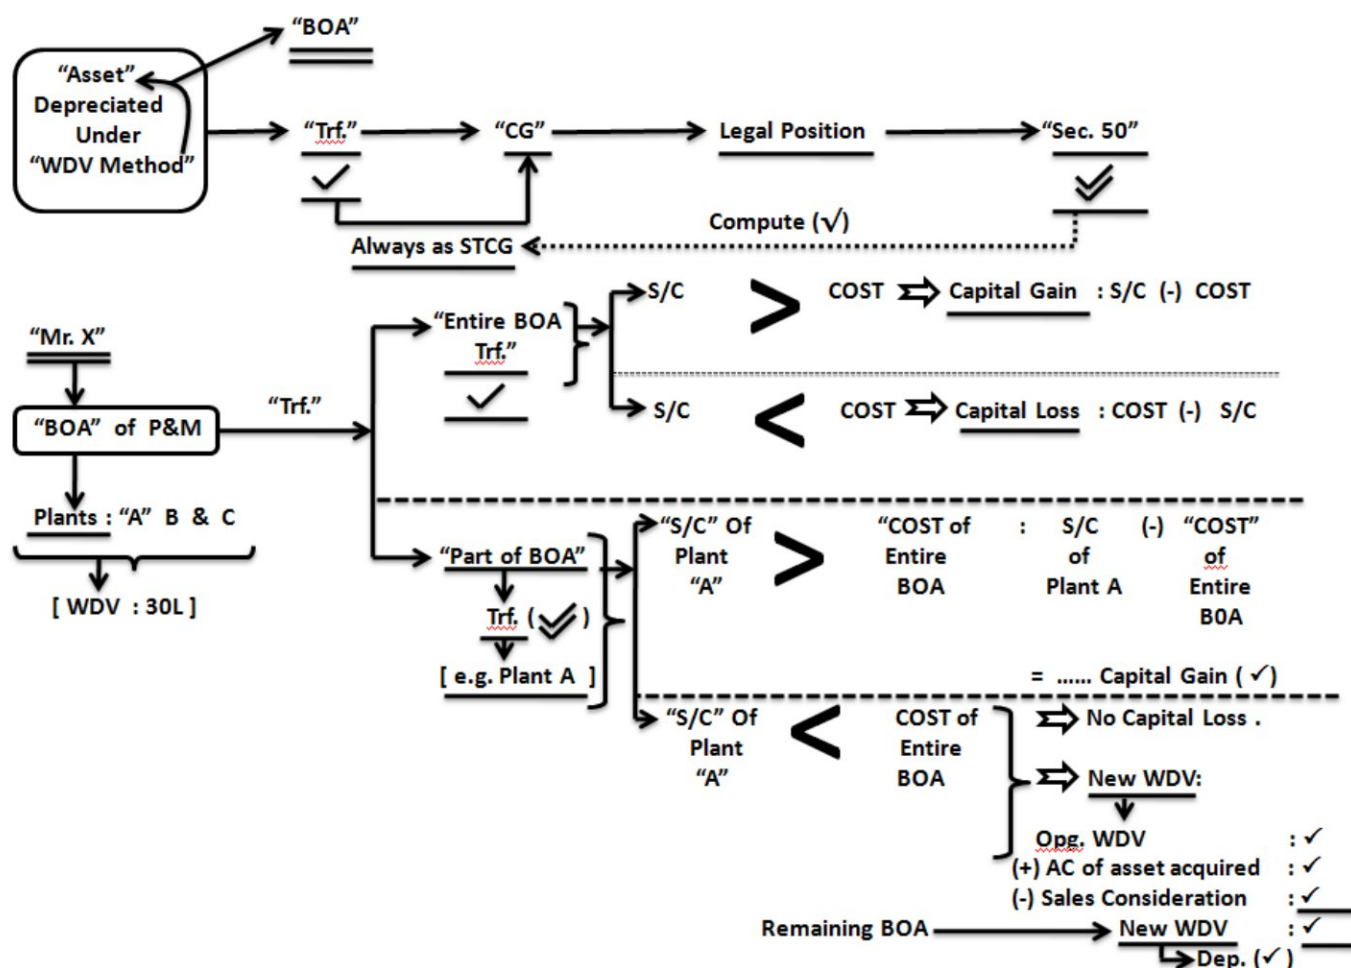

- In case of a capital asset, being goodwill of a business or profession,
- in respect of which depreciation has been obtained in any previous year upto previous year 2019-20,
- Cost of acquisition shall be the amount of purchase price as reduced by the total amount of depreciation obtained upto previous year 2019-20.

Section 50: Computation of capital gain on transfer of depreciable assets on which

depreciation is allowed on WDV basis:-

**** CG/Capital loss shall be computed as short-term, meaning there by, ir-respective of period of holding, indexation effect will not be given.**

Insertion made by the Finance Act, 2021 (Applicable from A.Y. 2021-22):

- **Goodwill forming part of a block of asset** for the assessment year beginning on April 1, 2020
- *in respect of which depreciation is obtained under the Act,*
- the **written down value** of that block of asset and **short-term capital gain**, if any, shall be determined in the prescribed manner (Rule 8AC).

Rule 8AC: Computation of short term capital gains and written down value u/s 50 where depreciation on goodwill has been obtained:

- Where the written down value of block of asset "intangible" as on 1st April, 2020 includes goodwill of the business or profession for which depreciation was obtained in the previous year 2019-20,
- written down value of this block of asset "intangible" eligible for depreciation for the previous year 2020-21 shall be determined by reducing the written down value of such goodwill which will be computed as if such goodwill was the only asset in that block.

Where the amount which is to be reduced for goodwill (i.e. Notional WDV of goodwill) for the previous year 2020-21

WDV of the block of asset "intangible" as on 1st April, 2020 (without giving effect to reduction of notional WDV of goodwill)
(+)
Actual cost of any asset falling within the block of assets "intangible", other than goodwill, acquired during the previous year 2020-21,

Such excess shall be deemed to be the amount of SHORT-TERM CAPITAL GAIN.

- Where the goodwill of the business or profession was the only asset in the block of asset "intangible" (for which depreciation was obtained in the previous year 2019-20), and
- the block of asset ceases to exist on account of there being no further asset acquired during the previous year 2020-21 in that block,
- there will not be any capital gains or loss on account of the block of asset having ceased to exist.

OBSERVATION AND CORRESPONDING AMENDMENT MADE BY FINANCE ACT, 2022::

- The Finance Act, 2021 has enacted that goodwill of a business/profession is not considered as a depreciable asset. Consequently, depreciation will not be allowed on goodwill of a business/profession in any situation.
- In case where goodwill is purchased by an assessee, the purchase price of the goodwill continue to be considered as "cost of acquisition" for the purpose of computation of capital gain subject to the condition that in case depreciation was obtained by the assessee in relation to such goodwill prior to the assessment year 2021-22, then, the depreciation so obtained by the assessee shall be reduced from the amount of the purchase price of the goodwill.
- When the aforesaid amendment was carried out through the Finance Act, 2021, consequential amendment was carried out in section 50. However, no amendment was incorporated for computation of deemed capital gains if amount of goodwill is reduced from the block of assets. On the other hand Rule 8AC covers the case of computation of deemed capital gains.
- Accordingly, the scheme of section 50 has been modified by inserting a **new Explanation** to clarify that **reduction of the amount of goodwill of a business/profession from the block of assets in accordance with section 43(6) shall be deemed to be transfer.**

"SLUMP SALE"

Section 2(42C): Slump Sale Means:-

- the TRANSFER of one or more *undertakings*
- ~~as a result of sale~~ BY ANY MEANS
- for a *lump sum consideration*
- *without value being assigned to the individual assets & liabilities in such sale transfer.*

Section 50B: Special provisions for computation of capital gains on slump sale:-

- (1) Any profits or gains arising from slump sale:

- shall be taxable as **capital gain**, and
- shall be treated as income of the year of such transfer (i.e. slump sale).

Nature of Capital gain:

	(ii)	If such quoted shares and securities are received by way of transaction <i>carried out other than through any recognized stock exchange:</i>
	(a)	The <i>lowest trading price on the valuation date</i> of such shares and securities, and
	(b)	If there is no trading in such share and securities on any recognized stock exchange on the valuation date, then, the <i>lowest price on a date immediately preceding the valuation date</i> when such shares and securities were traded on such stock exchange.
	THE FAIR MARKET VALUE OF <u>UNQUOTED EQUITY SHARES</u> SHALL BE DETERMINED AS FOLLOWS:	
	$\text{FMV of unquoted equity shares} = (A+B+C+D- L) \times \frac{\text{Paid-up value of such equity share}}{\text{Total amount of paid-up equity share capital}}$ <p>A = Book value of ALL the assets including fixed assets, current assets and investments (<u>other than jewellery, artistic work, shares, securities, and immovable property</u>)</p> <p><u>But, following shall not be considered as assets for this purpose:</u></p> <ul style="list-style-type: none"> ➤ Advance tax, TDS & TCS other than income- tax claimed as refund, if any. ➤ Any unamortized amount of deferred expenditure which does not represent any asset. <p>B = FMV of the jewellery and artistic work as per valuation report obtained from a registered valuer</p> <p>C = <i>Fair market value</i> of shares and securities as per this rule;</p> <p>D = <i>Stamp duty value</i> of the immovable property.</p> <p>L = Book value of liabilities shown in the balance sheet, <u>but other than the following:</u></p> <ul style="list-style-type: none"> (i) the paid-up capital in respect of equity shares; (ii) representing contingent liabilities other than arrears of dividends payable; (iii) the amount set apart for payment of dividends on preference shares and equity shares; (iv) reserves and surplus; (v) any amount representing provision for taxation; (vi) provisions made for meeting liabilities, other than ascertained liabilities. 	
	THE FAIR MARKET VALUE OF <u>UNQUOTED SHARES OTHER THAN EQUITY SHARES</u> SHALL BE:	

The fair market value as per the valuation report from a merchant banker in respect of such valuation.

Section 50C: Special provisions for full value of consideration in certain cases :-

Capital asset being land or building or both ↓ Transfer (✓)	(+)	If Stamp duty value > 110% of sales consideration (as shown by assessee)
---	-----	---

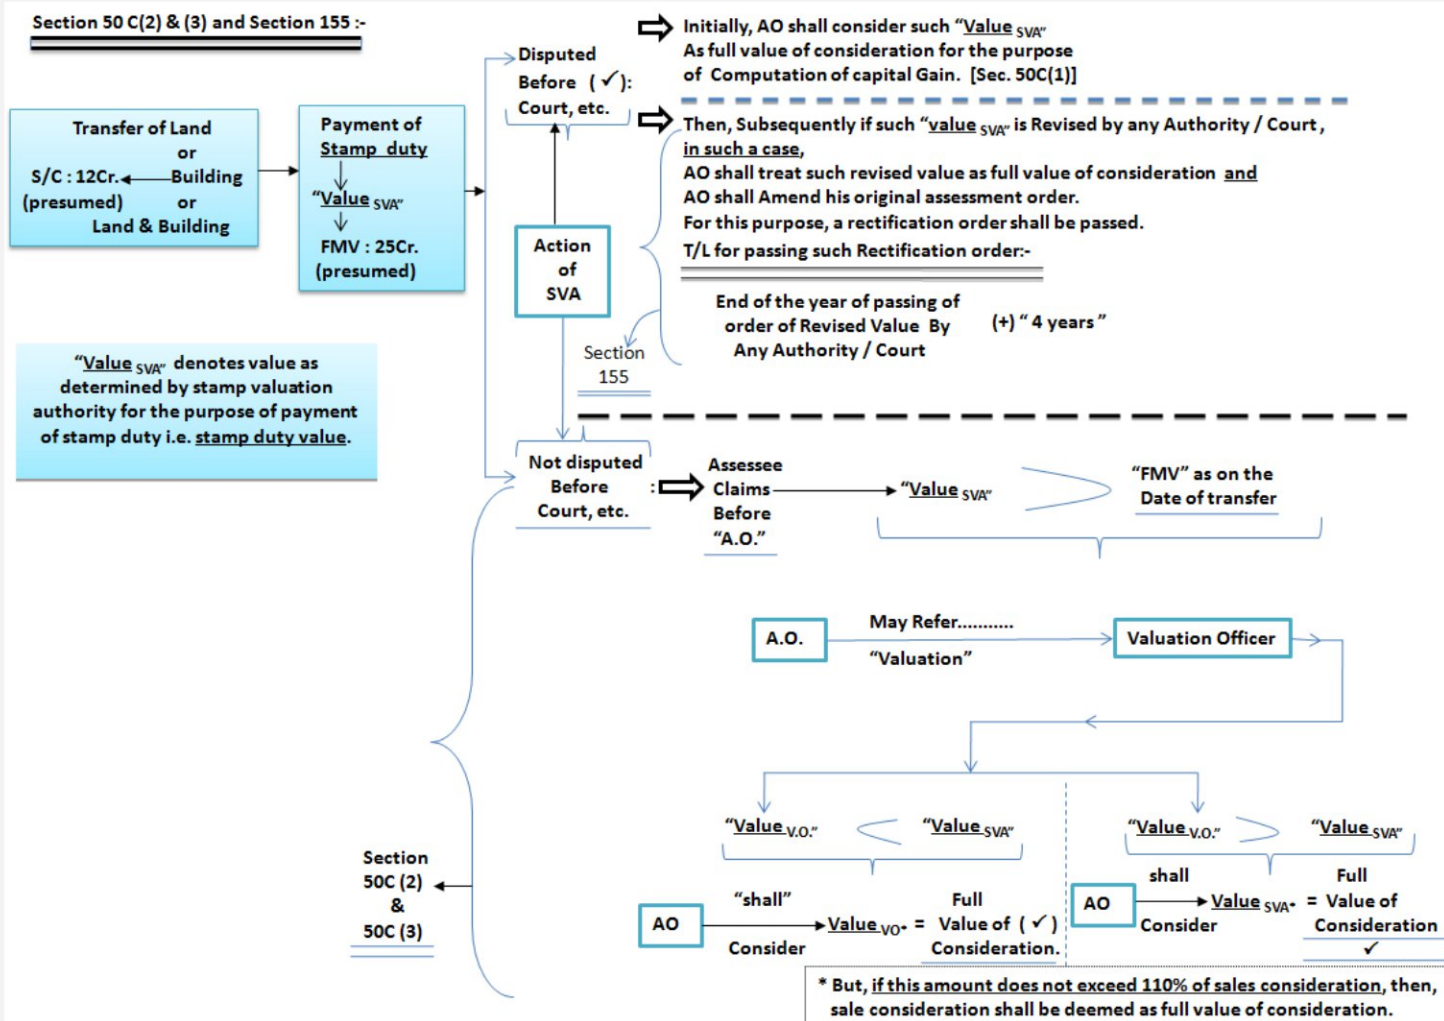

Then, Capital Gain shall be computed by taking such stamp duty value as sales consideration.

☞ Generally, stamp duty value is taken on the date of registration of the immovable property.

But,

- Where the date of the agreement and the date of registration are not the same,
- the stamp duty value on the date of agreement may be taken,
- only in a case where consideration, or a part thereof, has been received by way of an account payee cheque or account payee bank draft or by use of electronic clearing system through a bank account or through such other electronic mode as may be prescribed, on or before the date of the agreement for transfer.

Section 50 C(2) & (3) and Section 155 :-

Section 43CA: Computation of income under the head "PGBP" for transfer of immovable property in certain cases:-

Land or building or both held as stock in trade ↓ Transfer (✓)	(+)	If Stamp duty value > 110% of sales consideration (as shown by assessee)
--	-----	---

Then, **profit and gain** (i.e. PGBP) shall be computed by taking such stamp duty value as sales consideration.

☞ The Finance Act, 2021 has increased safe harbour threshold from existing 10% to 20%, in respect of transfer of a **residential unit**, provided the following conditions are satisfied:

- (i) The transfer of residential unit takes place during the period from 12th November, 2020 to 30th June, 2021;
- (ii) The transfer is by way of **first-time allotment of the residential unit** to any person; and
- (iii) The **consideration** received or accruing as a result of such transfer **does not exceed ₹ 2 crore**.

☞ Provisions of section 50C(2) and 50C(3) shall also apply here.

☞ Option to take stamp duty value of date of agreement has been given on the same line as given u/s 50C.

Section 50CA: Special Provisions for Full Value Of Consideration for transfer of share other than Quoted share:-

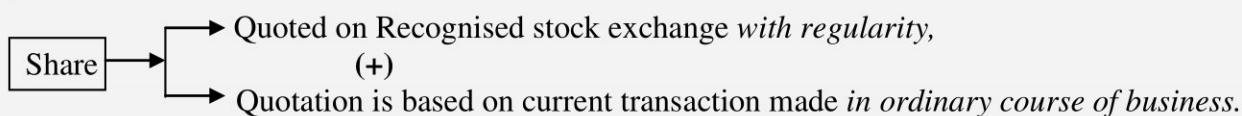

Capital asset being share of a company other than Quoted share ↓ Transfer (✓)	(+)	Sales consideration < Fair Market Value (shown by assessee) (as per prescribed method)
--	-----	---

Then, Capital Gain shall be computed by taking such fair market value as sales consideration.

Exception: If transfer is made by the prescribed person subject to such conditions as may be prescribed.

Explanation:

Quoted share means:

Section 50D: FMV Deemed To Be Full Value Of Consideration In Certain Cases:-

- If consideration for transfer of a capital asset is NOT determinable, then
- for computing capital gain, *fair market value shall be taken as sales consideration*.

Section 51 & section 56(2)(ix): Advance Money Forfeited :-

Treatment of Advance Money Forfeited:-

(1) If forfeited by the assessee before 1/4/2014:

- ☞ Section 51 shall apply.
- ☞ Such forfeited advance money or other many **will be deducted** from actual cost or WDV or FMV (as the case may be) in computing cost of acquisition.
- ☞ If forfeited sum is more than cost of acquisition, such excess shall be treated as capital receipt, **not taxable**.
[Travancore Rubber & Tea Co. Ltd v/s CIT [2000](SC)]

(2) If forfeited by the assessee on or after 1/4/2014:

- ☞ Section 56(2)(ix) shall apply.
- ☞ **Such forfeited amount** (*not only excess, but in totality*) shall be chargeable to tax under the head Income from other sources.
- ☞ Such sum shall not be deducted in computing the cost of acquisition. **[Proviso to Section 51]**

“COMPUTATION OF CAPITAL GAINS IN SPECIAL CASES”

Section 45(1A): Capital Gains in case of damage or destruction of Capital Asset:-

- *Notwithstanding anything contained in section 45(1),*
- where any person receives at any time during any previous year any money or other assets
- under an insurance from an insurer
- on account of **damage to, or destruction of**, any capital asset, as a result of-

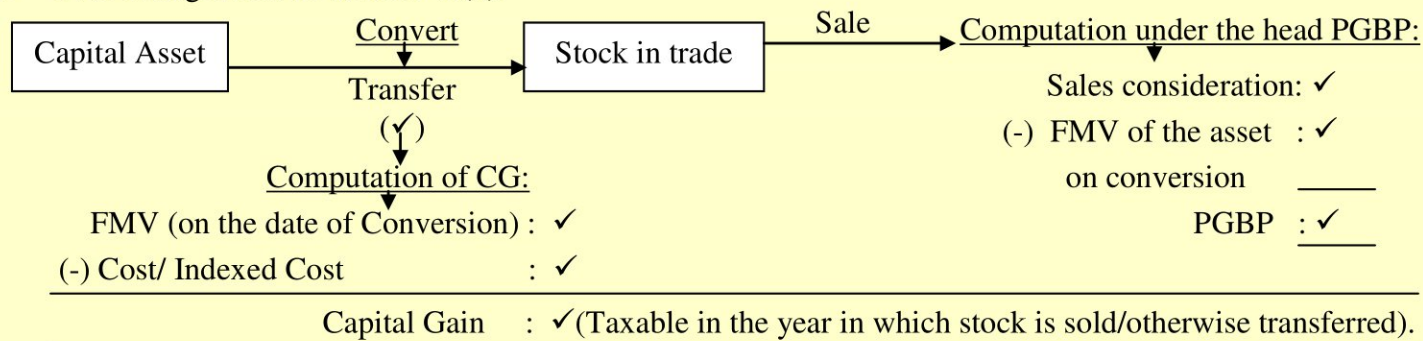

- (i) *Flood, typhoon, hurricane, cyclone, earthquake or other convulsion of nature; or*
- (ii) *Riot or civil disturbance; or*
- (iii) *Accidental fire or explosion; or*
- (iv) *Action by an enemy (whether with or without a declaration of war)*

Then,

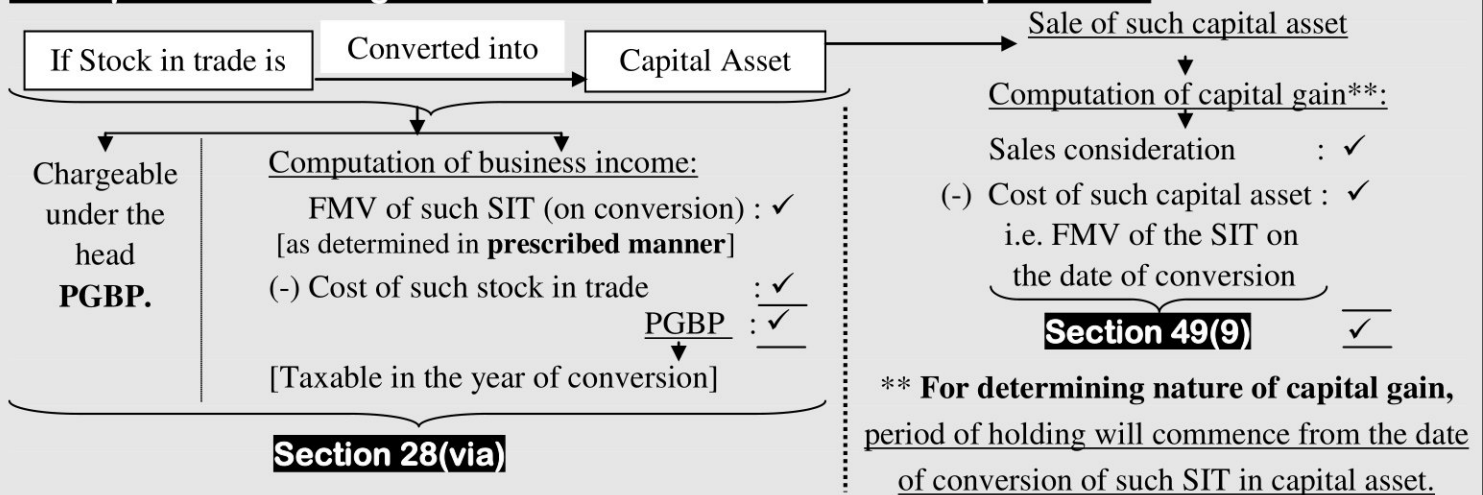

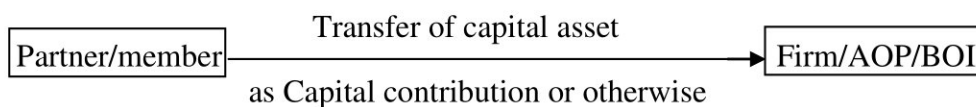

- any profits or gains arising from receipt of such money or other assets shall be chargeable to tax under the head “capital gains” **and** shall be deemed to be the income of such person of the previous year in which such money or other asset was received **and**
- for the purposes of section 48, value of any money or fair market value of other assets on the date of such receipt shall be deemed to the full value of the consideration received or accruing as a result of transfer of such capital asset.

Section 45(2): Capital gain on conversion of capital asset into stock in trade:-

- Over-riding effect on section 45(1).

**EXPLANATORY REMARKS:**

- (1) For determining nature of capital gain, period of holding upto the date of conversion will be considered, and Indexation (if needed) will also depend on it.
- (2) **If after conversion, stock is sold in parts,** like 50% in Year₁, and remaining 50% in Year₂, then capital gain will also be taxable on same proportionate basis i.e. 50% in Year₁ and remaining 50% in Year₂.

Tax implications relating to conversion of stock in trade into capital asset:**Section 45 (3): Capital gain on transfer of capital asset by a partner/member to a Firm or AOP or BOI as capital contribution:-****Capital gain in the hands of partner / member (Taxable in the year of transfer):-**

Amount recorded in the books of Firm/AOP/BOI (Less) Cost / Indexed Cost to the partner / member.

Section 45(5): Capital gain in case of compulsory acquisition of an asset :-

☞ *Over-riding effect on section 45(1).*

- Applicable in case of compulsory acquisition of an asset under any Law or where consideration for transfer is determined / approved by the Central Government or RBI.
- Capital Gain arising from:
 - **Original compensation will be taxable in the previous year in which such original compensation or part thereof is first received by the Assessee;**
 - **Enhanced compensation will be taxable in the year of receipt of such enhanced compensation.**

Additional Considerable Points:

- (1) If any compensation is received in pursuance of an **interim order** of Higher Authority, then capital gain arising therefrom **will be taxable** in the year in which the final order has been passed by such Higher Authority.
- (2) For determining nature of capital gain (whether from original compensation / enhanced compensation), **period upto the date of compulsory acquisition will be considered.**
- (3) If in any year, capital gain has been taxed on the basis of original compensation or enhanced compensation, and subsequently such compensation is reduced by any Court / other Authority –
Then, such reduced compensation will be considered as full value of consideration, on the basis of which

capital gain will be re-computed, and, for this purpose, **assessing officer shall pass a rectification order within 4 years** from the end of the previous year in which the order reducing the compensation was passed by the Court / Other Authority. [Section 155]

Section 10(37): Exemption in case of compulsory acquisition of urban agriculture land:-

- In case of an *individual or HUF*,
- ANY **capital gain** arising from the transfer of a capital asset
- being an **agriculture land situated in urban area**
- **shall be exempt** subject to the following conditions-
 - (i) The transfer takes place by way of compulsory acquisition under any law OR the consideration for transfer is approved or determined by the CG or RBI.
 - (ii) Capital gain should arise from compensation / enhanced compensation which is received by the assessee.
 - (iii) Such land was being used for agricultural purposes by such HUF or individual or his parents during the period of two years immediately preceding the date of transfer.

Taxation of Interest received for delay in payment of Compensation/Enhanced Compensation

- ☞ Such interest will be taxable under the head “Income from other sources” in the year in which it is received, *ir-respect of the method of accounting followed by the assessee*. [Section 145B + 56(2)(viii)]
- ☞ A deduction of 50% of such interest will be allowed u/s 57, but no other deduction will be available under this section. [Section 57]

Section 45(5A): Tax implications relating to joint development agreement:-

- Over-riding effect on section 45(1).
- Applicability:

- Year of Taxation:
“Year of issuance of Completion Certificate* for the whole or part of the project by the Municipality”
- Consideration for computation of capital gain (on Land / Building / Both):
Stamp duty value of his share on the date of said certificate*
(+)
Cash consideration (if any).
- If assessee transfers his share in the project on or before the date of issue of completion certificate*:
☞ Section 45(5A) shall NOT Apply.

CONSEQUENTIAL INSERTION i.e. Section 49(7):

In a case where section 45(5A) applies and assessee is taxed on the basis of stamp duty value of his share in the project, and subsequently transfer his share in the project, then such stamp duty value shall be deemed to be the cost of acquisition of his share in the project.

“TAXATION OF CAPITAL GAINS”**Section 111A: Tax On Short Term Capital Gains In Certain Cases:-**

☞ Any short-term capital gain arising from a transaction which is chargeable to securities transaction tax, will be liable to income tax @ 15%.

CBDT Circular No. 791 dated 2.6.2000

- The CBDT has clarified in case of conversion of a capital asset into stock-in-trade and subsequent sale of stock-in-trade, the period of 6 months is to be reckoned from the date of sale of stock-in-trade for the purpose of exemption under section 54EC.
- It may carefully be noted here that under all the above sections, amount deposited in capital gains account scheme, if not utilized within the prescribed time, it will be taxed in previous year in which the prescribed period expires.
- BOARD CIRCULAR:-**
- ☞ Unutilized money in capital gain account scheme kept by an individual and he died before the prescribed period of investments in the said section, it shall neither be taxed in the hands of the deceased nor in the hands of legal heirs.

“RELEVANT JUDICIAL PRONOUNCEMENTS”**CIT v/s V.S. Dempo Company Ltd (2016) (SC):**

On the issue that **whether benefit of exemption u/s 54EC can be claimed in a case where a depreciable asset (building) held for more than 24 months is transferred and capital gains on sale of such asset are reinvested in long-term specified assets within the specified time,**

The Apex court has held that **the assessee cannot be denied exemption u/s 54EC**, because firstly, *there is nothing in section 50 to suggest that the fiction created therein is not restricted to only sections 48 and 49*. Secondly, fiction created by the legislature has to be confined for the purpose for which is created. Thirdly, **section 54EC does not make any distinction between depreciable and non-depreciable asset for the purpose of re-investment of capital gains in long term specified assets for availing the exemption thereunder.**

Further, section 54EC specifically provides that when the capital gain arising on the transfer a long-term capital asset (being land or building or both) is invested or deposited in long-term specified assets, the assessee shall not be subject to capital gains to that extent. **Therefore, the exemption u/s 54EC cannot be denied to the assessee on account of the fiction created in section 50.**

Note: Aforesaid ruling will also be applicable in the following cases:

- (1) To claim exemption under any other section like section 54F;
- (2) To set-off of brought forward long-term capital losses against *capital gain arose on the sale of depreciable assets which was held for a period more than 24 months.*
- (3) To compute tax liability u/s 112 treating such capital gain i.e. capital gain arose on the sale of depreciable assets which was held for a period more than 24 months *as long-term capital gain.*

Section 54 & 54F: Exemption from capital gains in case of investment in residential house:-

- (1) Where capital gain is assessed on notional basis u/s 50C, whatever amount is invested in new residential house within prescribed period u/s 54F would get benefit of exemption irrespective of fact that funds from other sources are also utilized for new residential house. [Gouli Mahadevappa v/s ITO(Kar.)]

- (2) If assessee invested its capital gain (under section 54) or sale proceeds (under section 54F) in:

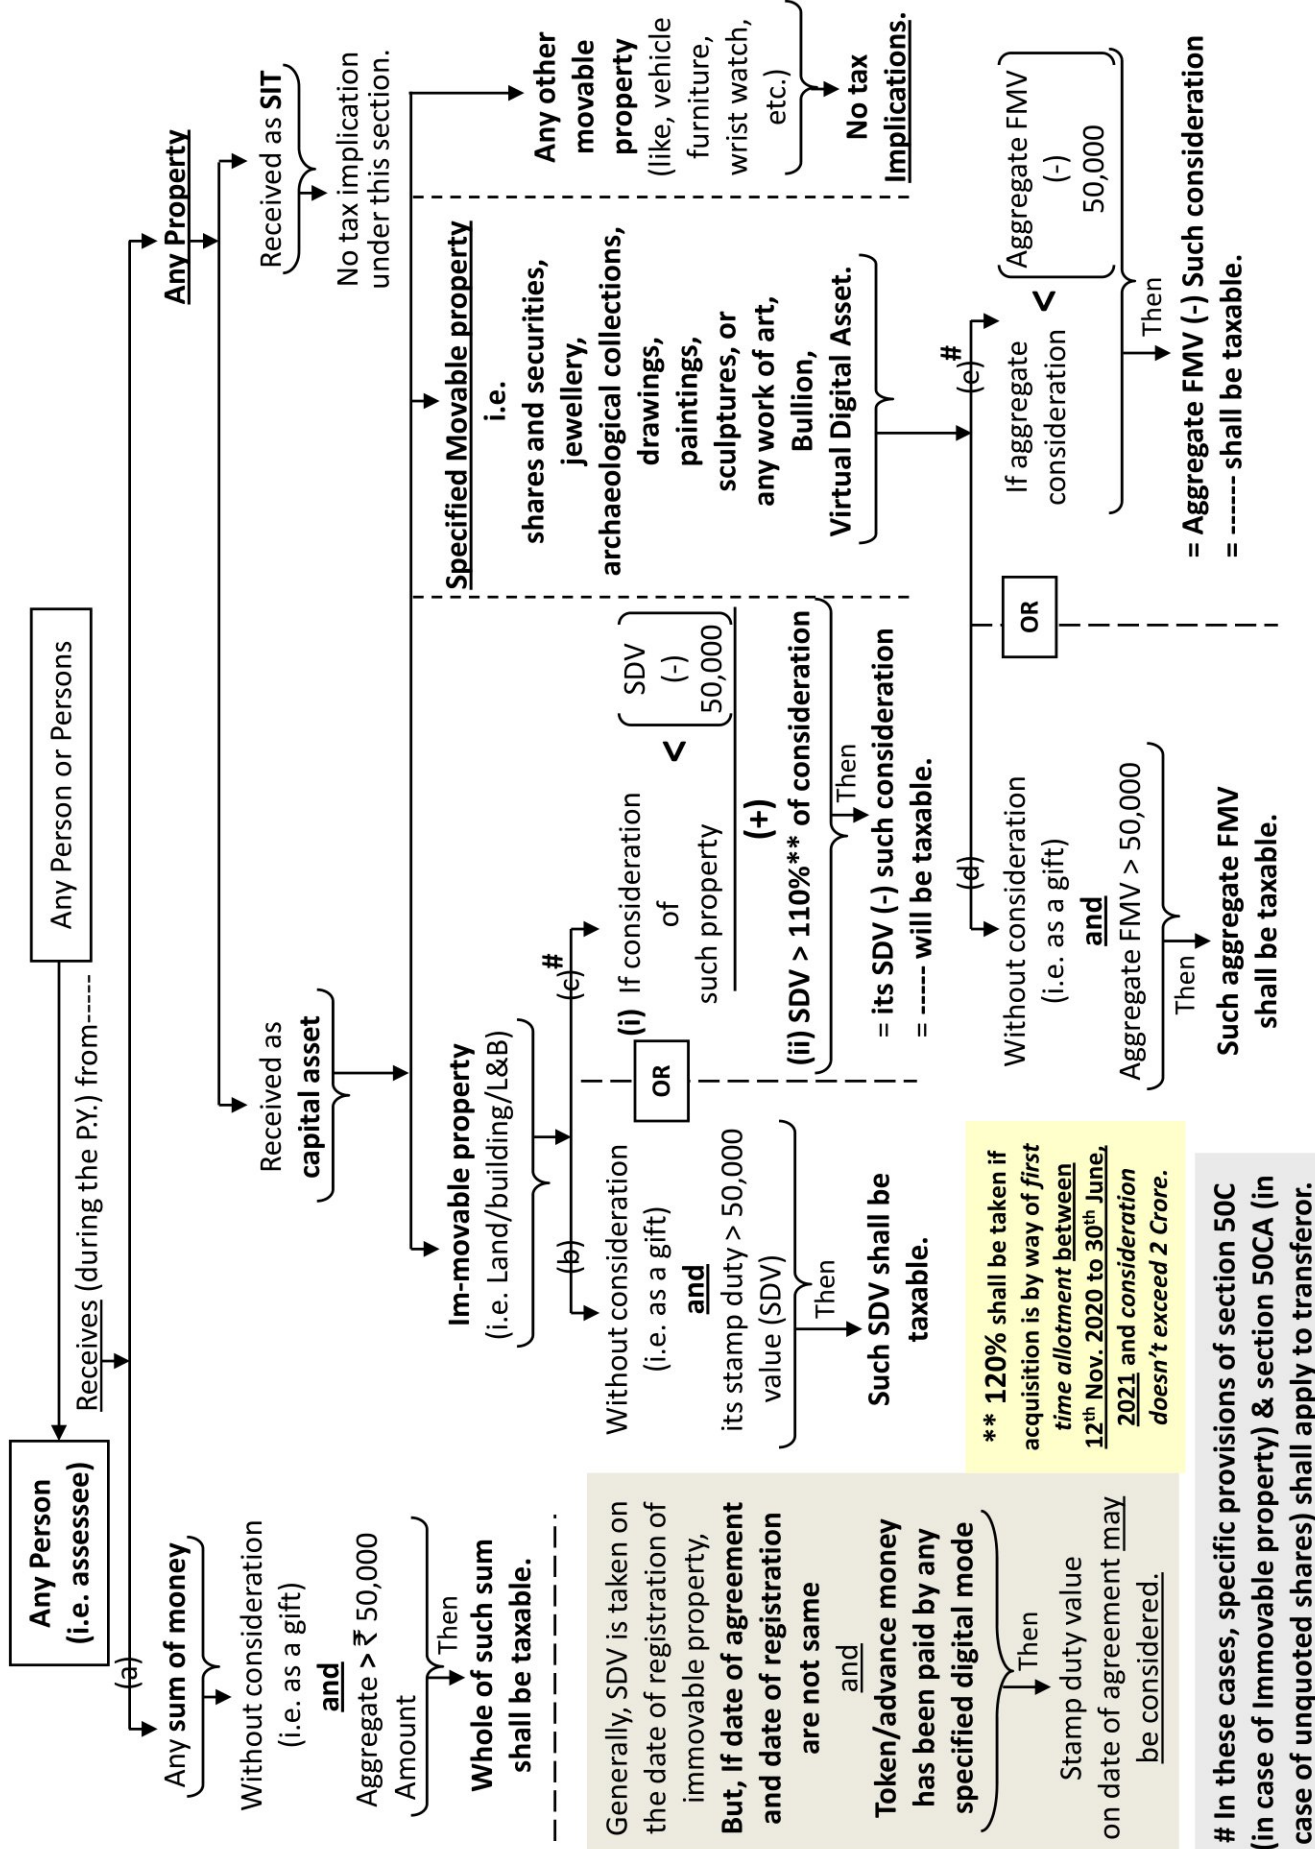

- (i) several units of a residential house, or

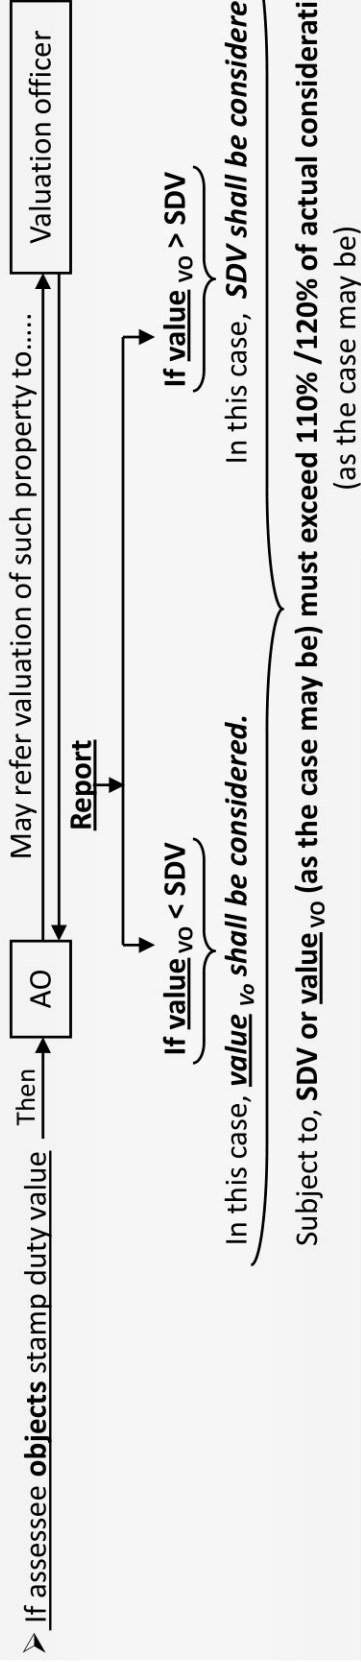

- (ii) in two flats situated side by side and the builder had effected the necessary modification to make it as one unit:

☞ In the case of Gita Duggal, the Supreme Court has held that *one residential house may have contained several units.*

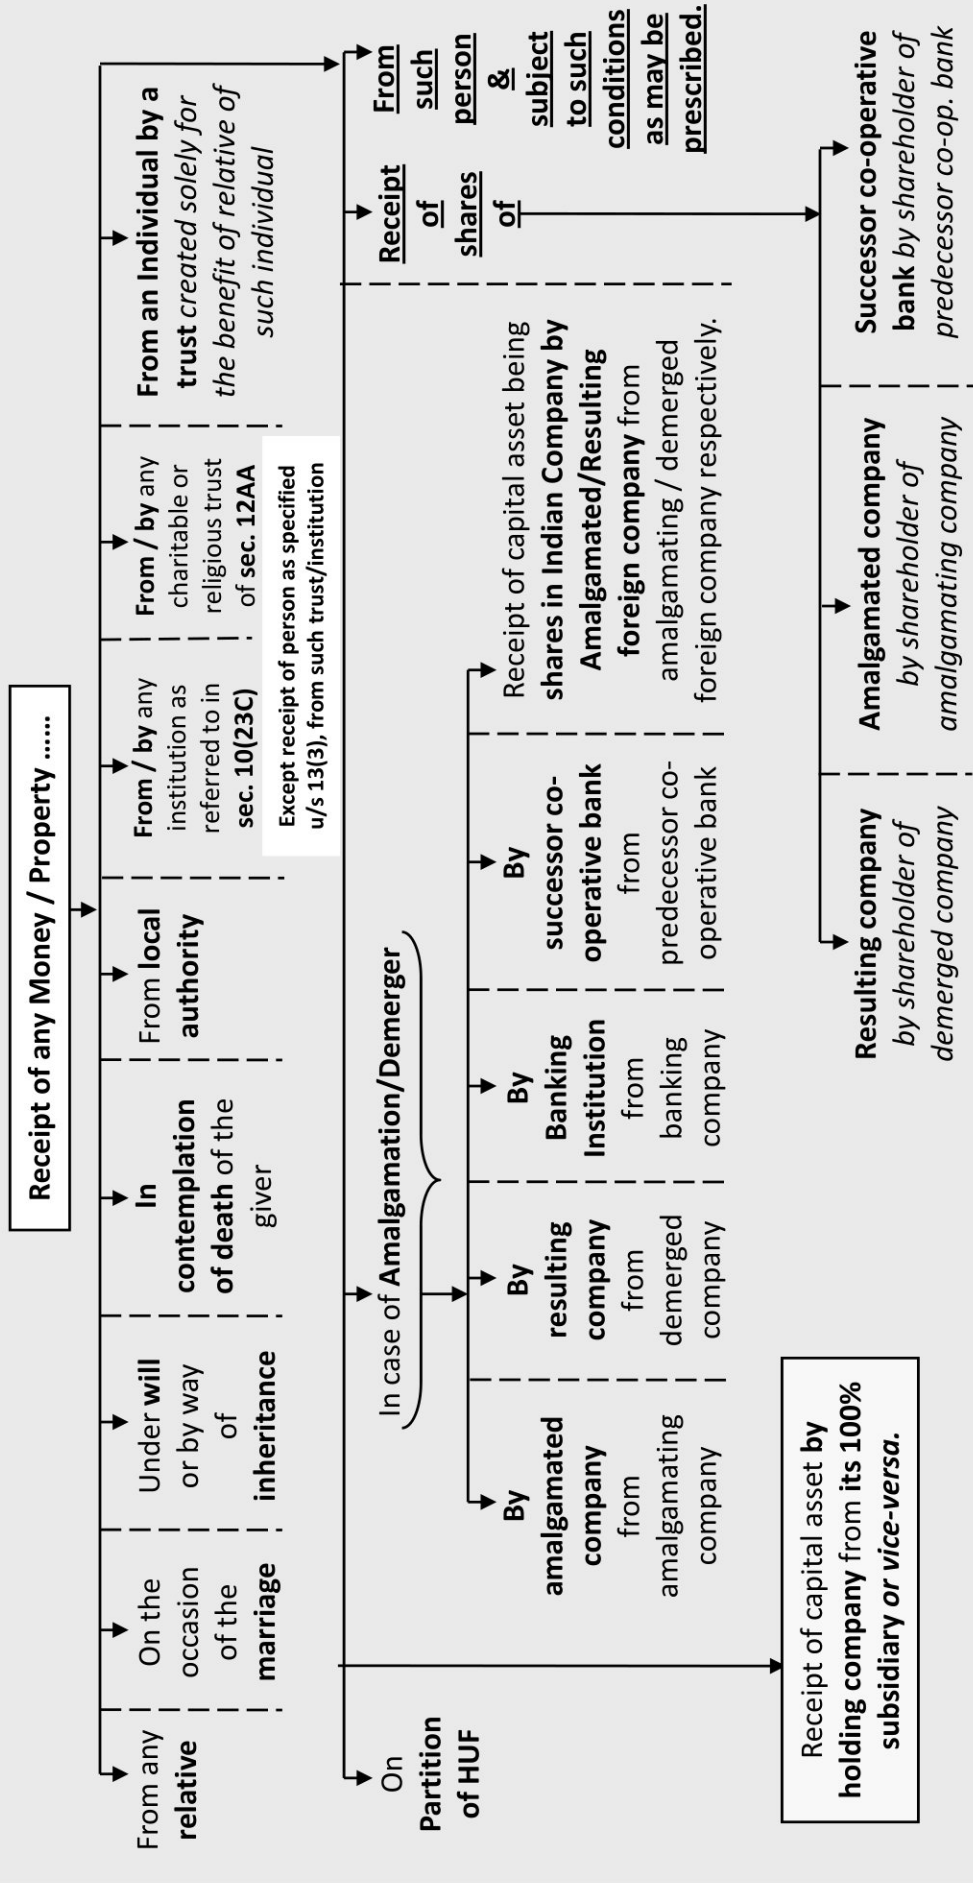

☞ In the case of Syed ali adil, the Andhra Pradesh High Court has held **two adjacent flats will constitute a single unit even if purchased by separate sale deed.**

Therefore, assessee would be entitled to claim exemption in respect of all those units u/s 54 or 54F (as the case maybe).

➤ **Exceptions to section 56(2)(x): Taxability shall not arise in the following cases –**

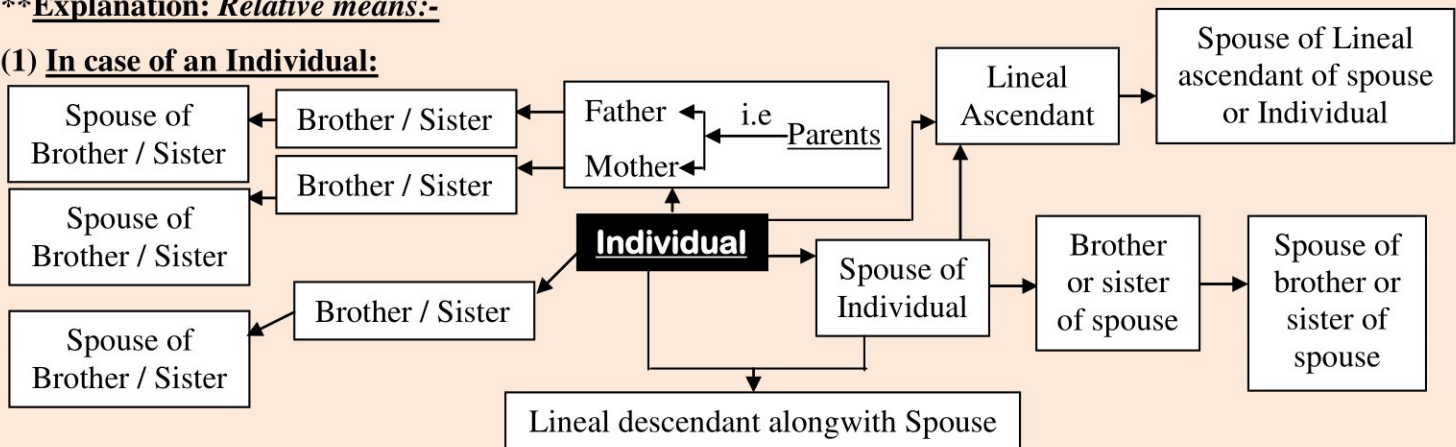

"TAXATION OF GIFTS"

Extract of Section 56(2)(x):-

****Explanation: Relative means:-**

(1) In case of an Individual:

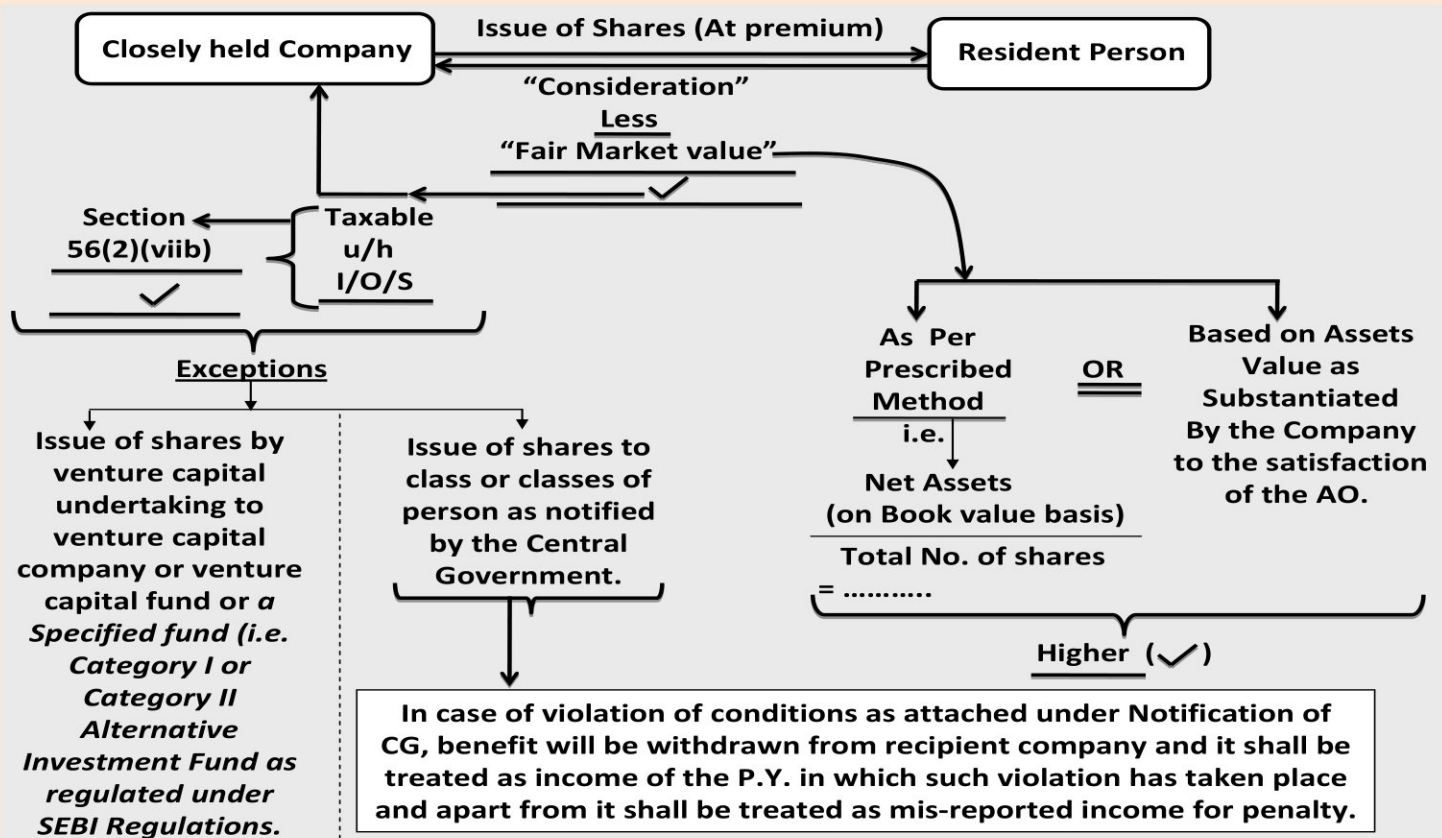

(2) In case of an HUF: ANY MEMBER THEREOF

Section 49: Cost of acquisition of the property acquired u/s 56 (2) (x):-

Cost of acquisition of property which has been taxed u/s 56(2)(x) = Value (i.e. SDV/FMV) which has been considered for the purpose of section 56(2)(x).

Section 56(2)(viib): Share premium in excess of the fair market value to be treated as income:-

“LATEST JUDICIAL PRONOUNCEMENT”

PCIT v/s Dr. Ranjan Pai (2021)(Kar):

- On the issue **Can bonus shares received by shareholders be taxable under the head ‘Income from other sources’ as per the provisions of section 56(2)(x), as they are received without consideration,**
 - The Court has held that issue of bonus shares by capitalization of reserves is merely a reallocation of the company's funds. There is no inflow of fresh funds or increase in the capital employed, which remains the same. On the other hand, when a shareholder gets bonus shares, the value of the original shares held by him goes down and the market value as well as intrinsic value of the two shares put together will be the same or nearly the same as the value of original share before the issue of bonus shares. Thus, any profit derived by the assessee shareholder on account of receipt of bonus shares is adjusted by depreciation in the value of equity shares originally held by him.
 - Accordingly, the High Court held that the bonus shares were not issued in order to evade any tax so to attract the provisions of section 56(2)(x). **Hence, the provisions of section 56(2)(x) would not be attracted in the hands of the recipient shareholders on receipt of bonus shares.**

"TAXATION OF UNIT LINKED INSURANCE POLICY (ULIP)"

Taxation of proceeds of High Premium ULIP:

Inserted by Finance Act, 2021 w.e.f. A.Y. 21-22

Existing Legal Position:

- ✓ Section 10(10D) provides that the sum received under a life insurance policy (including the sum allocated by way of bonus on such policy) shall be exempt *subject to fulfilment of the following condition:*
 - In case of policy issued on or after 1/4/2012, **annual premium should not exceed 10%** of the **actual sum assured** (15% for person covered u/s 80U/80DDB, if policy is issued on or after 1/4/2013).
 - However, in case of policy issued before 1/4/2012 **annual premium should not exceed 20%** of the **actual sum assured**.
- ✓ Exemption under this section is **not available** to any sum received under a "keyman insurance policy".

Note: Section 10(10D) did not have any specific provision regarding taxation of sum received under ULIP.

Purpose of the amendment (as Explained in Memorandum to the Finance Bill, 2021):

Under the existing provisions of the Act, **there is no cap on the amount of annual premium being paid by any person during the term of the policy.** Instances have come to the notice where **high net worth individuals are claiming exemption under this clause by investing in ULIP with huge premium.** *Allowing such exemption in policy / policies with huge premium defeats the legislative intent of this clause.* **The intention was to provide benefit to small and genuine cases of life insurance.** Hence, it is proposed to provide for the following....

Amendments in Section 10(10D): *Withdrawal of exemption to certain ULIP :-*

- (1) **Insertion of fourth proviso to section 10(10D):**
- (i) the exemption shall not apply with respect to any ULIP if it is issued on or after 1st February, 2021; and
 - (ii) the **amount of premium payable** for *any of the previous year* during the term of such policy **exceeds ₹ 2.5 lakhs.**

Explanatory Notes:

- (1) The provision is applicable only to ULIP issued on or after 1st February, 2021. **It does not impact the taxability of proceeds from ULIP issued prior to 1st February, 2021 even if the policy holder continues to pay the premium for said ULIP after 1st February, 2021.**
- (2) The exemption is not available if the amount of premium payable for 'any of the previous year' (that is, any one previous year) during the term of the policy exceeds ₹ 2.5 lakhs. **Hence, the exemption would not be available even if the premium exceeds ₹ 2.5 lakhs in only one previous year and is less than ₹ 2.5 lakhs in all other years.**
- (3) If the premium payable for ULIP exceeds the threshold as given u/s 10(10D) like, 10% of the actual capital sum assured, then, **no exemption would be allowed with respect to the sum received under**

the policy even if the premium payable does not exceed ₹2.5 lakhs.

- (4) If a ULIP qualifies for 'keyman insurance policy', the sum received on maturity will not be exempt under section 10(10D) even if the amount of premium does not exceed ₹ 2.5 lakhs.

(2) **Insertion of fifth proviso to section 10(10D):**

- If the premium is payable, by a person, for more than one ULIP, issued on or after 1st February, 2021,
- the exemption under section 10(10D) shall apply
- only with respect to those insurance policies,
- where the aggregate amount of premium does not exceed ₹ 2.5 lakhs in any of the previous year during the term of any of those policies.

Explanatory Notes:

- (i) As per this 5th proviso, exemption shall apply to those ULIPs where the aggregate amount of premium does not exceed ₹ 2.5 lakhs.
- (ii) If a policy is not otherwise exempt u/s 10(10D) on the ground that the annual premium exceeds the threshold as given u/s 10(10D) like, 10% of the sum assured or it is a case of keyman insurance policy, in such type of a case, on a reasonable interpretation, for the purpose of calculating the limit of ₹ 2.5 lakhs, the premium pertaining to the said policy should be excluded.

(3) **Insertion of sixth proviso to section 10(10D):**

The provisions of the aforesaid fourth and fifth provisos *shall not apply to any sum received on the death of a person.*

(4) **Insertion of seventh proviso to section 10(10D):**

If any difficulty arises in giving effect to the provisions of section 10(10D), the CBDT may, with the approval of the Central Government, issue guidelines for the purpose of removing the difficulty and shall be binding on the income-tax authorities and the assessee.

(5) **Insertion of Explanation 3 to section 10(10D):**

The expression "unit linked insurance policy" has been defined as

- a life insurance policy **which has components of both investment and insurance**, and
- **is linked to a unit** as defined in regulation 3(ee) of the Insurance Regulatory and Development Authority of India (Unit Linked Insurance Products) Regulations, 2019 (i.e. a specific portion or part of the underlying segregated unit-linked fund which is representative of the policy holders entitlement under such funds).

Example 1:

Determine whether an exemption is available under section 10(10D) for a single policy purchased by four different persons in the following scenarios: (₹ in lakhs)

Particulars	Mr. P	Mr. Q	Mr. R	Mr. S
-------------	-------	-------	-------	-------

Date of investment in ULIP	31-12-20	15-01-21	15-02-21	28-02-21
Premium payable every year	2.60	2.00	2.30	2.55
Sum assured	50.00	18.00	20.00	35.00
Whether the amount of premium exceeds 10% of the capital sum assured?	No	Yes	Yes	No
Whether the amount of premium during the year exceeds ₹ 2.5 lakhs?	Not applicable	Not applicable	No	Yes
Whether exemption available under Section 10(10D)?	Yes	No	No	No

Example 2:

Determine whether an exemption is available under section 10(10D) for multiple policies purchased by one person on or after 01-02-2021 in the following scenarios:

Policy	Premium payable every year	Capital sum assured	Whether premium exceeds 10% of capital sum assured?	Whether premium exceeds ₹ 2,50,000	Whether eligible for exemption under section 10(10D)?
A	2.60	26	No	Yes	No
B	2.00	15	Yes	No	No
C	0.60	5	Yes	No	No
D	1.00	11	No	No	Yes*
E	0.60	7	No	No	Yes*
F	0.90	10	No	No	Yes*
G	0.85	9	No	No	Yes*

* Though the last four policies (policies D to G) are individually eligible for exemption u/s 10(10D) but the exemption can be claimed in respect of only those policies whose aggregate premium during the year does not exceed ₹ 2,50,000 (that is, low premium policies). In these cases, the aggregate premium is ₹ 3.35 lakhs and hence, the receipt in respect of ALL these Four policies will not be fully exempt under section 10(10D).

The receipt of any combination of two or three policies among these four policies, of which aggregate premium doesn't exceed ₹ 2,50,000, can be claimed as exempt u/s 10(10D), like, receipt from policy named as D, E & F, can be claimed as exempt because aggregate premium is ₹ 2,50,000 (i.e. 1.00L + 0.60L + 0.90L).

Amendments in Section 2(14): Definition of capital Asset :-

In order to enable levy of capital gains tax on the transfer of ULIP, the definition of capital asset has been amended to provide that a ULIP [to which exemption u/s 10(10D) of the Act does not apply on account of the applicability of the fourth and fifth proviso] will be treated as capital asset. [Section 2(14)(c)]

Insertion of Section 45(1B): Capital gains arising upon receipt of specified ULIP:-

Consequent upon the withdrawn of exemption of section 10(10D) in certain cases, this section 45(1B) has been inserted to provide that-

- (a) where any person **receives at any time during any previous year any amount under a ULIP**, including the amount allocated by way of bonus on such policy, and
- (b) **the exemption under section 10(10D) does not apply to such a receipt on account of the applicability of the fourth and fifth proviso thereof**, then,
 - any profits or gains arising from receipt of such amount by such person shall be chargeable to income-tax **under the head "Capital gains"**;
 - **deemed to be the income of such person of the previous year in which such amount was received**; and
 - *the income taxable shall be calculated in such manner as may be provided by rules.*

Thus, the profits and gains arising upon receipt of non-exempt ULIP shall be chargeable as capital gains.

Amendments in Section 112A: Tax on Capital gains arising upon receipt of specified ULIP:-

- Section 112A relating to tax on long term capital gains on, *inter alia*, transfer of units of equity oriented fund, has been amended as follows:
- **Explanation to the said section** provides for the **definition of the expression "equity oriented fund"**.

The said definition is applicable if the following conditions are fulfilled:

1st Condition: The fund is set-up under a scheme of a mutual fund specified under section 10(23D), and

2nd Condition:

- (i) in a case where the fund invests in the units of another fund which is traded on a recognised stock exchange,-
 - (a) **a minimum of 90% of the total proceeds of such fund is invested in the units of such other fund; and**
 - (b) **such other fund also invests a minimum of 90% of its total proceeds in the equity shares of domestic companies listed on a recognised stock exchange; and**
- (ii) in any other case, **a minimum of 65% of the total proceeds of such fund is invested in the equity shares of domestic companies listed on a recognised stock exchange.**
- The said Explanation has been amended to provide that "equity oriented fund" *shall include a fund set up under a scheme of an insurance company comprising ULIPs to which exemption u/s 10(10D) does not apply on account of the applicability of the fourth and fifth proviso thereof.* (In 1st condition above)
- Further, a second proviso has been inserted to provide **in case of a scheme of an insurance company comprising unit linked insurance policies to which exemption under section 10(10D) does not apply on account of the applicability of the fourth and fifth proviso thereof, the minimum requirement of 90% or 65%, as the case may be, as applicable to a mutual fund, is required to be satisfied throughout the term of such insurance policy.** (2nd condition above)
- *The provision is made in order to provide parity, between the taxation of the non-exempt ULIP and mutual fund.*

Explanatory Notes:

(1) In view of the aforesaid amendment, **ULIP, receipt of which is taxable, will be treated as units of equity oriented fund.** *If assessee holds more than 12 months, then, it will be case of Long term capital gain to qualify the exemption of 1,00,000/- and concessional taxation @ 10% on excess portion u/s 112A.* Moreover, such capital gain will be computed without indexation, actually, that will be derived simply by reducing total premium paid from total amount received on maturity of ULIP.

(2) **Levy of Security Transaction Tax:**

Consequential amendment has also been made in Chapter of STT, to make security transaction tax applicable on maturity or partial withdrawal with respect to ULIP issued by the insurance company on or after the 1st February, 2021 *[to which exemption under clause (10D) of section 10 of the Act does not apply on account of the applicability of the fourth and fifth proviso].*

(3) **Applicability of TDS Provisions:**

Section 194DA provides that any sum payable to a resident under a life insurance policy which is not exempt under section 10(10D) is liable to tax deduction at source @ 5% on the amount of income comprised in such receipt. Hence, *the maturity proceeds of ULIP not exempt under section 10(10D) would be liable to TDS @ 5%.*

Example on Section 10(10D), Section 45(1B) & Section 112A:

Mr. X takes a unit – linked insurance plan on March 6, 2021 [information pertaining to sum assured and annual insurance premium is given in table below]. He wants to know whether (or not) exemption will be available under section 10(10D) at the time of maturity of ULIP. He does not have any other policy and does not intend to take any other ULIP in future. (₹ in lakh)

	Situation 1	Situation 2	Situation 3
Sum assured	30	15	30
Annual insurance premium	2.40	2	2.6

Situation 1:

As the annual insurance premium does not exceed 10% of sum assured and annual insurance premium is not more than ₹ 2,50,000, exemption u/s 10(10D) will be available at the time of maturity of ULIP.

Situation 2:

As annual insurance premium is more than 10% of sum assured, exemption is not available by virtue of threshold given in section 10(10D). In this case, annual insurance premium is not more than ₹ 2,50,000, fourth proviso or fifth proviso to section 10(10D), section 45(1B) and section 112A are not applicable.

Situation 3:

Even though annual insurance premium does not exceed 10% of sum assured, but, annual insurance premium is more than ₹ 2,50,000, therefore, by virtue of fourth and fifth proviso to section 10(10D), X cannot claim exemption. Capital gain will be taxable u/s 45(1B) and tax will be computed as per section 112A.

Circular No. 2/2022 dated 19.01.2022: Guidelines u/s 10(10D) of the Income-tax Act, 1961:-

Section 10(10D) provides for exemption of the sum received under a life insurance policy, including the sum allocated by way of bonus on such policy subject to the condition that the annual premium does not exceed 10% of actual capital sum assured. However, there was no cap on the amount of annual premium paid by any person during the term of the policy.

In order to deter the practice of high net worth individuals from claiming exemption u/s 10(10D) by investing in ULIPs with huge premium, additional condition has been stipulated u/s 10(10D) in respect of ULIPs issued on or after 1.2.2021.

For this purpose, ULIP means a life insurance policy which has components of both investment and insurance and is linked to a unit defined under IRDA (ULIP) Regulations, 2019 issued by IRDA under the Insurance Act, 1938 and the IRDA Act, 1999.

In case where an assessee has a Single ULIP issued on or after 1.2.2021 - Exemption u/s 10(10D) would not be available with respect to any ULIP issued on or after 1.2.2021, if the amount of premium payable exceeds ₹ 2,50,000 for any of the previous years during the term of such ULIP. Such ULIP would be a specified ULIP, which is a capital asset.

In case where an assessee has multiple ULIPs issued on or after 1.2.2021 - In a case where premium is payable by a person for more than one ULIP issued on or after 1.2.2021 and the aggregate of premium payable on such ULIPs exceed ₹ 2,50,000 for any of the previous years during the term of any such ULIP(s), exemption u/s 10(10D) would be available in respect of any of those ULIPs, at the option of the assessee, whose aggregate premium payable does not exceed ₹ 2,50,000 for any of the previous years during their term. All other ULIPs would be specified ULIPs, which are capital assets under section 2(14)(c). However, to get exemption u/s 10(10D), the condition of annual premium not exceeding 10% of the actual capital sum assured also needs to be satisfied.

Exemption in case of death of a person - In case any sum is received on the death of a person, exemption u/s 10(10D) would be available irrespective of the annual premium payable of the ULIP.

In case any difficulty arises in giving effect to the provisions of this clause, the CBDT may issue guidelines for the purpose of removing the difficulty with the previous approval of the Central Government.

Accordingly, the CBDT has with the approval of the Central Government, issued the following guidelines vide this Circular –

Situation 1: No sum including any sum allocated by way of bonus (such sum hereinafter referred as “consideration”) is received by the assessee on any ULIPs which are issued on or after 1.2.2021 (such ULIPs hereinafter referred as “eligible ULIPs”) during any previous year preceding the current previous year or consideration has been received on such eligible ULIPs in an earlier previous year but has not been claimed exempt. In such a situation, the exemption u/s 10(10D) would be determined as under:

I. Where the assessee has received consideration, during the current P.Y., under one eligible ULIP only

Circumstance	Eligibility for exemption u/s 10(10D)
--------------	---------------------------------------

▪ If the amount of premium payable on such eligible ULIP does not exceed ₹ 2,50,000 for any of the PYs during the term of such eligible ULIP and annual premium does not exceed 10% of actual capital sum assured.	<i>Such consideration would be eligible for exemption u/s 10(10D) [Refer Example 1 given below]</i>
▪ If the amount of premium payable on such eligible ULIP > ₹ 2,50,000 for any of the PYs during the term of such eligible ULIP	<i>Such consideration would not be eligible for exemption u/s 10(10D) [Refer Example 2 given below]</i>

Example 1:

ULIP	A
Date of issue	1.4.2021
Annual premium	2,50,000
Sum assured	25,00,000
Consideration received as on 01.11.2031 on maturity	32,00,000
Note – The assessee did not receive any consideration under any other eligible ULIPs in earlier P.Y. preceding the P.Y.2031-32.	

Eligibility for exemption u/s 10(10D) - The consideration received would be exempt u/s 10(10D) in A.Y. 2032-33, since the annual premium payable on the policy does not exceed ₹ 2,50,000 and also does not exceed 10% of actual capital sum assured.

Example 2:

ULIP	A
Date of issue	1.4.2021
Annual premium	5,00,000
Sum assured	50,00,000
Consideration received as on 01.11.2031 on maturity	60,00,000
Note – The assessee did not receive any consideration under any other eligible ULIPs in earlier P.Y. preceding the P.Y.2031-32.	

Eligibility for exemption u/s 10(10D) - The consideration received would not be exempt u/s 10(10D) in A.Y. 2032-33 since the annual premium payable on the eligible ULIP exceeds ₹ 2,50,000.

II. Where the assessee has received consideration, during the current P.Y., under more than one eligible ULIPs

Circumstance	Eligibility for exemption u/s 10(10D)
If the aggregate of the amount of premium payable on such eligible ULIPs does not exceed ₹ 2,50,000 for any of the PYs during	<i>Such consideration would be eligible for exemption under u/s 10(10D) [Refer Example 3 given below]</i>

the term of such eligible ULIPs and the annual premium $\leq 10\%$ of actual capital sum assured.	
If the aggregate of the amount of premium payable on such eligible ULIPs $> ₹ 2,50,000$ for any of the PYs during the term of such eligible ULIP.	<i>Consideration in respect of any of those eligible ULIPs whose aggregate amount of premium payable does not exceed ₹ 2,50,000 for any of the PYs during their term would be eligible for exemption u/s 10(10D), provided their annual premium $\leq 10\%$ of actual capital sum assured. [Refer Examples 4 and 5 given below]</i>

Example 3:

ULIP	A	B
Date of issue	01.04.2021	01.04.2021
Annual premium	1,00,000	1,50,000
Sum assured	10,00,000	15,00,000
Consideration received as on 01.11.2031 on maturity	12,00,000	18,00,000

Note – The assessee did not receive any consideration under any other eligible ULIPs in earlier P.Y. preceding the P.Y.2031-32.

Eligibility for exemption u/s 10(10D) – In this case, the aggregate of the annual premium payable for ULIP “A” and ULIP “B” does not exceed ₹ 2,50,000 during the term of these policies.

Further, annual premium payable in respect of ULIP “A” and ULIP “B” does not exceed 10% of actual capital sum assured. Therefore, the consideration received under ULIP “A” and “B” would be exempt u/s 10(10D) in A.Y. 2032-33.

Example 4:

ULIP	A	B	C
Date of issue	1.4.2021	1.4.2021	1.4.2021
Annual premium	1,00,000	1,50,000	3,00,000
Sum assured	10,00,000	15,00,000	30,00,000
Consideration received as on 1.11.2031 on maturity	12,00,000	18,00,000	34,00,000

Note: The assessee did not receive any consideration under any other eligible ULIPs in earlier P.Y. preceding the P.Y.2031-32.

Eligibility for exemption u/s 10(10D) – In this case, the aggregate of the annual premium payable for ULIP “A”, ULIP “B” and ULIP “C” exceeds ₹ 2,50,000 during the term of these policies.

However, the consideration received under ULIPs “A” and “B” would be exempt u/s 10(10D) in A.Y. 2032-33, since aggregate of annual premium payable for these two policies does not exceed ₹ 2,50,000 for any previous year during the term of these two policies and also does not exceed 10% of actual capital sum assured.

Consequently, consideration received under ULIP “C” alone would not be exempt u/s 10(10D) in A.Y. 2032-33.

Example 5:

ULIP	X	A	B	C
Date of issue	1.4.2020	1.4.2021	1.4.2021	1.4.2021
Annual premium	2,50,000	1,00,000	1,50,000	3,00,000
Sum assured	25,00,000	10,00,000	15,00,000	30,00,000
Consideration received as on 01.11.2030 on maturity	30,00,000			
Consideration received as on 01.11.2031 on maturity		12,00,000	18,00,000	34,00,000

Note – The assessee did not receive any consideration under any other eligible ULIPs in earlier P.Y. preceding the P.Y.2031-32.

Eligibility for exemption u/s 10(10D) - The consideration received under ULIP “X” would be exempt u/s 10(10D) in A.Y. 2031-32 since annual premium does not exceed 10% of the actual capital sum assured. Moreover, as the policy has been issued before 1.2.2021, limit of ₹ 2,50,000 of amount of premium payable is not applicable.

The aggregate of annual premium payable for ULIP “A”, ULIP “B” and ULIP “C” (being ULIPs issued on or after 1.2.2021) exceeds ₹ 2,50,000 during the term of these policies.

However, the consideration received under ULIPs “A” and “B” would be exempt u/s 10(10D) in A.Y. 2032-33, since aggregate of annual premium payable for these two policies does not exceed ₹ 2,50,000 for any previous year during the term of these two policies and annual premium payable in respect of these policies does not exceed 10% of actual capital sum assured.

Consequently, consideration received under ULIP “C” alone would not be exempt u/s 10(10D) in A.Y. 2032-33.

Situation 2: Consideration has been received by the assessee under any one or more eligible ULIPs during any P.Y. preceding the current P.Y. and it has been claimed to be exempt u/s 10(10D). Such eligible ULIPs are referred as “Earlier Exempt Eligible ULIPs (EEE ULIPs)” in this paragraph and corresponding examples and reference to eligible ULIPs shall not include EEE ULIPs. The exemption u/s 10(10D) would be determined as under:

1. Where the assessee has received consideration, during the current P.Y., under one eligible ULIP only

Circumstance	Eligibility for exemption u/s 10(10D)
▪ If aggregate amount of premium payable on such eligible ULIP and EEE ULIPs does not exceed ₹ 2,50,000 for any of the PYs during the term of such eligible ULIP and annual premium in respect of eligible ULIP does not exceed 10% of actual capital sum assured.	<i>Consideration under such eligible ULIP would be eligible for exemption u/s 10(10D) [Refer Example 6]</i>
▪ If aggregate amount of premium payable on such eligible ULIP and EEE ULIPs > ₹ 2,50,000 for any of the PYs during the term of such eligible ULIP	<i>Consideration under such eligible ULIP would not be eligible for exemption u/s 10(10D) [Refer Example 7]</i>

Example 6:

ULIP	X	A
Date of issue	1.4.2021	1.4.2022
Annual premium	2,00,000	50,000
Sum assured	20,00,000	5,00,000
Consideration received as on 01.11.2031 on maturity	25,00,000	
Consideration received as on 01.11.2032 on maturity		6,00,000
Note – The assessee did not receive any consideration under any other eligible ULIPs in earlier P.Y. preceding the P.Y.2032-33, except ULIP X in P.Y.2031-32.		

Eligibility for exemption u/s 10(10D) – The consideration under ULIP “X” would be exempt u/s 10(10D) in A.Y. 2032-33, since the annual premium does not exceed ₹ 2,50,000 and also does not exceed 10% of actual capital sum assured.

The consideration received under ULIP “A” will also be exempt u/s 10(10D) in A.Y. 2033-34 since aggregate of the annual premium payable for ULIP “A” and ULIP “X” does not exceed ₹ 2,50,000 for the P.Ys. 2022-23 to 2031-32 and the annual premium of ULIP “A” does not exceed 10% of actual capital sum assured.

Example 7:

ULIP	X	A
Date of issue	1.4.2021	1.4.2022
Annual premium	2,00,000	1,00,000
Sum assured	20,00,000	10,00,000
Consideration received as on 01.11.2031 on maturity	25,00,000	
Consideration received as on 01.11.2032 on maturity		12,00,000
Note – The assessee did not receive any consideration under any other eligible ULIPs in earlier P.Y. preceding the P.Y.2032-33, except ULIP X in P.Y.2031-32.		

Eligibility for exemption u/s 10(10D) – The consideration under ULIP “X” would be exempt u/s 10(10D) in A.Y. 2032-33, since the annual premium does not exceed ₹ 2,50,000 and also does not exceed 10% of actual capital sum assured.

The consideration received under ULIP “A” will not be exempt u/s 10(10D) in A.Y. 2033-34 since aggregate of the annual premium payable for ULIP “A” and ULIP “X” (both ULIPs issued on or after 1.2.2021) exceeds ₹ 2,50,000.

II. Where the assessee has received consideration, during the current P.Y., under more than one eligible ULIP

▪ If aggregate of the amount of premium payable on such eligible ULIPs and EEE	Consideration received would be eligible for exemption under u/s 10(10D)
--	--

ULIPs does not exceed ₹ 2,50,000 for any of the PYs during the term of such eligible ULIPs and annual premium in respect of eligible ULIPs also does not exceed 10% of actual capital sum assured.	
▪ If aggregate of the amount of premium payable on such eligible ULIPs and EEE ULIPs > ₹ 2,50,000 for any of the PYs during the term of such eligible ULIPs.	<i>Consideration in respect of any of those eligible ULIPs (whose aggregate amount of premium along with the aggregate amount of premium of EEE ULIPs does not exceed ₹ 2,50,000 for any of the PYs during their term) would be eligible for exemption u/s 10(10D)[Refer Examples 8, 9 and 10 given below]</i>

Example 8:

ULIP	X	A	B	C
Date of issue	1.4.2021	1.4.2022	1.4.2022	1.4.2022
Annual premium	2,00,000	1,00,000	1,50,000	3,00,000
Sum assured	20,00,000	10,00,000	15,00,000	30,00,000
Consideration received as on 01.11.2031 on maturity	25,00,000			
Consideration received as on 01.11.2032 on maturity		12,00,000	18,00,000	34,00,000
Note – The assessee did not receive any consideration under any other eligible ULIPs in earlier P.Y. preceding the P.Y.2032-33, except ULIP X in P.Y.2031-32.				

Eligibility for exemption u/s 10(10D) - The consideration under ULIP “X” would be exempt u/s 10(10D) in A.Y. 2032-33, since the annual premium does not exceed ₹ 2,50,000 and also does not exceed 10% of actual capital sum assured.

In this case, the aggregate of the annual premium payable for ULIP “A”, ULIP “B” and ULIP “C” along with the premium for ULIP “X” exceeds ₹ 2,50,000 during the term of these policies. Hence, the consideration received under ULIPs “A”, “B” and “C” will not be exempt u/s 10(10D) in A.Y. 2033-34.

Alternative treatment: If the consideration under ULIP “X” was not claimed to be exempt u/s 10(10D) in A.Y. 2032-33 by the assessee, then, the consideration received under ULIP “A” and ULIP “B” would be exempt u/s 10(10D) in A.Y.2033 -34 since the aggregate of the annual premium payable for the ULIPs “A” and “B” together did not exceed ₹ 2,50,000 for any of the previous years during the term of these two policies.

Example 9:

ULIP	X	A	B	C
Date of issue	1.4.2021	1.4.2022	1.4.2022	1.4.2022
Annual premium	1,00,000	1,00,000	1,50,000	3,00,000

Sum assured	10,00,000	10,00,000	15,00,000	30,00,000
Consideration received as on 1.11.2031 on maturity	12,00,000			
Consideration received as on 1.11.2032 on maturity		12,00,000	18,00,000	34,00,000
Note – The assessee did not receive any consideration under any other eligible ULIPs in any earlier P.Y. preceding the P.Y.2032-33, except ULIP X in P.Y.2031-32.				

Eligibility for exemption u/s 10(10D) - The consideration under ULIP “X” would be exempt u/s 10(10D) in A.Y. 2032-33, since the annual premium does not exceed ₹ 2,50,000 and also does not exceed 10% of actual capital sum assured.

In this case, the aggregate of the annual premium payable for ULIP “A”, ULIP “B” and ULIP “C” along with the premium for ULIP “X” exceeds ₹ 2,50,000 during the term of these policies.

However, the consideration received under ULIPs “A” or “B” (any one) can be claimed as exempt u/s 10(10D) in A.Y. 2033-34.

If the consideration received under ULIP “A” claimed to be exempt as aggregate of the annual premium payable for ULIP “X” and “A” did not exceed ₹ 2,50,000 for any of the PYs., the consideration received under ULIP “B” would not be exempt.

If the consideration received under ULIP “B” claimed to be exempt as aggregate of the annual premium payable for ULIP “X” and “B” did not exceed ₹ 2,50,000 for any of the PYs., the consideration received under ULIP “A” would not be exempt. Exemption for consideration received under ULIP “B” is preferred as it is more beneficial to the assessee.

Alternative treatment: If the consideration under ULIP “X” was not claimed to be exempt u/s 10(10D) in A.Y. 2032-33 by the assessee, then the consideration received under ULIP “A” and ULIP “B” would be exempt u/s 10(10D) in A.Y. 2033-34 since the aggregate of the annual premium payable for the ULIPs “A” and “B” together did not exceed ₹ 2,50,000 for any of the previous years during the term of these two policies.

It may be noted that in every case, the consideration received for ULIP “C” would not be exempt u/s 10(10D).

Example 10:

ULIP	X	Y	A	B	C
Date of issue	1.4.2021	1.4.2021	1.4.2022	1.4.2022	1.4.2022
Annual premium	1,00,000	1,00,000	1,00,000	1,50,000	3,00,000
Sum assured	10,00,000	10,00,000	10,00,000	15,00,000	30,00,000
Consideration received on surrender as on 1.7.2025	6,00,000				
Consideration received on maturity as on 1.11.2031		12,00,000			
Consideration received as on 1.11.2032 on maturity			12,00,000	18,00,000	34,00,000
Note – The assessee did not receive any consideration under any other eligible ULIPs in any earlier P.Y. preceding the P.Y.2032-33, other than ULIPs “X” and “Y”.					

Eligibility for exemption u/s 10(10D) - The consideration under ULIP “X” would be exempt u/s 10(10D) in A.Y.2026-27, since the annual premium does not exceed ₹ 2,50,000 and also does not exceed 10% of actual capital sum assured.

The consideration received under ULIP “Y” would be exempt u/s 10(10D) in A.Y. 2032-33, since the aggregate of annual premium payable for ULIP “X” and “Y” does not exceed ₹ 2,50,000 and annual premium payable for ULIP “Y” does not exceed 10% of actual capital sum assured.

The consideration received under ULIPs “A”, ULIP “B” and ULIP “C” would not be exempt u/s 10(10D) in A.Y. 2033-34, since aggregate of annual premium payable for these three policies and ULIP “X” and “Y” exceeds ₹ 2,50,000.

Alternative treatment: If the consideration on surrender under ULIP “X” was not claimed to be exempt u/s 10(10D) in A.Y. 2026-27 by the assessee, then the consideration received under ULIP “Y” would be exempt and the consideration received under ULIP “A” or ULIP “B” (any one) can be exempt u/s 10(10D) in A.Y. 2033 -34. If the consideration received under ULIP “A” claimed to be exempt, as aggregate of the annual premium payable for ULIP “Y” and “A” did not exceed ₹ 2,50,000 for any of the PYs., the consideration received under ULIP “B” would not be exempt.

If the consideration received under ULIP “B” is claimed to be exempt as aggregate of the annual premium payable for ULIP “Y” and “B” did not exceed ₹ 2,50,000 for any of the PYs., the consideration received under ULIP “A” would not be exempt. Exemption for consideration received under ULIP “B” is preferred as it is more beneficial to the assessee.

If the consideration on surrender of ULIP “X” and on maturity of ULIP “Y” were not claimed to be exempt under section 10(10D) in A.Y.2026-27 and A.Y.2032-33, respectively, then consideration received under both ULIP “A” and ULIP “B” would be exempt in A.Y.2033-34 (being ULIPs issued on or after 1.2.2021, whose aggregate consideration does not exceed ₹ 2,50,000).

It may be noted that, in every case, consideration received under ULIP “C” would not be exempt u/s 10(10D).

Note: Some examples [Examples 6 and 7] and some alternative treatments which have been given above are based on the discussion contained in the Circular although they do not form part of the text of the Circular.

Computation of Capital Gains under section 45(1B) [Notification No. 8/2022 dated 18.01.2022]:

Section 45(1B) provides that where any person receives, at any time during any previous year, any amount, under a ULIP issued on or after 1.2.2021, to which exemption under section 10(10D) does not apply on account of premium payable exceeding ₹ 2,50,000 for any of the previous years during the term of such policy, then, any profits or gains arising from receipt of such amount by such person would be chargeable to income-tax under the head “Capital gains” and would be deemed to be the income of the such person for the previous year in which such amount was received.

It may be noted that where more than one ULIP is issued to a person on or after 1.2.2021 and the aggregate of

premium payable on such ULIPs exceed ₹ 2,50,000 for any of the previous years during the term of any such ULIP(s), the consideration under any of those ULIPs, at the option of the assessee, whose aggregate premium does not exceed ₹ 2,50,000 for any of the previous years during their term, would be eligible for exemption u/s 10(10D)1. Any amount received under any other ULIP(s) issued on or after 1.2.2021 (referred to as specified ULIPs) would be taxable u/s 45(1B). A specified ULIP has been defined as a ULIP to which exemption under section 10(10D) does not apply on account of applicability of the fourth and fifth provisos thereof. Such specified ULIP has been included in the definition of capital asset under section 2(14). The income from such specified ULIPs taxable is to be calculated in such manner as may be prescribed.

Accordingly, the CBDT has, vide this notification, notified Rule 8AD to compute capital gains on such specified ULIPs. Where any person receives at any time during any previous year any amount under such specified ULIP, including the amount allocated by way of bonus on such policy, then, —

	Situation	Capital gains arising from receipt of amount during the previous year in which such amount is received
(i)	Where the amount is received for the first time under such specified ULIP during the previous year,	<p>A-B</p> <p><i>A = the amount received for the first time under such specified ULIP during the previous year, including the amount allocated by way of bonus on such specified policy; and</i></p> <p><i>B = the aggregate of the premium paid during the term of such specified ULIP till the date of receipt of the amount as referred to in “A”</i></p>
(ii)	where the amount is received under such specified ULIP during the previous year, at any time after the receipt of the amount as referred to in (i)	<p>C-D</p> <p><i>C = the amount received under such specified ULIP during the previous year, at any time after the receipt of the amount as referred to in (i) above, including the amount allocated by way of bonus on such policy.</i></p> <p><i>Note - The amount which has already been considered for calculation of taxable amount during the earlier previous year(s) would not be included in “C”.</i></p> <p><i>D = the aggregate of the premium paid during the term of such specified ULIP till the date of receipt of the amount as referred to in “C” as reduced by “B” i.e., the premium that has already been considered for calculation of taxable amount during the earlier previous year(s).</i></p>

The capital gains as computed in above table would be deemed to be the capital gains arising from the transfer of a unit of an equity-oriented fund set up under a scheme of an insurance company comprising unit linked insurance policies.

☞ In respect of such shortfall, assessee shall be treated as assessee in default (also in a case where he has paid nothing against the aforesaid payable amount).

(B) "PROCEDURE FOR ASSESSMENT"

Section 142: Inquiry before assessment:-

➤ Applicability	Person who has filed his ROI	OR	Person in whose case due date u/s 139(1) has expired.
➤ AO may issue notice for....	—		(i) To file return within the time specified in the notice
For clause (i), Prescribed authority may also serve notice.			(ii) To furnish accounts (not older than three years prior to the relevant previous year), documents, various other information and statement of assets & liabilities. ✓ To require the statement of assets & liabilities not included in accounts, approval of Joint Commissioner is needed.

➤ To obtain full information about income / loss of assessee, AO may make necessary inquiry.

➤ **Special Audit [sub-section (2A) To (2D)]:**

Requirement: If proceedings are pending before the AO and in the interest of revenue, he feels necessary to get the accounts audited.

Grounds on which special audit may be directed to the assessee:

- ☞ **Nature and complexity in the accounts**
- ☞ **volume of the accounts;**
- ☞ **doubts about the correctness of accounts;**
- ☞ **multiplicity of transactions in the accounts; or**
- ☞ **specialized nature of business activity of assessee**

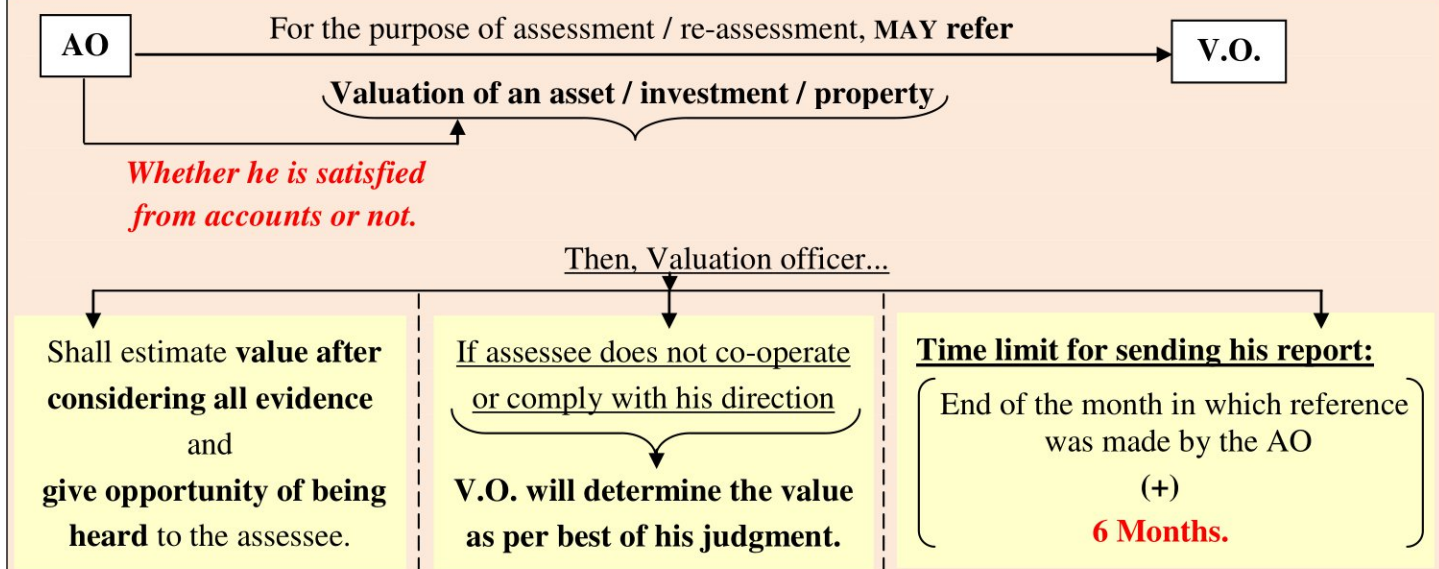

Other relevant points of Special Audit

Prior to issue of direction...		Audit expense will be determined by CCIT/ CIT & will be paid by the CG.	Audit will be done by the C.A. nominated by the CCIT/ CIT.	If accounts are already audited ↓ Still AO may issue direction	Audit report shall be furnished within time allowed by AO, that may be extended but aggregate time (i.e. originally allowed + extended) shall not exceed 180 days.

➤ If the AO wants to use the result of inquiry as held u/s 142(2) or audit report u/s 142(2A) in an assessment, an opportunity shall be given to the assessee (except in case of best judgment assessment).

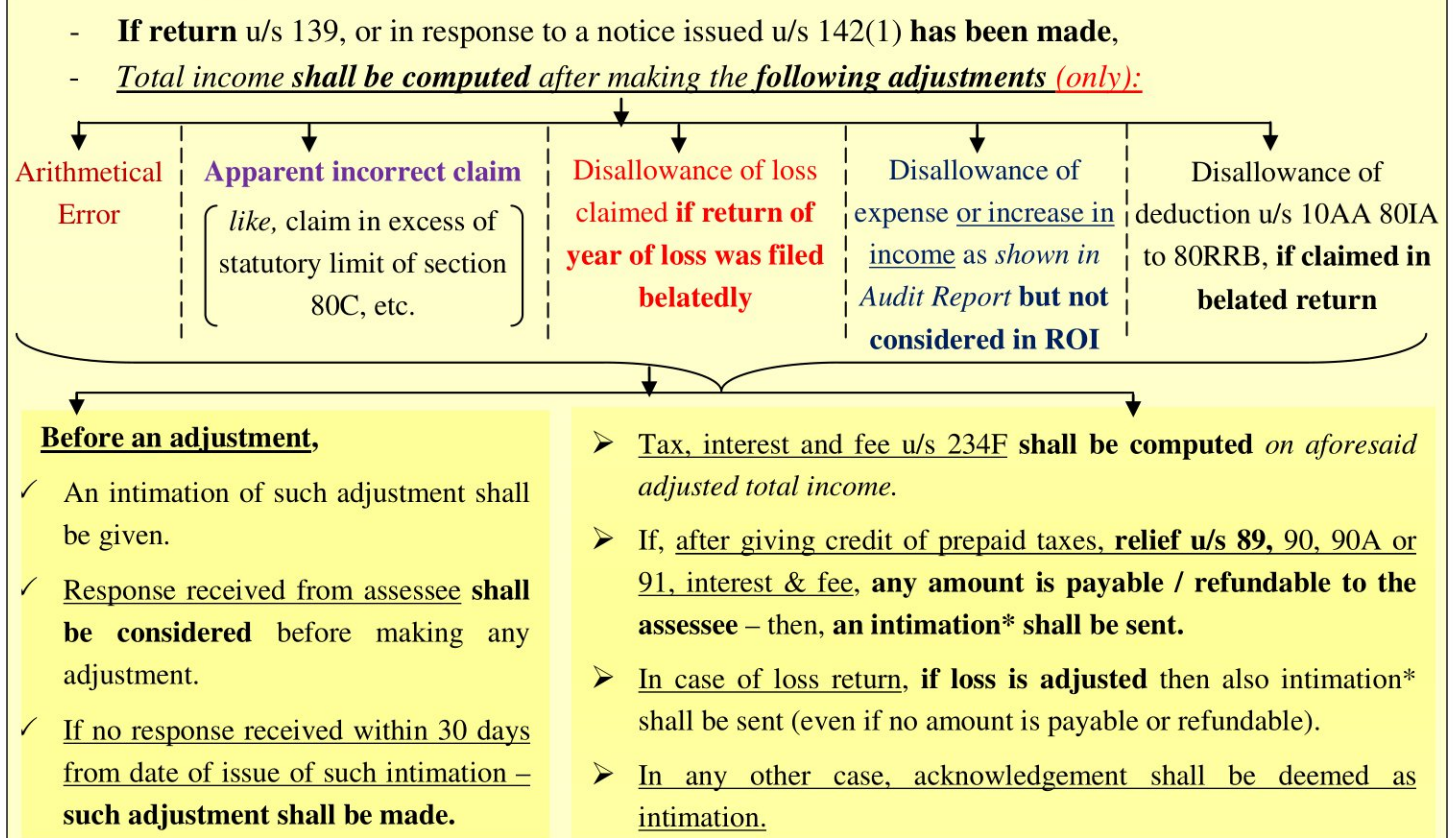

Nature of default	Consequences
Failure to comply with a notice u/s 142 (1) or Failure to comply with a direction u/s 142(2A)	<u>Penalty u/s 272A(1): ₹ 10,000</u> <u>Prosecution u/s 276D: Any period up to one year (with fine)</u>

Section 142A: Estimate by Valuation Officer in certain cases:-

AO **may consider** such report for assessment / re-assessment *after giving an opportunity to the assessee.*

Section 143(1): Assessment On the Basis of Return:-

*Time limit for sending the intimation (not for service of such intimation):

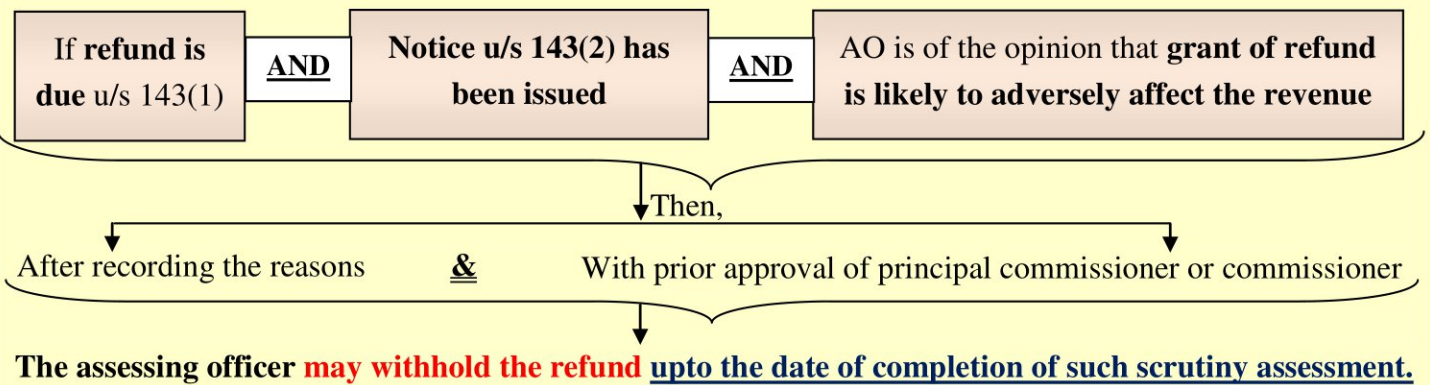

End of the year in which the return was filed (+) Nine Months.

EXPLANATORY REMARK:-

☞ **Section 143(1) is not an assessment;** Intimation u/s 143(1) is not an assessment order. Hence, a revised return can be filed even after the receipt of intimation u/s 143(1), if time is otherwise available u/s 139(5).

[Asstt. CIT v/s Rajesh Jhaveri Stock Brokers (P) Ltd.(SC)]

Section 241A: Withholding of refund in certain cases:-

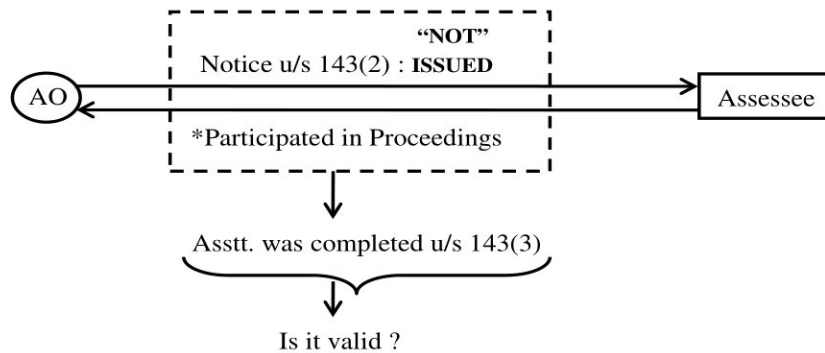

Section 143(2): Requirements for scrutiny assessment:-

- ☞ Assessee **has furnished his return** u/s 139, or in response to a notice issued u/s 142(1).
- ☞ Assessing officer or the prescribed authority **consider necessary to ensure about the correctness of the particulars of the return.**
- ☞ In this regard, assessing officer or the prescribed authority **shall serve a notice within 6 months 3 months from the end of the financial year in which the return is furnished.**

Section 292BB: Deemed validity of Notice served: -

- Where an assessee has -
 - **appeared in any proceeding related to an assessment or reassessment, or**
 - **co operated in any inquiry related to an assessment or reassessment,**
- It shall be deemed that any notice under any provision of this Act has been duly served upon him in time in accordance with the relevant provision of the Act. Further, such assessee shall be precluded from taking any objection in any proceeding or inquiry under this Act that the notice was,
 - ✓ not served upon him; or
 - ✓ not served upon him in time ; or
 - ✓ served upon him in an improper manner.
- ▶ **Non -applicability:-** The above provisions of section 292BB shall not apply where the assessee has raised such objection before the completion of such assessment or reassessment.

CIT v/s Laxman Das Khandelwal (2019) (Supreme Court):

Supreme Court's Observations: The Supreme Court observed that the law on the point as regards applicability of the requirement of issue of notice under section 143(2) is quite clear. According to section 292BB, if the assessee had participated in the proceedings, by way of legal fiction, notice issued would be deemed to be valid even if there be infractions as detailed in the said section. The scope of the provision is to make service of notice having certain infirmities to be proper and valid if there was requisite participation on the part of the assessee. *It is, however, to be noted that the section does not save complete absence of issue of notice. For section 292BB to apply, the notice must have emanated from the Department.* It is only the infirmities in the manner of service of notice that the section seeks to cure. The section is not intended to cure complete absence of notice itself.

Supreme Court's Decision: The Supreme Court, accordingly, held that *non-issuance of notice u/s 143(2) is not a curable defect u/s 292BB inspite of participation by the assessee in assessment proceedings.*

Section 143(3): Order for scrutiny assessment:-

Assessing officer shall, after considering all the relevant things, complete such assessment and will determine payable sum or refund, if any, upon the assessee, on the basis of such assessment.

- During the assessment proceedings, the assessee can put forth claim for deduction etc. which were not claimed in the ROI (but only by way of filing of revised return). The AO is duty bound to entertain such claims. [GOETZE (INDIA) LTD. v/s CIT (SC)]

First Proviso To Section 143(3):-

AS AMENDED BY F. A., 2022

For assessee, who has furnished its return u/s 139(4C) [i.e., Scientific research association, News agency, association or institution referred to in section 10(23A) / 10(23B) / 10(23C)], if the AO wants to complete assessment without exemption u/s 10, then, it is possible only on the fulfillment of the following two conditions:

- (a) The AO has intimated the violation of conditions of section 10 (on the part of the assessee) to the Central Government or the prescribed authority; and
- (b) The notification issued or approval granted to such a body has been rescinded or withdrawn.

But, in case of an institution as referred to in section 10(23C), if first proviso to section 2(15) become applicable i.e. commercial receipts exceeds 20% of total receipts during the relevant previous year, then, for such previous year, no exemption u/s 10(23C) will be given, whether approval granted to such an institution has been withdrawn or not. [Third Proviso]

Second Proviso To Section 143(3):-

AS AMENDED BY F. A., 2022

- where the Assessing Officer is satisfied that
- any fund or institution referred to in section 10(23C)(iv)/(v)/(vi)/(via), or any trust or institution referred to in section 11,
- **has committed any specified violation as defined in Explanation 2 to the fifteenth proviso to clause (23C) of section 10 or the Explanation to sub-section (4) of section 12AB, as the case may be,**
- he *shall*—
 - (a) **send a reference to the Principal Commissioner or Commissioner to withdraw the approval or registration, as the case may be; and**
 - (b) **no order making an assessment of the total income or loss of such fund or institution or trust shall be made by him without giving effect to the order passed by the Principal commissioner or Commissioner [either for cancellation of approval / registration or refusing to cancel the approval / registration u/s 10(23C) or u/s 12AB(4)(ii)/(iii)].**

Third Proviso To Section 143(3):-

For university, college or other institution as referred to in section 35(1)(ii) or (iii), If AO is satisfied that activities are not being carried out as per conditions with which such body has been approved, then, he may, after giving an opportunity to the assessee, recommend to the CG to withdraw the approval.

Section 144: Best Judgment Assessment or Ex-Parte Assessment:-

Grounds for best judgment assessment:

- ☞ **Failure to furnish a return** u/s 139(1) and has not furnished the return u/s 139(4), **or an updated return u/s 139(8A), or**
- ☞ **Failure to comply with** a notice issued u/s **142(1)**, or
- ☞ **Failure to comply with** a direction of audit u/s **142(2A)**, or
- ☞ **Failure to comply with** a notice issued u/s **143(2).**

As amended by F. A., 2022

Amendments made by Finance Act, 2021 (as applicable from 1st April, 2021):

NEW SCHEME of INCOME ESCAPING ASSESSMENT / REASSESSMENT (u/s 147 to 151A) and ASSESSMENT (u/s 153A to 153D) IN CASE OF SEARCH initiated u/s 132 or REQUISITION u/s 132A, on or after 1st April, 2021:

Section 147: Assessment /Reassessment/ Recomputation of loss or allowance:-

- If any income chargeable to tax, in the case of an assessee,
- **has escaped assessment** for any assessment year,
- **the Assessing Officer may, subject to the provisions of sections 148 to 153,**
- **assess or reassess such income** or recompute the loss or the depreciation allowance or any other allowance or deduction for such assessment year (i.e. relevant assessment year).

Explanation:

- For the purpose of assessment or reassessment or recomputation under this section,
- the Assessing Officer may assess or reassess the income
- in respect of any issue, which has escaped assessment, and
- such issue comes to his notice subsequently in the course of the proceedings under this section,
- irrespective of the fact that the provisions of section 148A have not been complied with.

Section 148: Requirement in relation of income escaping assessment:-

- Before making the assessment, reassessment or recomputation under section 147, and
- subject to the provisions of section 148A,
- the Assessing Officer shall serve on the assessee a notice, along with a copy of the order passed, if required, under section 148A(d),
- requiring him to furnish within such period, as may be specified in such notice,
- a return of his income or the income of any other person in respect of which he is assessable under this Act during the previous year corresponding to the relevant assessment year,
- in the prescribed form and verified in the prescribed manner and setting forth such other particulars as may be prescribed; and the provisions of this Act shall, so far as may be, apply accordingly as if such return were a return required to be furnished under section 139:
- **Provided** that no notice under this section shall be issued
- unless there is information with the Assessing Officer which suggests that
- the income chargeable to tax has escaped assessment in the case of the assessee for the relevant assessment year and
- the Assessing Officer has obtained prior approval of the specified authority to issue such notice.

Provided further that **no such approval shall be required** where the Assessing Officer, with the prior approval of the specified authority, has passed an order u/s 148A(d) to the effect that it is a fit case to issue a notice under this section.

As inserted by F. A., 2022

Note: The effect of this proviso is that once approval is already taken by the AO before passing an order u/s 148A(d), no further approval is required for issuing notice u/s 148.

Explanation 1:

As amended by F. A., 2022

- For the purposes of this section and section 148A,
- the information with the Assessing Officer which suggests that the income chargeable to tax has escaped assessment means,—
- (i) any information **flagged** in the case of the assessee for the relevant assessment year in accordance with the risk management strategy formulated by the Board from time to time;
- (ii) ~~any final objection raised by the Comptroller and Auditor General of India to the effect that the assessment in the case of the assessee for the relevant assessment year has not been made in accordance with the provisions of this Act.~~

- (ii) *any audit objection to the effect that the assessment in case of the assessee for the relevant assessment year has not been made in accordance with the provisions of this Act; or*
- (iii) *any information received under an agreement referred to in section 90/90A of the Act (i.e. DTAA); or*
- (iv) *any information made available to the Assessing Officer under the scheme notified u/s 135A; or*
- (v) *any information which requires action in consequence of the order of a Tribunal or a Court.*

Analysis of amendments as made by F.A., 2022:

- (1) The word 'flagged' is omitted as it was found to be **superfluous** by the legislature. Accordingly, even if information is not flagged, the same shall be considered as information with the AO, which suggests that income has escaped assessment, provided the same is:
 - in the case of the assessee;
 - for the relevant assessment year;
 - in accordance with the risk management strategy formulated by CBDT.
- (2) Earlier final C&AG objection was to be treated as information for the AO to acquire jurisdiction under section 148. Now, as per amended clause (ii), audit objection, **whether by C&AG or internal audit**, will become information enabling the AO to acquire jurisdiction.
- (3) Effect of the three new clauses [(iii), (iv) and (v)] as added to Explanation 1 to Section 148 to expand the scope of eligible information to initiate proceedings under Section 148/148A:
 - (i) The AO may receive information from countries with which India has arrangements for the exchange of information for the prevention of tax evasion and for the avoidance of double taxation provided u/s 90/90A, *Such information, if suggests escapement of income, will also enable the Assessing Officer to assume jurisdiction under Section 148.*
 - (ii) AO may also receive information u/s 135A which provides that Central Govt. may make a scheme to collect information (as provided u/s 133/133B, etc.) in a faceless manner without the interface of the assessee and income tax authority. *Such information so received will also be information under Explanation 1 to section 148 if it suggests that income has escaped assessment.*
 - (iii) Order of Tribunal or a Court will also be a source of information if such order requires action in the case of that assessee or other assessee. The expression Tribunal or Court are wide in scope as it will cover not only Income Tax Appellate Tribunal but also any other Tribunal constituted under other law.

Explanation 2:

For the purposes of this section, **where,—**

- (i) **a search is initiated** under section 132 **or books of account, other documents or any assets are requisitioned** under section 132A, **on or after 1st April, 2021, in the case of the assessee;** or
- (ii) **a survey is conducted** under section 133A, *other than u/s 133A(2A) [i.e. TDS/TCS Survey] ~~or u/s 133A(5) [i.e. to collect information about a function/ceremony]~~* of that section, **on or after 1st April, 2021, in the case of the assessee;** or

As amended by F. A., 2022

- (iii) the Assessing Officer is satisfied, with the prior approval of the Principal Commissioner or Commissioner, that any money, bullion, jewellery or other valuable article or thing, seized or requisitioned under section 132 or section 132A in case of any other person on or after 1st April, 2021, belongs to the assessee; or
- (iv) the Assessing Officer is satisfied, with the prior approval of Principal Commissioner or Commissioner, that any books of account or documents, seized or requisitioned under section 132 or section 132A in case of any other person on or after 1st April, 2021, *pertains or pertain to, or any information contained therein, relate to, the assessee,*
- the Assessing Officer shall be deemed to have information which suggests that
- the income chargeable to tax has escaped assessment in the case of the assessee
- ~~for the three assessment years immediately preceding the assessment year relevant to the previous year in which~~ As amended by F. A., 2022
- the search is initiated or books of account, other documents or any assets are requisitioned or survey is conducted in the case of the assessee or money, bullion, jewellery or other valuable article or thing or books of account or documents are seized or requisitioned in case of any other person.

Analysis of amendments as made by F.A, 2022:

- The aforesaid amendment of omission of reference "three assessment years immediately preceding the assessment year relevant to the previous year in which" **resulting in widening the scope of reassessment and has far-reaching consequences.**
- *Earlier the scope of deemed information as a result of search/survey was confined to only 3 assessment years immediately preceding the assessment year relevant to the previous year in which search is initiated, etc. Now the concept of deemed information applies to all 10 assessment years as a result of the search/survey.*
- But, it is to be noted that although the scope u/s 148 is widened on account of the amendment in Explanation 2, **the pre-requisite condition** u/s 149(1)(b) of the AO possessing books or other evidence revealing escapement of **income** chargeable to tax **represented in the form of (i) asset, (ii) expenditure in respect of transaction, event or occasion, (iii) an entry in books of account is still to be satisfied.**

Explanation 3: Specified authority means the specified authority referred to in section 151.

Section 148A: Conducting inquiry, providing opportunity before issue of notice u/s 148:-

Before issuing any notice under section 148,—

- (a) The Assessing Officer **shall conduct any enquiry, if required,** with the prior approval of specified authority, **with respect to the information which suggests that the income chargeable to tax has escaped assessment.**
- (b) The Assessing Officer **shall provide an opportunity of being heard** to the assessee,
 - ~~with the prior approval of specified authority,~~
 - **by serving upon him a notice to show cause**

- within such time, as may be specified in the notice,
 - **being not less than seven days and but not exceeding thirty days from the date on which such notice is issued**, or such time, *as may be extended by him on the basis of an application* in this behalf,
 - *as to why a notice under section 148 should not be issued on the basis of information which suggests that income chargeable to tax has escaped assessment* in his case for the relevant assessment year.
 - The notice shall also include results of enquiry conducted, if any, as per clause (a).
- (c) The Assessing Officer **shall consider the reply of assessee furnished**, if any, in response to the show-cause notice referred to in clause (b);
- (d) The Assessing Officer **shall decide**,
- on the basis of material available on record including reply of the assessee,
 - **whether or not it is a fit case to issue a notice under section 148**,
 - by passing an order,
 - *with the prior approval of specified authority*,
 - **within one month from the end of the month in which such reply is received** from the assessee, or
 - **where no such reply is furnished**,
 - *within one month from the end of the month in which time or extended time allowed to furnish a reply as per clause (b) expires*.

Provided that the provisions of this section shall not apply in a case where,—

- (a) a search is initiated u/s 132 or books of account, other documents or any assets are requisitioned u/s 132A **in the case of the assessee** on or after 1st April, 2021; or
- (b) the Assessing Officer is satisfied,
- *with the prior approval of the Principal Commissioner or Commissioner* that
 - **any money, bullion, jewellery or other valuable article or thing, seized** in a search u/s 132 or requisitioned u/s 132A, **in the case of any other person** on or after 1st April, 2021;
 - *belongs to the assessee*; or
- (c) the Assessing Officer is satisfied,
- *with the prior approval of the Principal Commissioner or Commissioner* that
 - **any books of account or documents, seized** in a search u/s 132 or requisitioned u/s 132A, **in case of any other person** on or after 1st April, 2021,
 - *pertains or pertain to, or any information contained therein, relate to, the assessee*.
- (d) **the Assessing Officer has received any information under the scheme notified u/s 135A** pertaining to income chargeable to tax escaping assessment for any assessment year in the case of the assessee.

As inserted by F.A. 2022

Explanatory Note:

- The effect of this amendment is that *the procedure prescribed u/s 148A will also not be followed in cases where information has been received under a notified scheme framed u/s 135A pertaining to income chargeable to tax that has escaped assessment. However, the approval of the specified authority will be*

required before issuing notice u/s 148 in all those cases where the procedure u/s 148A is not required to be followed.

- *It is respectfully submitted that provisions of section 135A are not in context to sharing of information, but only meant for the purpose of information collection.*

Explanation:

For the purposes of this section, specified authority means *the specified authority referred to in section 151.*

Insertion of section 148B: *Prior approval for assessment / re-assessment in certain cases:-*

- No order of assessment or re-assessment or recomputation under this Act shall be passed by an Assessing Officer *below the rank of Joint Commissioner,*
- in respect of an assessment year to which clause (i)/(ii)/(iii)/(iv) of Explanation 2 to section 148 apply (*i.e. cases of deemed information*)
- **except with the prior approval of the Additional Commissioner or Additional Director or Joint Commissioner or Joint Director.**

Section 149(1): *Time Limit for ISSUE of a Notice u/s 148:-*

<u>Income Escaped....</u>		<u>Time Limit</u>
(a)	Any amount of escaped income	With in 3 years from the end of Relevant Assessment Year.
(b)	<ul style="list-style-type: none"> – if Assessing Officer has in his possession books of accounts or other documents or evidence which reveal that – the income chargeable to tax, represented in the form of <ul style="list-style-type: none"> (i) an asset, (ii) <i>expenditure in respect of a transaction or in relation to an event or occasion; or</i> (iii) <i>an entry or entries in the books of account,</i> – which has escaped assessment amounts to or is likely to amount to ₹50 Lakh or more for that year 	With in 10 years from the end of Relevant Assessment Year.
For this purposes, "asset" shall include <i>immovable property, being land or building or both, shares and securities, loans and advances, deposits in bank account.</i>		
(1A)	<ul style="list-style-type: none"> – Notwithstanding anything contained in sub-section (1), – where the income chargeable to tax represented in the form of an asset or expenditure in relation to an event or occasion of ₹50 Lakh or more, has escaped the assessment and – the investment in such asset or expenditure in relation to such event or occasion has been made or incurred, in more than one previous years relevant to the assessment years within the period referred to in clause (b) of sub-section (1) i.e. 10 years, – <i>a notice u/s 148 shall be issued for every such assessment year for assessment, reassessment or recomputation, as the case may be.</i> 	As inserted by F. A., 2022

Explanatory Remarks:

- *It is now no longer necessary that escaped income of ₹50 lakh should be only in 1 year. It is only to be seen that the aggregate of such escaped income is ₹50 lakh or more, and in such a situation, notice under Section 148 can be issued for all such years.*
- The terms 'asset' and 'expenditure' are separated by 'or', which indicates that the income escaping assessment can be represented either by asset or expenditure or both. Thus, **the threshold of ₹ 50 lakhs towards the income escaping assessment can be represented either by an asset or expenditure or by all assets and expenditure in aggregate.**
- *For example, in Year 1, escaped income of ₹25 lakhs is represented by an asset. In Year 2, escaped income of ₹20 lakhs is represented by expenditure. In Year 3, the escaped income of ₹15 lakhs is represented by an asset. **The AO can reopen the assessment under this sub-section for all three years.** Further, if expenditure incurred by the assessee in Year 1 is on event 1 (say ₹25 lakhs), in Year 2 it is on event 2 (say ₹20 lakhs), and in Year 3 it is on event 3 (say ₹15 lakhs), **the AO will get jurisdiction to reopen the assessment for all the three years.***
- When compared to section 149(1)(b) it is observed that section 149(1A) **does not cover "an entry or entries in the books of account" within its ambit.**

First proviso to section 149(1):

As amended by F. A., 2022

- No notice under section 148 shall be issued at any time in a case
- **for the assessment year 2020-21 (or for earlier assessment year),**
- *if such notice could not have been issued at that time*
- *on account of being beyond the time limit prescribed under old provisions of section 149 or section 153A or 153C, as they stood immediately before the commencement of the Finance Act, 2021.*

Old Time limit as was prescribed before the commencement of the Finance Act, 2021:

<u>Income Escaped....</u>		<u>Time Limit</u>
(i)	Any amount of escaped income	With in 4 years from the end of Relevant Assessment Year
(ii)	If amount of escaped income is one lac or more	With in 6 years from the end of Relevant Assessment Year

In case of search/requisition, normally, *six assessment years immediately preceding the assessment year relevant to the previous year in which such search is conducted or requisition is made.*

Remaining part of amended section 149:

- *For the purposes of computing the time limit for issue of notice u/s 148,*
- *the time/extended time allowed to the assessee in providing opportunity of being heard u/s 148A(b) or*
- *the period during which the proceeding under section 148A is stayed by an order of any court,*
- **shall be excluded (i.e. added).**

- Where after excluding the aforesaid period, time left to the Assessing Officer for passing an order u/s 148A(d) [i.e. about fitness of a case for issue of notice u/s 148], is less than seven days, *such remaining period shall be extended to seven days and time limit under this section shall be deemed to be extended accordingly.*

Provision illustrated:

The assessing officer issues a show cause notice u/s 148A(b) on 22nd February, 2022 to SMC Ltd. as to why a notice u/s 148 should not be issued on the basis of his information which suggest that ₹45 lakh chargeable to tax has escaped assessment for the assessment year 2018-19. SMC Ltd. has to reply with in 10 days as specified in show cause notice, no extension has been given. After considering the reply of SMC Ltd., the assessing officer passes an order with the approval of specified authority indicating that it is a fit case to issue u/s 148 i.e. for income escaped assessment. After recording his finding, the assessing officer issue a notice on 5th April, 2022 u/s 148 for income escaped assessment in the given case. SMC Ltd. wants to know whether notice u/s 148 is issued by the Assessing officer is within prescribed time limit of section 149(1), or not?

Answer:

Since in the given case, the amount of escaped income as per information of Assessing officer, is less than ₹50 lakh, notice u/s 148 can't be issued after the expiry of three years from the end of the relevant assessment year i.e. time limit as prescribed u/s 149(1)(a), which is expired on 31st March, 2022.

However, time allowed to assessee in providing an opportunity of being heard u/s 148A shall be excluded viz. 10 days time as given for this purpose to the assessee. Consequently, the time limit which was expiring on 31st March, 2022 shall be extended to 10th April, 2022 (i.e. 31st March 2022 + 10 days).

In view of the above, notice as issued on 5th April, 2022 is within the prescribed time limit of section 149 and hence, valid in law.

Section 151: Sanctions for issue of Notice:-

<u>If notice is being issued . . .</u>		<u>Specified authority for sanction of issue of notice</u>
(1)	<i>With in 3 years from the end of Relevant Assessment Year</i>	<i>Principal Commissioner or Principal Director or Commissioner or Director.</i>
(2)	<i>After 3 years (but within 10 years) from the end of Relevant Assessment Year</i>	<i>Principal Chief Commissioner or Principal Director General or where there is no Principal Chief Commissioner or Principal Director General, Chief Commissioner or Director General.</i>

Section 150: Cases where no time limit for issue of notice:-

- Notwithstanding anything contained in section 149,
- notice u/s 148 may be issued at any time
- for the purpose of making of an assessment or re-assessment
- in consequence of or in order to give effect to **any finding or direction**
- contained in an order of **any authority** as passed under any appeal / revision or the order of any Court

under any other law.

But, such assessment / re-assessment shall be completed with is 12 months from the end of the month in which **order of appellate authority is received by CIT** or **order is passed by CIT**, as the case may be.

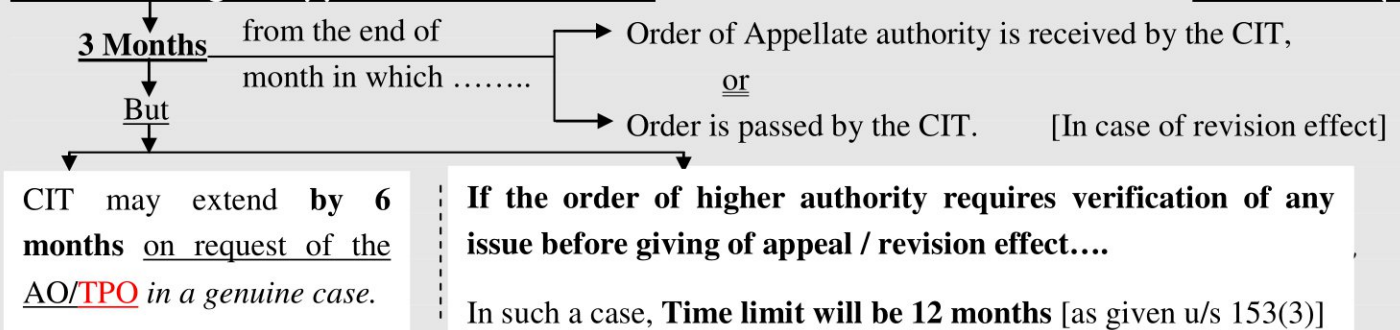

Section 153: Time limit for completion of assessment or reassessment:-

(1) For assessment u/s 143(3) or 144	(2) For assessment or reassessment u/s 147	(3) For fresh assessment/fresh order u/s 92CA (if directed by the ITAT / CIT)
9 months from the end of the relevant assessment year	12 months from the end of year of service of notice u/s 148	12 months from the end of the year in which order is passed by the CIT or order of ITAT is received by CIT, as the case maybe.

(+) 12 Months, If reference to TPO (for determination of ALP) was made during the proceedings. (4)

Time limit to give Appeal / Revision effect:

Section 153(5)

(5A) If TPO has modified his order: Time limit for Assessing officer to pass his modification order:-
Two months from the end of the month of receipt of order of TPO.

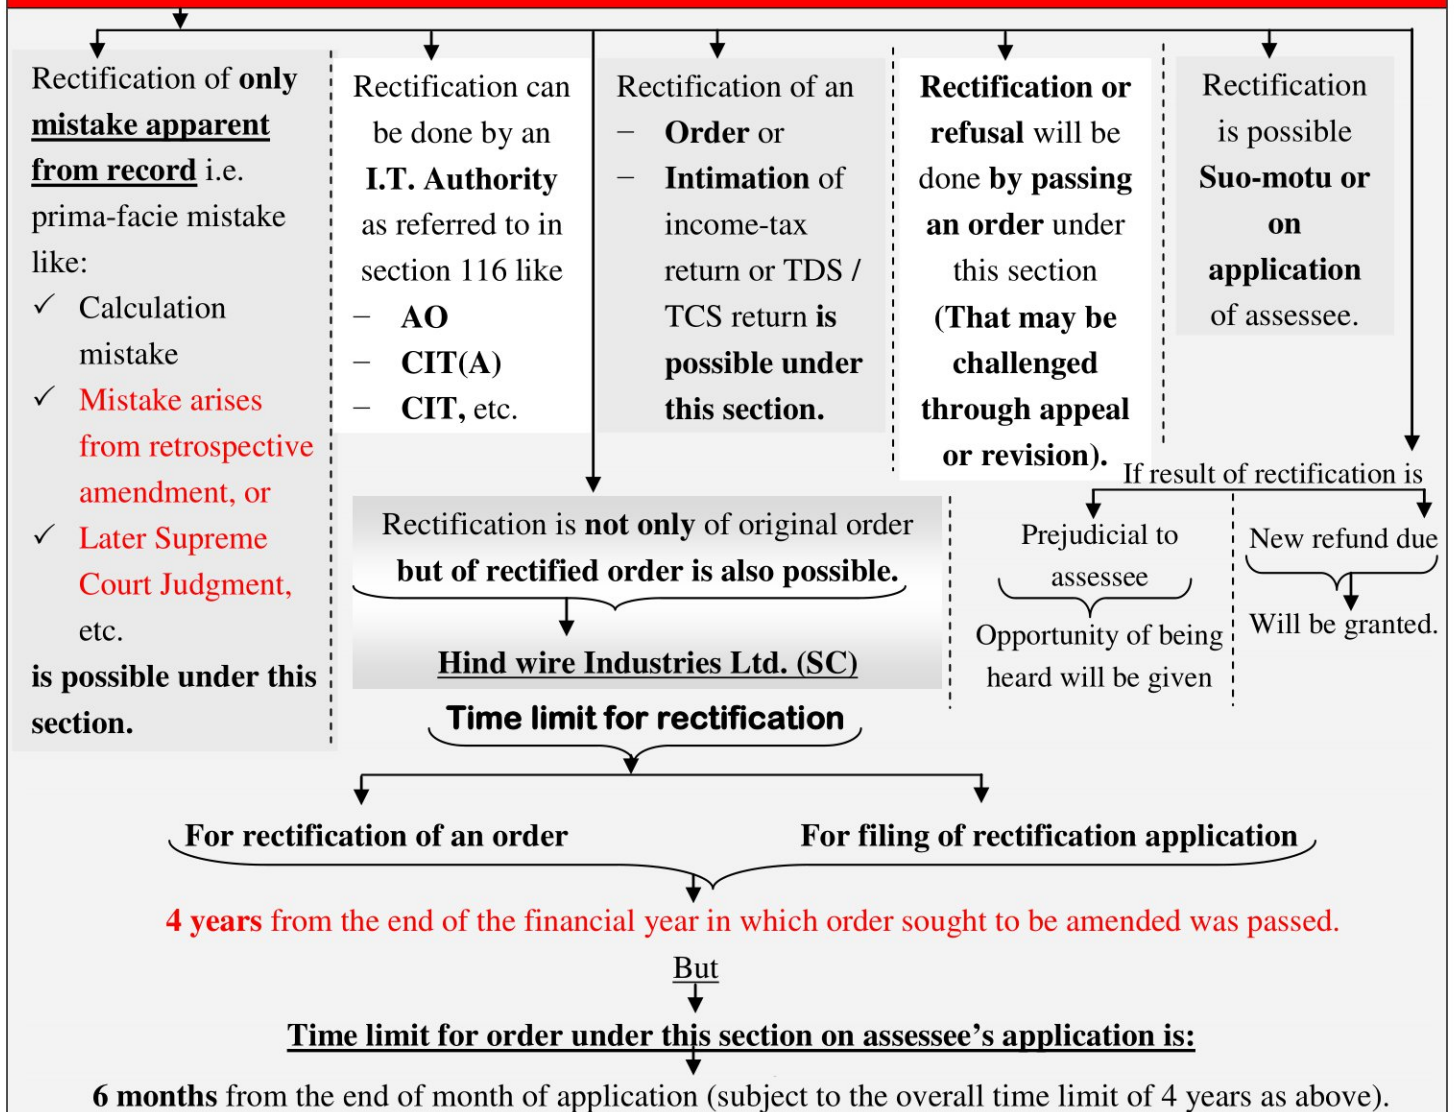

Explanation 1 to section 153:-

Following periods shall be added in computing time limit for completion of assessment/re-assessment:

- The period during which the assessment proceedings is stayed by an order of any Court.
- Time taken in entertaining the request of the assessee by the new AO under proviso to section 129.
- Time taken in receipt of order of withdrawn of notification / approval, before passing assessment order u/s 143(3) without exemption u/s 10 for association/ institution covered u/s 139(4C).
- Time allowed to assessee for submission of audit report u/s 142(2A).
- Time taken in receipt of report from valuation officer u/s 142A.
- Time taken in receipt of information from foreign tax authority under DTAA or 1 year, whichever is less.
- Time not exceeding 180 days commencing from initiation of search/requisition ending with the date of handing over of the books/ documents, etc.
- Time taken in passing an order by PCIT/CIT on reference under the second proviso to section 143(3) i.e. on any specified violation on part of assessee as referred to in section 11/10(23C)(iv)/(v)/(vi)/(via)

Proviso: if after addition of aforesaid period, time left is less than 60 days, it will be extended to 60 days.

Section 154: Rectification of mistakes:-

Section 139B: New scheme to facilitate submission of returns through TRPs:-

- ☞ This scheme is not applicable for a company or a person to whom 'tax audit' is required.
- Tax Return Preparer may be an individual other than the following –
 - any officer of a scheduled bank in which the assessee maintains current account / has regular dealings;
 - a legal practitioner / a chartered accountant.

Section 139AA: Quoting of Aadhaar number:-

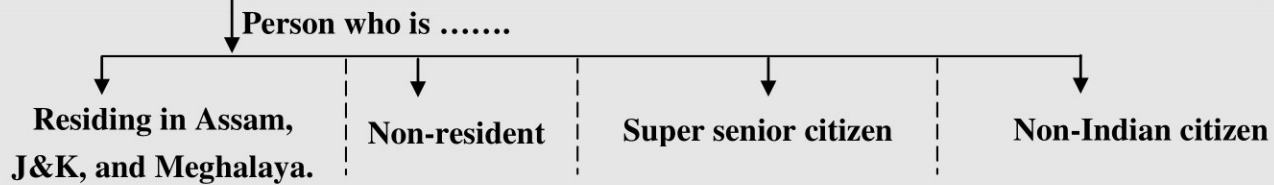

OBLIGATIONS:

- (1) Every person who is eligible to obtain Aadhaar number, **in every application for PAN or ROI**, as filed on or after 1/7/2017, **shall quote Aadhaar number** (if not allotted, then, Enrollment ID of Aadhaar application form shall be quoted).
- (2) If PAN has been allotted before 1/7/2017 (i.e. before obtaining Aadhaar number), then, such person

shall intimate his Aadhaar number to the prescribed authority upto a notified date.

If a person fails to intimate the Aadhaar number, the PAN allotted to him shall be made inoperative after such notified date in such manner as may be prescribed.

Non- Applicability of this section i.e. Quoting of Aadhaar number shall not be mandatory for -

Section 234H: Fees for default relating to intimation of Aadhaar number:-

As inserted by F. A. 2021

- Without prejudice to the provisions of this Act,
- where a person is required to intimate his Aadhaar number under section 139AA(2) and
- such person fails to do so on or before such date, as may be prescribed (i.e. 31st March, 2022),
- he shall be liable to pay such fee, as may be prescribed, not exceeding one thousand rupees,
- at the time of making intimation under section 139AA(2) after the said date.

Notification No. 17/ 2022 dated 23.03.2022: Fee for subsequent intimation of Aadhaar:

CBDT, vide this notification inserted Rule 114(5A), to provide that if such person fails to do so by the date notified in section 139AA(2) i.e., 31st March, 2022, then, at the time of subsequent intimation of his Aadhaar number to the prescribed authority, such person would be liable to pay, by way of fee, an amount equal to,-

- (a) ₹ 500, in a case where such intimation is made within three months from the date referred in section 139AA(2) i.e., by 30.06.2022; and
- (b) ₹ 1,000, in all other cases.

Clarification with respect to relaxation of provisions of Rule 114AAA prescribing the manner of making PAN inoperative:

Section 139AA(2) makes it mandatory for every person who has been allotted a PAN as on 1 st July, 2017 to intimate his Aadhaar Number so that the Aadhaar and PAN can be linked. This is required to be done on or before a notified date, failing which the PAN would become inoperative.

Accordingly, in case of failure to intimate the Aadhaar Number by 31.03.2022, the PAN allotted to the person would be made inoperative. Further, section 234H provides that where a person who is required to intimate his Aadhaar under section 139AA(2) fails to do so on or before a notified date, he would be liable to pay a fee not exceeding ₹ 1,000, as may be prescribed, at the time of making intimation under section 139AA(2) after the said date.

Further, Rule 114AAA provides that if PAN of a person has become inoperative, he will not be able to furnish, intimate or quote his PAN and would be liable to all the consequences under the Act for such failure.

This will have a number of implications such as:-

- (i) The person would not be able to file return using the inoperative PAN
- (ii) Pending returns will not be processed
- (iii) Pending refunds cannot be issued to inoperative PANs
- (iv) Pending proceedings as in the case of defective returns cannot be completed once the PAN is inoperative
- (v) Tax will be required to be deducted at a higher rate as PAN becomes inoperative

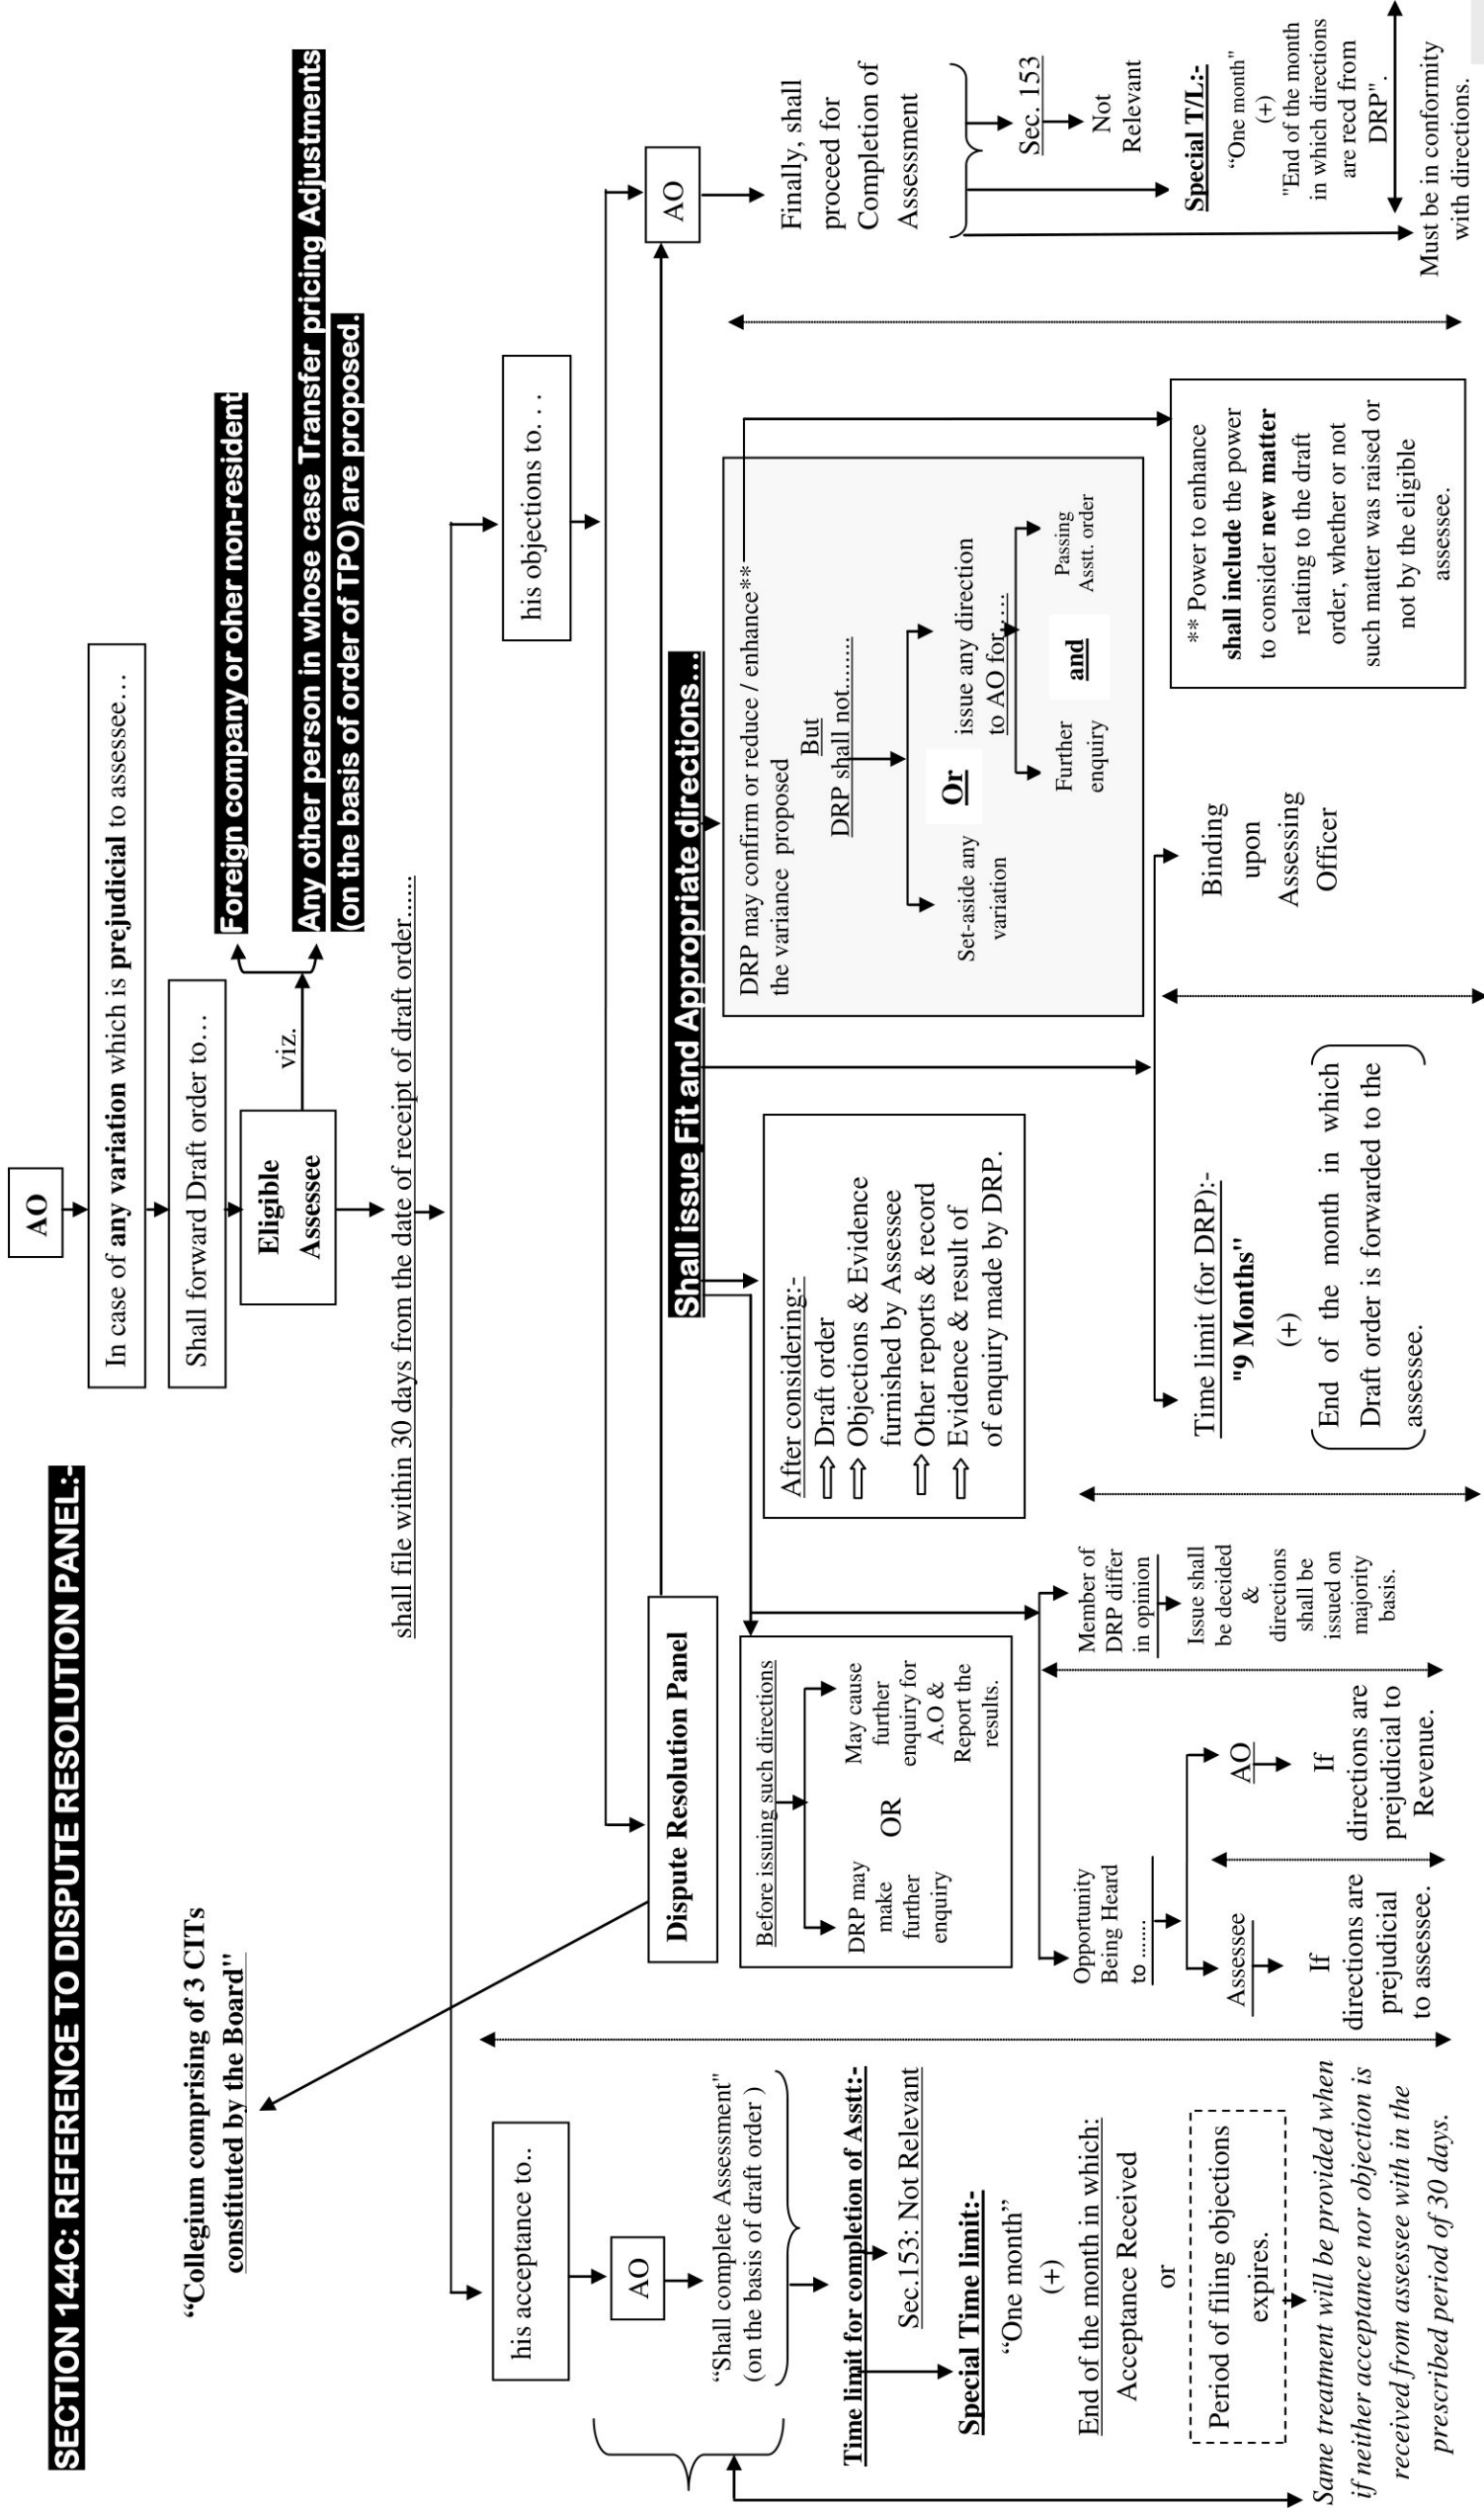

In addition to the above, the tax payer might face difficulty at various other fora like banks and other financial portals, as PAN is one of the important KYC criterion for all kinds of financial transactions.

As per Rule 114AAA(2), where a person, whose PAN has become inoperative under Rule 114AAA(1), is required to furnish, intimate or quote his PAN, it would be deemed that he has not furnished, intimated or quoted the PAN, as the case may be, in accordance with the provisions of the Act. Consequently, he would be liable for all the consequences under the Act for not furnishing, intimating or quoting the PAN.

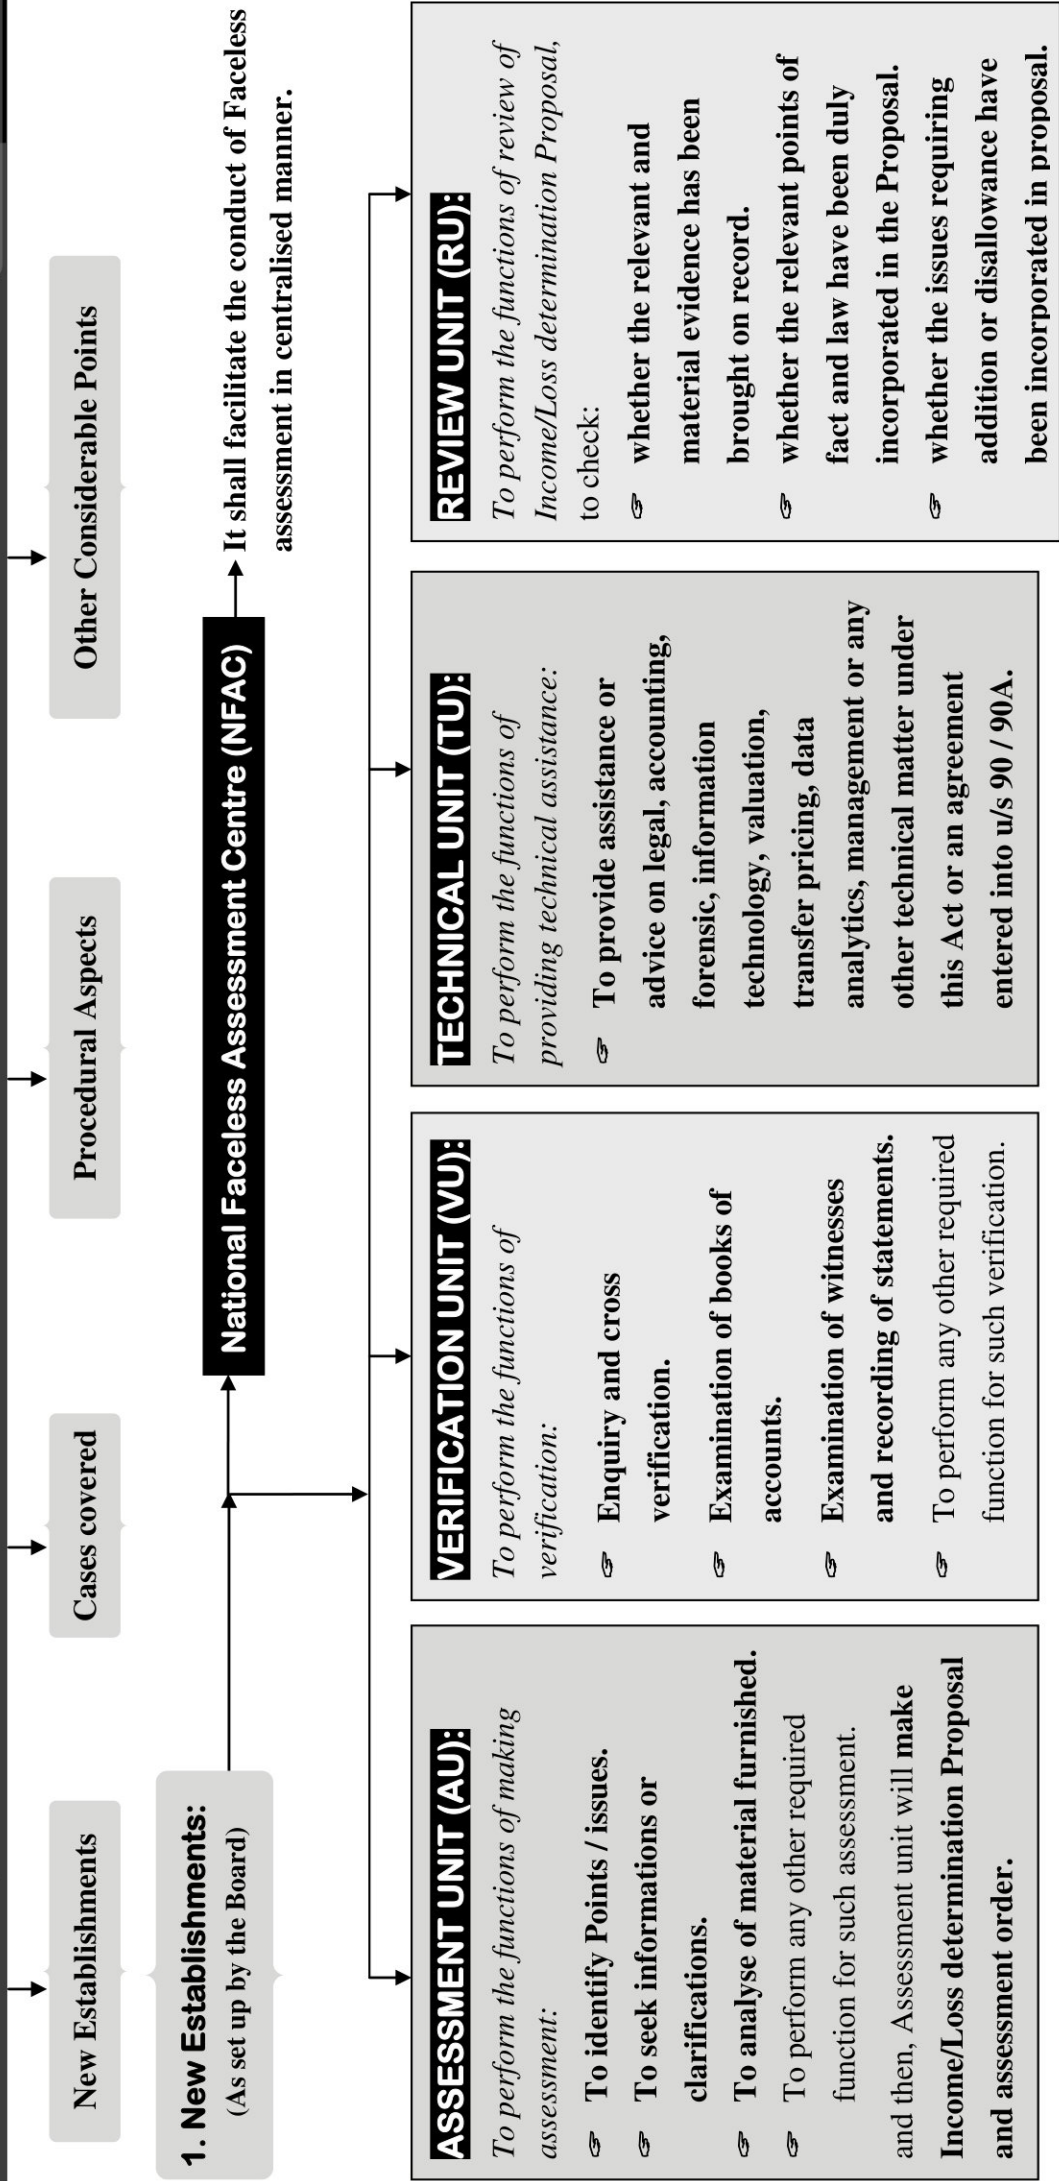

In order to have smooth application of section 234H and existing rule 114AAA, it is clarified that the impact of Rule 114AAA(2) would come into effect from 1st April, 2023; and the period from 1st April, 2022 to 31st March, 2023, would be the period during which Rule 114AAA(2) would not have its negative consequences.

However, the tax payer would be liable to pay a fee in accordance with section 234H read with Rule 114(5A).

SECTION 144C: REFERENCE TO DISPUTE RESOLUTION PANEL:-

Section 144B: NEW FACELESS ASSESSMENT SCHEME

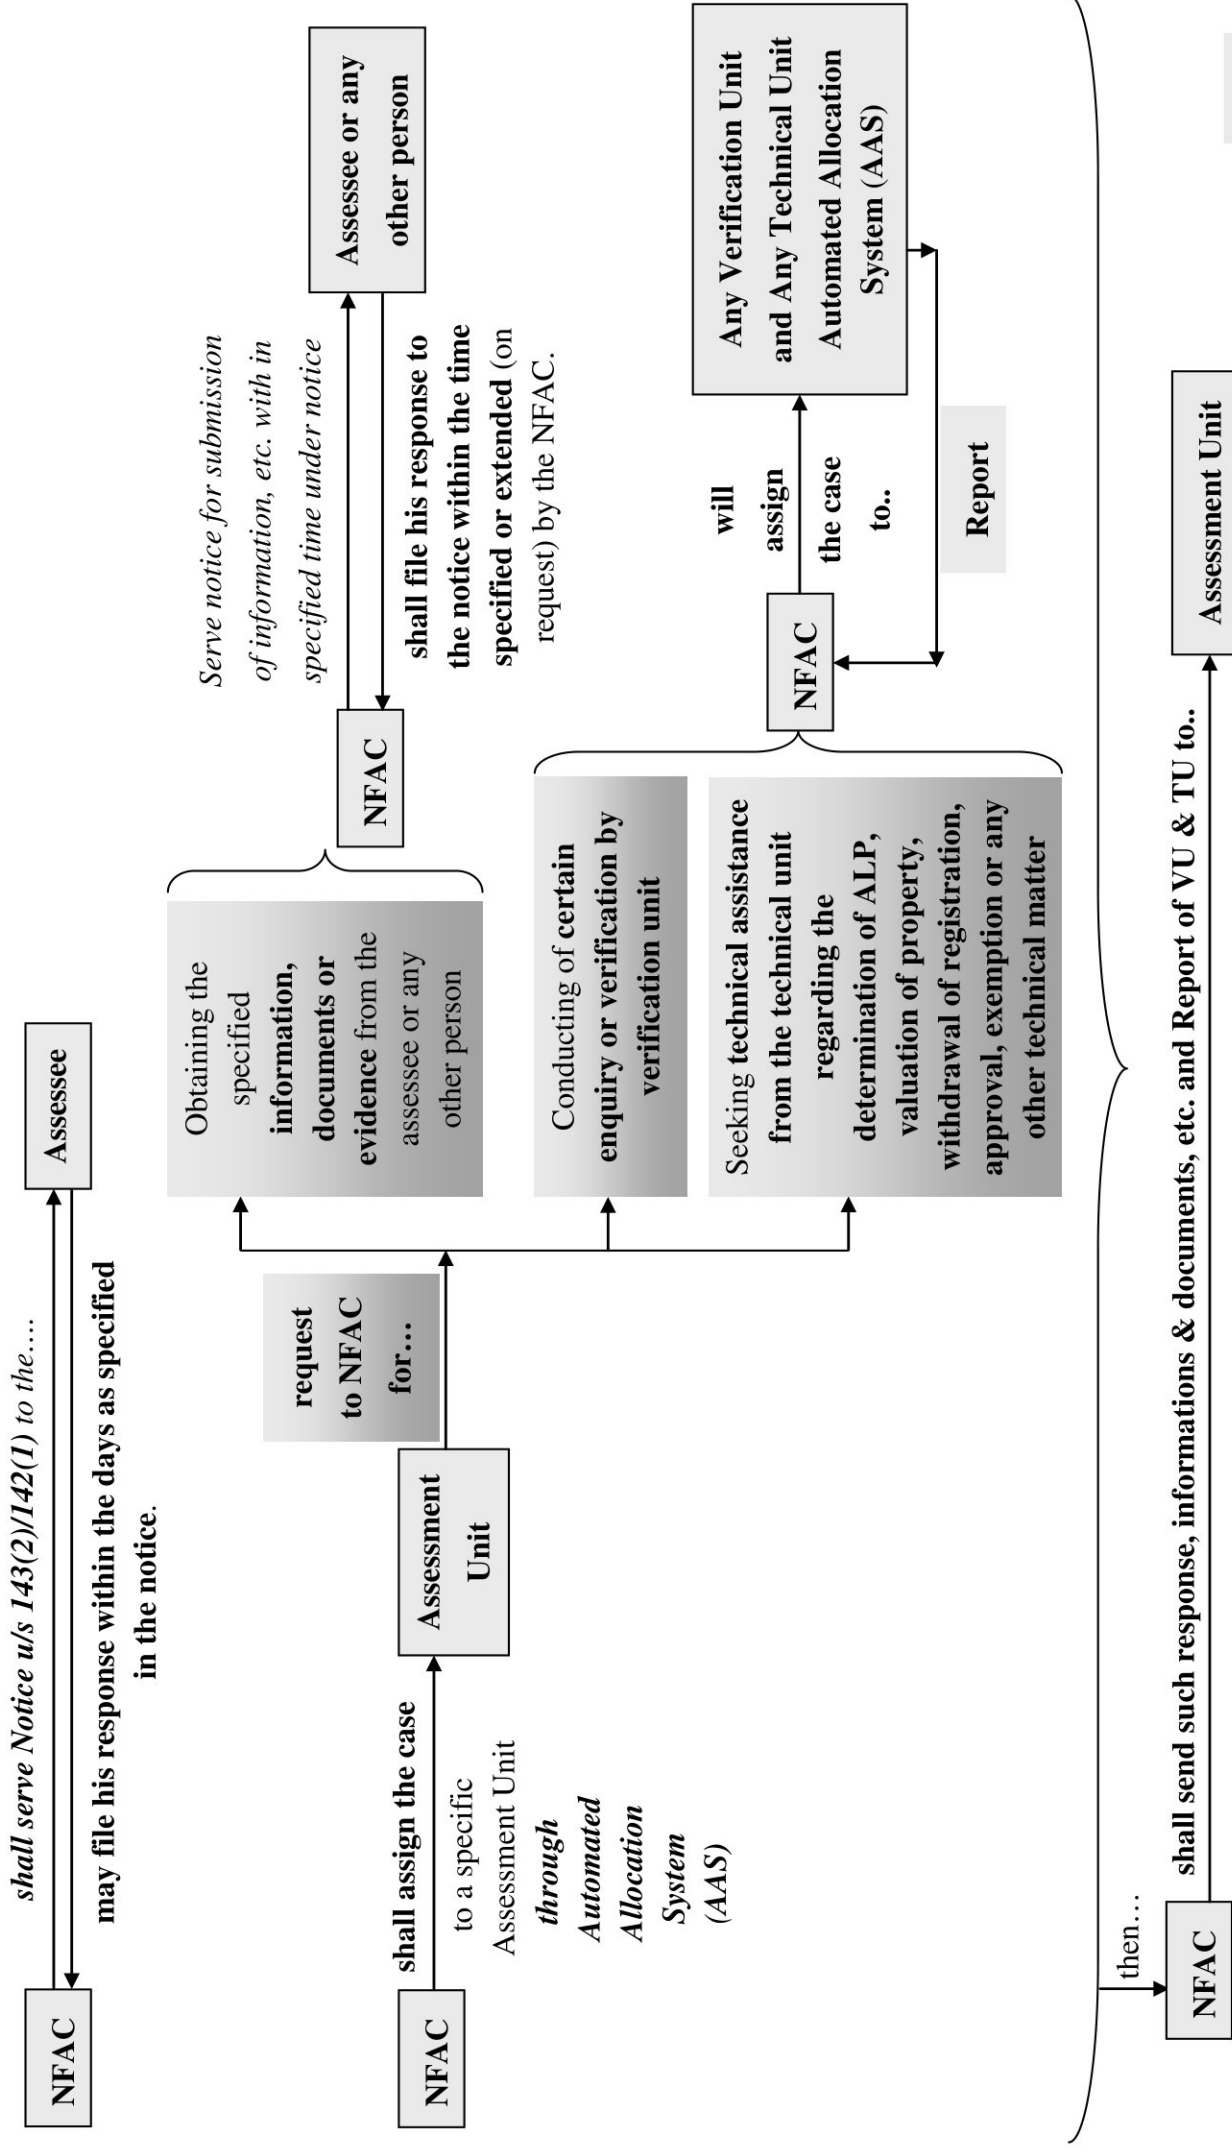

➤ Assessment Unit / Verification Unit / Technical Unit / Review Unit, shall refer to an Assessing Officer having powers so assigned by the Board.

2. Cases covered:

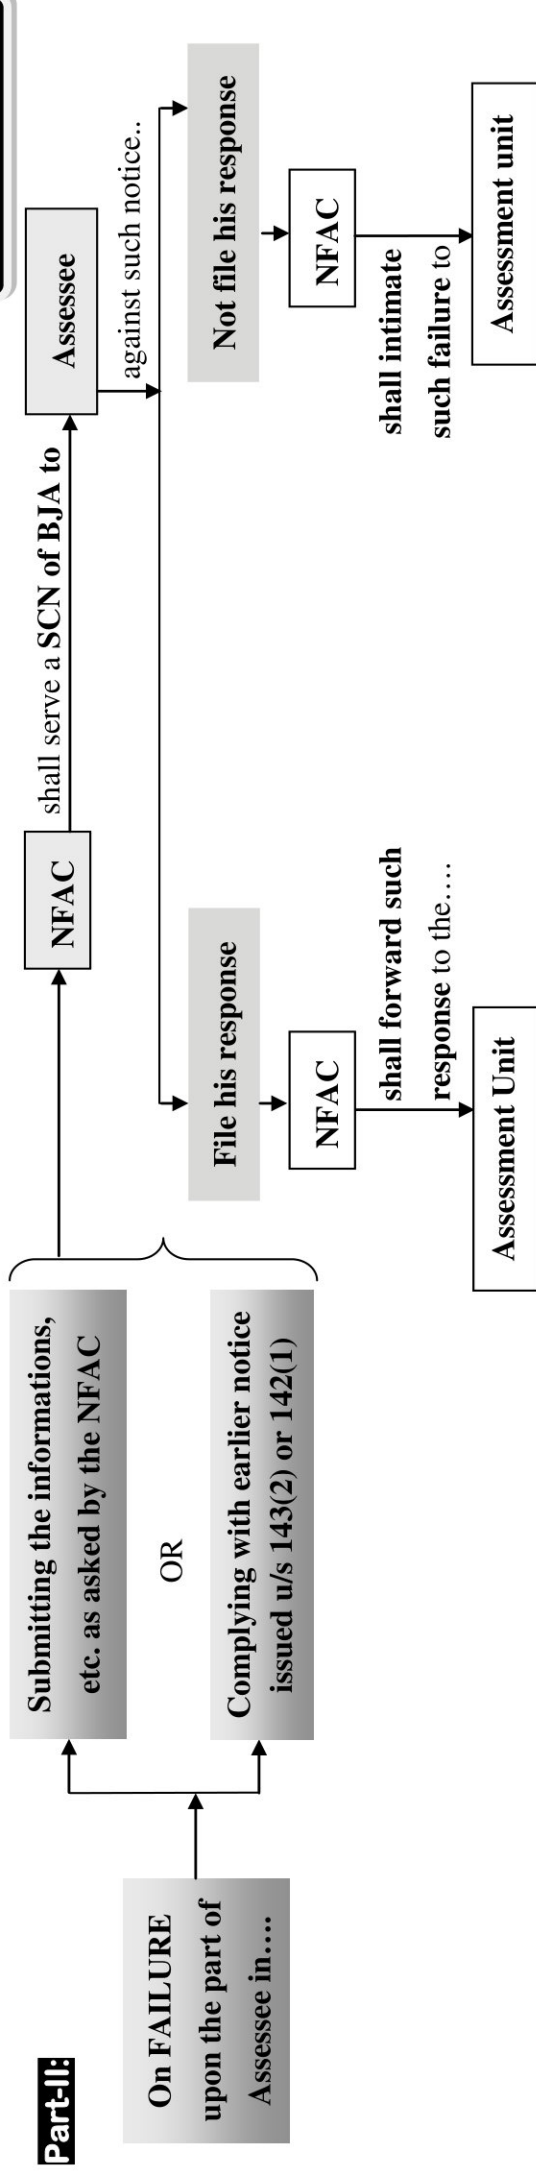

- ❖ SCRUTINY ASSESSMENT u/s 143(3) or BEST JUDGEMENT ASSESSMENT u/s 144 or ASSESSMENT/REASSESSMENT/RECOMPUTATION u/s 147.
- ❖ NFAC shall intimate to the assessee that ASSESSMENT SHALL BE COMPLETED AS PER THIS SCHEME.

3. Procedural Aspects:

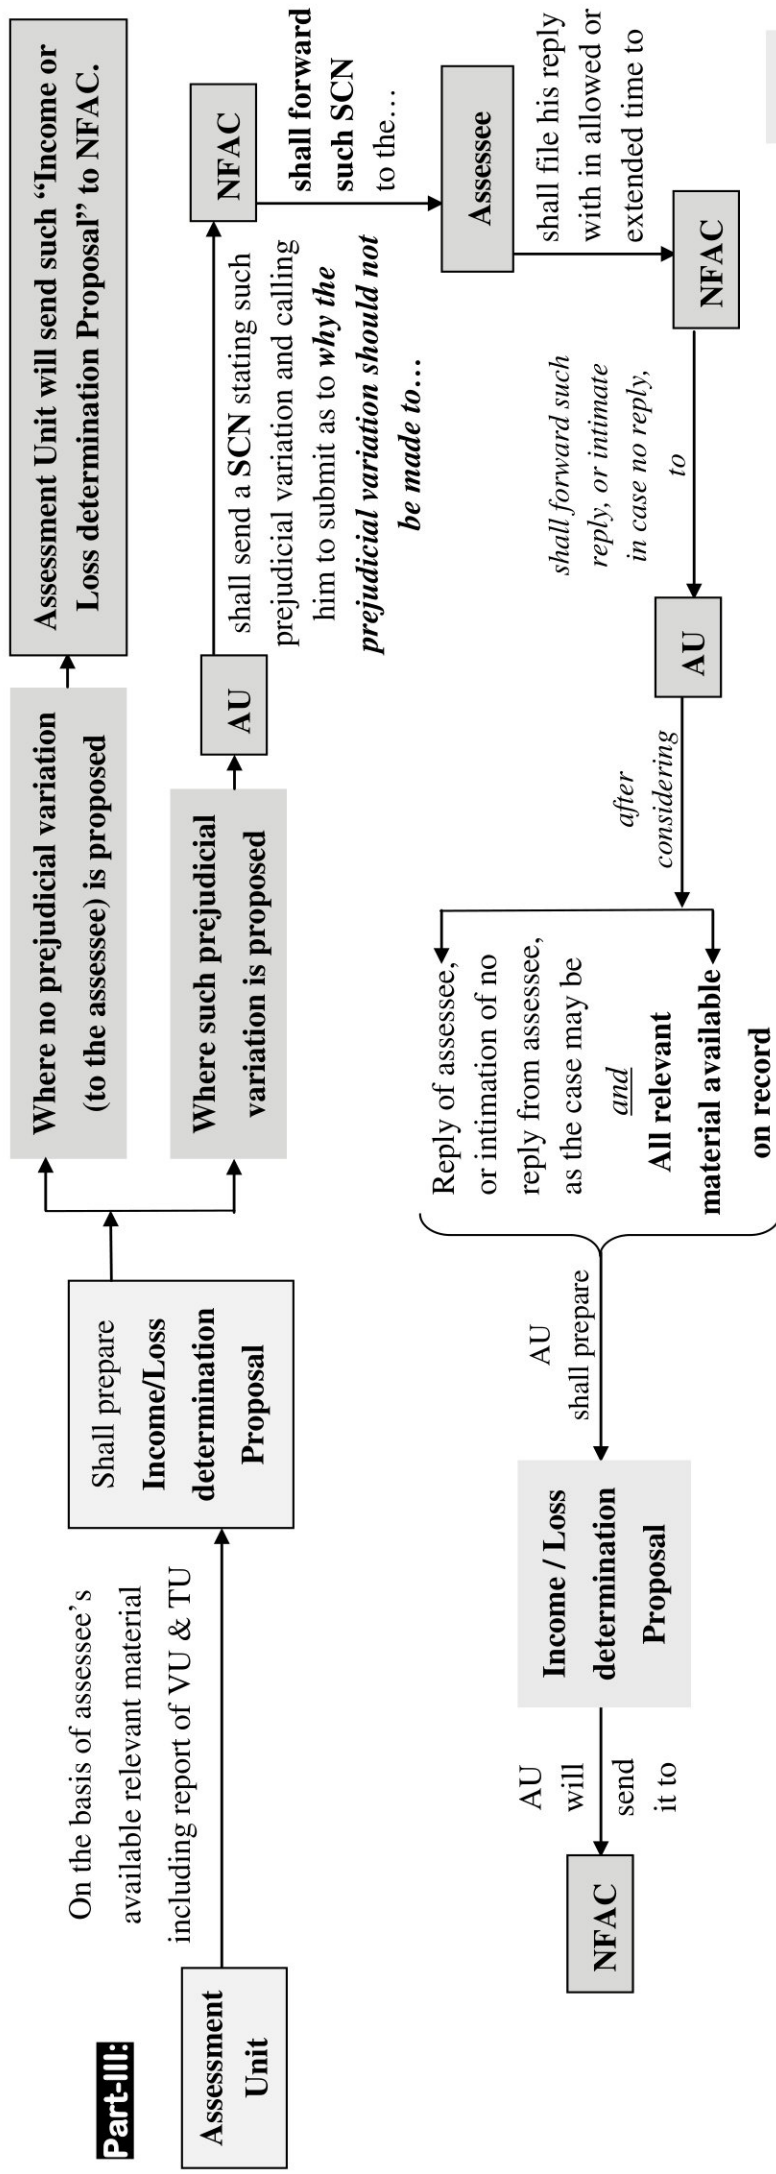

Part-I:

Part-II:

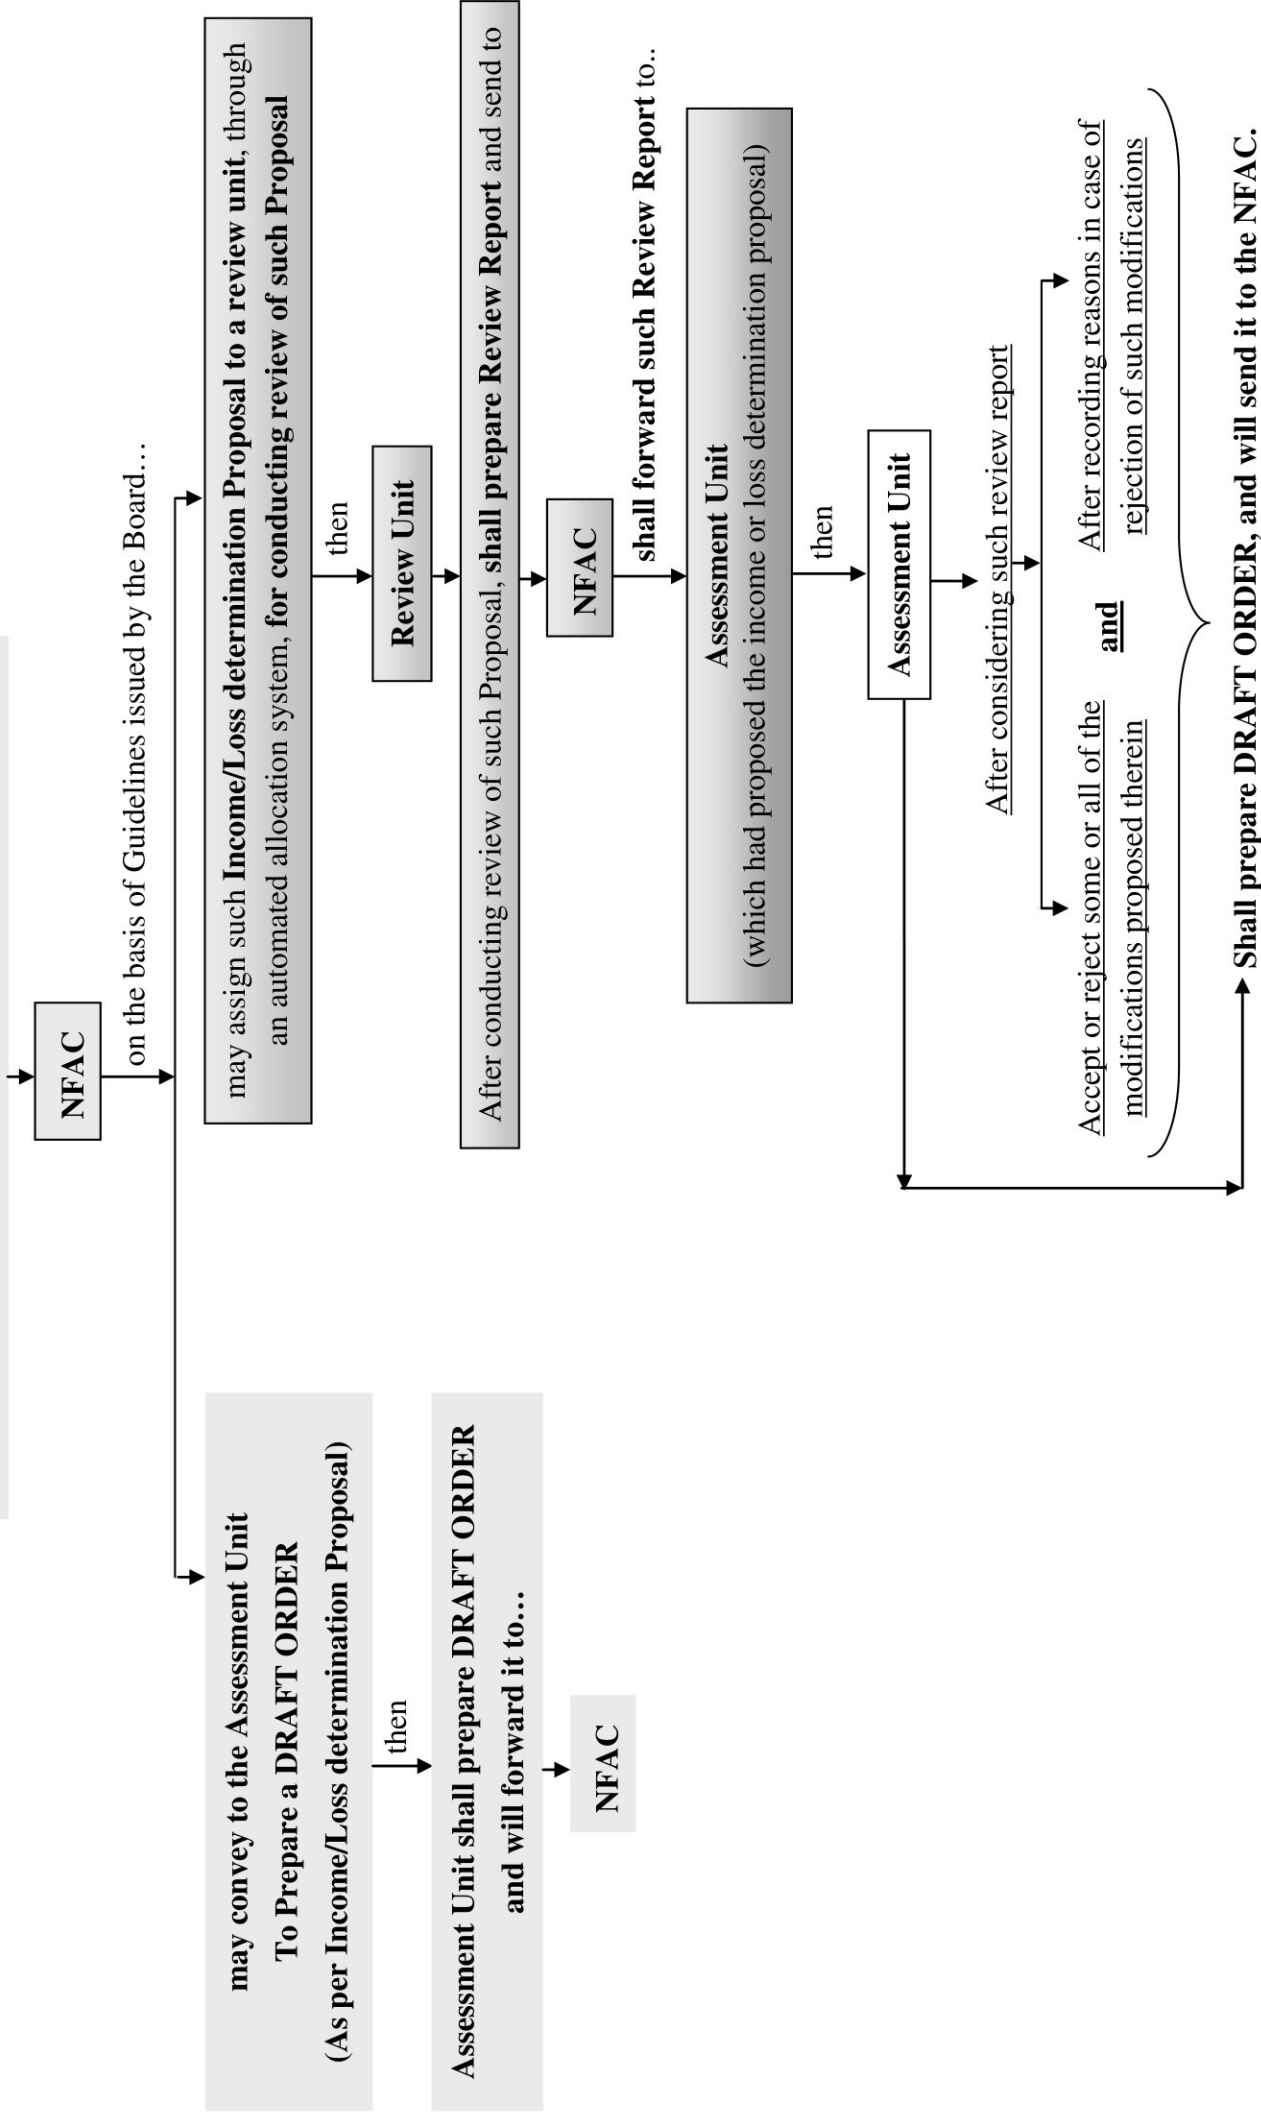

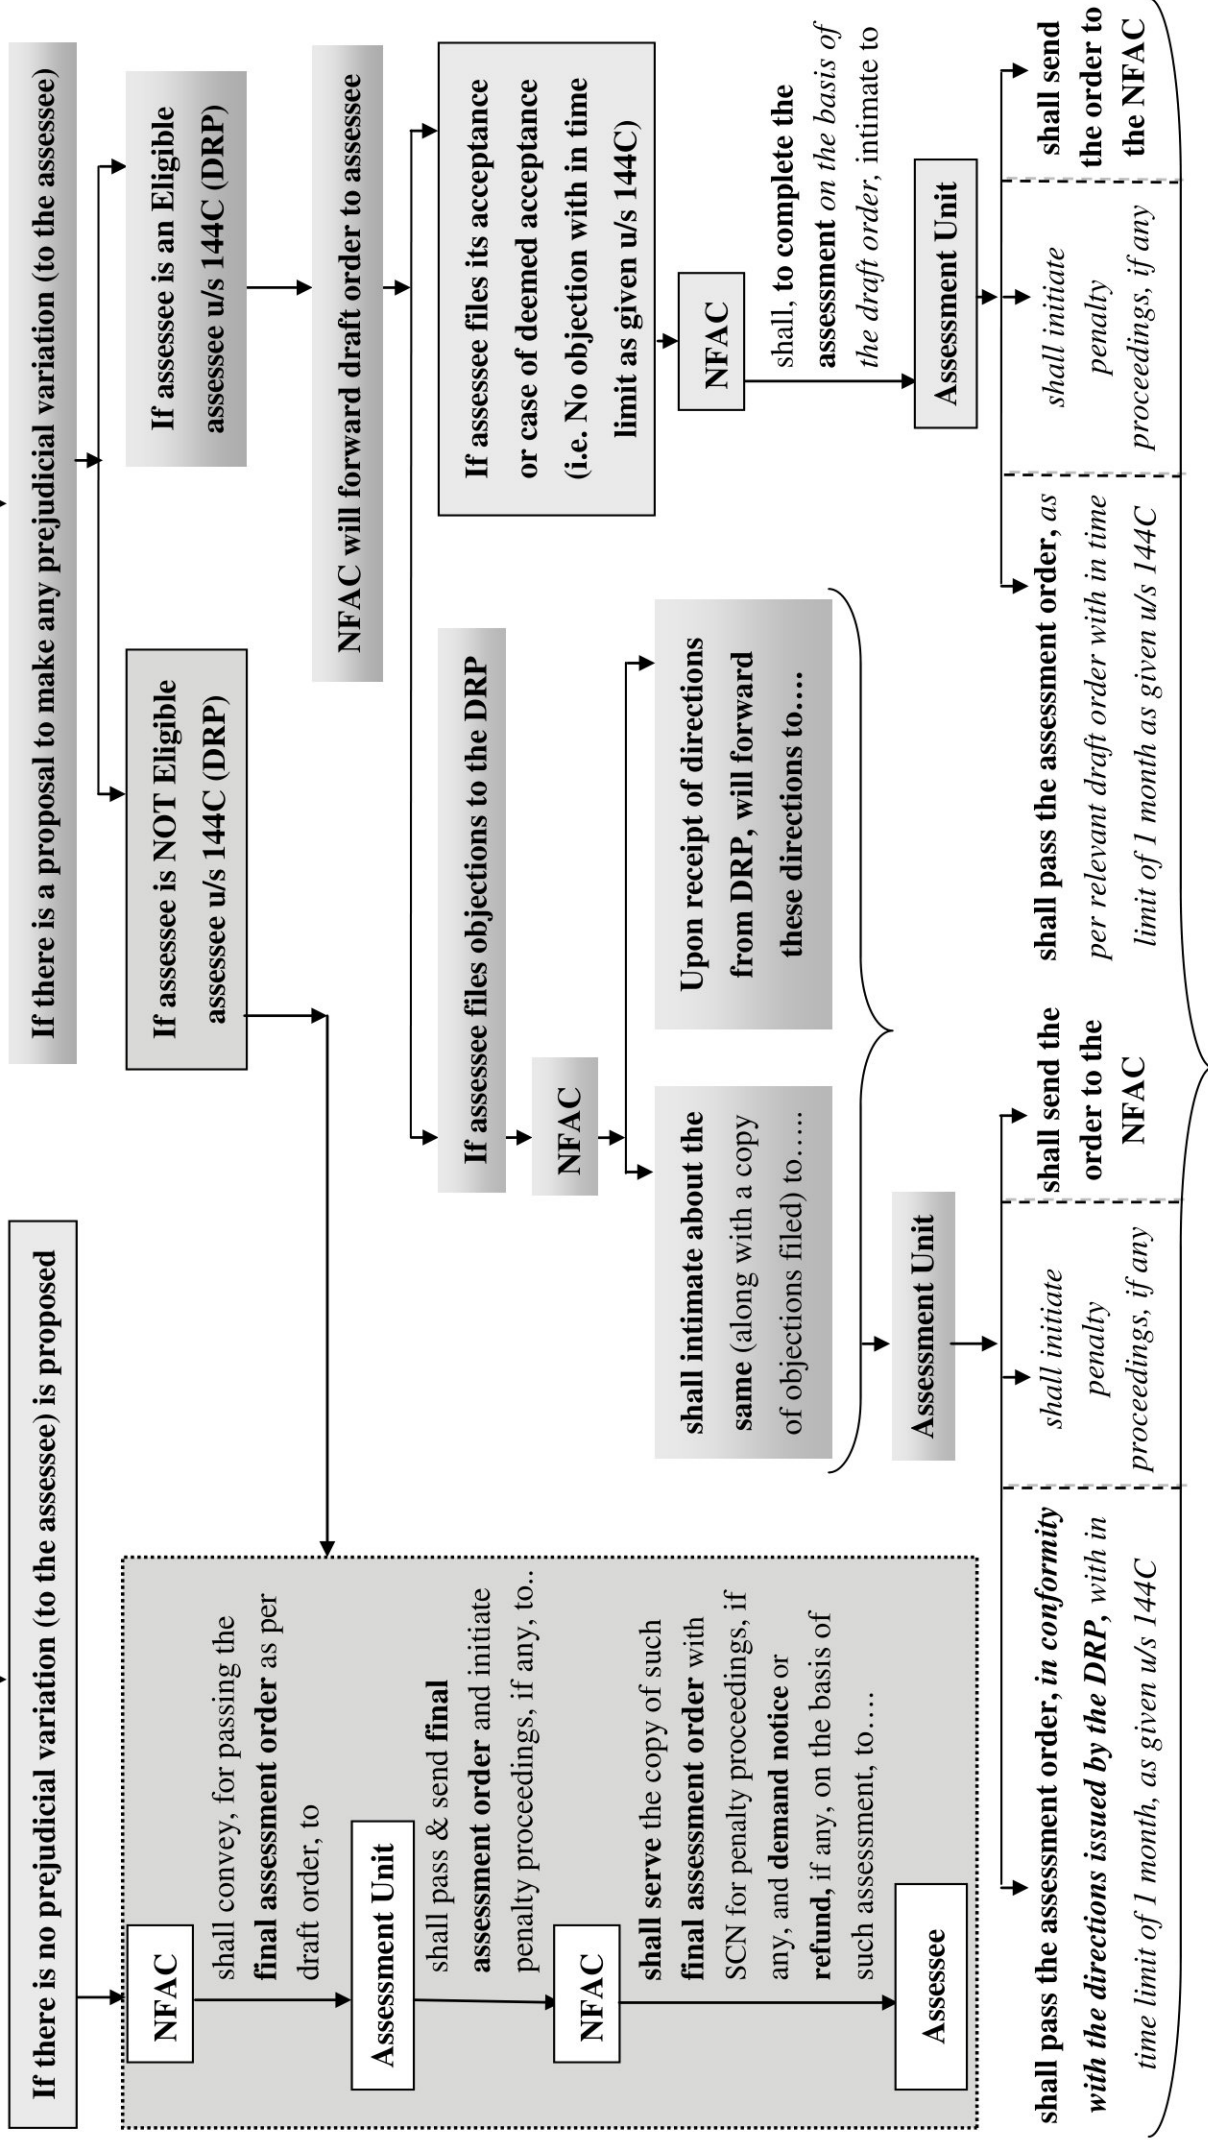

Part-III:

Part-IV:

Upon receipt of the Income / Loss determination Proposal....

Then, NFAC shall serve the copy of such **final assessment order** with SCN for penalty proceedings, if any, and **demand notice** or **refund**, if any, on the basis of such assessment, to the assessee.

4. Other Considerable Points relating to FACELESS ASSESSMENT SCHEME:

(1) Direction for Special Audit:

➤ Assessment Unit to refer the case to NFAC:

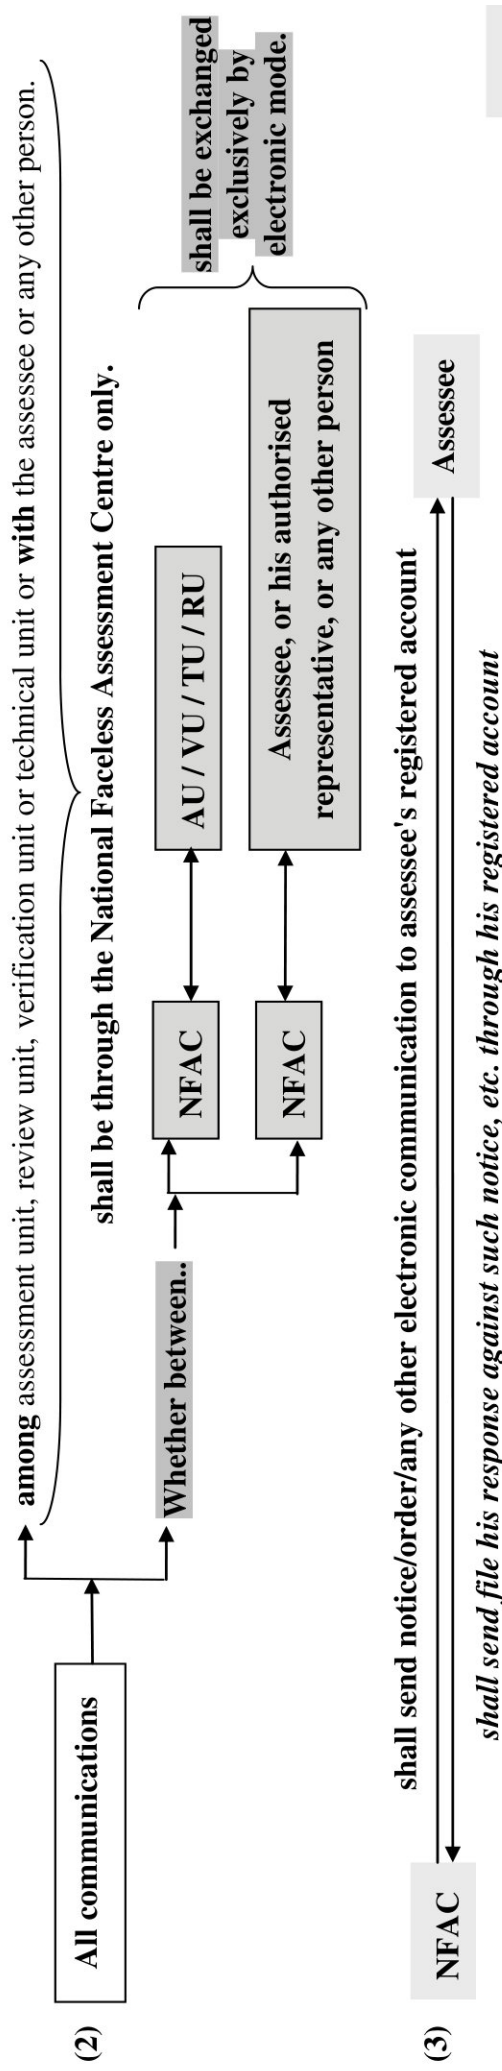

If at any stage of the proceedings, the Assessment Unit having regard to the nature and complexity or volume of the accounts, doubts about the correctness of accounts, multiplicity of transactions in the accounts, or specialised nature of the business activity of the assessee, and the interests of the revenue is of the opinion that it is necessary to do so, it may, upon recording its reasons in writing, refer the case to the NFAC stating that the provisions of special audit under section 142(2A) may be invoked.

➤ NFAC to refer the case to jurisdictional authority:

The Principal CCIT or the Principal DG, as the case may be, in charge of the NFAC shall, in accordance with the procedure laid down by the Board in this regard, if he considers appropriate that the provisions of section 142(2A) may be invoked in the case, forward the reference received from an assessment unit to the Principal CCIT or CCIT or Principal CIT or CIT having jurisdiction over such case, and inform the assessment unit accordingly.

➤ Where such a reference has been received by the Principal CCIT or CCIT or Principal CIT or CIT, he shall direct the Assessing Officer, having jurisdiction over the case, to invoke the provisions of section 142(2A).

➤ Where a reference has not been forwarded to the Principal CCIT or CCIT or Principal CIT or CIT, having jurisdiction over the case, the assessment unit shall proceed to complete the assessment in accordance with the procedure laid down in this section.

(4) **No personal appearance is allowed before any Unit set up under this Scheme.**

- ✓ In a case where any variation is proposed **and** an opportunity is provided to the assessee, then, he **may request for personal hearing** so as to make his oral submissions or present his case before the income-tax authority of the relevant unit.

✓ In this case, the income-tax authority of the relevant unit shall allow such hearing through NFAC, but, **such personal hearing shall be conducted exclusively through video conferencing or video telephony.**

- ✓ Board shall establish suitable facilities for video conferencing or video telephony so as to ensure that the assessee or any other person is not denied the benefit of faceless assessment *merely on the consideration that they do not have access to video conferencing or video telephony at their end.*

(5) **NFAC shall, after completion of assessment, transfer all the electronic records of the case to the Assessing Officer having jurisdiction** over the said case for such action as may be required under the Act.

(6) The Principal Chief Commissioner or the Principal Director General in charge of NFAC at any stage of the assessment, if considered necessary, **transfer the case to the Assessing Officer** having jurisdiction over such case, *with the prior approval of the Board.*

"UPDATED RETURN OF INCOME"

Section 139(8A): *New provisions to allow filing of an Updated Return:-*

- Any person,
- **whether or not he has furnished a return u/s 139(1), 139(4) or 139(5),**
- for an assessment year (herein referred to as the relevant assessment year),
- *may furnish an updated return* of his income or the income of any other person in respect of which he is assessable under this Act,
- for the previous year relevant to such assessment year, in the prescribed form, verified in such manner and setting forth such particulars as may be prescribed,
- at any time **within twenty-four months from the end of the relevant assessment year:**

Provided that the provision of this sub-section shall not apply, if the updated return,—

- (a) **is a return of a loss;** or
- (b) **has the effect of decreasing the total tax liability** determined on the basis of return furnished u/s 139(1), 139(4) or 139(5); or
- (c) **results in refund or increases the refund due** on the basis of return furnished u/s 139(1), 139(4) or 139(5),

of such person under this Act for the relevant assessment year:

Provided further that a person **shall not be eligible to furnish an updated return** under this sub-section, where:

- (a) **a search has been initiated** under section 132 or **books of account or other documents or any assets are requisitioned** under section 132A in the case of such person; or
- (b) **a survey has been conducted under section 133A, other than sub-section (2A)** [i.e. TDS/TCS Survey], in the case such person; or
- (c) **a notice has been issued to the effect that any money, bullion, jewellery or valuable article or thing, seized or requisitioned** under section 132 or section 132A in the case of any other person belongs to such person; or
- (d) **a notice has been issued to the effect that any books of account or documents, seized or requisitioned** under section 132 or section 132A in the case of any other person, pertain or pertain to, or any other information contained therein, relate to, such person,

for the assessment year relevant to the previous year in which such search is initiated or survey is conducted or requisition is made and any assessment year preceding such assessment year:

Provided also that **no updated return shall be furnished** for the relevant assessment year, where—

- (a) **an updated return has been furnished** by him under this sub-section for the relevant assessment year; or
- (b) any **proceeding for assessment or reassessment or recomputation or revision of income under this Act is pending or has been completed** for the relevant assessment year in his case; or

- (c) the Assessing Officer has information in respect of such person for the relevant assessment year in his possession under
- the Smugglers and Foreign Exchange Manipulators (Forfeiture of Property) Act, 1976 or
 - the Prohibition of Benami Property Transactions Act, 1988 or
 - the Prevention of Money-laundering Act, 2002 or
 - the Black Money (Undisclosed Foreign Income and Assets) and Imposition of Tax Act, 2015
- and the same has been communicated to him, prior to the date of furnishing of return under this sub-section; or
- (d) information for the relevant assessment year has been received under an agreement referred to in section 90 or section 90A in respect of such person and the same has been communicated to him, prior to the date of furnishing of return under this sub-section; or
- (e) any prosecution proceedings have been initiated for the relevant assessment year in respect of such person, prior to the date of furnishing of return under this sub-section; or
- (f) he is such person or belongs to such class of persons, as may be notified by the Board in this regard:

Provided also that if any person has sustained a loss in any previous year and has furnished a return of loss in the prescribed form within due date u/s 139(1) and verified in the prescribed manner and containing such other particulars as may be prescribed, he shall be allowed to furnish an updated return where such updated return is a return of income:

Provided also that

- if the loss or any part thereof carried forward under Chapter VI or unabsorbed depreciation carried forward u/s 32(2) or
- tax credit carried forward under section 115JAA or under section 115JD
- is to be reduced for any subsequent previous year as a result of furnishing of return of income under this sub-section for a previous year,
- an updated return shall be furnished for each such subsequent previous year."

Section 140B: Tax on updated return:-

- (1) **Where no return of income u/s 139(1) or 139(4) has been furnished** by an assessee, he shall, before furnishing the updated return u/s 139(8A), be liable to pay tax together with interest and fee payable under any of the provisions of this Act for any delay in furnishing the return or any default or delay in payment of advance tax, along with the payment of additional income-tax computed in accordance with sub-section (3). The tax payable shall be computed, after taking into account,—
- (i) the amount of tax, if any, already paid as advance tax;
 - (ii) any tax deducted or collected at source;
 - (iii) any relief of tax claimed u/s 89/90/90A/91;
 - (iv) any tax credit (AMT/MAT credit) claimed u/s 115JAA or section 115JD
- Proof of payment of such tax, additional income-tax, interest & fee must be attached with updated return.

(2)

Where, return of income u/s 139(1) or 139(4) or 139(5) [referred to as earlier return] has been furnished by an assessee, **he shall**, before furnishing the updated return u/s 139(8A), **be liable to pay the tax together with interest payable** under any provision of this Act **for any default or delay in payment of advance tax along with the payment of additional income-tax**, as computed in accordance with sub-section (3), **as reduced by the amount of interest paid under the provisions of this Act in the earlier return.** The tax payable shall be computed, *after taking into account,—*

(i)

the amount of relief or **tax referred to in section 140A(1)**, *the credit for which has been taken in the earlier return;*

(ii)

tax deducted or collected at source on any income *which is subject to such deduction or collection and which is taken into account in computing total income and which has not been included in the earlier return;*

(iii)

any **relief of tax or deduction of tax claimed u/s 90 /90A/91** on account of tax paid in a country outside India **on such income** *which has not been included in the earlier return;*

(iv)

any **tax credit (AMT/MAT credit) claimed, to be set off** in accordance with the provisions of section 115JAA or section 115JD, *which has not been claimed in the earlier return.*

➤

The aforesaid tax **shall be increased** by the amount of refund, if any, issued in respect of such **earlier return.**

➤

The **updated return shall be accompanied by proof of payment** of such tax, additional income-tax, interest and fee.

(3)

For the purposes of sub-sections (1) and (2), **the additional income-tax payable** at the time of furnishing the return u/s 139(8A) **shall be calculated as follows:**

(i)	If updated return is furnished after expiry of the time available u/s 139(4)/(5) and before completion of the period of 12 months from the end of the relevant assessment year	25% of aggregate of tax and interest payable , as determined in sub-section (1) or (2).
(ii)	If such return is furnished after the expiry of 12 months from the end of the relevant assessment year but before completion of the period of 24 months from the end of the relevant assessment year	50% of aggregate of tax and interest payable , as determined in sub-section (1) or sub-section (2), as the case may be.

(4)

Where an earlier return has been furnished, **interest payable under section 234B shall be computed on an amount equal to the assessed tax or, as the case may be, on the amount by which the advance tax paid falls short of the assessed tax.**

For this purpose,, "**assessed tax**" means the **tax on the total income as declared in updated return after taking into account,-**

(i)

the amount of relief or **tax referred to in section 140A(1)**, *the credit for which has been claimed in the earlier return;*

- (ii) **tax deducted or collected at source on any income** which is subject to such deduction or collection and which is taken into account in computing total income **and which has not been included in the earlier return;**
 - (iii) any **relief of tax or deduction of tax claimed u/s 90 /90A/91** on account of tax paid in a country outside India **on such income which has not been included in the earlier return;**
 - (iv) any **tax credit (AMT/MAT credit) claimed, to be set off** in accordance with the provisions of section 115JAA or section 115JD, **which has not been claimed in the earlier return.**
- The aforesaid tax shall be increased by the amount of refund, if any, issued in respect of such earlier return.

Explanatory Note:

- ✓ Unlike charging interest u/s 234A, for which a specific clause (i) is available in the Explanation to section 140B (as given at end of this section), the law **does not provide any clarity** as to *how the interest u/s 234B be computed at the time of furnishing of updated return where no earlier return is filed by the assessee.*
- ✓ In the absence of any provision in this regard in Section 140B, it is submitted that an assessee may be liable to pay interest under section 234B at the time of filing of updated return:
 - **On the amount of assessed tax (i.e. tax on the total income as declared in the updated return after adjustment of prepaid taxes).** In other words, at the time of furnishing of updated return, the interest u/s 234B should be computed **on the self-assessment tax payable u/s 140B.**
 - The interest should be charged for the **period commencing from 1st April of the relevant assessment year and ending on the date on which assessed tax is paid before filing of updated return.**
Where the taxes are paid in parts before filing of the updated return, the interest shall be computed for the broken period considering the taxes paid in each parts.

Explanation:

For the purposes of this section,—

- (i) **If no earlier return has been furnished,** interest payable under section 234A shall be computed on the amount of tax on the total income as declared in the updated return after adjustment of prepaid taxes. In other words, at the time of furnishing of updated return, the interest u/s 234A shall be computed **on the self-assessment tax payable u/s 140B.**
 - The interest shall be charged for the **period commencing from the date immediately following the due date for filing the original return of income and ending with the date on which the updated return is furnished.**

Note: A person shall not be required to pay interest u/s 234A at the time of furnishing of updated return if he has already filed the original, revised, or belated return for the relevant assessment year.
- (ii) **If earlier return has been furnished,** interest payable under section 234C shall be computed after taking into account the total income furnished in the updated return as the returned income.

- (iii) For the purposes of additional tax, interest payable shall be *the interest chargeable under any provision of this Act, on the income as per updated return, as reduced by interest paid, in accordance with the earlier return, if any.* However, interest paid in the earlier return shall be nil if no earlier return has been furnished.

Section 234A and 234B: Consequential changes *in relation to computation of interest under section 234A and Section 234B in respect of tax payable on filing of updated return:-*

The Finance Act, 2022 has made the following consequential amendments:

Section 234A:

- (a) Sub-section (1) is amended **to provide for a levy of interest under section 234A in case of an updated return** (if no earlier return has been furnished);
- (b) **Explanation 2** is substituted to provide that **tax on total income as determined u/s 143(1) or under regular assessment shall not include the additional income tax, if any, payable u/s 140B.**
- Thus, interest u/s 234A shall not be levied on the amount of additional income tax payable u/s 140B.

Section 234B:

- **Explanation 3 to section 234B is substituted to provide that interest shall not be charged on the amount of additional income-tax payable under section 140B.**

OTHER AMENDMENTS RELATING TO UPDATED RETURN:

1.	Insertion of additional clause (ca) in section 139(9): <i>To treat an updated return as defective if proof of payment of tax is not furnished.</i>
2.	Amendment in Section 144: <i>To provide that non-filing of an updated return can result in best judgment assessment as in case of non-filing of normal/belated return.</i>
3.	Insertion of new sub-section (1A) in section 153: <i>To provide for a specific time limit of 9 months from the end of the financial year in which the updated return was filed for completion of assessment in respect of an updated return.</i>
4.	Amendment in Section 276CC: <i>To provide immunity from prosecution for non-filing of return when an updated return is filed.</i>

"APPEALS & REVISIONS"

Section 246A: Appeal against the following orders of AO can be filed to the CIT (Appeals): -

- ☞ Order passed by the AO u/s 143(3) / 144 / 147 / 153A [i.e. assessment or re-assessment order **except as passed under directions of Dispute Resolution Panel (DRP)**] or an order against the assessee where the assessee denies his liabilities be assessed under this Act.
- ☞ Rectification / refusal order u/s 154.
- ☞ Intimation u/s 143(1) / 200A / 206CB (i.e. Intimation generated after processing of ITR /TDS/TCS return).
- ☞ Penalty order passed by the AO (including order of penalty & interest for failure to deduct/pay TDS/TCS)

Section 248 : Appeal by person denying liability to deduct tax:-

- Any person who is responsible for paying any income to the non-resident
- agreed to born tax deductible (u/s 195) on such income and having paid such tax, **but**
- **claims that no tax was deductible** on such income, then, he may file an appeal to the CIT(A).

Hitherto, a taxpayer had no recourse to approach the Assessing Officer to obtain a refund of the tax so deducted and paid. The taxpayer had to follow the appellate process by filing an appeal before the Commissioner (Appeals) to obtain a refund of such tax deducted and deposited to the Central Govt.

The Finance Act, 2022 addresses this concern by inserting a new Section 239A which reads as under:

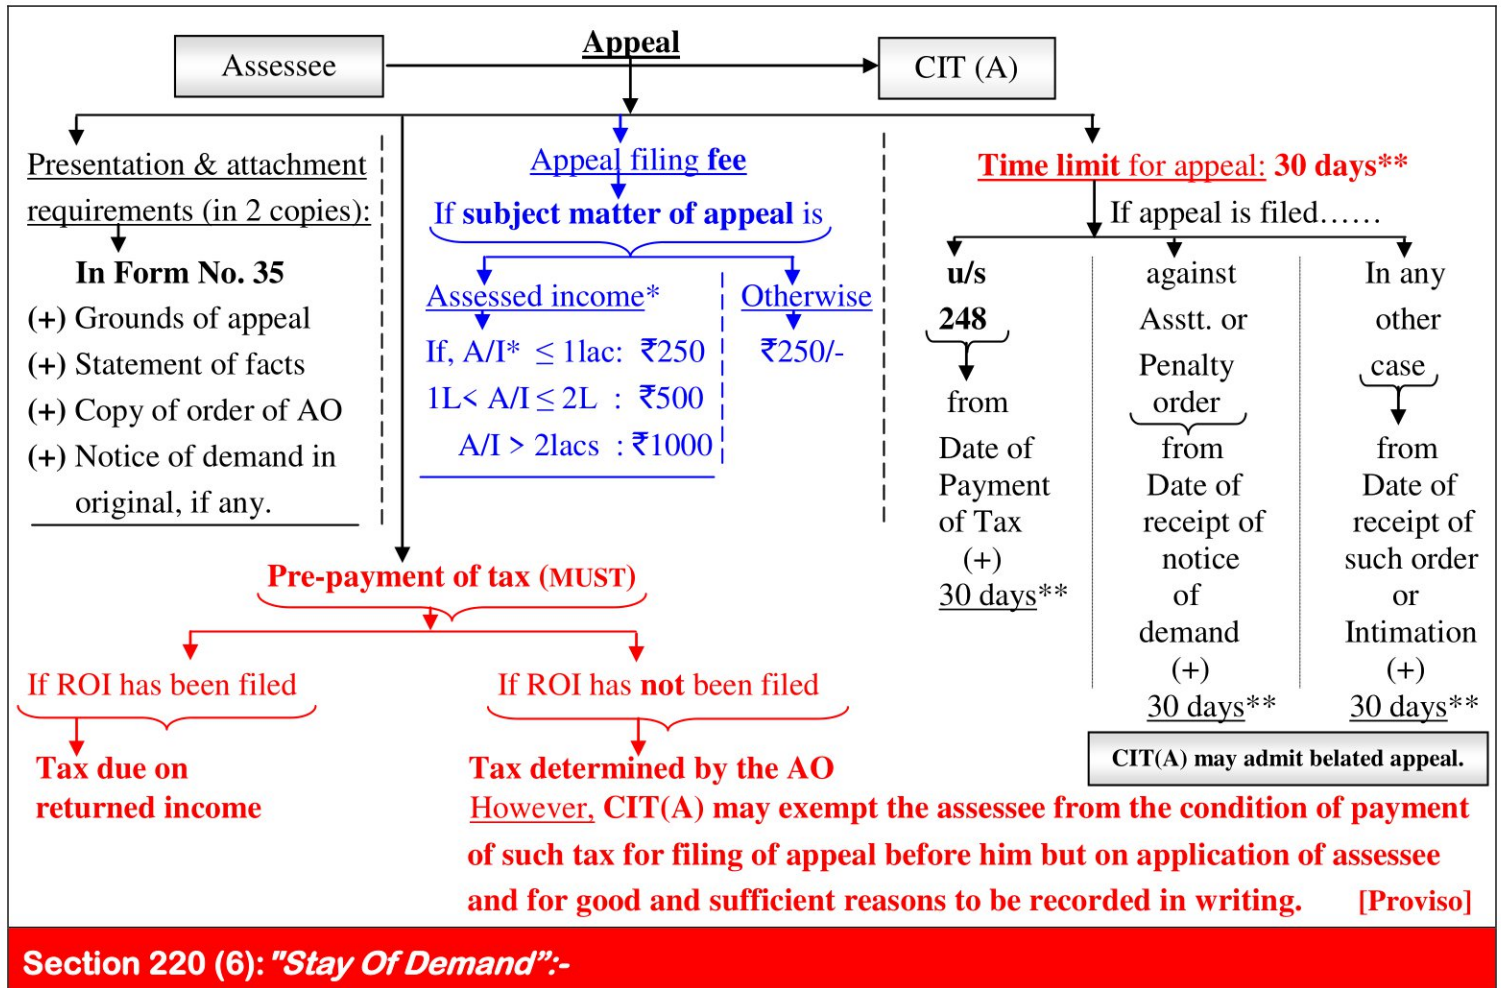

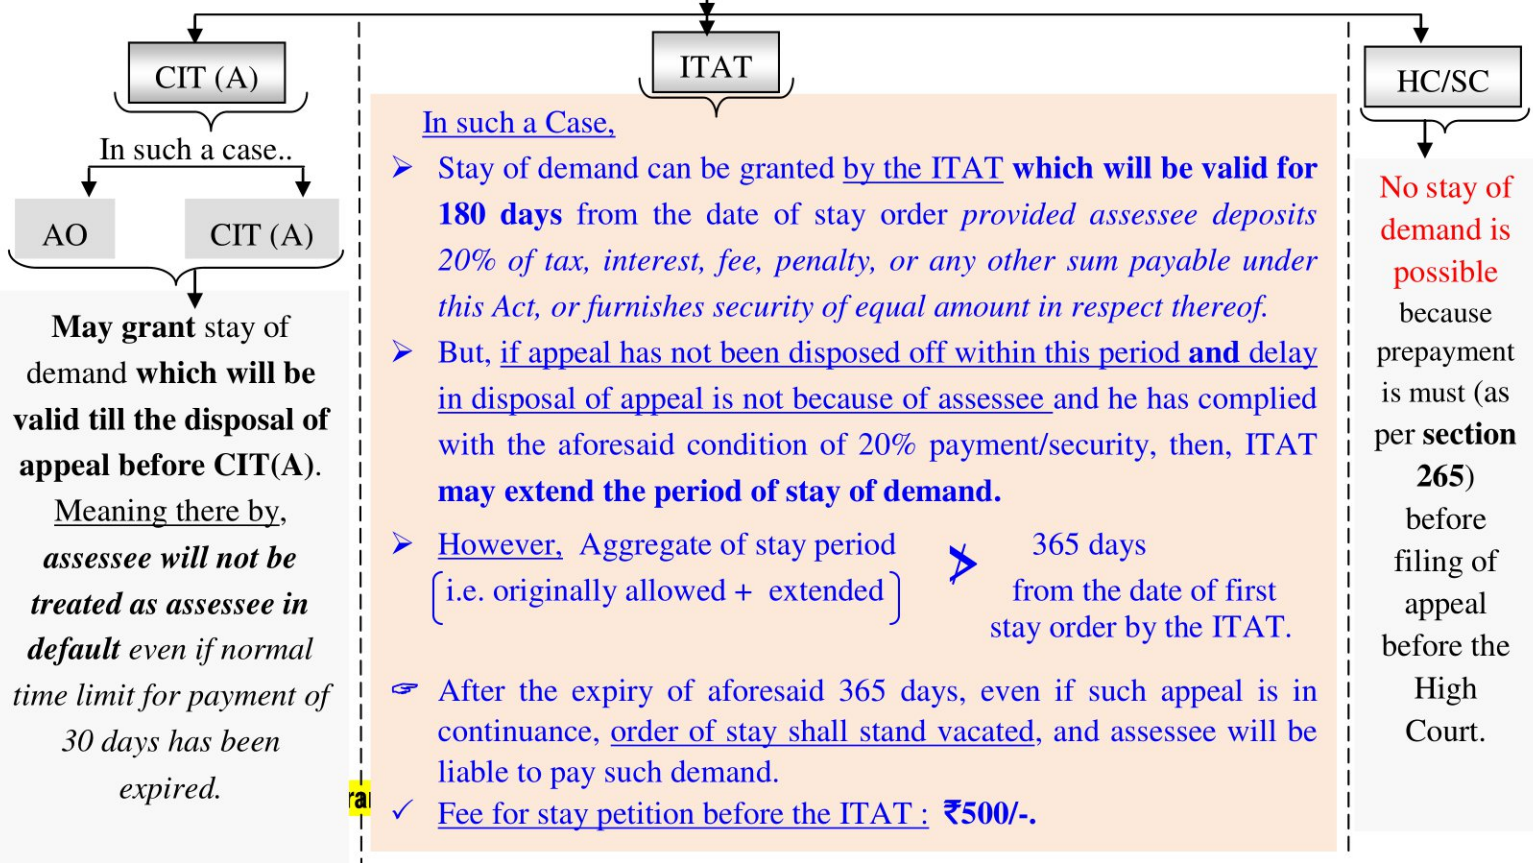

Section 239A: Refund for denying liability to deduct tax in certain cases:-

- | | |
|-----|--|
| (1) | <ul style="list-style-type: none"> - Where under an agreement or other arrangement, <i>in writing</i>, - the tax deductible on any income, other than interest, u/s 195 is to be borne by the payer, and - such person having paid such tax to the credit of the Central Government - claims that no tax was required to be deducted on such income, - may, within a period of thirty days from the date of payment of such tax, - file an application before the Assessing Officer for refund of such tax in such form and such manner as may be prescribed. |
| (2) | <p>The Assessing Officer shall, by an order in writing, allow or reject the application.</p> <p>Provided that no application under sub-section (1) shall be rejected <i>unless an opportunity of being heard has been given to the applicant.</i>"</p> |

Further, a sun-set clause is inserted in section 248 as under:

"Provided that no appeal shall be filed where tax is paid to the credit of the Central Government on or after the 1st day of April, 2022."

Section 249: Procedure for filing an appeal:-

**If appeal is pending before.....**

Important Ruling: DCIT v/s Pepsi Foods Ltd (2021)(SC):**Issue:**

Would automatic vacation of stay order upon expiry of extended period of stay of 365 days be valid, where the delay in disposing of the appeal is *not* attributable to the assessee?

Decision:

As per third proviso to section 254(2A), where the appeal filed before the ITAT is not disposed of within the period of stay or extended period of stay granted by the Tribunal, the order of stay shall stand vacated after the expiry of 365 days, **even** if the delay in disposing of the appeal is **not** attributable to the assessee.

The Apex Court also pointed out that the said proviso would result in the automatic vacation of a stay upon the expiry of 365 days, even if the Appellate Tribunal could not take up the appeal in time for no fault of the assessee. Further, vacation of stay in favour of the Department would ensue even if the Department is itself responsible for the delay in hearing the appeal. In this sense, the proviso is manifestly arbitrary being a provision which is capricious, irrational and disproportionate so far as the assessee is concerned.

Accordingly, the Apex Court held that the third proviso to section 254(2A) has to be read without the word “even” and the word “not” after the words “delay in disposing of the appeal”. **Thus, any order of stay shall stand vacated after the expiry of the period or periods mentioned in the section, only if the delay in disposing of the appeal is attributable to the assessee.**

Section 250: Order by CIT (A):

➤ CIT(A) will dispose off the appeal by passing a **speaking order (i.e. having decision along with reasons)**.

➤ **Time limit (RECOMMENDATORY): 1 year** from the end of the year in which such appeal is filed.

➤ In a case, **where new ground is raised during the appeal:**

If earlier omission of that ground was **not** willful or unreasonable:

CIT(A) may entertain such ground **if it bonafide, and became available because of change in law or circumstances.**

[Jute corporation of India v/s CIT (Supreme Court)]

If earlier omission of that ground was **without any reasonable cause:**

CIT(A) cannot entertain such ground.

[ACIT v/s Gurjar gravures (P) Ltd. (SC)]

Section 251: Power of Commissioner (Appeals):

In case of appeal against Assessment order / Penalty order
CIT(A) may **confirm, reduce, enhance or cancel** such assessment order / penalty order.

In any other case
He may pass order **as he thinks fit.**

Rule 46A: Assessee can produce / CIT(A) can admit additional evidence ONLY in the following cases:-

Where the **AO has refused to admit evidence** which should have been admitted.

Where the **assessee was prevented by sufficient cause** from producing:
(a) Evidence called for by AO, or
(b) Any other evidence.

Where an AO has made an order **without giving sufficient opportunity to the appellant to produce evidence** relevant to the ground of appeal.

Section 253: Appeals to Appellate Tribunal:-

☞ An assessee may file an appeal to the ITAT against the following orders:

CIT(A)	CIT	AO	DG /Dir. / CCIT
<ul style="list-style-type: none"> - Final order u/s 250 - Rectification order u/s 154 - Penalty order. 	<ul style="list-style-type: none"> - Revision order u/s 263 - Rectification order u/s 154 - Penalty order - Refusal order / Cancellation order u/s 12AA/12AB/80G(5)(vi)/10(23C) 	Order of assessment or re- assessment as passed under directions of DRP or rectification order in respect of such order.	Penalty order u/s 272A.

☞ Against the order of CIT(A), the Commissioner may also direct the AO for filing of an appeal to the ITAT.

☞ **Time limit for appeal:** 60 days from date of receipt of order which is sought (i.e. need) to be appealed.

Memorandum of cross objections:

- ☞ If against the order of CIT(A), an appeal has been filed by one party (i.e. Appellant),
- ITAT shall send a notice to other party (i.e. Respondent) to inform about the filed appeal.
 - Then, such other party (i.e. Respondent) may file a memorandum of cross objections
 - in Form 36A, within 30 days from date of receipt of such notice from ITAT.

☞ ITAT may admit belated appeal / memorandum of cross objections.

☞ **Appeal filing fee (which is payable only when appeal is filed by assessee, not by Department):**

If assessed income (as computed by the AO).....			If appeal not relates with assessed income
≤ 1 Lac	1 Lac < AI ≤ 2 Lacs	AI > 2 Lacs	₹500/-
₹500/-	₹1500/-	1% of AI or 10000 whichever is less	

Section 254 : Order of the Appellate Tribunal :-

(1) The ITAT may, after giving an opportunity to both the parties of appeal, pass such order as it think fit.

☞ **Time limit (RECOMMENDATORY):** 4 years from the end of the year in which such appeal is filed.

Rectification of mistake apparent from record by the ITAT:

<u>Suo-motu</u>	<u>On application</u>	
	Application filing fee: ₹50/- (for assessee). ITAT shall entertain such application.	
Time limit for rectification order.....	Time limit for rectification application.....	Time limit for rectification order on application.....

6 months from the end of the month in which final order was passed by the ITAT.

But, if application has been filed timely, then, **rectification order may be passed belatedly.**
[Sree Ayyanar spinning & weaving mills Ltd. (SC)]

Prejudicial rectification order will be passed only after giving an opportunity of being heard to the assessee.

ITAT cannot admit additional evidence or re-appreciate the evidence already produced **during rectification proceedings** (i.e. amount to re-view on already produced evidences).

Section 255: Procedure of Appellate Tribunal:-

- Appeal filed before the ITAT **shall be heard** by a sitting bench of two members —
 - One Judicial member.
 - One Accountant member.
- **Appeal shall be decided by their majority.** If there is no majority, in such a case, **point on which they differ**, will be referred to the president of the ITAT who will appoint one or more member in such bench, and then, such point will be decided as per the majority of the members who have heard the case.
- **If total income as computed by the AO doesn't exceed ₹50Lacs**, such case / appeal may be disposed by single member bench (President / any other member as authorised by the Central Government).
- In a special case, president may constitute a special bench of three or more members.

➤ Since a comprehensive scheme for litigation management has been formulated u/s 158AB, aforesaid sunset clause by way of a proviso is introduced in section 158AA.

Section 158AB: New scheme introduced for the avoidance of repetitive appeals:-

- The Finance Act, 2022 by inserting a new section 158AB has extended the suspension of the appeal of the assessee in relevant A.Y. if an identical question of law in other A.Y. is pending in the case of any other assessee also. The new litigation management scheme as follows:

(1)	Notwithstanding anything contained in this Act, where the collegium is of the opinion that—
(a)	any question of law arising in the case of an assessee for any assessment year (such case being herein referred to as the relevant case) is identical with a question of law arising,—
(i)	in his case for any other assessment year; or
(ii)	in the case of any other assessee for any assessment year; and
(b)	such question is pending before the jurisdictional High Court or the Supreme Court, against the order of the Appellate Tribunal or the jurisdictional High Court , as the case may be, which is in favour of such assessee (such case being herein referred to as the other case),
	the collegium may, decide and inform the Principal Commissioner or Commissioner not to file any appeal, at this stage, to the Appellate Tribunal or to the jurisdictional High Court in the relevant case against the order of the Commissioner (Appeals) or the Appellate Tribunal, as the case may be.
(2)	The Principal Commissioner/Commissioner shall, on receipt of a communication from the collegium, direct the Assessing Officer to make an application to the Appellate Tribunal or the jurisdictional High Court , as the case may be, in such form as may be prescribed (i.e. Form No. 8A) <i>within a period of 120 days from the date of receipt of the order of the Commissioner (Appeals) or of the Appellate Tribunal</i> , as the case may be, stating that an appeal on the question of law arising in the relevant case may be filed when the decision on such question of law becomes final in the other case.
(3)	The Principal Commissioner or Commissioner shall direct the Assessing Officer to make such application only if an acceptance is received from the assessee to the effect that the question of law in the other case is identical to that arising in the relevant case; and in case no such acceptance is received, the Principal Commissioner shall proceed in accordance with the provisions contains in section 253(2)/260A.
(4)	Where the order of the Commissioner (Appeals) or the order of the Appellate Tribunal , as the case may be, referred to in sub-section (1) is not in conformity with the final decision on the question of law in the other case, as and when such order is received , <i>the Principal Commissioner or Commissioner may direct the Assessing Officer to appeal to the Appellate Tribunal or the jurisdictional High Court</i> , as the case may be, <i>against such order.</i>
(5)	Every such appeal shall be filed within a period of 60 days to the Appellate Tribunal or 120 days to the High Court as the case may be, <i>from the date on which the order of the jurisdictional High Court or the Supreme Court in the other case is communicated to the Principal Commissioner or the Commissioner (having jurisdiction over the relevant case).</i>

Explanation: For the purposes of this section, "**collegium**" means a collegium comprising of two or more Chief Commissioners or Principal Commissioners or Commissioners, as may be specified by the Board in this behalf.'.

The former is an application for rectifying a 'mistake apparent from the record' which is much narrower in scope than the latter. Under section 260A, an order of the ITAT can be challenged on substantial questions of law. The Court stated that the appellant had the option of filing an appeal u/s 260A while also mentioning in the Memorandum of Appeal that its application u/s 254(2) was pending before the ITAT. The Apex Court took note of the fact that the Tribunal committed a mistake in not considering material which was already on record and the Tribunal acknowledged its mistake and accordingly, rectified its order.

The Tribunal, while exercising the power of rectification u/s 254(2), can recall its order in entirety if it is satisfied that prejudice has resulted to the party which is attributable to the Tribunal's mistake, error or omission and the error committed is apparent.

[Lachman Dass Bhatia Hingwala (P) Ltd. v/s ACIT (2011)(Delhi)]

(4) Reliance Telecom Ltd. / Reliance Communications Ltd. (2022) (SC):

Issue: Can the powers under section 254(2) be exercised by the Tribunal to recall an order and rehear the entire order on merits?

Analysis and Decision:

Relevant Provision of Income-tax Act, 1961:

Section 254(1) empowers the Appellate Tribunal to pass such order thereon as it thinks fit, after giving both the parties to the appeal an opportunity of being heard.

Under section 254(2), the Appellate Tribunal, may amend an order passed by it u/s 254(1) with a view to rectifying any mistake apparent from the record. Such amendment may be suo moto or if the mistake is brought to its notice by the assessee or the Assessing Officer.

Facts of the Case:

The Department filed an appeal before the Tribunal against the order of Commissioner (Appeals). By a detailed order dated September 6, 2013, the Tribunal allowed the Department's appeal. Against this order, the assessee filed a miscellaneous application for rectification u/s 254(2).

The contentions of the applicants in the miscellaneous applications, briefly summarized, were that in the initial order of the Tribunal on the income-tax appeals dated September 6, 2013, there are inadvertent errors and which need to be modified/rectified. The first main heading 'Agreement and general terms and conditions of purchase'. The complaint of the assessee is that it was not considered in arriving at the final conclusion. Then comes heading No. 2 which reads thus: 'Mistake in reading the ratio of the Delhi High Court's decision in the case of DIT v. Ericsson A. B. reported in [2012] 343 ITR 470'. The third main heading is 'Ignoring the decisions of the co-ordinate Benches and not constituting larger Bench in case a different view is taken'. Such application was made to the Tribunal seeking correction of the mistakes which are styled as 'apparent from the record'. On being served with such applications, the petitioner-Department raised an objection to the maintainability thereof.

Simultaneously, the assessee also filed an appeal before the High Court against the Tribunal's order dated September 6, 2013. By order dated November 18, 2016, the Tribunal allowed the assessee's miscellaneous application filed under section 254(2) and recalled its original order dated September 6, 2013. Immediately thereafter, the assessee withdrew the appeal preferred before the High Court against the original order

dated September 6, 2013.

Against the order passed by the Tribunal allowing the miscellaneous application under section 254(2) of the Act and recalling its order dated September 6, 2013, the Department preferred a writ petition before the High Court. The High Court dismissed the writ petition observing that, inter alia, the Department itself had gone into the merits of the case in detail before the Tribunal and the parties had filed detailed submissions based on which the Tribunal passed its order recalling its earlier order.

Analysis:

The order dated November 18, 2016 passed by the Tribunal recalling its earlier order dated September 6, 2013 was beyond the scope and ambit of the powers u/s 254(2). While allowing the application u/s 254(2) and recalling its earlier order dated September 6, 2013, the Tribunal had reheard the entire appeal on the merits as if the Tribunal was deciding the appeal against the order passed by the Commissioner (Appeals). A detailed order was passed by the Tribunal on September 6, 2013 holding in favour of the Department. That order could not have been recalled by the Appellate Tribunal in exercise of powers u/s 254(2). If the assessee was of the opinion that the order passed by the Tribunal was erroneous, either on the facts or in law, the only remedy available to the assessee was to prefer an appeal before the High Court. In this case, the assessee had already filed appeal before the High Court, and the same was withdrawn by it after the Tribunal, by order dated November 18, 2016, recalled its earlier order dated September 6, 2013.

Decision:

The order passed by the Tribunal dated November 18, 2016 recalling its earlier order dated September 6, 2013 was unsustainable, and ought to have been set aside by the High Court.

Note: In this case, the Supreme Court directed that the original order passed by the Tribunal dated September 6, 2013 passed in the respective appeal preferred by the Department be restored; and that the assessee may prefer appeal before the High Court against the original order dated September 6, 2013.

(5) Wipro Finance Ltd. v/s CIT (2022)(SC):

Issue:

Would the loss incurred in foreign currency fluctuation at the time of repayment of loan taken for financing acquisition of plant and machinery on lease/hire purchase by Indian enterprises with whom the assessee-company has lease/hire purchase agreement be treated as allowable revenue expenditure?

Can the Tribunal entertain a fresh claim for the first time in exercise of its powers under section 254?

Analysis and Decision:

Relevant provision of law:

Under section 37, any expenditure (not being in the nature of expenditure described in sections 30 to 36), and not being in the nature of capital expenditure or personal expenses of the assessee), laid out or expended wholly and exclusively for the purposes of the business or profession shall be allowed in computing income chargeable under the head "Profits and gains of business or profession".

Section 254(1) empowers the Appellate Tribunal to pass such orders as it thinks fit, after giving both the parties to the appeal an opportunity of being heard.

Facts of the case:

The assessee-company, which was in the leasing business, obtained a loan in foreign currency from Commonwealth Development Corporation (CDC), having its registered office in the United Kingdom, to be utilised by the assessee for financing the procurement of capital equipment by existing Indian enterprises on hire purchase or lease basis. While repaying the loan, due to the difference in the rates of foreign exchange, the assessee had to pay a higher amount, resulting in loss to the assessee. For the relevant assessment year, the assessee declared, inter alia, a loss of ₹1.11 crores owing to fluctuation in the rates of foreign exchange.

The assessee in its return had taken a conscious explicit plea with regard to part of the claim being ascribable to capital expenditure (₹2.46 crores) and partly to revenue expenditure (₹1.11 crores). Thereafter, for the first time before the Tribunal it pleaded that the entire claim must be treated as revenue expenditure. The Tribunal was conscious that this claim was made by the assessee for the first time before it and the same was contrary to the stand taken in the return filed by the assessee for the assessment year including the notings made by the officials of the assessee. Yet, the Tribunal entertained the claim as permissible, relying on the dictum of the Court in **National Thermal Power Co. Ltd. v/s CIT [1998] (SC)**, wherein it was held that the Tribunal has the power to entertain question raised for the first time. The Tribunal is not confined only to the issues arising out of the appeal before the Commissioner (Appeals). It has the power to allow the assessee to urge any ground not raised before the Commissioner (Appeals). However, the relevant facts in respect of such ground should be on record.

Accordingly, in this case, the Tribunal held that the entire loan and the utilisation thereof was in trading operations of the company more profitably leaving the fixed capital untouched and hence the expenditure was on revenue account and allowable. The Tribunal allowed the entire claim of ₹3.57 crores.

Analysis:

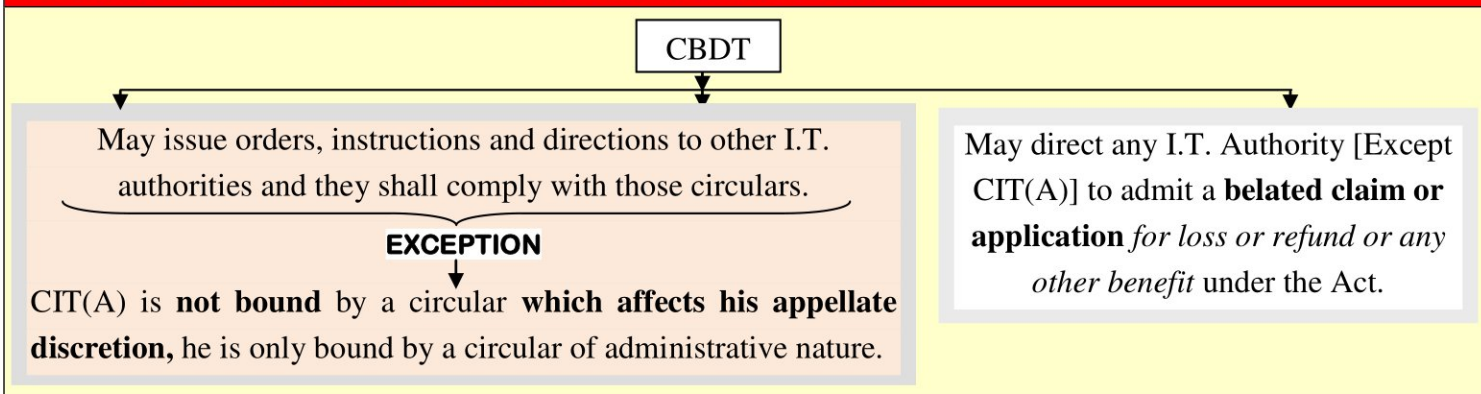

The activity of the assessee of financing existing Indian enterprises for procurement or acquisition of plant, machinery and equipment on lease and hire purchase basis, was an independent transaction or activity being the business of the assessee. The transaction of loan between the assessee and CDC was in the nature of borrowing money by the assessee, which was necessary for carrying on its business of financing. It was not for creation of an asset of the assessee as such or acquisition from a country outside India for the purpose of its business. In such a scenario, the assessee would be justified in availing of deduction of the entire expenditure or loss suffered by it in connection with such a transaction in terms of section 37. The loan was wholly and exclusively used for the purpose of business of financing existing Indian enterprises, which in turn, had to acquire plant, machinery and equipment to be used by them. It was a different matter that they may do so because of the leasing and hire purchase agreement with the assessee. That would, nevertheless, be an activity concerning the business of the assessee. The Supreme Court held that the analysis and the conclusion arrived at by the Tribunal in respect of the claim of the assessee were correct.

As regards the restriction in powers to accept a new claim for the first time, such limitation on accepting new claims would apply to the “assessing authority”, but would not impinge upon the plenary powers of the Tribunal bestowed under section 254.

	<p><u>Decision:</u></p> <p>As a result of allowing the entire claim of the appellant to the tune of ₹3.57 crores being revenue expenditure, suitable amendment will have to be effected in the final assessment order passed by the Assessing Officer for the concerned assessment year, thereby treating the consequential benefits such as depreciation availed of by the appellant-assessee in relation to the stated amount towards exchange fluctuation related to leased assets capitalized (being ₹2.46 crores), as unavailable.</p> <p>Note: The crux of this case is that the assessee was engaged in leasing business. The assessee also financed the enterprises with whom it had entered into a lease agreement to enable them to obtain the plant, machinery on lease from it. For such financing, the assessee had obtained loan in foreign currency and incurred loss on account of currency fluctuation while repaying the loan. It was held that since the loan was borrowed for the financing activity, which was an activity concerning the business of the assessee, the loss was allowable under section 37. It was not a loan borrowed for acquisition of asset, in which case, the loss would have had to be adjusted against the actual cost of the asset.</p>
(6)	<p>It was held that High Courts <u>under article 215 of the Constitution of India</u>, the power of review would inhere in them. Further, it was also noted that in the case of <u>Shivdeo Singh v/s State of Punjab</u>, while dealing with power of review of writ petitions filed under article 226, the Supreme Court had observed that there is nothing in article 226 of the Constitution to preclude a High Court from exercising the power of review which inheres in every court of plenary jurisdiction to prevent miscarriage of justice.</p> <p>The Supreme Court further observed that Section 260A states that all the provisions that would apply qua appeals in the Code of Civil Procedure would apply to appeals under section 260A. That does not in any manner suggest either that the other provisions of the Code of Civil Procedure are necessarily excluded or that the High Court's inherent jurisdiction is in any manner affected.</p> <p style="text-align: right;">[CIT v/s Meghalaya Steels Ltd. (2015) (SC)]</p>
(6)	<p>On the issue that Considering the procedure as prescribed u/s 260A, is the High Court justified in not framing any substantial question of law itself and adjudicating merely on the questions put forth by the appellant, the Court has held that there lies a distinction between the questions proposed by the appellant for admission of the appeal to the High Court and the questions framed by the High Court. The substantial questions of law, which are proposed by the appellant fall u/s 260A(2)(c) whereas the substantial question of law is required to be framed by the High Court fall u/s 260A(3). U/s 260A(4), the appeal is heard on merits only on the substantial question of law framed by the High Court u/s 260A(3). If the High Court is of the view that the appeal did not involve any substantial question of law, it should have recorded a categorical finding to that effect saying that the questions proposed by the appellant either do not arise in the case or/and are not substantial questions of law so as to attract the rigour of section 260A for its admission and accordingly should have dismissed the appeal <i>in limine</i>. However, this was not done. Instead, <i>the appeal was heard only on the questions urged by the appellant u/s 260A(2)(c), which is not in line with the requirement contained in section 260A(4). The High Court, therefore, did not decide the appeal in conformity with the mandatory procedure prescribed in section 260A.</i></p> <p style="text-align: right;">[CIT v/s A.A. Estate Pvt. Ltd. DEEMED / CONSTRUCTIVE SEIZURE:-

When (Situation)	Due to volume, weight, other physical characteristics or dangerous nature, it is not practicable / possible to take physical possession on any valuable article / thing.
Manner	<u>Authorized officer may serve an order</u> on the assessee to the effect that such item will not be removed or otherwise deal with without his permission, such action shall be deemed to be a seizure of such item.
Exception	Such order can not be served in respect of Stock in trade.

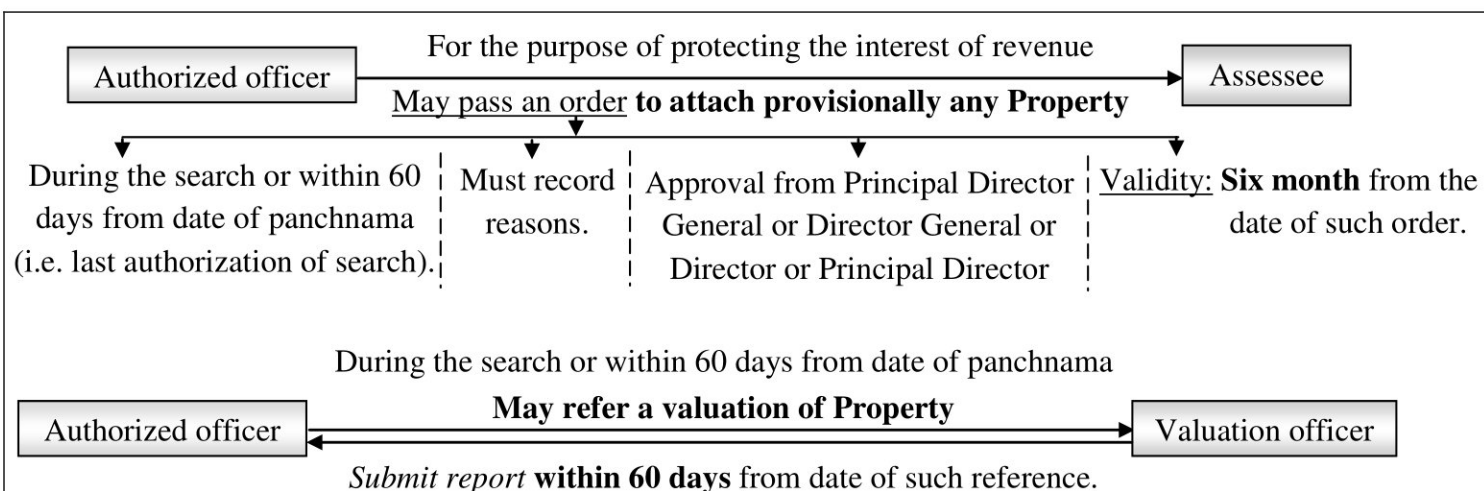

ORDER OF RESTRAINT:-

When (Situation)	Due to any reason <i>other than given in deemed seizure</i> it is not practicable or possible to take physical possession on books, money or other assets.
Manner	<u>Authorized officer may serve an order</u> on the assessee to the effect that such item will not be removed or otherwise deal with without his permission, but this action shall not be deemed seizure of such item.
Time limit	Such order will be valid for 60 days from the date of such order.

Other Relevant Provisions:-

Presumptions regarding books of accounts / other documents, and assets found in the possession of a person during search: it may be presumed that-

- (i) Such books and assets *belongs to such person;*
- (ii) Content of such books / other documents *are true;* and
- (iii) Signature and every other part of such books / other document which purports (i.e. appears / seems) to be in handwriting of any particular person **are in that person's handwriting.** Similarly, in case of a document stamped, executed or attested will be presumed as done by the person **by whom it purports to have been done.**

Section 132B: Application of seized or requisitioned assets:-

Following may be recovered from the seized assets:

- (i) Existing liability under this Act (i.e. outstanding dues) : ✓
- (ii) Liability determined on completion of asstt./reasstt. (including liability relating to the year of search) : ✓

Explanation:

The **existing liability does not include advance tax payable** in accordance with the provisions of the Act.

If any seized asset to which the nature and source of its acquisition is explained to the satisfaction of the AO and assessee makes an application within 30 days from the end of the month of seizure for release of such asset, then, the AO has to release within 120 days from the date of panchnama with the prior approval of CCIT/CIT:

- Amount of explained asset : ✓
- (-) Amount of existing liability : ✓

Aitaben R. Shah v/s DCIT(Guj. HC):

- Where assessee made an application within time limit for release of seized articles and no sufficient reasons were given for retention of seized articles, it was held that order rejecting the application was not valid.

Other Relevant Provisions:-

- (1) Seized money will be first utilized in the discharge of liability as referred to in (i) & (ii) above.
- (2) **If such money is not sufficient to meet the aforesaid liability** then *balance liability may be recovered by sale of seized asset.*
If any excess proceed is there, that will be refunded to the assessee with interest @ 0.5% per month or part of the month for the period which will start from the expiry of 120 days from the date of panchnama (i.e. date of completion of search) to the date of completion of assessment.

"RECENT JUDICIAL PRONOUNCEMENT"

- Consequent to a search in the premises of the assessee, some gold bars were seized from the locker. The

assessee voluntarily disclosed some income during the course of search. The assessee filed an application for sale of the gold bars and adjustment of tax liability on undisclosed income out of the sale proceeds. This would obviate his liability to pay interest under sections 234B and 234C.

- Section 132B(1)(i) uses the expression “the amount of any existing liability” and “the amount of the liability determined”. The words “existing liability” postulates a liability that is crystallized by adjudication; Likewise, “a liability is determined” only on completion of the assessment. **Until the assessment is complete, it cannot be postulated that a liability has been crystallized.**
- As per the first proviso to section 132B(1)(i), the assessee may make an application to the Assessing Officer for release of the assets seized. However, he has to explain the nature and source of acquisition of the asset to the satisfaction of the Assessing Officer. *Therefore, in the present case, the first proviso to section 132B(1)(i) would not be attracted.* **[Hemant Kumar Sindhi & Another v/s CIT (All)]**

Section 133: Power to call for information:-

The AO or CIT (Appeals) may-

- (6) require any person, including a **banking company**, to furnish information or furnish account statement which will be useful or relevant to any **inquiry or proceedings** under the Act.

However the power in respect of an **inquiry**, in a case where no proceeding is pending, shall not be exercised by the assessing officer, (other than Joint Director, an Assistant Director or a Deputy Director), **with out the prior approval of Director or Commissioner.**

Section 133A: Power Of Survey:-

Eligible place of survey:

Any place at which business or profession or an activity for charitable purpose is carried on.

Explanation:

- ☞ Any place at which books or other documents or assets relating to business / profession or charitable activity are kept will be deemed as place of business / profession or charitable activity.

Limitation / Timing restriction on entry for survey:

- (i) At place of business / profession: may enter **in business hours only;**
- (ii) At any other place: may enter **after sunrise but before sunset.**
- ☞ Survey proceedings may be continued **after the aforesaid timing.** **[N.K. Mohnot (Madras -HC)]**

Survey conducting authority, during the survey, may –

- (1) Require the person concerned **for providing necessary facilities**
 - in inspection of books,
 - in checking / verification of cash, stock or other assets as available there, and for providing of **useful / relevant informations** as required.
- (2) **Place identification marks** on inspected books / other documents by him.

(3)	<p>Impound and retain inspected books or other documents</p> <p>Subject to</p> <p>Recording of Reasons AND If period of Retention > 15 working days</p> <p>Approval of CIT or above is required.</p>
(4)	Make a list of cash, stock or other assets checked / verified by him.
(5)	Record the statement of any person which may be relevant or useful for any proceeding under the Act.

The income-tax authorities would also have the power to collect information and record the statements of any of the persons concerned at any time after any function, ceremony or event, if they are of the opinion that having due regard to the nature and extent of the expenditure incurred, it is necessary to do so. **Section 133A(5)**

❖ **An income-tax authority conducting a survey shall on no account, remove or cause to be removed from the place wherein he has entered, any cash, stock or other valuable article or thing.**

TDS / TCS SURVEY:-

SECTION 133A(2A)

➤ An income tax authority has the power to conduct survey **for the purpose of verifying that TDS/ TCS has been made as per the provision of TDS / TCS chapter.**

➤ For this purpose, he may enter at any place of business / profession **after sunrise but before sunset.**

➤ **Survey conducting authority may:**

☞ require the deductor / collector or other concerned person for providing necessary facilities in inspection of books / other documents; require information in relation to such matter.

☞ Place identification marks on inspected books / other documents.

☞ **Record the statement** of any person which may be relevant or useful for any proceeding under the Act.

But, survey conducting authority shall not:

– impound and retain any books / other documents; or make a list of any cash, stock, other assets.

Explanation:

“Income tax authority” means an income-tax authority sub-ordinate to Principal Director General or Director-General or Principal Chief Commissioner or Chief Commissioner, as the case may be, specified by the Board.

As amended by F. A., 2022

Section 133B: Power to collect certain information:-

– For the purpose of collecting relevant or useful information **as prescribed by the Board,**

– An income tax authority may enter at any place of business or profession and require the concerned available person for furnishing of the same.

➤ For the aforesaid purpose, income tax authority **may enter only in business hours,** and *shall not remove any books or assets from such place.*

Section 271AAB → Applicability in case of initiation of search u/s 132

Section 271AAD: Penalty for false entry, etc., in books of account:-

F.A. 2020

(1) Without prejudice to any other provisions of this Act, if during any proceeding under this Act, it is found

that in the books of account maintained by any person there is—

a false entry; or an omission of any entry which is relevant for computation of total income of such person, the AO may direct that such person shall pay by way of penalty a sum equal to such false or omitted entry.

(2) Without prejudice to the provisions of sub-section (1), the AO may direct that any other person, who causes the person referred to in sub-section (1) in any manner to make a false entry referred to in that sub-section, shall pay by way of penalty a sum equal to the aggregate amount of such false or omitted entry.

Explanation: For the purposes of this section, "false entry" includes use or intention to use—

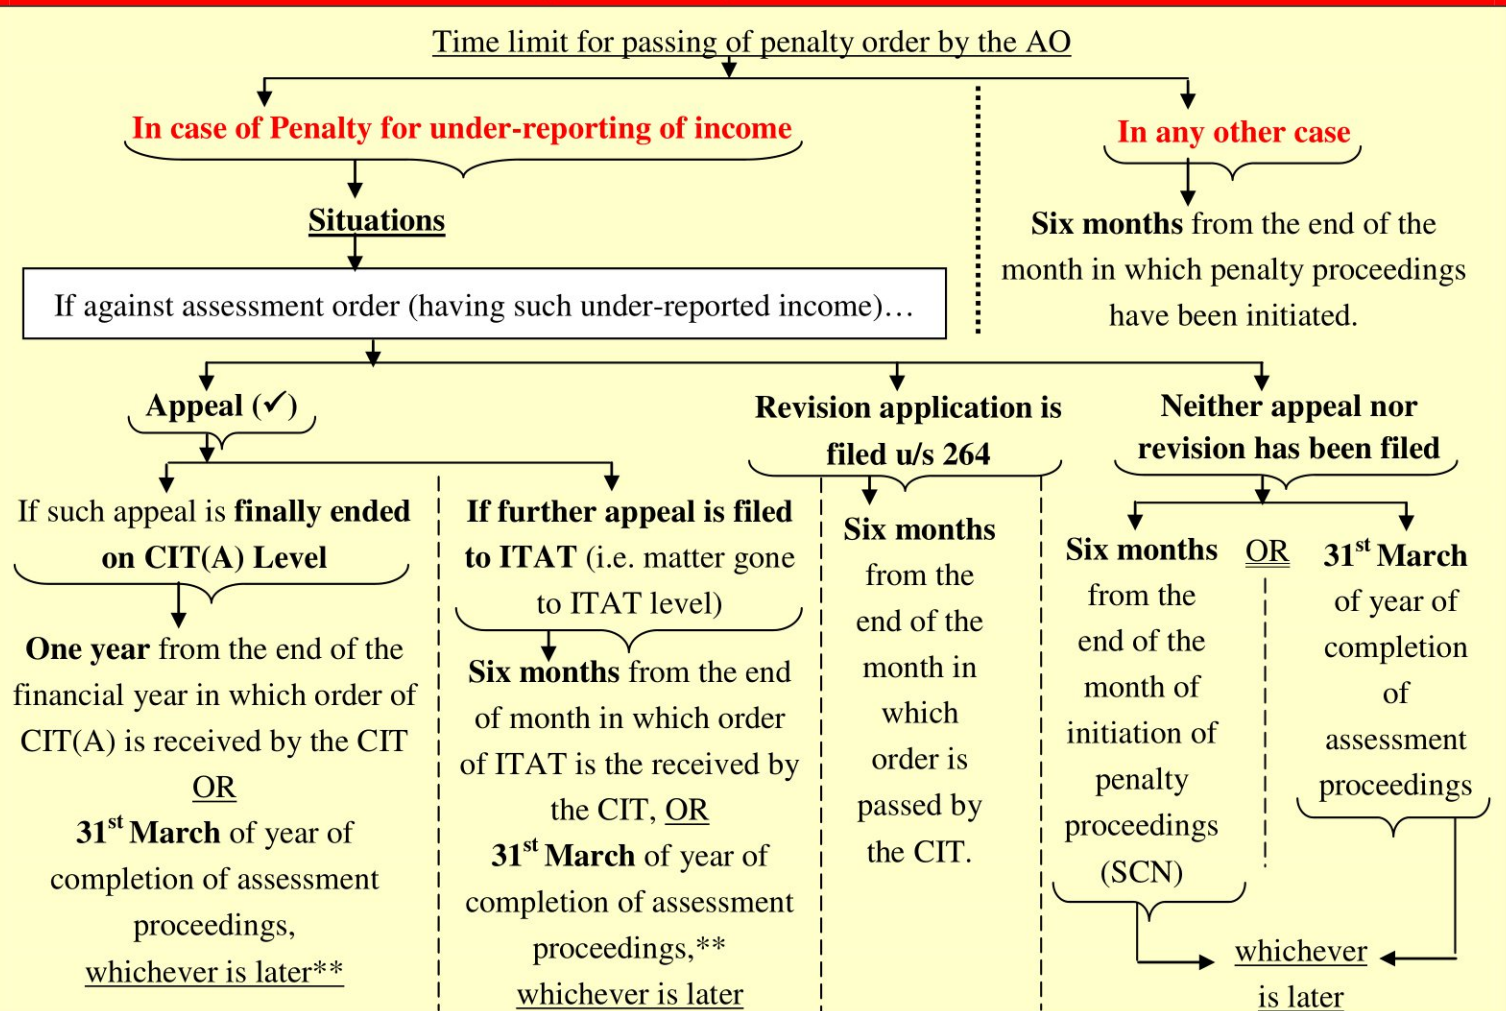

- (i) forged /falsified documents such as a false invoice or, in general, a false piece of documentary evidence; or
- (ii) invoice in respect of supply or receipt of goods or services or both issued by the person or any other person without actual supply or receipt of such goods or services or both; or
- (iii) invoice in respect of supply or receipt of goods or services or both to or from a person who does not exist.

AMENDMENT MADE BY FINANCE ACT, 2022: *Inclusion of Section 276BB under the ambit of sections 278A and 278AA -*

Background:

- **Section 278A** provides for the prosecution of a person who has been convicted and is again convicted for the same offence. **For the second and subsequent offences, he shall be punishable for a term that shall not be less than 6 months but may extend to 7 years and with a fine.**
- **Section 278AA** provides that *no person shall be punishable for failure, if he proves that there was reasonable cause for such failure.*

Amendment by the Finance Act, 2022:

- Both the sections have reference of section 276B, i.e., prosecution if a person fails to deposit TDS. *However, the reference to Section 276BB, which deals with prosecution if a person fails to deposit (TCS), was not there.*
- Accordingly, this Finance Act has inserted reference of Section 276BB in Section 278A and Section 278AA.

"RECENT JUDICIAL PRONOUNCEMENT"

On the issue that **can penalty under section 271C be levied for the non- remittance of the tax deducted at source under Chapter of TDS to the credit of the Central Government**, the High Court has held that so far as failure on the part of the assessee to remit the tax recovered at source is concerned, there cannot be any justifying circumstance for delay in remittance because the assessee cannot divert tax recovered for the Government towards working capital or any other purpose. Thus, the defence available under section 273B does not cover failure in payment of recovered tax.

Hence, **penalty u/s 271C for both non-deduction of tax at source and non-remittance of tax deducted at source would be attracted.** [CIT (TDS) v/s Eurotech Maritime Academy Pvt. Ltd.(Ker)]

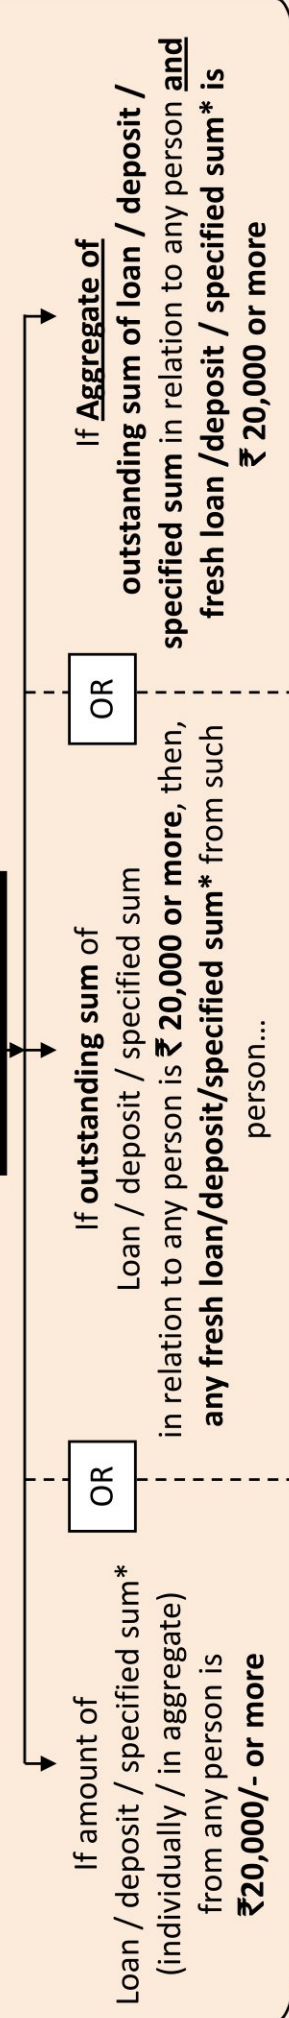

Note: Section 271C provides that if any person fails to

- (a) deduct the whole or any part of the tax as required by or under the provisions of Chapter of TDS; or
 - (b) pay the whole or any part of the tax as required by or under the second proviso to section 194B,
- then, such person shall be liable to pay, by way of penalty, a sum equal to the amount of tax which such person failed to deduct or pay as aforesaid.

On a plain reading of section 271C, it appears that penalty under this section is attracted only if a person fails to deduct the whole or any part of the tax as required to be deducted at source under any provision of Chapter of TDS. For failure to remit tax deducted at source to the credit of the Central Government, prosecution u/s 276B would be attracted. As per section 276B, such offence would be punishable with rigorous imprisonment for a term which shall not be less than three months but may extend to seven years and with fine.

However, the Kerala High Court has decided that penalty under section 271C is also attracted for failure to remit tax deducted at source. It has also opined that section 273B relief will not be applicable for such failure. This may lead to an inference that both penalty under section 271C and prosecution u/s 276B would be attracted where there is a failure to remit tax deducted at source.

Amendment by the Finance Act, 2022: Power of AO to give effect to order of DRC:-

Purpose of amendment:

After the resolution of the dispute by the DRC, the assessed income of the person, who had applied to DRC, has to be determined which will be followed by, inter-alia, initiation of penalty proceedings, if any, and issuance of demand notice under section 156. **However, the existing provisions of the said section do not contain any provision which will enable the Assessing Officer to pass an order giving effect to the order or directions of**

the Dispute Resolution Committee under the said section.

Therefore, it is proposed to insert a new sub-section (2A) to this section to enable the Assessing Officer to pass an order giving effect to the resolution of the dispute by the DRC which provides as follows:.

- Notwithstanding anything contained in section 144C,
- **upon receipt of the order of the Dispute Resolution Committee** under this section,
- the Assessing Officer *shall*,–
- (a) in a case where the specified order is a draft of the proposed order of assessment u/s 144C(1), pass an order of assessment, reassessment or recomputation; or
- (b) in any other case, modify the order of assessment, reassessment or recomputation,
 - in conformity with the directions contained in the order of the Dispute Resolution Committee
 - within a period of one month from the end of the month in which such order is received".

Note: Although DRC is an alternate dispute resolution mechanism itself, a taxpayer may opt for approaching either the Dispute Resolution Panel under section 144C or the DRC under section 245MA, and the AO shall pass the final order in conformity with the order by the DRC even in the case of an eligible assessee."

Notification No. 26/2022 and 27/2022 dated 05.04.2022: Dispute Resolution Committee and E-Dispute Resolution Scheme, 2022:-

In order to provide early tax certainty to small and medium taxpayers, a new scheme of Dispute Resolution has been formulated with effect from 1st April, 2021 for constitution of one or more Dispute Resolution Committees (DRCs). Under section 245MA, the Central Government is empowered to constitute one or more dispute resolution committees, in accordance with the Rules made under the Act.

Accordingly, Part IX-AA Dispute Resolution Committee has been inserted in the Income-tax Act, 1961, which comprises of Rules 44DAA, 44DAB, 44DAC and 44DAD.

Rule 44DAA – Constitution of Dispute Resolution Committee:

- (1) **Constitution of DRC** - The Central Government would constitute a Dispute Resolution Committee (DRC) for every region of Principal Chief Commissioner of Income-tax for dispute resolution.
- (2) **Composition of DRC** - Each DRC would consist of 3 members, as under:-
 - i. 2 members would be retired officers from the Indian Revenue Service (Income-tax), who have held the post of Commissioner of Income-tax or any equivalent or higher post for five years or more; and
 - ii. 1 serving officer not below the rank of Principal Commissioner of Income-tax or Commissioner of Income-tax as specified by the Board.
- (3) **Time period** - The members would be appointed by the Central Government for a period of 3 years.
- (4) **Fee to be paid to member** - The Central Government may fix a sum to be paid as fee to a member, who is retired officer, on a per case basis, along with a sitting fee, so decided by the Board.

- (5) **Decision of DRC** - The decision of the DRC shall be by majority.
- (6) **Removal of member** - The Central Government may remove any member from the DRC after recording reasons in writing and after giving an opportunity of being heard.

Rule 44DAB – Application for resolution of dispute before the DRC:

Such persons or class of persons, as may be specified by the Board, and who fulfill the specified conditions may opt for dispute resolution under Chapter XIX-AA in respect of dispute arising from any variation in the specified order in his case. Such person has to make an application for resolution of dispute before the DRC in the prescribed form accompanied by a fee of ₹ 1,000.

Meaning of specified condition - Person fulfilling the specified conditions means –

- (i) a person in respect of whom the conditions mentioned otherwise in section 245MA are satisfied; and
- (ii) proceedings under the Black Money (Undisclosed Foreign Income and Assets) and Imposition of Tax Act, 2015 have not been initiated for the assessment year for which resolution of dispute is sought.

Time limit for filing application - Such application has to be filed –

	Case	Time limit
(i)	In cases where appeal has already been filed and is pending before the Commissioner (Appeals)	within such time from the date of constitution of the Dispute Resolution Committee, as may be specified by the Board
(ii)	in any other case	within one month from the date of receipt of specified order

Meaning of specified order

“Specified order”, in relation to a dispute under section 245MA, means:—

- (a) a draft order as referred to in section 144C(1) in respect of a person in whose case variation arises as a consequence to order of the TPO passed under section 92CA(3) or a non-corporate non-resident;
- (b) an intimation under section 143(1) after processing income-tax returns or under section 200A(1) after processing of TDS statements or section 206CB(1) after processing of TCS statements, where the assessee or the deductor or the collector objects to the adjustments made in the said order;
- (c) an order of assessment or reassessment, except an order passed in pursuance of directions of the Dispute Resolution Panel;
- (d) a rectification order made under section 154 having the effect of enhancing the assessment or reducing the loss; or
- (e) an order made under section 201 or an order made under section 206C(6A) deeming a person as an assessee-in-default for failure to deduct/collect tax at source or remit the same as required under the Act, after deduction/collection [the variation in the specified order relating to default in deduction or

collection of tax at source would refer to the amount on which tax has not been deducted or collected in accordance with the Act]

and in respect of which the following conditions are satisfied, namely:—

- (A) the aggregate sum of variations proposed or made in such order does not exceed ` 10 lakh;
- (B) the return has been furnished by the assessee for the assessment year relevant to such order and the total income as per such return does not exceed ` 50 lakhs; and
- (C) the order in the case of the assessee is not based on,—
 - (I) search initiated under section 132 or requisition made under section 132A in the case of the assessee or any other person; or
 - (II) survey carried out under section 133A; or
 - (III) information received under an agreement referred to in section 90 or 90A.

Screening of application by DRC

- (i) **Examination of application** - The DRC has to examine the application with respect to the specified conditions and criteria for specified order. Upon such examination, where the DRC considers that the application for dispute resolution should be rejected, it has to serve a notice calling upon the assessee to show cause as to why his application should not be rejected, specifying a date and time for filing a response.
- (ii) **Provision of opportunity of being heard** - The assessee can request for an opportunity of being heard. If the DRC receives a request from the assessee, it has to provide him an opportunity of being heard through video telephony or video conferencing facility, to the extent technologically feasible.
- (iii) **Furnishing response to SCN within the specified date** - The assessee has to furnish a response to the show-cause notice referred to in (i) above within the specified date and time or such extended time as may be allowed on the basis of application made in this behalf, to the DRC;
- (iv) **Rejection of application by DRC** - The DRC may, after considering the response furnished by the assessee, reject the application or proceed to decide the application on merits in accordance with the procedure laid out in (v) and (vi) below. Where no such response is furnished by the assessee, the DRC may reject the application [In such a case, the assessee may file an appeal to the Commissioner (Appeals). The period taken by the DRC in deciding on the admission has to be excluded from the period available to file such appeal].
- (v) **Communication of decision of DRC to assessee** - The decision of the DRC that the application for dispute resolution should be allowed to be proceeded with or rejected, has to be communicated to the assessee on his registered e-mail address;
- (vi) **Submission of proof of withdrawal of appeal/application before DRP** - Within 30 days of receipt of

the communication that the application is admitted, the assessee is required to submit a proof of withdrawal of appeal filed under section 246A or withdrawal of application before the Dispute Resolution panel, if any, to the DRC or convey that there is no aforesaid proceeding pending in his case. If the assessee fails to do so, the DRC may reject the application.

Procedure to be followed by the DRC

- (i) **Calling for records for further examination** - Upon admission of the application and subsequent to the receipt of the response of the assessee, the DRC may call for records from the income-tax authority and further examine, as it may deem fit, with respect to the issues covered in the application;
- (ii) **Seeking report from Assessing Officer** - The DRC may seek a report from the Assessing Officer on the issues covered in the application or on any other issue arising during the course of proceedings;
- (iii) **Calling for further information** - The DRC may before disposing off the application, call for further information from the assessee or any other person by sending an email to his registered email address;
- (iv) **Submission of response within specified time** - The assessee has to electronically submit its response to the DRC, within the time specified or such time as may be extended by the DRC on the basis of an application in this behalf;
- (v) **Decision of DRC** - After considering the material available on record, including any further information or evidence received from the assessee, income-tax authority or any other person, the DRC may decide-
 - (a) to make modifications to the variations in specified order, which are not prejudicial to the interest of the assessee, and decide for waiver of penalty and immunity from prosecution in accordance with the provisions of rule 44DAC, and pass an order of resolution, accordingly; or
 - (b) to not make modifications to the variations in the specified order. However, the DRC may decide to waive penalty and grant immunity from prosecution provisions in accordance with the provisions of rule 44DAC, and pass an order of resolution accordingly. Such an order will be treated as an order not prejudicial to the interest of the assessee; or
 - (c) to not make any modification to the specified order, and pass an order disposing off the application. Such an order will be treated as an order 'not prejudicial to the interest of the assessee', within six months from the end of the month in which application for dispute resolution is admitted by the DRC. The order of the DRC for the resolution of a dispute has to be in accordance with the provisions of the Act.
- (vi) **Serving copy of order to AO and assessee** - The DRC has to serve a copy of the order of resolution or order disposing off the application, as the case may be, upon the assessee and also the Assessing Officer for giving effect to the same, if so required;
- (vii) **No appeal or reference will lie against the modified order** - Where the specified order is an order of the eligible assessee as referred to in section 144C(1), the assessee will not be eligible to file any reference to the DRP or an appeal to the Commissioner (Appeals) against the modified order.

- (viii) **Serving copy of modified order to assessee** – The Assessing Officer has to serve a copy of the modified order along with notice of demand upon the assessee specifying a date for making payment of demand. No appeal or revision would lie against the modified order.
- (ix) **Assessee to furnish proof of payment of demand** -The assessee has to furnish proof of payment of the said demand to the DRC and also to the Assessing Officer.
- (x) **Grant of immunity from prosecution and waiver of penalty** – The DRC shall, on receipt of confirmation of payment of demand, by an order in writing, grant immunity from prosecution and waiver of penalty if applicable, in accordance with the provisions of rule 44DAC.

Termination of dispute resolution proceedings

The DRC may, at any stage of the dispute resolution proceedings, if considered necessary, for reasons to be recorded in writing and after giving an opportunity of being heard to the assessee, decide to terminate the dispute resolution proceedings if, -

- (i) the assessee fails to cooperate during the course of dispute resolution proceedings; or
- (ii) the assessee fails to respond to, or submit any information in response to, a notice issued to him; or
- (iii) the Committee is satisfied that the assessee has concealed any particular material to the proceedings or had given false evidence.
- (iv) the assessee fails to pay the demand as required in notice of demand.

Where the dispute resolution proceedings are terminated, the DRC has to intimate the income - tax authority for taking necessary action as per the provisions of the Act.

Rule 44DAC – Power to reduce or waive penalty imposable or grant immunity from prosecution or both under the Income-tax Act, 1961:

Conditions for grant of waiver of penalty or immunity from prosecution - The DRC, upon receipt of confirmation from the assessee of payment of demand, should grant to the person who made the application for dispute resolution under section 245MA, waiver of penalty imposable or immunity from prosecution or both, in respect of the order which is the subject matter of resolution, if it is satisfied that such person has,

- paid the tax due on the returned income in full if available; and
- co-operated with the DRC in the proceedings before it.

Reasons to be recorded in writing - The DRC would grant such waiver of penalty or immunity from prosecution or both, subject to such conditions as it may think fit to impose for the reasons to be recorded in writing.

No immunity if prosecution proceedings were initiated before application - No immunity would, however, be granted by the DRC in a case where the proceedings for the prosecution for an offence have been initiated before the date of receipt of the application for dispute resolution from the assessee fulfilling the specified conditions.

Withdrawal of immunity - An immunity granted to a person would stand withdrawn, if such person fails to comply with any of the conditions subject to which the immunity was granted. On such withdrawal, the provisions of the Income-tax Act, 1961 would apply as if such immunity or waiver had never been granted.

QUESTIONS FOR YOUR PRACTICE

Question 1:

What is the need for constitution of Dispute Resolution Committee (DRC)? Can an assessee make an application before DRC against an order which is based on information received under an agreement referred to in section 90 or section 90A?

Answer:

In order to provide early tax certainty to small and medium taxpayers, with effect from 1st April, 2021, new scheme of Dispute Resolution has been formulated for constitution of one or more Dispute Resolution Committee(s).

Specified order does not include an order which is based on information received under an agreement referred to in section 90 or section 90A. Thus, an assessee can not opt for dispute resolution before DRC in respect of an order which is based on information received under an agreement referred to in section 90 or 90A.

Question 2:

Can an assessee opt for dispute resolution before DRC if prosecution for any offence punishable under the provisions of the Indian Penal Code has been instituted against him and he has been convicted in respect of the same under the said Act?

Answer:

Dispute Resolution Committee would resolve dispute in the case of such persons or class of persons, as may be specified by the Board, who may opt for dispute resolution under this Chapter in respect of dispute arising from any variation in the specified order in his case **and who fulfils the specified conditions.**

Specified conditions in relation to a person means a person who **inter alia** is not a person in respect of whom prosecution for any offence punishable under the provisions of the Indian Penal Code has been instituted and he has been convicted of any offence punishable under the said Act.

Thus, a person in respect of whom any prosecution has been instituted and who is convicted of any offence punishable under the Indian Penal Code, cannot opt for resolution of dispute before DRC.

Question 3:

Mr. Vijay furnished his return of income for A.Y.2022-23 declaring total income of ₹ 28,00,000. He received an assessment order under section 143(3) on 26.11.2023 enhancing the total income for the A.Y.2022-23 by ₹ 5,00,000. He is aggrieved by the said order and is desirous of knowing whether he can file an application before the Dispute Resolution Committee (DRC). He informs you that no order of detention has been made and no prosecution proceedings have been initiated or instituted against him under any law for the time being in force. However, penalty under section 271D has been levied on him for failure to

comply with the provisions of section 269SS. Can Mr. Vijay file an application before the DRC?

- (i) If yes, what is the time limit for making an application to DRC against such order under the Income-tax Act, 1961. He is also keen to know, whether, in case he is aggrieved by the order passed by the DRC, can he file appeal against such order of DRC?
- (ii) Would your answer be different, if assessment order is based on information received under a DTAA with Country X?

Answer:

Dispute Resolution Committee (DRC) would resolve dispute in the case of a person who opts for dispute resolution under this Chapter in respect of dispute arising from any variation in the specified order in his case and who fulfils the specified conditions. Specified order includes an assessment order passed under section 143(3), where the aggregate sum of variations made vide such order does not exceed ₹ 10 lakh; the total income as per such return furnished by the assessee for the assessment year relevant to such order does not exceed ₹ 50 lakhs and such order is not based on search or requisition or survey or any information received under a DTAA.

Accordingly, in the present case, Mr. Vijay can file an application before DRC, since the assessment order received on 26.11.2023 is a specified order and he satisfies the specified conditions on account of no order of detention being made and no prosecution proceedings being initiated against him. Non-levy of penalty under income-tax law is not a specified condition, therefore, the levy of penalty u/s 271D on him does not result in non-compliance with the specified condition. Mr. Vijay has to file an application for resolution of dispute in the prescribed form on or before 26.12.2023 i.e., within one month from the date of receipt of the specified order (*by excluding the day on which order of Assessing officer was received, in view of the provisions of section 268*).

However, once a modified order is passed by the DRC, no appeal or revision would lie against such order.

If assessment order is based upon the information received under an DTAA entered with India, Mr. Vijay, will not be eligible to make an application before DRC, since it is not a specified order.

“ADVANCE RULINGS”

Section 245-N: Definitions:-

<p>(a)</p> <p>ADVANCE RULING</p> <p>means</p> <p>Determination by the Board for Advance Rulings</p> <p>in relation to</p>	<p>Transaction of a non-resident applicant,</p>	<p>OR</p> <p>Tax liability of NR arising out of a transaction between resident applicant and such NR,</p>	<p>OR</p> <p>Tax liability of resident applicant arising out of a transaction of him,</p>	<p>OR</p> <p>An issue which is pending before an Income-tax authority or ITAT.</p>

| (iii) Exceeds 300 crores | ₹ 10,00,000 |
- ☞ An applicant may withdraw an application within 30 days from the date of application.

The *Authority for Advance Rulings*, in the case of **M.K. Jain AAR No. 644 of 2004**, has observed that though section provides that an application may be withdrawn by the applicant within 30 days from the date of the application this, however, does not preclude the AAR from permitting withdrawal of the application after the said period with the permission of the AAR, *if the circumstances of the case so justify*.

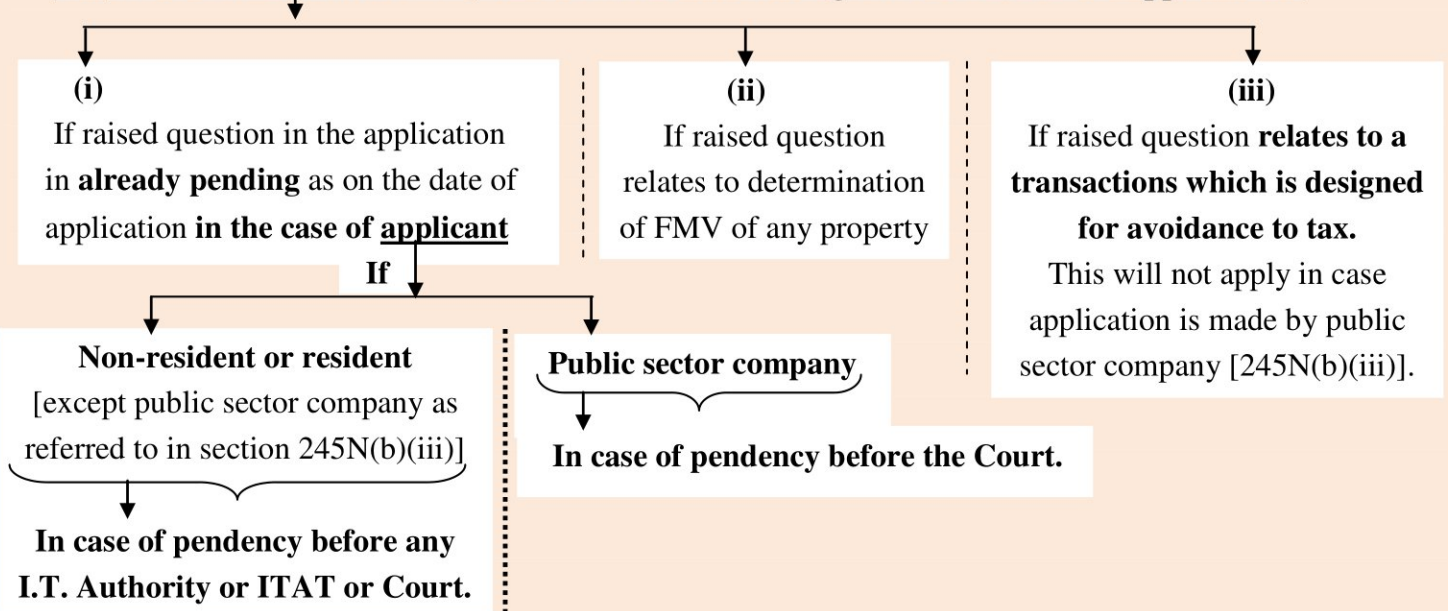

Note: Aforesaid ruling will also be applicable under the new scheme i.e. **Board for Advance Rulings**.

- Where an application for advance ruling is made on or before 31.8.2021, in respect of which no order has been passed or no advance ruling has been pronounced under section 245R before 1.9.2021 by the Authority for Advance Rulings, **such application along with all the relevant records, documents or material, on the file of the Authority would be transferred to the Board for Advance Rulings and shall be deemed to be the records before the Board for Advance Rulings for all purposes.**

Section 245-R : Procedure on receipt of application :-

- Authority will send a copy to the Commissioner and necessary records may be called for.
- The Authority may, after examining the application and records, allow or reject the application.

But, in the FOLLOWING CASES, Board for Advance Rulings SHALL REJECT the application:-

If application is REJECTED, in such a case-

- Before rejection, an **opportunity of being heard** will be given to the applicant.
- **Reasons for rejection** will be given in rejection order.
- **Copy of such order** shall be sent to Applicant & CIT.

If application is ALLOWED, in such a case-

- After considering all the things, **BAR shall pronounce its advance ruling on raised question in application.**
- On request of applicant, BAR shall provide opportunity to applicant before its pronouncement of ruling.

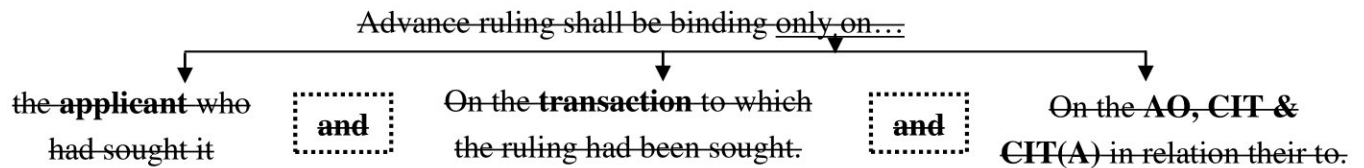

- **Time-limit for pronouncement of Advance Ruling:** 6 months from the date of application.
- *Copy of such ruling shall be sent to Applicant & CIT.*

Section 245-RR: Appellate authority not to proceed in certain cases: -

An Income tax Authority or the Appellate tribunal **shall not proceed to decide the issue for which an application has been made by the resident applicant** (like, public sector company).

Section 245-S: Applicability of advance ruling :-

Deleted w.e.f. 1st September, 2021

☞ ~~The advance ruling shall be binding as aforesaid unless there is a change in law or facts on the basis of which the advance ruling has been pronounced.~~

Section 245-W: Appeal to High Court:-

- (1) The **applicant**, or the *Assessing Officer, on the directions of the Principal Commissioner / Commissioner*, **may appeal to the High Court** against any ruling pronounced or order passed by the Board for Advance Rulings **within sixty days** from the date of the communication of that ruling or order, in such form and manner, as may be prescribed. However, **HC may admit belated appeal also (but upto 30 days beyond the aforesaid time limit of 60 days).**
- (2) The Central Government may make a scheme, by notification in the Official Gazette, **for the purposes of filing appeal to the High Court** under sub-section (1) by the Assessing Officer, so as to impart greater efficiency, transparency and accountability by—
 - (a) optimising utilisation of the resources through economies of scale and functional specialisation;
 - (b) introducing a team-based mechanism with dynamic jurisdiction.

Section 245- T: Advance ruling to be void in certain circumstances :-

Where the Authority finds, on a representation made to it by the Commissioner or otherwise, that an advance ruling pronounced by it has been obtained by the applicant by fraud or misrepresentation of facts, *it may, by an order declare such ruling to be void-ab-initio.*

Thereupon, all the provisions of the Act shall apply (after excluding the period beginning with the date of such advance ruling and ending with the date of the order declaring the advance ruling as void) to the applicant *as if such advance ruling has never been made.*

"RECENT JUDICIAL PRONOUNCEMENTS"

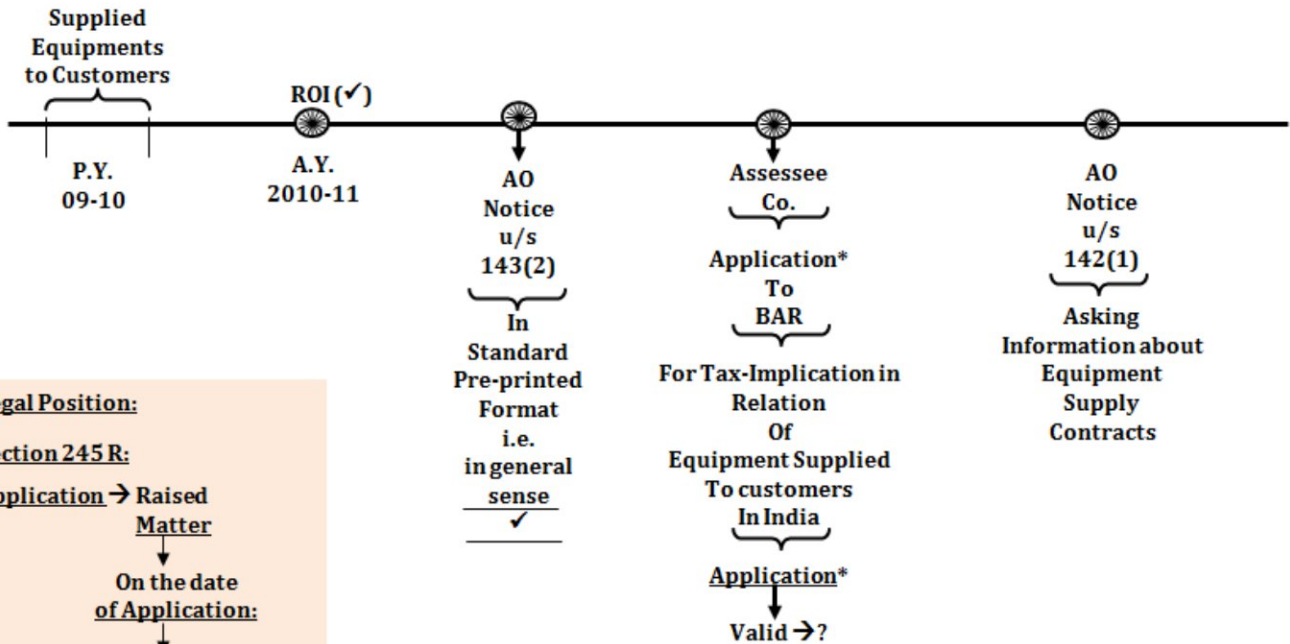

- (1) If prior to application before Board for advance rulings, AO has issued notice in standard pre-printed format i.e. in general sense (not specifically mentioning about the subsequently raised issue in the

application), In such a case, **such raised issue will not be treated as already pending**, thus, application can't be rejected by the Board for advance rulings on the ground of pendency.

“DEDUCTIONS TO BE MADE IN COMPUTING THE TOTAL INCOME”

Section 80-IA: Deduction in respect of profits and gains to Infrastructure Developer:-

Eligible Assessee	Indian Company or group of Indian companies or any statutory body.
Eligible Business	Developing, or operating and maintaining, or developing, operating and maintaining any infrastructure facility.
Sunset date	Such development or operation and maintenance of infrastructure facility must start on or before 31st March, 2017. Note: In case of 1 st April, 2017 onwards, deduction u/s 35AD may be claimed.
Quantum of deduction	100% of profits derived such business.
Period of deduction	10 consecutive years out of 20 years (15 years in case of port, airport, inland port) from the year in which assessee develops and begins to operate such infrastructure facility.

➤ **Audit** of accounts of eligible business is **mandatory** and **audit report must be furnished one month prior to due date of filing of Return of income.**

➤ This deduction is available to developer, not work contractor.

Meaning there by, *if eligible business of this section is executed as a work contract awarded by any other person, then, deduction will not be available to the person who executed the same.*

“COMMON RELEVANT POINTS IN RELATION TO DEDUCTIONS u/s 80IA-80RRB and 10AA”

(1) Computation of profit for the purpose of deduction:

☞ It shall be deemed that such eligible business were the **only source of income** during the tax holiday period (which will start from initial assessment year that would mean the first year from which deduction has been claimed).

Important Case Laws:

CIT v/s Swarnagiri Wire Insulations Pvt. Ltd. (2012)(Kar.)

Issue:

Can unabsorbed depreciation of a business of an industrial undertaking eligible for deduction under section 80-IA be set off against income of another non- eligible business of the assessee?

Decision:

The deeming provision contained in section 80-IA cannot override the provisions of section 70. The assessee had incurred loss in eligible business after claiming depreciation. Hence, section 80-IA becomes insignificant, since there is no profit from which this deduction can be claimed. It is thereafter that section 70 comes into play, whereby the assessee is entitled to set off the losses from one source against income from another source under the same head of income. Therefore, **assessee was entitled to the benefit of set**

off of loss of eligible business against profits of non-eligible business.

However, once set-off is allowed u/s 70(1) against income from another source under the same head, a deduction to such extent is not possible in any subsequent assessment year i.e., the loss (arising on account of balance depreciation of eligible business) so set-off u/s 70(1) has to be first deducted while computing profits eligible for deduction u/s 80-IA in the subsequent year.

CIT v/s Reliance Energy Ltd. (2022)(SC):**Issue:**

Does profit-linked deduction under Chapter VI-A have to be restricted to income computed under the head “Profits and gains of business or profession”?

Analysis and Decision:**Relevant provisions of Income-tax Act, 1961:**

Section 80-IA(1) provides for deduction@100% of the profits and gains derived from eligible business referred to in section 80-IA(4), where the gross total income of an assessee includes any profits and gains derived by an undertaking or enterprise from such eligible business.

Section 80-IA(5) requires computation of profits and gains of such eligible business as if such eligible business is the only source of income of the assessee for the purpose of determining the quantum of deduction.

Section 80AB provides that for the purpose of allowing deduction under any section included in Chapter VI-A under the heading “C - Deductions in respect of certain incomes” in respect of any income of the nature specified in that section which is included in the gross total income of the assessee, then, for the purpose of computing the deduction under that section, the amount of income of that nature as computed in accordance with the provisions of the Act (before making any deduction under Chapter VI-A) shall alone be deemed to be the amount of income of that nature which is derived or received by the assessee and which is included in his gross total income. This is notwithstanding anything contained in the respective sections of Chapter VI-A.

Section 80A(1) stipulates that in computation of the “total income” of an assessee, the deductions specified in section 80C to section 80U shall be allowed from his “gross total income”.

Section 80A(2) provides that the aggregate amount of deductions under Chapter VI-A shall not, in any case, exceed the gross total income.

Analysis:

A plain reading of section 80AB shows that the provision pertains to determination of the quantum of deductible income in the "gross total income". Section 80AB cannot be read to be curtailing the width of section 80-IA. It is relevant to take note of section 80A(1) which stipulates that in computation of the "total income" of an assessee, deductions specified in section 80C to section 80U shall be allowed from his "gross total income". Section 80A(2) provides that the aggregate amount of the deductions under Chapter VI-A shall not exceed the "gross total income" of the assessee. Thus, section 80AB which deals with determination of deductions under Part C of Chapter VI-A is with respect only to computation of deduction on the basis of "net income".

The essential ingredients of section 80-IA(1) are :

- (a) the “gross total income” of an assessee should include profits and gains;
- (b) those profits and gains should be derived by an undertaking or an enterprise from a business referred to in sub-section (4).
- (c) the assessee is entitled to deduction of an amount equal to 100% of the profits and gains derived from such business for ten consecutive assessment years; and
- (d) in computing the “total income” of the assessee, such deduction shall be allowed.

The import of section 80-IA is that the “total income” of an assessee is computed by taking into account the allowable deduction in respect of the profits and gains derived from the “eligible business”. The scope of section 80-IA(5) is limited to determination of quantum of deduction u/s 80-IA(1) by treating “eligible business” as the “only source of income”. Sub-section (5) cannot be pressed into service for reading a limitation of the deduction under sub-section (1) only to income under the head “Profits and gains of business and profession”.

For the purpose of calculating profit-linked deduction under any section of Chapter VI-A, loss sustained in other divisions or units cannot be taken into account, as only profits from the eligible business have to be taken into account as if it was the only source of income. Profits and gains from eligible business cannot be reduced by the loss suffered in any other business owned by the assessee.

Decision:

The net profit made by the assessee from the “eligible business” covered under sub-section (4) (i.e., from the assessee’s business unit involved in generation of power) represented income from the “eligible business” under section 80-IA and was the only source of income for the purposes of computing deduction under section 80-IA. The deduction admissible under section 80-IA could not be limited to income under the head “Profits and gains of business or profession”, by setting-off losses from non-eligible business against profits from eligible business.

Note: The issue arises in a case where loss from non-eligible business is being set-off against profits from eligible business, which results in income under the head “Profits and gains of business and profession” being lower than the profits from eligible business. In such a case, deduction under Chapter VI-A in respect of profits from eligible business would not be restricted to income computed under the head “Profits and gains of business and profession”. The same would however be restricted to gross total income as per the requirement in section 80A(2).

For example, let us take the case of XYZ Ltd., an Indian company, for P.Y.2021-22. The following are the particulars relating to the said company -

- (i) Profits from eligible business - ₹90 lakhs,
- (ii) Loss from non-eligible business - ₹20 lakhs (which is set-off against profits from eligible business)
- (iii) Income under the head “PGBP” – ₹70 lakhs [₹90 lakhs – ₹20 lakhs]
- (iv) Gross total income – ₹85 lakhs

In this case, assuming deduction under section 80-IA is the only deduction under Chapter VI-A for XYZ

	<p>Ltd., the same would not be restricted to ₹70 lakhs (being the income under the head “Profits and gains of business or profession”). However, the same would be restricted to ₹85 lakhs, being the gross total income as per the requirement in section 80A(2).</p> <p>If, in the above example, the gross total income was ₹95 lakhs (instead of ₹85 lakhs), then, the entire profits of ₹90 lakhs from eligible business would be allowed as deduction u/s 80-IA.</p> <p>This is the crux of the above Supreme Court ruling.</p>
	<p>☞ <u>In case of transfer of goods or services between eligible business and non-eligible business (i.e. inter unit transfer), if consideration does not match with market value,</u> then, profit shall be computed <i>as if the transfer had been made at market value.</i></p> <p>☞ <u>Due to close connection or for any other reason, if transaction with any person, produces profit more than the ordinary expected profit,</u> then, <i>reasonable profit will be considered for the purpose of deduction.</i></p>
(2)	<u>In a common case (i.e. business eligible for profit based deduction u/s 80IA to 80RRB or u/s 10AA, as well as investment based deduction u/s 35AD),</u> if deduction has been claimed under section 80IA to 80RRB or u/s 10AA, then, no deduction u/s 35AD for same or any other year in respect their of.
(3)	Deduction must be claimed in return of income, and <u>no double deduction</u> shall be allowed in respect of same amount u/s 80IA to 80RRB or 10AA. [Section 80A]
(4)	<p><u>For claiming deduction in respect of “Profit derived” from eligible business –</u></p> <p>➤ Export incentives, interest on FDRs, insurance claim will not be considered.</p> <p>But, Transport subsidy, interest subsidy, power subsidy, insurance subsidy which are re-imbursement of manufacturing cost, will be considered. [Meghalaya Steels Ltd. (SC)]</p>
(5)	<p>CBDT Circular:</p> <p><u>If, in respect of eligible business (Profit of which is eligible for deduction u/s 80IA to 80RRB or 10AA), assessing officer enhanced the profit by disallowance u/s 40(a), 40A, 43B, etc.,</u> then, deduction under chapter VI-A or 10AA is admissible on the profits so enhanced by the disallowance also.</p> <p><u>Meaning there by,</u> effect of disallowance will be tax neutral for the assessee, on account of the enhanced profit linked deduction available to him.</p> <p>✓ This has also been affirmed by the Bombay HC in the case of <u>CIT v/s Sunil Vishwambharnath Tiwari.</u></p>
(6)	<p>Section 80AC:</p> <p><u>To claim deduction u/s 80IA to 80RRB, ROI must be filed on or before due date as specified u/s 139(1).</u></p> <p><u>Meaning there by,</u> Deduction u/s 80IA to 80RRB is not available to a person who files his return belatedly.</p> <p>✓ It may be noted here that this restriction is not applicable in case of claim of deduction u/s 10AA.</p>

Section 79A: No set-off of loss against undisclosed income discovered during search:-

<p>Applicability</p>	<p>Where total income includes any undisclosed income consequent to a search u/s 132 or a requisition u/s 132A or a survey u/s 133A [other than TDS/TCS survey].</p>
<p>Restrictions</p>	<p>No set off, against such undisclosed income of any loss, <i>whether brought forward or otherwise</i>, or unabsorbed depreciation u/s 32(2) shall be allowed.</p>

“Undisclosed income” means-

“CLUBBING OF INCOME”

Section 60: *Transfer of income without transfer of assets:-*

If any person *transfers income* **without transferring the ownership of the asset**, such income is taxable in the hands of the transferor.

Section 61: *Revocable transfer of assets:-*

Income from *asset transferred under revocable transfer* shall be taxable in the hands of transferor except the case where *transfer under trust* which is **not revocable during the life time of transferee / beneficiary**.

Section 64(1)(ii): *Remuneration of spouse:-*

An individual is chargeable to tax **in respect of any remuneration received by the spouse from a concern in which the individual has substantial interest**.

However, *clubbing is not attracted in case spouse possesses technical or professional qualification and remuneration is received in exercise of that knowledge or qualification*.

Section 64(1)(iv): *Income from assets transferred to spouse:-*

Where an asset (*other than house property*) is transferred by an individual **to his /her spouse** directly or indirectly, any income from such assets shall be deemed to be the income of transferor.

But, clubbing is NOT attracted if:

- (a) *Assets are transferred for adequate consideration.*
- (b) *Assets are transferred in connection with an agreement to live apart.*
- (c) *Relationship of spouse does not exist either at the time of transfer or at the time of accrual of income.*

Note: *When the identity of transferred asset is changed, such as where cash is gifted by an assessee to his wife and the latter invests the same in deposits, interest income is includible in the assessee's total income.*

Explanation to section 64(1):

For the purpose of clubbing u/s 64(1)(iv) where the assets transferred, directly or indirectly, by an individual to his spouse are invested by the transferee in the nature of contribution of capital as a partner in a firm, proportionate **interest on capital** will be clubbed with the income of the transferor. Such proportion has to be computed by taking into account the **value of the aforesaid investment as on the first day of the previous year to the total investment by way of capital contribution as a partner in the firm as on that day**.

Section 64(1)(vi) : *Income from assets transferred to son's wife:-*

If an individual, directly or indirectly, **transfers assets** without adequate consideration **to son's wife**, income arising from such assets included in the total income of the transferor.

Section 64(1A): *Income of minor child:-*

Income of minor child shall be included-

- Where the marriage of his parents subsists, in the income of that parent **whose total income** (before including income of child) **is greater**; or
- Where the marriage of his parents does not subsist, in the income of that parent **who maintains the minor child in the previous year**,

However, income derived by the minor-

- from manual work, or
- from any activity involving his talent or specialized knowledge and experience, or
- income of minor child suffering from any disability,

shall not be included in the income of his parent.

- The parent in whose hands such income is clubbed is entitled to exemption **u/s 10(32): ₹1500** per child.

Section 64(2): Conversion of individual property into HUF property:-

Where a member of Hindu Undivided Family has converted or transferred self acquired property for inadequate consideration into joint family property or thrown it into the common stock of the family, income arising there from is taxable as the income of transferor member.

If the converted property is subsequently partitioned amongst the members of the family, the income derived from such converted property as is received by the spouse of the transferor will be taxable as the income of the transferor.

OTHER RELEVANT POINTS WHICH ARE NEED TO BE REMEMBERED:-

- (1) Under this chapter, *if the transferee sells the transferred assets*, then capital gains shall also be clubbed with the income of transferor.
- (2) **Income on the asset transferred is clubbed but not the income on accretion to the asset** (e.g. capital gains on bonus shares, interest on FDR made out of interest income on debentures transferred).

IMPORTANT JUDICIAL PRONOUNCEMENTS

- (1) **Where assessee settled 1/4th share of his property under a trust for the education and maintenance of his minor daughter and under the terms of the trust deed, the income accruing to the trust, after meeting the expenses of maintenance and education of daughter, was to be accumulated and paid over to her on attaining majority, the Assessing Officer assessed the income arising from 1/4th share of the property, settled for benefit of daughter, in the hands of assessee.**

On these facts, the **Supreme Court** held that where the income from the trust was to be accumulated until the child attained majority, the clubbing provisions would not get attracted; this is so since no benefit (in such accumulated funds) accrues to the minor child during the period when such child is a minor.

However, in this case, the minor daughter is eligible for the benefit during the period when she is a minor, since income from the trust is being used for meeting her education and maintenance expenses.

Only the remaining income is to be accumulated and paid over to her on her attaining majority. Therefore, since benefits under the terms of the trust deed is accruing, even though to a limited extent, to the minor

	<i>daughter during the period when she is a minor, the clubbing provisions under section 64(1A) will get attracted to that extent.</i> [CIT v/s M.R. Doshi (SC)]
(2)	Clubbing will take place even if the assets are <i>indirectly transferred</i> or transferred through <i>cross transfer</i> . [CIT v/s Keshavji Morarji (SC)]
(3)	<i>For the purpose of this chapter, income includes “loss”.</i> Therefore losses are also to be clubbed. [CIT v/s Harprasad & Co. (P) Ltd.(SC)]

“TONNAGE TAX SCHEME (TTS)”

Section 115VA: *Computation of profits and gains from the business of operating qualifying ships (i.e. charging section):-*

- Notwithstanding anything contained in section 28 to 43C
- in the case of a **qualifying company**,
- the income from the business of operating **qualifying ships**, may,
- **at its option**,
- be computed in accordance with the provisions of this chapter and
- such income shall be deemed to be the profits and gains of such business chargeable to tax under the head profits & gains of business or profession.

Section 115VG: *Computation of tonnage income:-*

Income taxable under this scheme shall be the **aggregate** of the tonnage income computed for **each qualifying ship** as follows –

Tonnage income for =	Daily tonnage income**	×	The no. of days in the previous year
Each qualifying ship	based on net tonnage of the qualifying ship	×	<u>OR</u>
			The number of days for which the ship operates as a qualifying ship during the previous year if the ship is so operated for part of the year (as the case may be)

**** The Daily Tonnage Income based on Tonnage Capacity for each Qualifying Ship is as follows:-**

Tonnage capacity	Amount of daily tonnage income
Up to 1000 tons	₹ 70 for each 100 tons
On next 9000 tons	₹ 53 for each 100 tons exceeding 1000 tons
On next 15000 tons	₹ 42 for each 100 tons exceeding 10000 tons
Exceeding 25000 tons	₹ 29 for each 100 tons exceeding 25000 tons

The tonnage shall be rounded off to the nearest multiple of 100 tons and *for this purpose:-*

- **Any tonnage consisting of kilograms shall be ignored.**
- Further, if such tonnage is not a multiple of 100 and -
 - (i) **If the last figure in that amount is 50 or more**, the tonnage shall be increased to the next higher tonnage which is a multiple of 100, and
 - (ii) **If the last figure is less than 50 tons**, the tonnage shall be reduced to the previous lower tonnage which is a multiple of hundred.

❖ **No deduction or set off under any other provision of this Act, shall be allowed in computing the tonnage income under this chapter.**

Section 115 VO : *Exclusion from sec. 115 JB (i.e. MAT):-*

The book profit or loss derived from activities of a tonnage tax company from the qualifying ships, shall be excluded from the book profit of the company for the purpose of section 115 JB.

Section 115 VK: Depreciation:-

- Although depreciation is not allowed separately from tonnage income, it is necessary to bifurcate the qualifying ships & Non qualifying ships at the time of a company joins the scheme.
- Section 115 VK provides manner for such bifurcation, which is as follows –

$$\text{WDV of Non Qualifying Ships} = \frac{\text{Tax WDV of Block of ships} \times \text{Aggregate Book WDV of non-qualifying ships}}{\text{Aggregate Book WDV of all ships}}$$

$$\text{WDV of Qualifying Ships} = \text{Tax WDV of Block of ships} \text{ less } \text{WDV of non-qualifying ships as computed above.}$$

Section 115 VP: Method and time of opting for tonnage tax scheme :-

- A qualifying company may opt for the tonnage tax scheme by making an application within three months from the date on which it becomes qualifying company to the **Joint Commissioner** having jurisdiction over the company.
- Every order granting or refusing the approval shall be passed before the expiry of one month from the end of the month in which the application was received.

Section 115 VQ: Period for which tonnage tax option to remain in force:-

Once a company opts for the scheme, the option remains in force for **ten** assessment years except in following circumstances:

- The qualifying company ceases to be a qualifying company;
- A default is made in complying with the provisions contained in section 115VT (regarding creation and utilization of reserves) or section 115VU (regarding minimum training requirement) or section 115VV (regarding limit for charter in tonnage);
- The tonnage tax company is excluded from the TTS under section 115VZC for entering into transactions for avoidance of tax;
- The qualifying company **furnishes to the Assessing Officer, a declaration** in writing to the effect that the provisions of this Chapter may not be made applicable to it.

Section 115 VT: Transfer of profits to Tonnage Tax Reserve Account: -

- A tonnage tax company shall be required to credit to Tonnage Tax Reserve Account an amount not less than **20% of the book profit** derived from the business of qualifying ships in each previous year to be utilized in the manner prescribed.

Explanation: For the purposes of this section, "book profit" shall have the same meaning as in the Explanation to sub-section (2) of section 115JB.

- Notwithstanding anything contained in any other provision of this Chapter, where the amount credited to the Tonnage Tax Reserve Account is less than the minimum amount required to be credited under this section, an amount which bears the same proportion to the total relevant shipping income (i.e. actual shipping income), as the shortfall in credit to the reserves bears to the minimum reserve required to be credited under this section shall not be taxable under the tonnage tax scheme and shall be taxable under the other provisions of this Act.

Section 115 VU: Minimum training requirement for tonnage tax company:-

A tonnage tax company after its option has been approved under section 115VP, shall comply with the minimum training requirement in respect of trainees, officers in accordance with the guidelines framed by the Director-General of Shipping and notified in the Official Gazette by the Central Government.

Section 115 VV: Limit for charter in tonnage:-

In the case of a tonnage tax company, not more than 49% of the net tonnage of the qualifying ships shall be **chartered in** (i.e. To give space on hire to a person for a particular purpose).

Section 115 VZB : Avoidance of tax :-

The tonnage tax scheme **shall not apply** where a tonnage tax company is a party to any transaction or arrangement which amounts to an abuse of the tonnage tax scheme.

A transaction or arrangement shall be considered an abuse if the entering into or the application of such transaction or arrangement results in a tax advantage being obtained for –

- (1) A person other than a tonnage tax company ;
- (2) A tonnage tax company in respect of it's non-tonnage tax activities.

Section 115 VZC: Exclusion from tonnage tax scheme:-

- Where a tonnage tax company is a party to any transaction or arrangement for avoidance of tax referred to above,
- the assessing officer **shall** by an order in writing exclude such company from the tonnage tax scheme.
- However, an opportunity shall be given by the assessing officer by issuing a show cause notice to that effect.
- No such order can be passed without the previous approval of the Chief Commissioner.
- **Where such an order has been passed,** the option for tonnage tax scheme shall cease to be in force from the first of the previous year in which the transaction or arrangement was entered into.
- A company can avoid action under this section by showing to the satisfaction of the assessing officer that the transaction or arrangement was a bonafide commercial transaction and had not been entered into for obtaining tax advantage.

“GENERAL ANTI-AVOIDANCE RULES (GAAR)”

- ☞ These provisions have been designed to deal with the case of **TAX AVOIDANCE** (Except the cases where there are specific provisions under the Act for anti avoidance)
- ☞ These provisions have NOT been designed to deal with the case of **TAX PLANNING / TAX EVASION**.
- ☞ The Act contained only **Specific Anti-Avoidance Rules (SAARs)** to prevent tax avoidance. SAAR targets known tax planning schemes which are commonly used by taxpayers but are not acceptable owing to misuse or abuse of tax laws, or they result in a consequence unintended in the law.

In the Act, the following may, inter alia, be considered specific examples of SAAR –

- (i) **Section 40A(2)** on excessive or unreasonable payments to related parties not deductible
- (ii) **Section 80-IA(8)** on transactions with tax exempt entities to be valued at market value.
- (iii) **Sections 92 to 92F** on transfer pricing regulations applicable to international transactions. These provisions also made applicable to specified domestic transactions by the Finance Act, 2012.
- (iv) **Explanations 1 to 13 to section 43(1)** on determination of actual cost of assets ignoring agreements, etc., in certain cases.

Section 95: Applicability of General Anti-Avoidance Rule:-

- An arrangement entered into by an assessee may be declared to be an impermissible avoidance arrangement and the consequence in relation to tax arising there from may be determined *subject to the provisions of this Chapter*.
- **Arrangement means** any step in, or a part or whole of, any transaction, operation, scheme, agreement or understanding, whether enforceable or not, **and includes** the alienation of any property in such transaction, operation, scheme, agreement or understanding;

Section 96: Impermissible Avoidance Agreement:

- (1) **An impermissible avoidance arrangement (IAA) means** an arrangement,
 - the main purpose or one of the main purposes of which is **to obtain a tax benefit****
 - and**
 - also **any of the following tests** is satisfied:
- (a) **The transaction creates rights, or obligations, which are not normally created between persons dealing at arm's length i.e. simply non-arm's length dealings.**

Example:

Facts:

Y Tech Ltd. is a company resident of country C1. It enters into an agreement with Z Energy Ltd., an Indian company for setting up a power plant in India. It is a composite contract for an agreed price of US\$ 100 million. The payment has been split in the following parts as per separate agreements.

- (i) US\$ 10 million for design of power plant outside India (payment for which is taxable at 10% on gross basis)

(ii) US\$ 70 million for offshore supplies of equipment etc. (not taxable as no role is played by any PE in India. There are not subject to import duty)

(iii) US\$ 20 million for local supplies and installation charges (taxable on net income basis)

It is found that the fair market value of offshore design is about USD 30 million; therefore it is under invoiced. On the other hand, offshore supplies were over invoiced. The arrangement resulted in significant tax benefit to the taxpayer. Can GAAR be invoked in such a case?

Interpretation:

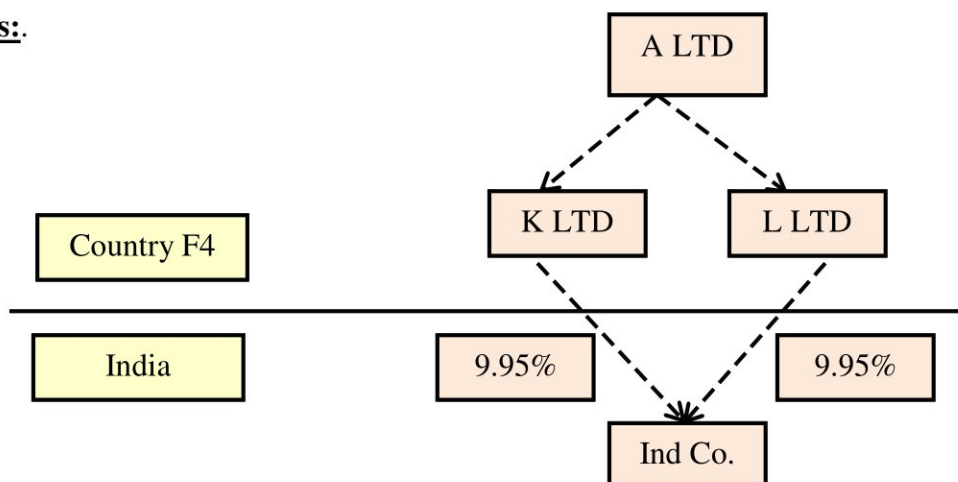

The allocation of price to different parts of the contract has been decided in such a manner as to reduce tax liability of the foreign company in India. Both conditions for declaring an arrangement as impermissible are satisfied. (1) The main purpose of this arrangement is to obtain tax benefit; and (2) the transactions are not at arm's length. Consequently, GAAR may be invoked and prices would be reallocated. However, determination of arm's length price should be based on transfer pricing regulations under the Act.

(b) It results, directly or indirectly, in the misuse, or abuse, of the provisions of this Act.

It implies cases where the law is followed in letter or form but not in spirit or substance, or where the arrangement results in consequences which are not intended by the legislation, revealing an intent to misuse or abuse the law.

Example:

Facts:

Under the provisions of a tax treaty between India and country F4, any capital gains arising from the sale of shares of Indco, an Indian company would be taxable only in F4 if the transferor is a resident of F4 except where the transferor holds more than 10% interest in the capital stock of Indco. A company, A Ltd., being resident in F4, makes an investment in Indco through two wholly owned subsidiaries (K Ltd. and L Ltd.) located in F4. Each subsidiary holds 9.95% shareholdings in the Indian Company, the total adding to 19.9% of equity of Indco. The subsidiaries sell the shares of Indco and claim exemption as each is holding less than 10% equity shares in the Indian company. Can GAAR be invoked to deny treaty benefit?

Interpretation:

The above arrangement of splitting the investment through two subsidiaries appears to be with the intention

of obtaining tax benefit under the treaty. Further, there appears to be no commercial substance in creating two subsidiaries as they do not change the economic condition of investor A Ltd. in any manner (i.e. on business risks or cash flow), and reveals a tainted element of abuse of tax laws. Hence, the arrangement would be treated as an impermissible avoidance arrangement by invoking GAAR. Consequently, treaty benefit would be denied by ignoring K and L, the two subsidiaries, or by treating K and L as one and the same company for tax computation purposes.

(c) **It lacks commercial substance or is deemed to lack commercial substance, in whole or in part; (Dealt with in detail below)**

(d) **It is entered into, or carried out, in a manner, which is normally not employed for bonafide purposes. In other words, it means an arrangement that possesses abnormal features. This is not a purpose test but a manner test.**

****The term “tax benefit” has been defined as under –**

- (a) A reduction or avoidance or deferral of tax or other amount payable under this Act; or
 - (b) An increase in a refund of tax or other amount under this Act; or
 - (c) A reduction or avoidance or deferral of tax or other amount that would be payable under this Act, as a result of a tax treaty; or
 - (d) An increase in a refund of tax or other amount under this Act as a result of a tax treaty; or
 - (e) A reduction in total income or
 - (f) An increase in loss,
- In the relevant previous year or any other previous year.

Section 97: Arrangement to lack commercial substance:-

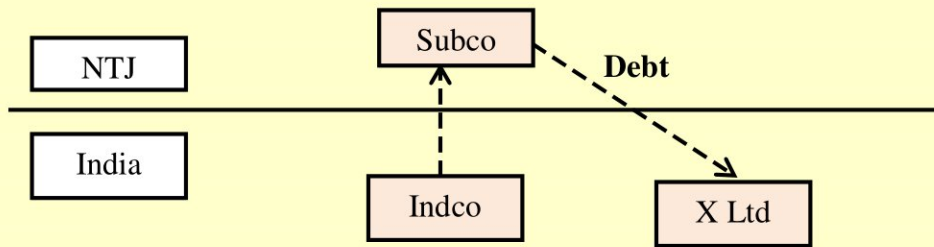

(1) An arrangement will be deemed to lack commercial substance if –

- (a) **Substance of an arrangement is different from what is intended to be shown by the form of the arrangement,** (then tax consequence of a particular arrangement should be assessed based on the – substance of what took place).
- (b) It involves or includes –
 - (i) **Round trip financing;**
 - (ii) **An accommodating party;**
 - (iii) **Elements that have effect of offsetting or cancelling each other; or**
 - (iv) A transaction which is conducted through one or more persons and disguises the value, location, source, ownership or control of funds which is the subject matter of such transaction.
In other words, **such arrangements have an element of deceit as regards funds; or**
- (c) It involves the *location of an asset or of a transaction or of the place of residence of any party which is without any substantial commercial purpose other than obtaining a tax benefit for a party.*
- (d) **It does not have a significant effect upon the business risks or net cash flows of any party to the arrangement apart from any effect attributable to the tax benefit that would be obtained.**

- (2) Sub-clause (i) of clause (b) deems an arrangement, which includes round tripping of funds, to lack commercial substance. For this purpose, the phrase round trip financing has been further defined. **Round trip financing includes** any arrangement in which, through a series of transactions –
- Funds are transferred among the parties to the arrangement; and
 - Such transactions do not have any substantial commercial purpose other than obtaining the tax benefit.

Example:**Facts:**

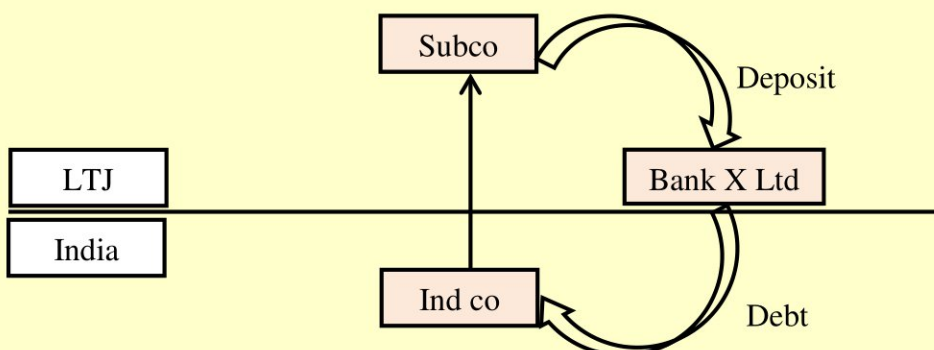

Can GAAR be invoked in the following case?

**Interpretation:**

The arrangement appears to be to avoid payment of tax on interest income by Indco in case loan is directly provided by Indco to X Ltd. The arrangement involves round tripping of funds even though the funds emanating from Indco are not traced back to Indco in this case. Hence. The arrangement may be deemed to lack commercial substance.

Consequently, in the case of Indco, Subco may be disregarded and the interest income may be taxed in the hands of Indco.

- (3) Sub-clause (ii) of clause (b) deems an arrangement which includes an accommodating party to lack commercial substance. For this, where a party is included in an arrangement mainly for obtaining tax benefit to the taxpayer, then such party may be treated as an accommodating party and consequently the arrangement shall be deemed to lack commercial substance. Also, it is not necessary that such party should be connected to the taxpayer.

Example:**Facts:**

- Can GAAR be invoked to deny the treaty benefit?

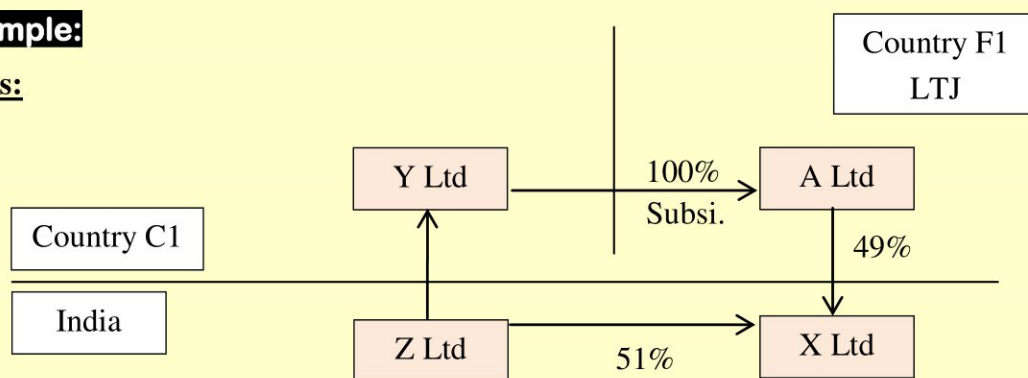

Interpretation:

This is an arrangement whose main purpose is to bring money out of reserves in Subco to India without payment of due taxes. The tax benefit is saving of taxes on income to be received from Subco by way of dividend or deemed dividend. The arrangement disguises the source of funds by routing it through X bank Ltd. which may also be treated as an accommodating party. Hence, arrangement shall be deemed to lack commercial substance.

Consequently, in the case of Indco, the loan amount would be treated as dividend income received from Subco to the extent reserves are available with Subco; and no expense by way of interest would be allowed.

In the case of X bank Ltd, exemption from tax on interest under the DTAA may not be allowed as X Ltd. is not a beneficial owner of the interest, provided the DTAA has anti-avoidance rule of the beneficial ownership. If such anti-avoidance rule is absent in DTAA, then GAAR may be invoked to deny treaty benefit as arrangement will be perceived as an attempt to hide the source of funds of Subco.

- (4) As per clause (c) if a particular location is selected for an asset or transaction or residence, and such selection has no substantial commercial purpose, then such arrangement shall be deemed to lack commercial substance.

Example:**Facts:**

Can GAAR be invoked to deny the treaty benefit?

Interpretation:

The arrangement of routing investment through country F1 results in a tax benefit. Since there is no business purpose in incorporating company A Ltd. in country F1 which is a LTJ, it can be said that the main purpose of the arrangement is to obtain a tax benefit. The alternate course available in this case is direct investment in X Ltd. joint venture by Y Ltd. The tax benefit would be difference in tax liabilities between the two available courses.

The next question is, does the arrangement have any tainted element? It is evidence that there is no commercial substance in incorporating A Ltd. as it does not have any effect on the business risk of Y Ltd. or cash flow of Y Ltd. As the twin conditions of main purpose being tax benefit and existence of a tainted element are satisfied, GAAR may be invoked.

Additionally, as all rights of shareholders of X Ltd. are being exercised by Y Ltd instead of A Ltd. it again shows that A Ltd lacks commercial substance

Hence, GAAR can be invoked.

Section 98: Consequence of impermissible avoidance arrangement:-

If an arrangement is declared to be an impermissible avoidance arrangement, then the consequences of the arrangement in relation to tax (which may include denial of tax benefit or a benefit under a tax treaty) can be determined having regard to circumstances of the case.

Certain illustrations are:

- (a) Disregarding, combining or re-characterizing any step of the arrangement;
- (b) Treating the arrangement as if it had not been entered into or carried out.
- (c) Disregarding or combining any party to the arrangement.
- (d) Deeming persons who are connected persons in relation to each other to be one and the same person for the purposes of determining tax treatment of any amount;
- (e) Reallocating expenses and income amongst the parties to the arrangement
- (f) Reallocating place of residence of any party or transaction or situs of an asset to a place other than the place as provided under the arrangement; or
- (g) Considering or looking through any arrangement by disregarding any corporate structure.
- (h) Re-characterizing Equity into Debt, Receipt of capital nature into Revenue, etc.

Section 101: Framing of guidelines under Income-tax Rules:-

The provisions of Chapter XA shall be applied in accordance with such guidelines and subject to such conditions as may be prescribed.

Rule 10U & 10UA:

- (1) Threshold of ₹ 3 crores in respect of tax benefit in a relevant assessment year arising in aggregate to all parties to the arrangement.
- (2) GAAR not to apply to Foreign Institutional Investors ("FII") subject to satisfaction of certain conditions.
- (3) As per the new GAAR notification by CBDT, the investment made before 1st April 2017 will be grandfathered.

"CIRCULAR NO. 7, DATED 27-1-2017"**CLARIFICATION ON CERTAIN QUERIES ABOUT IMPLEMENTATION OF GAAR:-****Question no.1:**

Will GAAR be invoked if SAAR applies?

Answer:

It is internationally accepted that specific anti avoidance provisions may not address all situations of abuse and there is need for general anti-abuse provisions in the domestic legislation. The provisions of GAAR and SAAR can coexist and are applicable, as may be necessary, in the facts and circumstances of the case.

Question no.2:

Will GAAR interplay with the right of the taxpayer to select or choose method of implementing a transaction?

Answer:

GAAR will not interplay with the right of the taxpayer to select or choose method of implementing a transaction.

Question no.3:

Will GAAR provisions apply to (i) any securities issued by way of bonus issuances so long as the original securities are acquired prior to 01 April, 2017 (ii) shares issued post 31 March, 2017, on conversion of Compulsorily Convertible Debentures, Compulsorily Convertible Preference shares (CCPS), Foreign Currency Convertible Bonds (FCCBs), Global Depository Receipts (GDRs), acquired prior to 01 April, 2017; (iii) shares which are issued consequent to split up or consideration of such grandfathered shareholding?

Answer:

Grandfathering under Rule 10U(1)(d) will be available to investments made before 1st April 2017 in respect of instruments compulsorily convertible from one form to another, at terms finalized at the time of issue of such instruments. Shares brought into existence by way of split or consolidation of holdings, or by bonus issuances in respect of shares acquired prior to 1st April 2017 in hands of the same investor would also be eligible for grandfathering under Rule 10U(1)(d) of the Income Tax Rules.

Question no.4

Will GAAR apply if arrangement held as permissible by Authority for Advance Ruling?

Answer:

No The AAR ruling is binding on the PCIT/CIT and the Income Tax Authorities subordinate to him in respect of the applicant.

Question no.5

Will GAAR be invoked if arrangement is sanctioned by an authority such as the Court, National Company Law Tribunal or is in accordance with judicial precedents etc.?

Answer:

Where the Court has explicitly and adequately considered the tax implication while sanctioning an arrangement, GAAR will not apply to such arrangement.

Question no.7

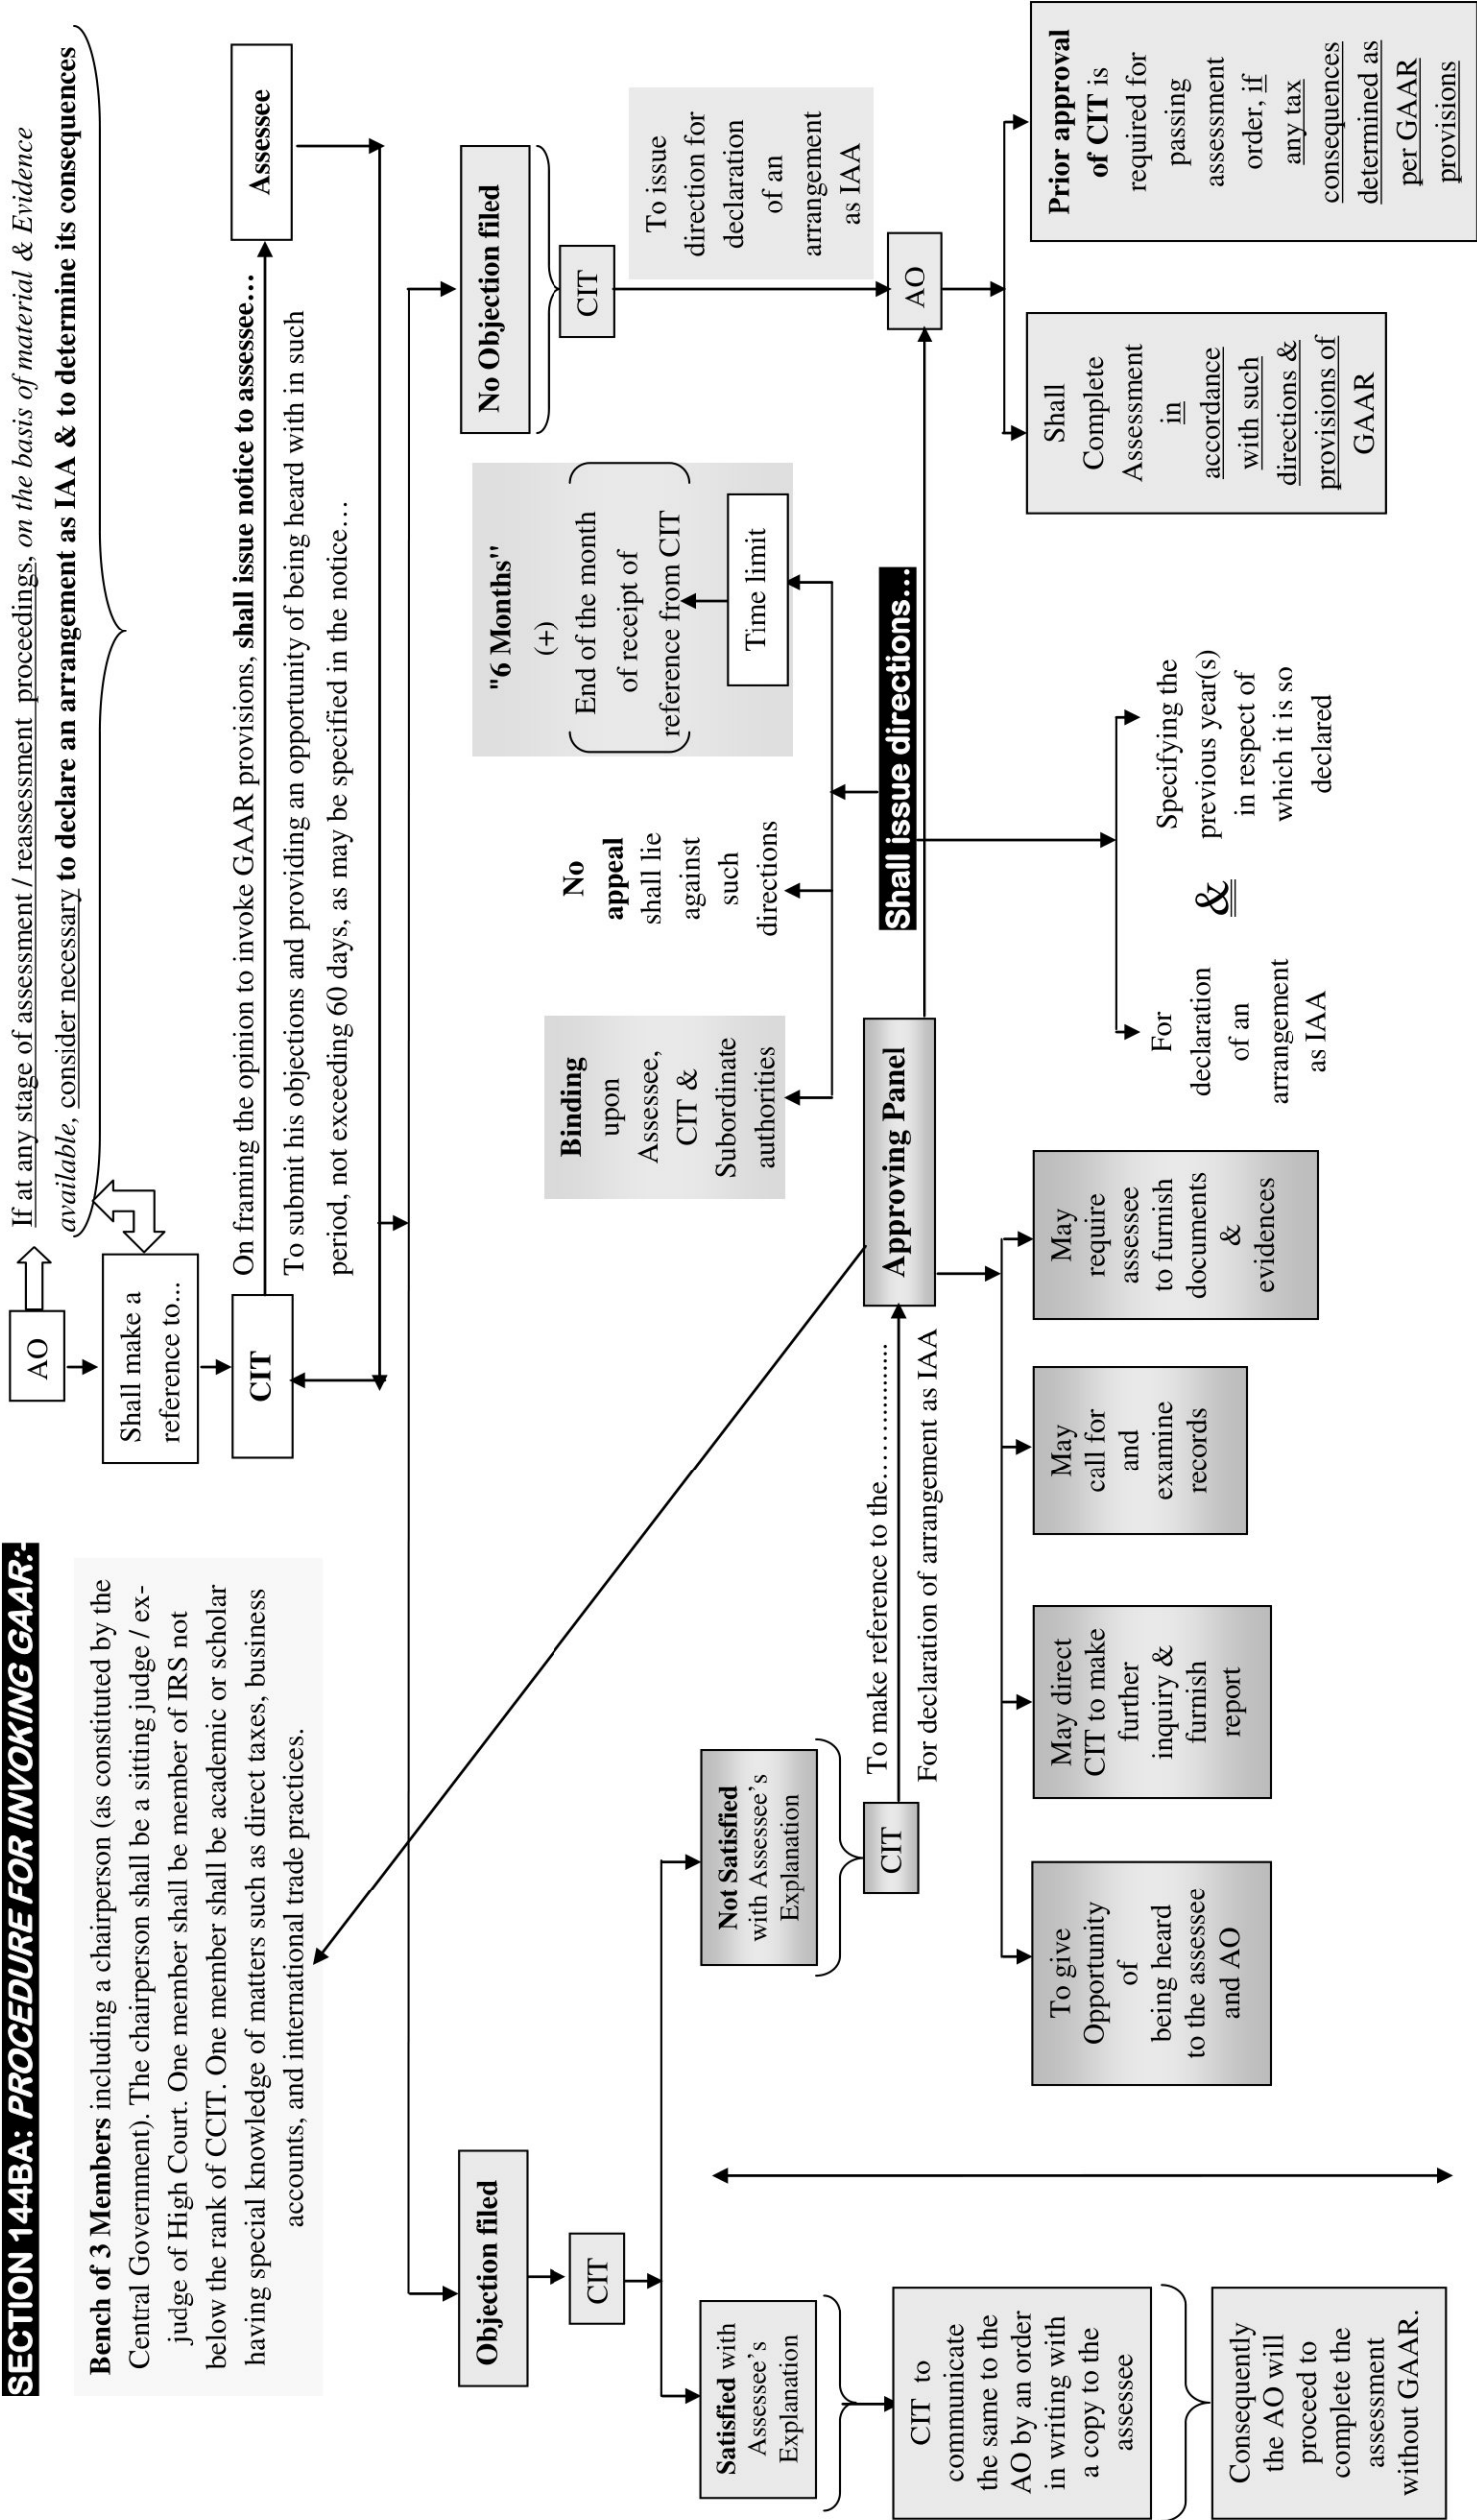

Will a contrary view be taken in subsequently years if arrangement held to be permissible in an earlier year?

Answer:

If the PCIT/Approving Panel has held the arrangement to be permissible in one year and facts and circumstances remain the same, as per the principle of consistency, GAAR will not be invoked for that arrangement in a subsequent year.

SECTION 144BA: PROCEDURE FOR INVOKING GAAR:-

Bench of 3 Members including a chairperson (as constituted by the Central Government). The chairperson shall be a sitting judge / ex-judge of High Court. One member shall be member of IRS not below the rank of CCIT. One member shall be academic or scholar having special knowledge of matters such as direct taxes, business accounts, and international trade practices.

"Taxation Scheme for VIRTUAL DIGITAL ASSET"

Insertion of Section 2(47A): *Meaning of Virtual Digital Asset (VDA):-*

- **This section** provides an *exhaustive meaning* of the term virtual digital asset.
- *Broadly speaking*, it covers the following three classes of VDA:
 - (a) **Information or code or number or token generated through cryptographic means, providing a digital representation of value that can be digitally traded or transferred and used for payment or investment purposes;**
 - (b) **Non-fungible token except whose transfer results in transfer of ownership of underlying tangible asset and the transfer of ownership of such underlying tangible asset is legally enforceable.; and**
 - (c) **Any other digital asset** as may be specified by the Central Government.

Exceptions:

- Gift card or vouchers, Mileage points, reward points or loyalty card, usable in obtaining goods/services or availing discount on goods or services; and Subscription to websites or platforms or application.

Insertion of Section 115BBH: *Tax on income arising from transfer of Virtual Digital Asset:-*

- | | |
|-----|---|
| (1) | <ul style="list-style-type: none"> - Where the total income of an assessee includes - any income from the transfer of any virtual digital asset, - <i>notwithstanding anything contained in any other provision of this Act,</i> - <u>the income-tax payable shall be the aggregate of-</u> <ol style="list-style-type: none"> (a) <i>the amount of income-tax calculated on the income from transfer of such virtual digital asset at the rate of thirty per cent (+ surcharge + HEC, as applicable); and</i> (b) <i>the amount of income-tax with which the assessee would have been chargeable, had the total income of the assessee been reduced by the income referred to in clause (a).</i> |
| (2) | <p><i>Notwithstanding anything contained in any other provision of this Act,—</i></p> <ol style="list-style-type: none"> (a) <u>no deduction in respect of any expenditure (other than cost of acquisition, if any) or allowance or set off of any loss shall be allowed to the assessee under any provision of this Act in computing the income referred to in clause (a) of sub-section (1); and</u> (b) no set off of loss from transfer of the virtual digital asset computed under clause (a) of sub-section (1) shall be allowed against income computed under any provision of this Act and such loss shall not be allowed to be carried forward to succeeding assessment years. |

Explanatory Notes:

(1) Nature of income arising from the transfer of VDA:

- There is no particular provision under this scheme on nature of income arising from the transfer of VDAs. Therefore, when an entity holds VDAs for sale in the ordinary course of business (i.e., trading asset/held as

SIT), the profits arising therefrom should be taxed under the head PGBP. Whereas, if the VDAs are held as a capital asset (i.e., not held as SIT), the income shall be taxed under the head "capital gain".

(2) Computation of income arising from the transfer of VDA:

As the Law provides while computing the capital gains or business income, **except the cost of acquisition**, no other deduction or exemption shall be allowed. **Thus, the following items shall be ignored while computing the income from the transfer of virtual digital assets:**

- (i) *Indexation of cost of acquisition of a virtual digital asset;*
- (ii) *Cost of improvement relating to a virtual digital asset;*
- (iii) *Expenditure incurred in connection with the transfer of a virtual digital asset;*
- (iv) *Exemption under Section 54F;*
- (v) *Depreciation and Other expenses.*

(3) Benefit of maximum exemption limit and Rebate under section 87A:

Where an income is subject to tax at a special rate specified in Chapter XII (i.e. Section 110 to 115BBI), the maximum exemption limit shall not be allowed from such special income unless specifically allowed in the respective Section.

For example, Section 111A, Section 112 and Section 112A allow a resident individual and HUF to claim the maximum exemption limit from the income taxable under these provisions.

Therefore, the income computed u/s 115BBH shall be taxable at a flat rate of 30% **without giving the benefit of the maximum exemption limit.**

Rebate under Section 87A is allowed to all resident individuals (whose total income during the previous year does not exceed ₹ 500,000) unless it is expressly prohibited. *For example*, Section 112A prohibits rebate under Section 87A from an income taxable under this provision.

As Section 115BBH does not prohibit such rebate, and it is neither a deduction nor allowance, it should be allowed to a resident individual from the tax computed under this provision.

Amendment of Section 56(2)(x): *Receipt of Virtual Digital Asset without/Inadequate consideration:*

Section 56(2)(x), inter alia, provides that where a person receives specified movable property without consideration (i.e. as a gift), and the aggregate FMV of such benefit exceeds ₹ 50,000, the whole of the aggregate FMV shall be taxable in the hands of the recipient u/s 56(2)(x) as income from other sources.

Similarly, if such property is received for a consideration which is less than the aggregate fair market value of the property by an amount exceeding ₹ 50,000, then, the difference between aggregate fair market value and consideration is chargeable to tax in the hands of recipient.

NEW ENTRY inserted by the Finance Act, 2022 in the definition of “property”:

With effect from the assessment year 2023-24, the Finance Act, 2022 inserted '**virtual digital assets**' in the **meaning of property. Accordingly, the aforesaid provisions will also be applicable in the case of virtual digital asset by gift or for inadequate consideration.**

"LIABILITY IN SPECIAL CASES"

Amendment in Section 170: *Assessment in case of succession of business otherwise than on death :-*

(1)	<p>Where a person carrying on any business or profession has been succeeded therein by any other person who continues to carry on that business or profession:</p> <p>(a) the predecessor shall be assessed in respect of the income of the previous year in which the succession took place upto the date of succession ; and</p> <p>(b) successor shall be assessed in respect of income of the previous year after the date of succession.</p>
(2)	<p><u>Liability of Successor:-</u></p> <p><i>When the predecessor cannot be found</i> the assessment of the income (including capital gains accruing to the predecessor from the transfer of the business) of the previous year in which the succession took place up to the date of succession and of the previous year preceding that year shall be made on the successor in like manner and to the same extent as it would have been made on the predecessor ,Further when any sum payable in respect of the income for the aforesaid period cannot be recovered from predecessor, the Assessing Officer shall record a finding to that effect and such sum shall be payable by and recoverable from the successor, however he is entitled to recover any sum so paid from the predecessor.</p>
(2A)	<p>INSERTION MADE BY FINANCE ACT, 2022:</p> <p>Challenges in pre-amendment section 170:</p> <ul style="list-style-type: none"> ➤ Once an entity starts the succession process by applying with the adjudicating authority or any High Court, the period involved in concluding such succession is a long-drawn process and is not time-bound. The succession often is from a prior date. During the pendency of the court proceedings, the income tax proceedings and assessments are carried on and often completed on the predecessor entities only. <i>Courts have held that such proceedings and consequent assessments are illegal since the predecessor assessee has ceased to exist pursuant to a perfectly valid and legal proceeding.</i> ➤ But, the memorandum explaining the provisions of the Finance Bill 2022 provides that: ➤ <i>Till the decision of the court is received, the proceedings of the Act have to be continued in the case of the predecessor only and such proceedings once completed, cannot become illegal as a result of subsequent order of any court.</i> ➤ <i>Therefore, with a view to clarify that such proceedings under the Act are valid, it is proposed to insert a new sub-section (2A) to section 170, to provide that -</i> <ul style="list-style-type: none"> – Notwithstanding anything contained in sub-sections (1) and (2), – <i>where there is a succession,</i> – the assessment or reassessment or other proceedings, made or initiated on the predecessor – during the course of pendency of such succession, – <i>shall be deemed to have been made or initiated on the successor and</i> – all the provisions of this Act shall, so far as may be, apply accordingly.

Explanation:

For the purposes of this sub-section, the term "pendency" means the period

- *commencing from the date of filing of application for such reorganisation of business before the High Court or tribunal or the date of admission of an application for corporate insolvency resolution by the Adjudicating Authority as defined in section 5(1) of the Insolvency and Bankruptcy Code, 2016 and*
- *ending with the date on which the order of such High Court or tribunal or such Adjudicating Authority, as the case may be, is received by the Principal Commissioner or the Commissioner.'*

After this amendment, it has been explicitly clarified that the assessment or other proceedings pending, completed or initiated on the predecessor in the event of a succession shall be deemed to have been made or initiated on the successor.

Insertion of Section 170A: *Filing of modified return by successor entity:-*

- **Post a business reorganisation, the affairs of the successor entity go through a complete change with effect from the date from which such reorganisation takes place. However, due to the indefinite timeline involved in issuing such reorganisation orders, there is a gap between the effectiveness of such order and the date on which competent authority issues such order. This also affects the final accounts of such entities as they are unable to modify their already filed returns in accordance with the reorganisation.**
- **Hence, to remove this anomaly, this new section 170A is inserted which enables the entities going through such business reorganisation to file modified returns for the period between the date of effectivity of the order and the date of issuance of the final order of the competent authority. This section 170A provides that-**
 - *Notwithstanding anything to the contrary contained in section 139,*
 - *in a case of business reorganisation,*
 - *where prior to the date of order of a High Court or tribunal or an Adjudicating Authority as defined in clause (1) of section 5 of the Insolvency and Bankruptcy Code, 2016, as the case may be,*
 - *any return of income has been furnished by the successor under the provisions of section 139*
 - *for any assessment year relevant to the previous year to which such order applies,*
 - *such successor shall furnish,*
 - *within a period of six months from the end of the month in which the said order was issued,*
 - *a modified return in such form and manner, as may be prescribed**,*
 - *in accordance with and limited to the said order.*

Explanation: *In this section, the expressions-*

- (i) *"business reorganisation" means the reorganisation of business involving the amalgamation or demerger or merger of business of one or more persons;*
- (ii) *"successor" means all resulting companies in a business reorganisation, whether or not the company was in existence prior to such business reorganisation.*

****Rule: 12AD: Return of income under section 170A:-**

- (1) The modified return of income to be furnished by a successor entity to a business reorganisation for an assessment year, **shall be in the Form ITR-A** and verified in the manner specified therein.
- (2) Such return of income *shall be furnished electronically under digital signature.*

Assessment on the basis of modified return [Rule 12AD(3) & (4)]:

	Status of Assessment or reassessment proceedings for an A.Y. relevant to a P.Y. to which the order of the business reorganisation applies	Completion of Assessment by the A.O. on the basis of modified return
(i)	Completed proceedings- If proceedings have been completed on the date of furnishing of the modified return in accordance with the provisions of section 170A	The A.O. has to pass an order modifying the total income of the relevant A.Y. determined in such assessment or reassessment proceedings in accordance with the order of the business reorganisation and the modified return so furnished.
(ii)	Pending proceedings - If the proceedings are pending on the date of furnishing of the modified return in accordance with the provisions of section 170A	The A.O. has to proceed to complete the assessment or reassessment proceedings in accordance with the order of the business reorganisation and the modified return so furnished.

Insertion of Section 156A: *Modification of demand order in insolvency resolution process:-*

- To ensure the future viability of sick entities acquired in business reorganisation, the Court, Tribunal or Adjudicating Authority *recast the entire liability*. In this process, they modify the demand created *vide various proceedings in the past, including those by the Income Tax department*.
- However, there is no procedure or mechanism in the Act to reduce such demands from the outstanding demand register.
- Hence, to remove this anomaly, this new Section 156A has been inserted to give effect to the orders of the competent authority and to modify such demands in accordance with such directions.

Section 156A so inserted reads as under:

- (1) - Where any tax, interest, penalty, fine or any other sum
 - *in respect of which a notice of demand has been issued under section 156,*
 - *is reduced as a result of an order of the Adjudicating Authority as defined in section 5(1) of IBC, 2016,*
 - **the Assessing Officer shall modify the demand payable in conformity with such order and**
 - **shall hereafter serve on the assessee a notice of demand specifying the sum payable, if any, and**
 - *such notice of demand shall be deemed to be a notice under section 156 and the provisions of this Act shall accordingly, apply in relation to such notice.*
- (2) **Where the order referred to in sub-section (1) is modified by the National Company Law Appellate Tribunal or the Supreme Court, as the case may be, the modified notice of demand as referred to in sub-section (1), issued by the Assessing Officer shall be revised accordingly."**

"INCOME FROM SALARIES"

"TAX FREE PERQUISITES"

Amendment in section 17(2): *Medical facility:-*

The value of the following medical facility provided or expenditure incurred in favour of an employee or any member of his family by the employer is not treated as a perquisite and therefore not taxable:

Medical treatment in India:-

- (i) In any hospital maintained by the employer.
- (ii) Any expenditure actually incurred by the employee in any hospital-
 - a) Maintained by Govt. local authority or in an approved hospital under CHS; or
 - b) Approved by the CCIT, for the medical treatment of the prescribed diseases or ailments,
 - c) in respect of any illness relating to COVID-19 subject to such conditions as the Central Government may, by notification in the Official Gazette, specify in this behalf**

As inserted by F. A., 2022

Provided the employee must attach with his ROI,

- A certificate from the hospital specifying the disease/ailment for which medical treatment was required and
- The receipt for the amount paid to the hospital.
- (iii) Group medical insurance taken by the employer for his employees or reimbursement of medical insurance premium paid by the employee u/s 80D;

Medical treatment out side India:-

Actual expenditure incurred by the employer on-

- **Medical treatment** of the employee or any member of the family : Exempt to the extent permitted by the RBI;
- **Stay abroad** of the patient and one attendant : Exempt to the extent permitted by the RBI;
- **Travel abroad** of the patient and one attendant shall be exempt only in the case of an employee whose GTI as computed before including therein the said travel expenditure does not exceed ₹2,00,000.
- Family means Spouse + Children + Dependent Parents & Brothers & Sisters of the individual.

"MISCELLANEOUS AMENDMENTS"

Amendment in Section 14A: *Expenditure incurred in relation to exempt income, not deductible:-*

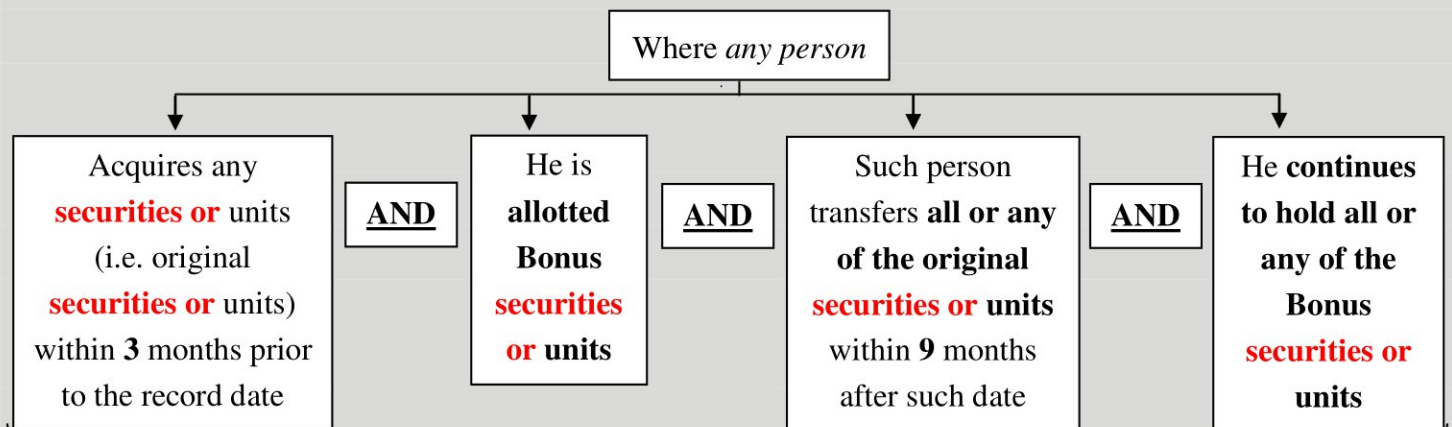

- Notwithstanding anything to the contrary contained in this Act,
- for the purposes of computing the total income under this Chapter,
- **No deduction shall be allowed in respect of expenditure incurred** by the assessee
- in relation to income which does not form part of the total income under the Act.
- In the case of composite business, expenditure pertaining to income exempt from tax **shall be determined as per prescribed method (i.e., Rule 8D).**

Explanation:

As inserted by F. A., 2022

For the removal of doubts, it is hereby clarified that notwithstanding anything to the contrary contained in this Act, **the provisions of this section shall apply** and shall be deemed to have always applied in a case where the income, **not forming part of the total income under this Act, has not accrued or arisen or has not been received during the previous year relevant to an assessment year and the expenditure has been incurred during the said previous year in relation to such income not forming part of the total income.**

Amendment in Section 94(8): *Bonus Stripping:-*

THEN,

Loss arising from the transfer of original securities or units shall be ignored

and

It shall be deemed to be the cost of acquisition of such Bonus securities or units held on the date of such transfer

➤ **“Record Date” means:**

- Such date as may be fixed by
- a Company or a Mutual Fund or the Administrator of the specified undertaking or the specified company (i.e. Parts of UTI) or **a business trust or an Alternative Investment Fund**

- for purposes of entitlement of the holder of the securities or unit, to receive dividend, income, or additional securities or units without any consideration.

Amendment in Section 285B: *Submission of statements by producers of cinematograph films or persons engaged in specified activity:-*

- This section was introduced to check the excessive expenditure shown by film producers and enable the Income-tax Department to get information about the recipients of payments for necessary action in their cases.
- Under this section, the producer of cinematographic films is required to furnish a statement of particulars of the payment made by him or due from him of a sum more than ₹ 50,000 in aggregate to each person (employee or otherwise) engaged by him in such production. Such statement was required to be furnished electronically to the assessing officer in Form 52A within 30 days from the end of the financial year or within 30 days from the date of completion of production, whichever was earlier.
- **The scope of this section has been extended to include persons engaged in specified activities.** The Finance Act, 2022 substitutes this section 285B as under:
 - Any person carrying on the production of a cinematograph film or engaged in any specified activity, or both,
 - during the whole or any part of any financial year
 - **shall**, in respect of the period during which such production **or specified activity** is carried on by him in such financial year,
 - **furnish** within the prescribed period, a **statement** in the prescribed form
 - to the prescribed income tax authority in the prescribed manner,
 - *containing particulars of all payments of over fifty thousand rupees in the aggregate made by him or due from him to each such person as is engaged by him in such production or specified activity.*

Explanation:

For the purposes of this section, "**specified activity**" means any event management, documentary production, production of programmes for telecasting on television or over the top platforms or any other similar platform, sports event management, other performing arts or any other activity as the Central Government may, by notification in the Official Gazette, specify in this behalf.

Amendment in Section 2(12A): *Enlargement of the scope of "Books of account":-*

Section 2(12A) define the term "**books or books of account**" which includes ledgers, day-books, cash books, account-books and other books, *whether kept in the written form or as print-outs of data stored in in the written form or in electronic form or in digital form or as print-outs of data stored in such electronic form or in digital form or in a floppy, disc, tape or any other form of electro-magnetic data storage device.*

Explanatory Note:

The pre-amendment definition covered only books of account **kept in written form or as print-outs** of computerised books of account. But, after the amendment, **it also covers books or books of account or data kept in electronic form or in digital form.** Moreover, *having books of account in hard copies were necessary for an assessee.* Now, it does not matter whether print-outs of such data/books/records have been taken or not.
